エルという少女の物語X5

えるというしょうじょのものがたりえっくすご

From the Northern to Southern Continent

This was a time of great strife that the theocratic "Holy Valestin Estena Empire" later called "Estena's Descent Into War." Part human and part elf, the half elves from the two worlds of forest and man were loathed... The invaders from the North, devotees of the Estena Church in Valestin, declared these half elves as demons, and they were more cruelly persecuted.

Milt, one such elf, lived quietly, alone in the remote borderlands. In the confusion of battle, she fell into the hands of a slaver. Ever since Valestin started its invasion on neighboring countries, the demand for half-elf slaves soared. Due to the small fortune they fetch, these half elves are being actively hunted to be sold in the slave market.

Milt is one of such half elves who were captured.
Her life as a "demon" thus began...

■ Characters

◇ Milt ♀

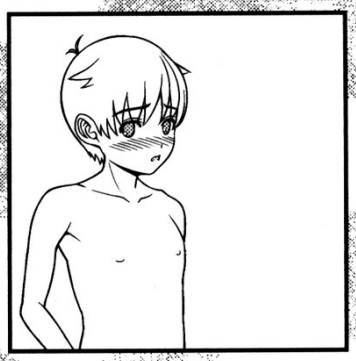
Half-elf girl with a first rate pair of breasts. She's a slave and mother to one child. After being captured by a slaver, she was continuously raped by Lord Heinlief, an Estena Bishop. She was rescued by Raleigh, a Valestin Knight. During their escape, she had sex with Raleigh for her medical needs for semen and accidentally became pregnant. She later became separated from Raleigh and was captured once again by Estenian followers and brought to Ianas City.

She loves Raleigh, but he's always on the lookout for other half-elf girls. Even though she has his child, it was clearly an accidental result of her medical treatment.

Since she is pregnant with Raleigh's child, according to Valestin rules, she is now the Knight's property. What's more, her pregnant body has been producing sweet and thick, high-quality breast milk.

She is soft-spoken and gentle, but life has not been kind to her. Not only has her newborn child been taken away from her, she is also forced to obey her slaver.

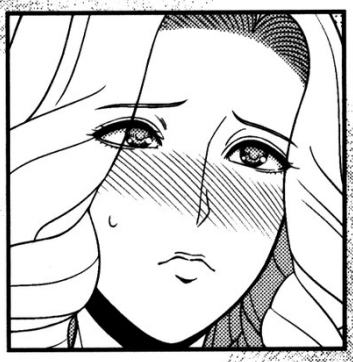
■ Characters



◆Tarc♂

A boy from Valestin.
He's the third son to Lord Leiningen, one of the church's top Ministers. On a mission to expand their influence and spread the teachings of Estena, he was brought along by his father from Northern Varestein to Ianas, a city in the Southern Mainland.

He fell in love with the prostitute Milt and became a regular at the brothel. He has developed such strong feelings for her, he sometimes imagines her as his big sister or mother.
He also has a big penis that belies his appearance.



◇Eutimia♀

A Valestinian, Tarc's mother.
She's the 7th Daughter of the Absubrud Family. Unlike her sisters who married into a rich family, she became a nun. She was later married to a man from the Leiningen Family whose wife had passed away, and who needed a son as his heir. It was an arranged marriage to strengthen the relationship between the Leiningens and the Absubrud Family. Eutimia then returned to a secular life and gave birth to Tarc. Since her marriage was an arranged one, her husband is significantly older than her, the two of them do not really get along with each other.

The Absubrud Family is known for having women with big breasts.
She dotes on her only son, Tarc.

◆ Rusta♂

A Valestinian. The person in charge of Milt in the brothel.
Before moving to Ianas, he had worked in several other brothels and made a small name for himself. He has connections with the to brass of the city.

Even though he isn't allowed to have sex with Milt, he rapes her whenever he feels like it.

◆Raleigh♂

A Knight of Valestin.
By chance he met the half-elf girl Elie, whose existence was supposed to be an abomination according to his creed.
A change in his teachings was born, and he brought Elie out of her reclusive lifestyle. However, when he later became separated from Elie in the midst of the wars and plots, he actually abandoned his position as a Valestin Knight and Joined the underground organization called "Tropic of Capricorn."

He is continuing to look for Elie.

Since the brothel people have something they can use against us, my son, this half elf and I, have been living completely naked, confined in the basement...
Tarc-kun, it's time to eat, right? so... seat yourself properly...
Yeah. Tarc, stop it!
My sense of time is vague, but from the number of meals brought to us every day, I reckon the agreed upon one month period should almost be up...
I don't wanna! I prefer this food...
But I...

■あとがき

こんにちは、そして、はじめまして！
eltole(えるとーる)です。

この度は拙作をご購入いただき、
誠にありがとうございます！

今作も前作X4に続き母子相姦テイスト本になりました。

タークくんの母親のエウティミアは
気に入ってるキャラなのですが、
なかなか絵が安定しなくて、
まだ色々と試行錯誤段階です。
リアルっぽさとアニメ絵のちょうどいい感じが
描けるといいんですけど…難しいですね。
おっぱいも、もっともっと大きくしたいけど、
そうするとお腹が隠れちゃってくびれが見えなかったり、
だからといってお腹見せようとすると、
身長が高くなりすぎたり…
理想のおっぱいと体型はなかなか見つかりません。

2015年は商業のほうでも
色々と経験させてもらって有意義な一年でした。
そっちのお仕事も見て頂けると嬉しいです。
1ヶ月間で人と話したのが編集さんだけ、
とかってことも珍しくないので
編集さんが送って下さるアンケートのコメントや、
みなさんのコメントとかが、
作業中のはげみになってます。

2016年はもっと頑張って
ご飯にふりかけや納豆な食生活から脱せれるよう
頑張りたいです！

ではでは、またの機会がありましたら、
よろしくお願い致します。

ありがとうございました！
