My hubby
likes them
real plump
though,
so I want
a little
more.

I heard these
would be hard
to find. To think
it turned out this
easy, how lucky
can I be?

Carried
away by
her zeal,
the witch
drank.

My
ass got
totally
fat, too!

But
it's not
enough...
I need
more,
more!

They're
bigger
than my
own head
