I can surely do it !!!

It... it is nothing.

At last, I passed the entrance exam. Then I was granted a scholarship to study abroad for one year.

out a lot.

I must  
get pregnant  
if it's not

Wow,

talk...

Why  
did you  
suddenly  
changed  
?

What  
happened  
to you  
when I was  
studying  
abroad  
?

.....

คิ้ว

Eh

I have not changed a bit.

Because what you are seeing now.

Wha.. !?

No, it's not.

กก

"Is my true self."

What !!?

!!?

โธ่

"What you  
have seen..."

"...is just  
a person  
I pretend  
to be."

Eh  
!!?

W...why  
!!?

Why did  
you do  
something  
like that  
?

Being  
"Nice Sister"  
will make  
you fall  
in love  
with me.

Because  
I thought  
.....

Whattt  
!!?  
..

To do it,  
I searched  
across an  
internet.

And tried  
to read some  
porn comics.  
Most of the time,  
I saw that younger  
brother loves  
nice and shy  
older sister.

But  
it didn't  
work well  
like I  
expected.

You thought  
real life  
will be the  
same as  
comic  
!!?

Until the  
last year,  
while you  
were away.

I were  
cleaning your  
room and found  
your note,  
then I read  
it a bit.

Holy-  
Shit  
!!!

Wha--  
!!?

I  
couldn't  
believe  
that....

My  
cute  
brother...

I saw sis when  
she's dressing unaware.  
It's such a shame that  
she is very voluptuous  
and beautiful. If she is  
a seductress who like  
to wear sexy outfit,  
a women of my type,  
I must fall in love with  
my own sister..!

"Is such  
a pervert"

\*WET\*

~~~~~

Being a man, say it directly if you like something.

Otherwise, woman doesn't know what you think.

You made me be a fool for long time.
