Are you an idiot?

Ergh, foul-mouthed as always...

Japan?

WHY IS THERE A GLOBE HERE ANYWAY?

Hehe-heh...

There's that black magic, so what did you do to the globe this time?

You'll see

!!

Hey, Teach! Come over here!

Huh?

Forget that, can you show us where Japan is?

How many times do I have to say it? Please stop referring to your instructor so casually

Um...

Maybe it's gum or something? I bet you'll know if you touch it

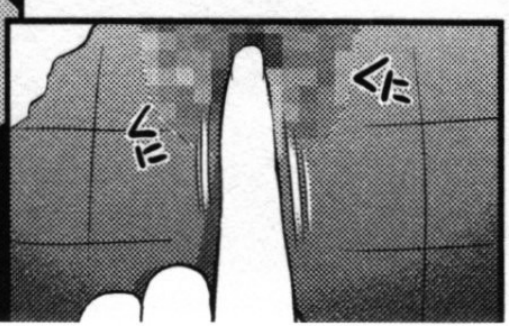

Hehe-heh...

かあああああ

!!?

Look at her, she's...

!?

!?

Using Black Magic, I've switched Japan on that GLOBE...

With her pussy

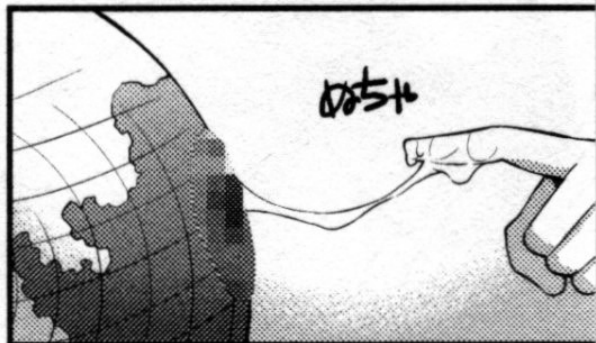

What's with this... It feels good...

She's just continually playing with herself

Planning on stopping some-time?

On the job, no less...

Samejima Sadao. Using Black Magic, he is able to exchange objects with one another

She stopped... Is she going back to work?

Oh...

Ah man, I want to fuck her...

Yeah, me too ♡

Now, we will be beginning the on-road driving test...

She's definitely got a curious personality, no doubt about that

She's definitely a girl who loves sex

Looks like she's enjoying herself

Ah ♡

Don't "Ugh" me!

Ugh...

You GUYS...

Instructors are supposed to be impartial to their students. At least try to hide it

Until we reach the exam center, I will be accompanying you, please get into the car

OK!

Huh!?

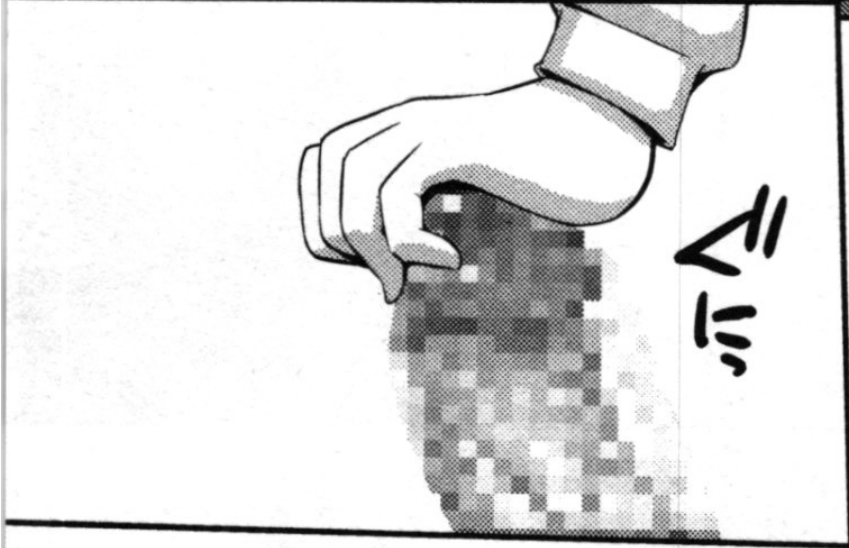

Oh? Did you see something, Teach?

I hear when you're overly frustrated, all kinds of things start to look like penises

THAT'S GOOD TEACH, SQUEEZE IT HARDER

N-no way... There's a penis there...

The shifter was replaced with a penis

What am I going to do?

But there's no way a penis could be here right now...

Maybe I'm just tired out from working too much...

What's going on?

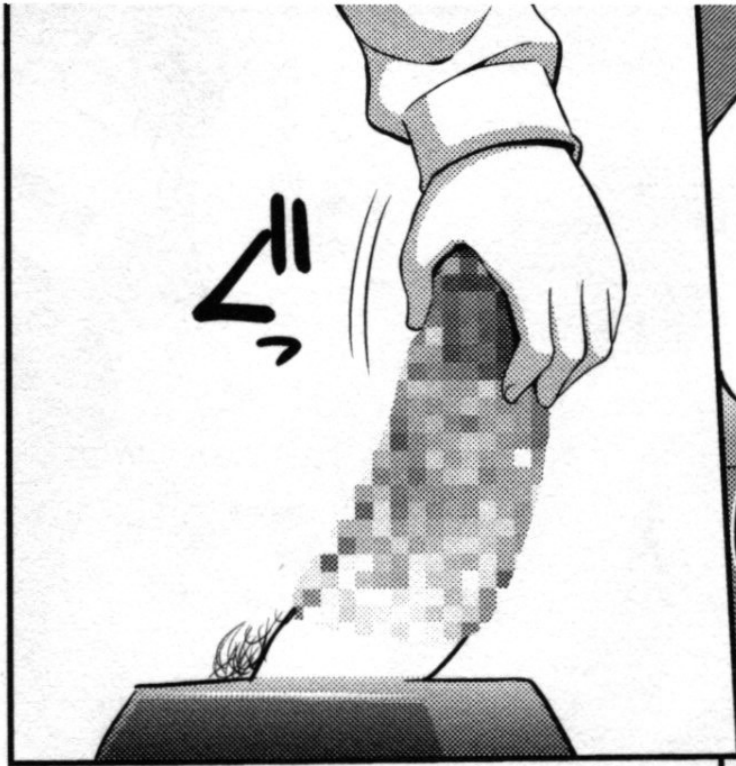

That's good

It won't let me shift...

Ah!

That feels great

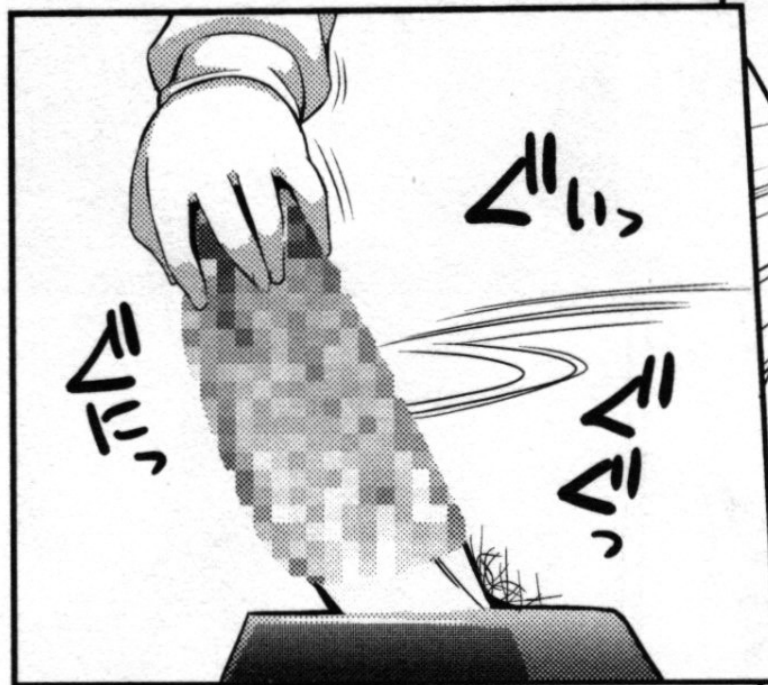

You should probably shift gears

The shift is where my dick's supposed to be

Oh, right, shifting

The shifter's right here!

More... More... Change gears more~!

This gear change hand job is pretty good

Fourth gear? Is that okay?

What gear do you want to go to?

Ah! The way you move your hands is great!

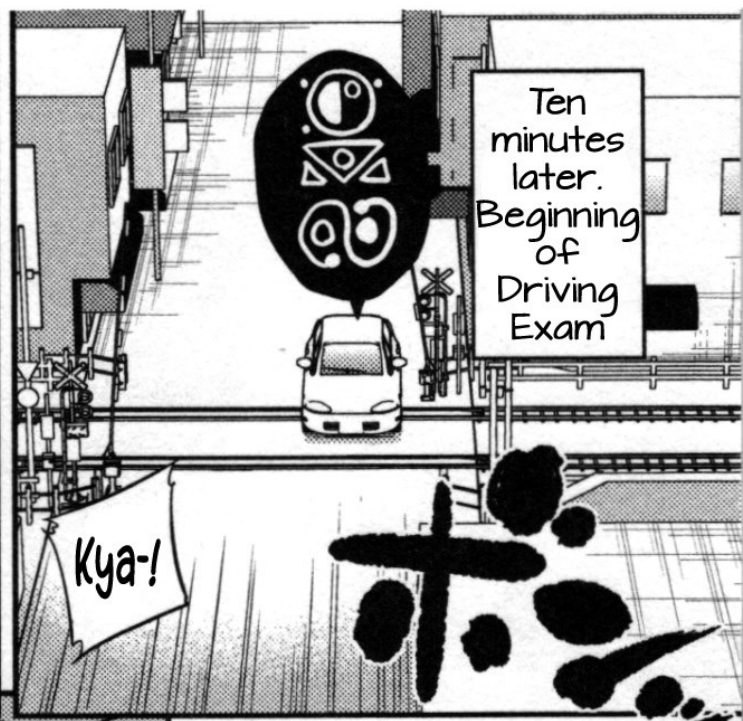

It's not a real dick!! It's not...

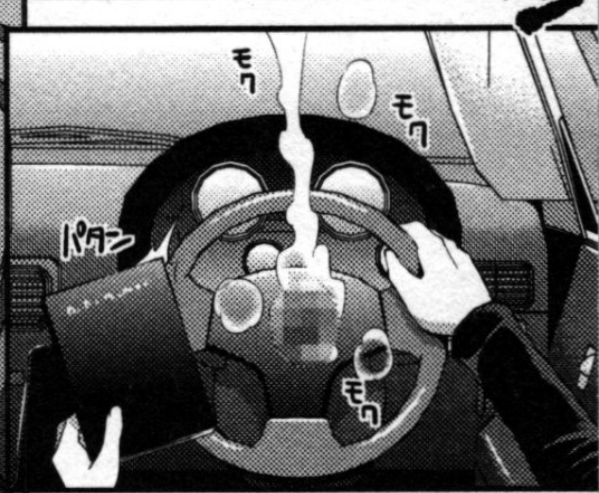

What is it this time?!

Heh

Ten minutes later. Beginning of Driving Exam

Kya-!

Oh, is that?

Yep, it's her pussy

He put the shifter back

Now, if I play with it, will it get wet?

Oh, what's gotten into you all of a sudden? Are you frustrated after all?

You switched my arms with hers

Oh ♡ Sadao...

W-wait... What's going on!?

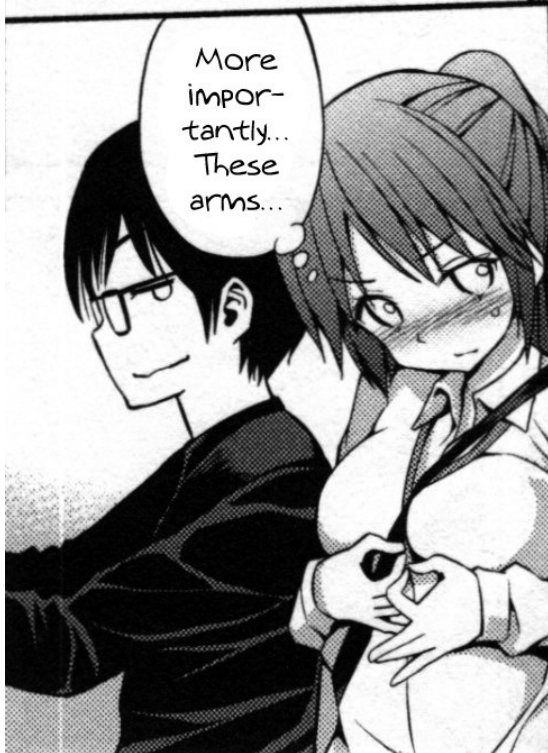

This body... A man?

My hands are touching something else...

No. Please stay focused on the exam, you disgusting

four-eyes

More importantly... These arms...

W-what am I going to do now...?

Haha, I think you're the one who needs to stay focused right now

Oh, our first reaction! It seems you like your nipples and clit

Then how about this?

Guh...

No... What's going inside me...

Ohhh...

Hey, you wanna have sex now right?

Be... Qui...et... Yo...u...
