

Visits from Mom

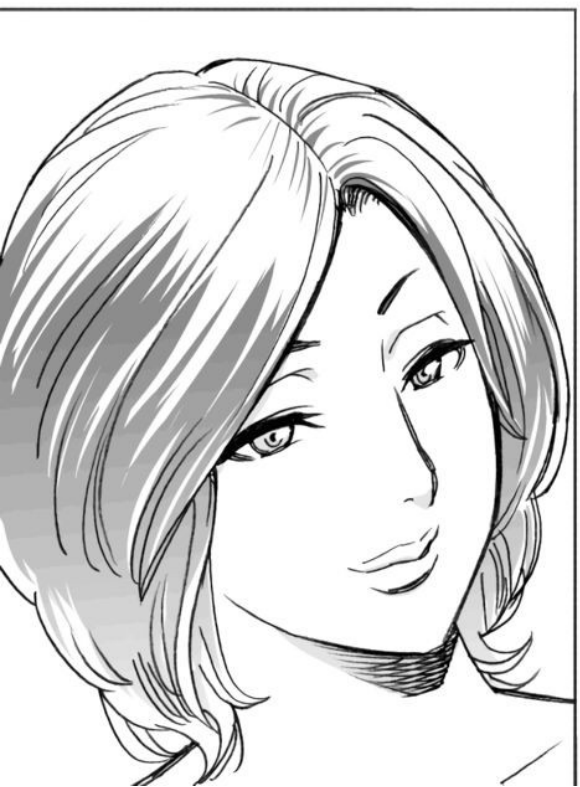

The weather's so nice today.

You've been a bit of a geek ever since you were a child.

Your room is littered in manga as always.

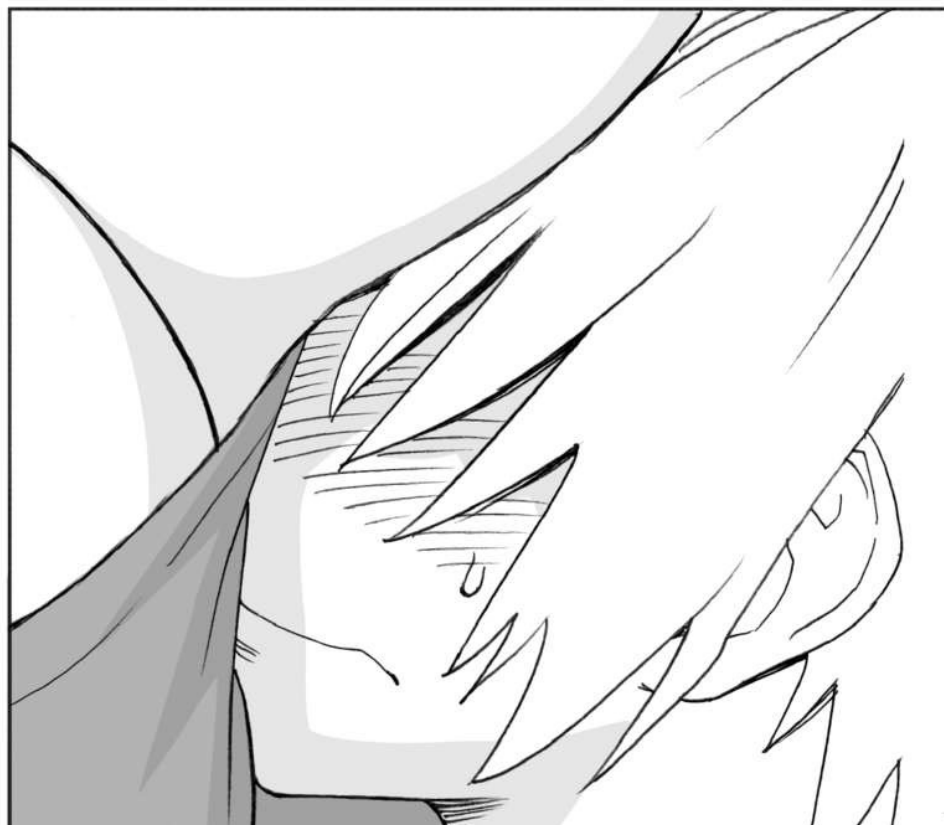

The only thing that's different is the size of your body.

You haven't changed on the inside at all.

WHY THE HELL AREN'T YOU WEARING A BRA?

.....
SO TELL ME SOMETHING...

You've loved boobs ever since you were a baby, Tomo-chan...

Now that I think about it...

I'd get a little turned on. ♡

When you'd suck on them as a baby...

To tell the truth...

Suck on them just like you did when you were little. ♡

Your mom's a hell of a pervert, isn't she?

But, it felt really good, so...

A bunch of milk squirts out when I squeeze them!

Whoa, look!

You'll definitely be seeing me soon.

I am your wife, after all.
