Okay, I'll go get o...

We should probably get an additional smaller plate for this.

Eh..?

Could it be... that you're feeling pent-up?

Could you let me take care of that for you?

Kadoya-san, if you'd like...

I... Haru-chan...

By the way... I'm serious.

I'd like you to... do just that...

It's... great...

Heeh...

Is it?

How...

That doesn't matter.

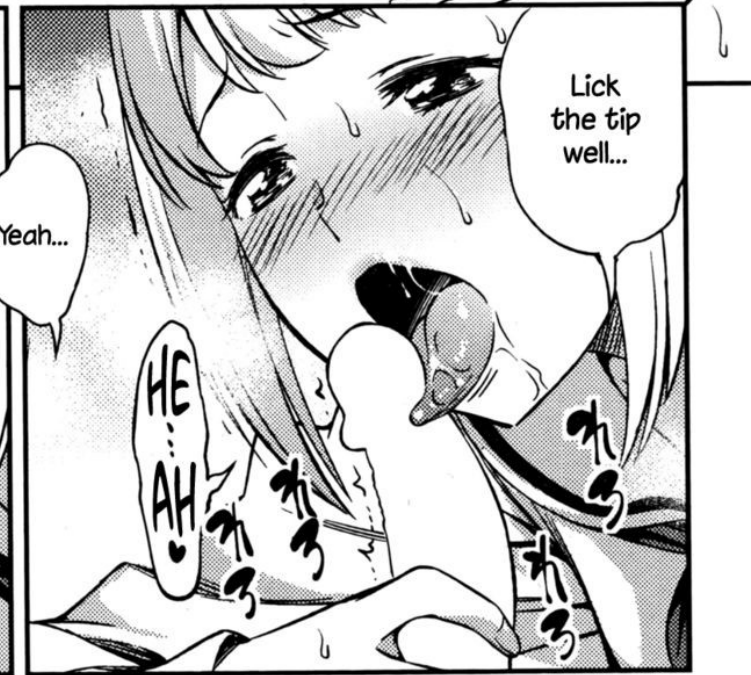

Well, in that case...

Try... licking it.

I don't think I'll be able to do it well, though...
