It's the fruit of your teaching, Sensei.

Yeah...

She was so meek when she first transferred to this school.

Perhaps it's due to that fact that she couldn't adapt to her environment and ended up isolated.

Her name is Rokushin Maria, and she is the sole heiress to the Rokushin foundation, a large conglomerate.

Which made it easy for me to take advantage of her.

Sensei...

Fueh?

I can help you fit in!

Won't you trust me?!

So she obediently listened to everything I told her.

Maria's a little naïve.

But that was just a natural result of her being good looking and considerate towards others.

Months later, she had become the most popular girl in class.

Is there anything you want, Sensei?

Actually ...

...

A dog collar.
