Are your uni classes over for today?

Well... yeah.

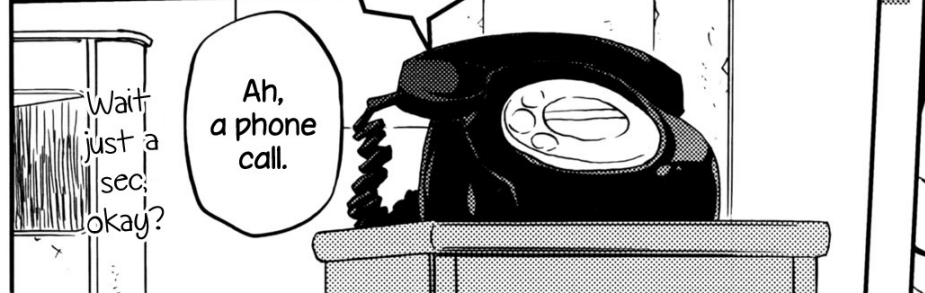

I'm home, Matsuri-chan.

Onii-san! Welcome back!

Yeah, Grandpa's out making a delivery.

You're holding the fort by yourself?

Ah, Grandpa.

The delivery's gonna take longer than you thought?

Good afternoon, this is the Takaya sake store.

Geet!

You're hopeless-

So you're at old Yamashita's place again...

HA

Got it.

HAH

Bye...

Yeah, I'll be fine by myself.

HI AH

You were just so cute I couldn't resist.

I won't go all the way, I swear.

Onii-san!

I told you to wait until I was done with this call!

Onii-san!

Onii-san, what did you do at school today?

Nothing out of the ordinary.

Listened to lectures.  
Hung out with my friends.

Ah-  
Do it a little stronger there.

There we go...

...Yeah.

You're really interested in university studies, huh, Matsuri-chan.

You're always asking me about it.

Grandpa, Onii-san upstairs is going to help me study, so I'm going over, okay?

I will!

Be sure to come home early, you hear~

Sorry, Grandpa..!

I'm not just having fun. I mean, there's nothing to do around here.

Yeah, yeah, I'm doing fine.

There's nothing here...

Yeah. Bye.

KNOCK KNOCK

Am I still a bother?

Matsuri-chan.

I know, but anyway~

When you're old enough to go to uni, I'll have already graduated, though.

And you're still not studying at all.

I'll study hard from now on!

You know... I really want to...

Go to university with you.
