柴崎シヨージ presents 「近づきたくて」

I'm finished...

Um...

You clearly understand the parts you had trouble with last time.

Mm... Yeah, well done.

.....

I don't need your flattery.

.....

That's because you're so good at teaching, Sensei...

About last time...

Yeah?

Um, Sensei...

It was... my first time, so I didn't really know what to do...

...It's just that...

And, well, I thought I was just being a bother to you, Sensei...

I'm... sorry about that.

I rushed things a bit.

Oh no-!

It's totally fine!

I mean, I was the one who wanted to do it in the first place.

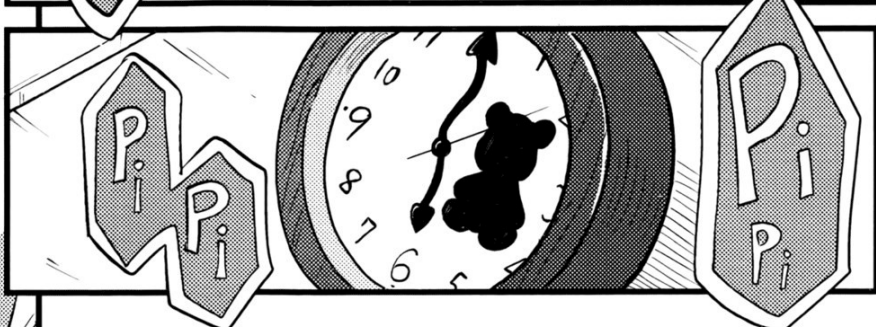

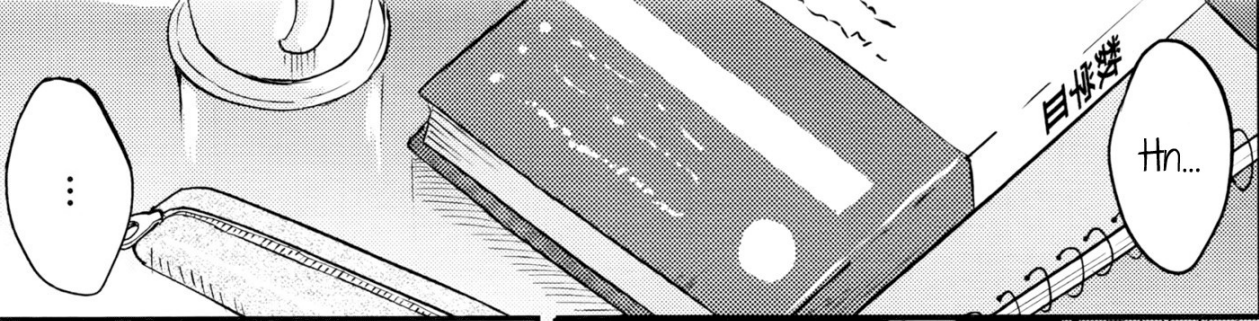

Looks like...

Time's up...

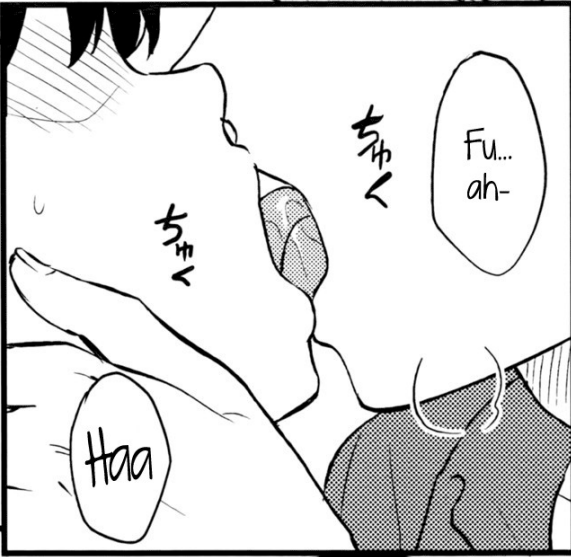

Yuki...

Hn...

I'll...  
do my  
best  
today.

Yeah...

You  
sure  
about  
this?  
.....

I'm not  
going to  
stop  
halfway  
this time,  
okay?

Sensei...  
I want to  
do it  
right this  
time.

If you're  
fine with  
that,  
we can  
keep  
going.

I'm... ready.

Yeah...

Yuki...

Just stay put for a sec.

Hn!

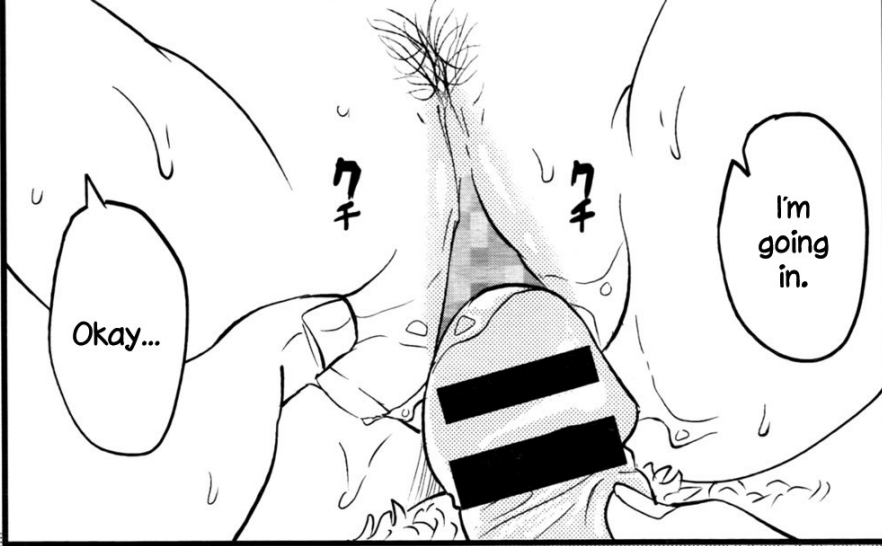

But... I really am...

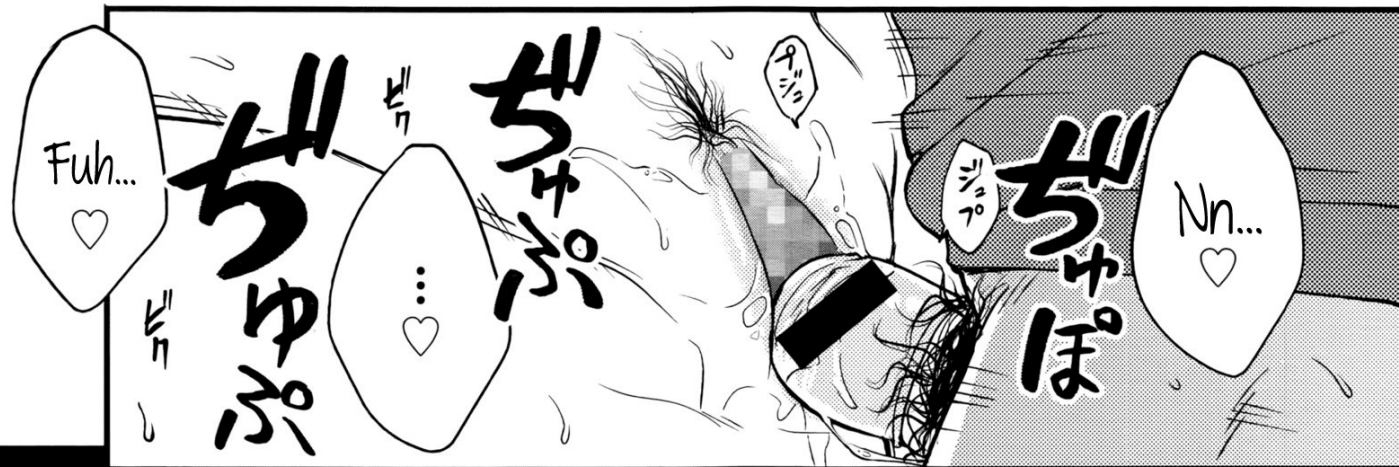

Ow-!

Liar.

...It only hurt a little.

I don't want to hear that from someone who cried and cried about how it hurt.

...Have you had any pains after that?

...You meanie.

A "little"?

You're worrying about it too much, I'm fine.

I see...  
So you're busy, aren't you...

Preparing for our next session... all kinds of stuff.

...Sensei, what are you up to right now?

Did you have other plans already?

Eh... Can we really?

...No! Not at all!

Um, I'd like to...

Where do you wanna go?

Should we go somewhere together tomorrow?
