There was a warning right on the other side of the door!

Caution
The door is broken
Do not close it from inside.
You will not be able to open it

But I was wet and cold.

And you still went and closed it without hesitating for a second!

Getting worked up won't help us at all, Toshi-chan-

AHAHA

Whose fault do you think this is?!

And don't call me Toshi-chan!

...Hey, Kouno. Is your cell phone still alive?

SHE'S ALWAYS BEEN LIKE THIS...

Uwah, my battery's dead.

You were temporarily feeling cold and wanted shelter, but you didn't have to involve me in it! Try putting yourself in my shoes for a second.

EVEN THIS TIME... I'D HAD A BAD FEELING FROM THE SECOND I HEARD WE'D BE ON STORAGE CLEANING DUTY TODAY...

EVERY TIME WE DID THAT, SHE'D ALWAYS DRAG ME INTO SOME KIND OF TROUBLE.

...Damn it... You're no help when things actually get serious...

WE OFTEN PLAYED TOGETHER AS KIDS, BUT...

...Uhh, I forgot my phone home today.

O-OH SHIT!

FUU...!

WILL BE THE DEATH OF ME!

STAYING TOO LONG IN THE SAME ROOM AS THIS SEE-THROUGH SHIRT...

AND THE REAL ICING ON THE CAKE IS THIS DAMN AWKWARD ATMOSPHERE!

...It sure is cold.

Mm...

The rain... isn't stopping, huh.

...Mm...

You're supposed to... h-hug each other without clothes at times like this, right..?

Th... That's not what I meant...

...Toshi-chan, can I ask you a favor?

Huh..? Oh, if you're cold, wanna wear this..?

I... I know... I might not be acting rational right now...

But... I just... thought I'd be fine... if it was you...

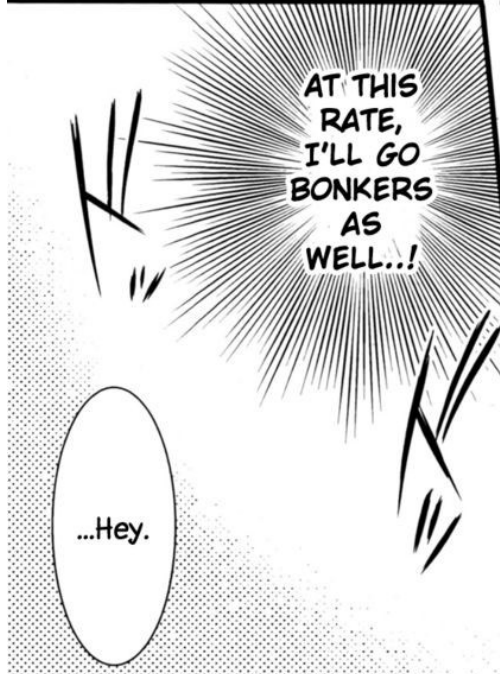

Huuuhh?!
What the hell are you saying?!
Have you gone crazy?!

Y-Yeah... Thanks...

Y-You got more soaked than I did... so you should wear this for now...

I miss... those days.

We went to the nearby mountain to play without telling anyone... and got lost...

I just remembered something similar that happened to us a long time ago.

Wh-What is it now?

Didn't we embrace each other like this back then, too?

...Man, you sure have... grown up since then...

D-Did we really do stuff like that..?

あは...

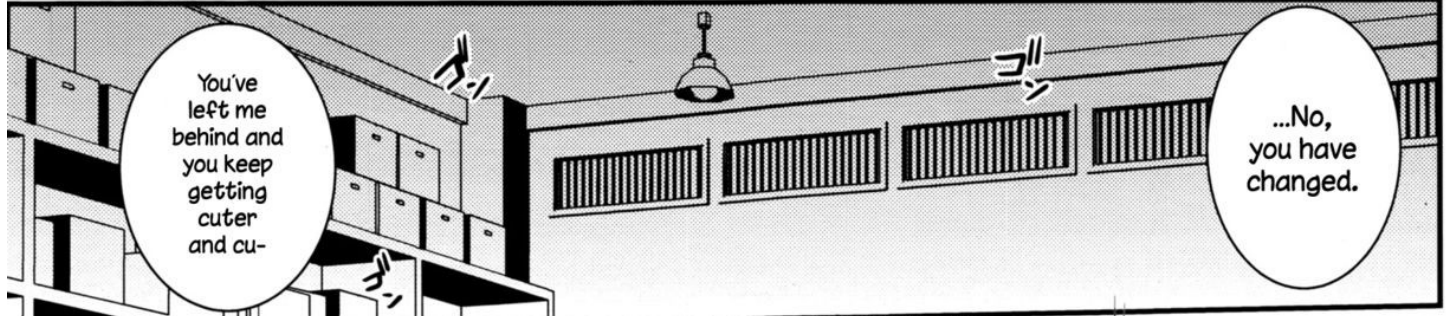

Toshi-chan, you were really cool back then, you know?

Tha... That's enough, isn't it?!

...OKAY, THAT'S IT. I CAN'T TAKE ANY MORE OF THIS..!

Ah.

I want a kiss.

Hey... Toshi-chan.

Huh?

Don't think I'm the same as I was as a child!

What-? Back when we were kids, you'd always do it when I asked you to.

We're in this mess and you ask for that?!

...I want an adult kiss. ♡

...Then...

Toshi-chan...

B- Besides... A child's kisses are nothing like an adult one...

I know...
I know.

You-
Do you
even know
what
that...

But...

Toshi-chan...
I can't keep
my love for you
in check any
longer..!

...You...
idiot...

Don't
blame me
if you
regret
this
later...

naughty
noises...

So warm...

Come on...
At least try
to feel a little
uneasy about
all this.

All we
can do is
wait
patiently,
right?

So
no one's
seriously
coming to
help us...

...Why
should I?
It's been ages
since you were
this nice to me,
