Do you play any sports?

I play rugby in college.

Just a little stimulation and I got an erection.

It's embarrassing to be seen.

You're going to get fucked like a woman today, How does it feel now?

I'm not sure, but I'm going to try to finish it.

Grab...

Huge!

It's hard to breathe.

Nice.

You're pretty good
for your first blowjob.

THURST

THURST

A muscular man with dark hair and a determined expression is shown from the chest up, sitting in a bathtub. He is shirtless and has a finger inserted into his rectum. The scene is set in a bathtub with water visible. The man's face shows signs of strain or concentration, with sweat on his forehead and a slightly open mouth. The overall tone is sensual and explicit.

I'd like to insert it.

Okay.
