Uu... I can't deny it... I'm ashamed...

But..!

Ah-Sorry, I have to get this call...

Eehh...

No one could keep going in that situation!

Your sweetness is the thing that lets my fat exist!

But you kept spoiling me whenever I felt like quitting!

I am?!

You said you'd help me diet...

You're partly at fault too, Toranosuke-kun!

And because I was free, well...

Y-Yeah, something urgent came up and they need more reporters on the scene...

You're going on a long business trip?!

EEEE
EEH?!

How long will you be gone?!

It might take a month, or more...

No, don't be... It's your job, it can't be helped...

I'm sorry...

Month... or more...
