I don't know~
I don't know what to think about this~

That childish little Yukko did, you hear~

Like, Yukko said she masturbated!

I don't know who this "Yukko"-chan is, though.

But it's Yukko!

Vxv

Even though I've never even done it...

Masturbation.

Why are you so hung up over a classmate masturbating, Atsuna?

I'm not~

Hn

Yeah, but you're doing something even more amazing, aren't you?

Bst

Hn

Coming to a man's room without panties... How indecent.

...My goodness, just look at you.

...And besides... I don't know how to do it...

...Wha-

Why should I do it here and now?!

You wanted to try it, right?

...The way you do?

That's right. Do what you think will make you feel good.

Just do it the way I always do it for you.

...Well... because you told me to do it, Eichi...

You say that, but you're not stopping.

Whoa there...

You're too close~ Don't look!

I can't take it any-moore~

My fingers won't stop...

When you're raising your butt like that, I can't really not look at it.

And you told me not to look, but...

HAA

More juices ooze out with every twitch of your pussy...

AH

It's pink and sparkly.

You're so pretty down here, Atsuna.

Don't say tha...

I can't do that~

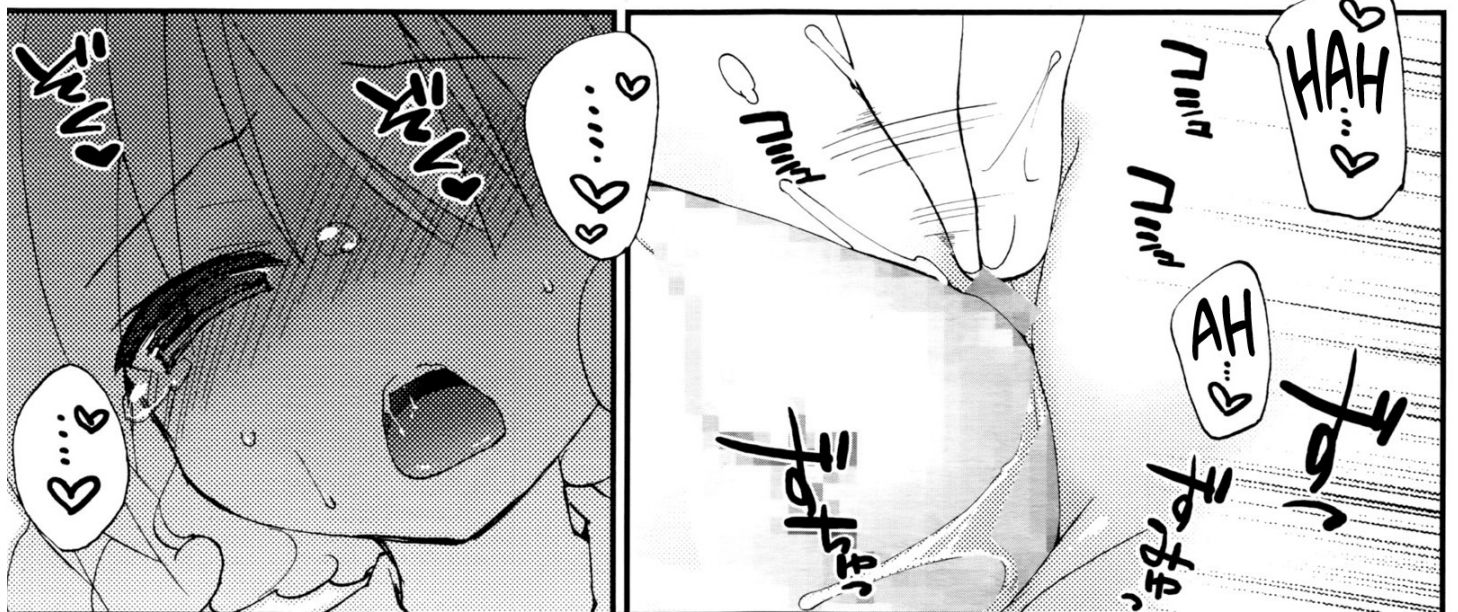

Eh...

Try doing it by yourself again.

Go ahead, it'll feel good.

I'll also move a lot, okay?

I see you're shaking your hips too, Atsuna.

What... is this...

My clit and insides... both feel so good!

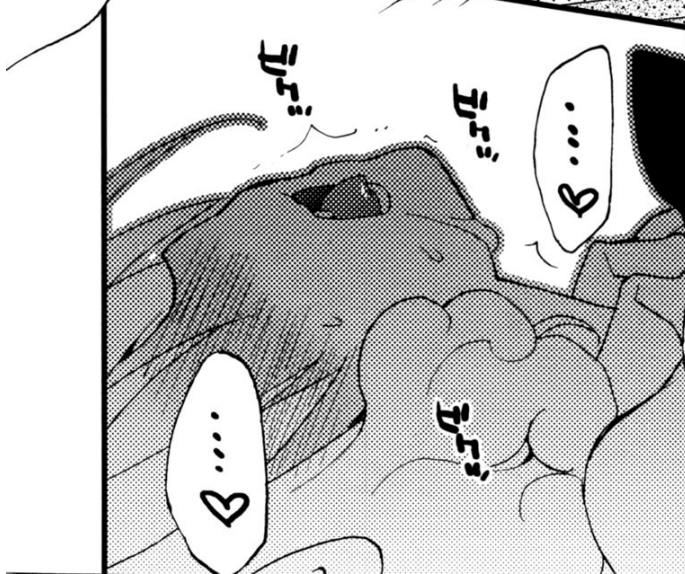

But... they're moving on their own~

This...

Feels... amazing...

If it felt that good, I guess my little coaching was worth it.
