And sorry, I'm busy working late tonight...

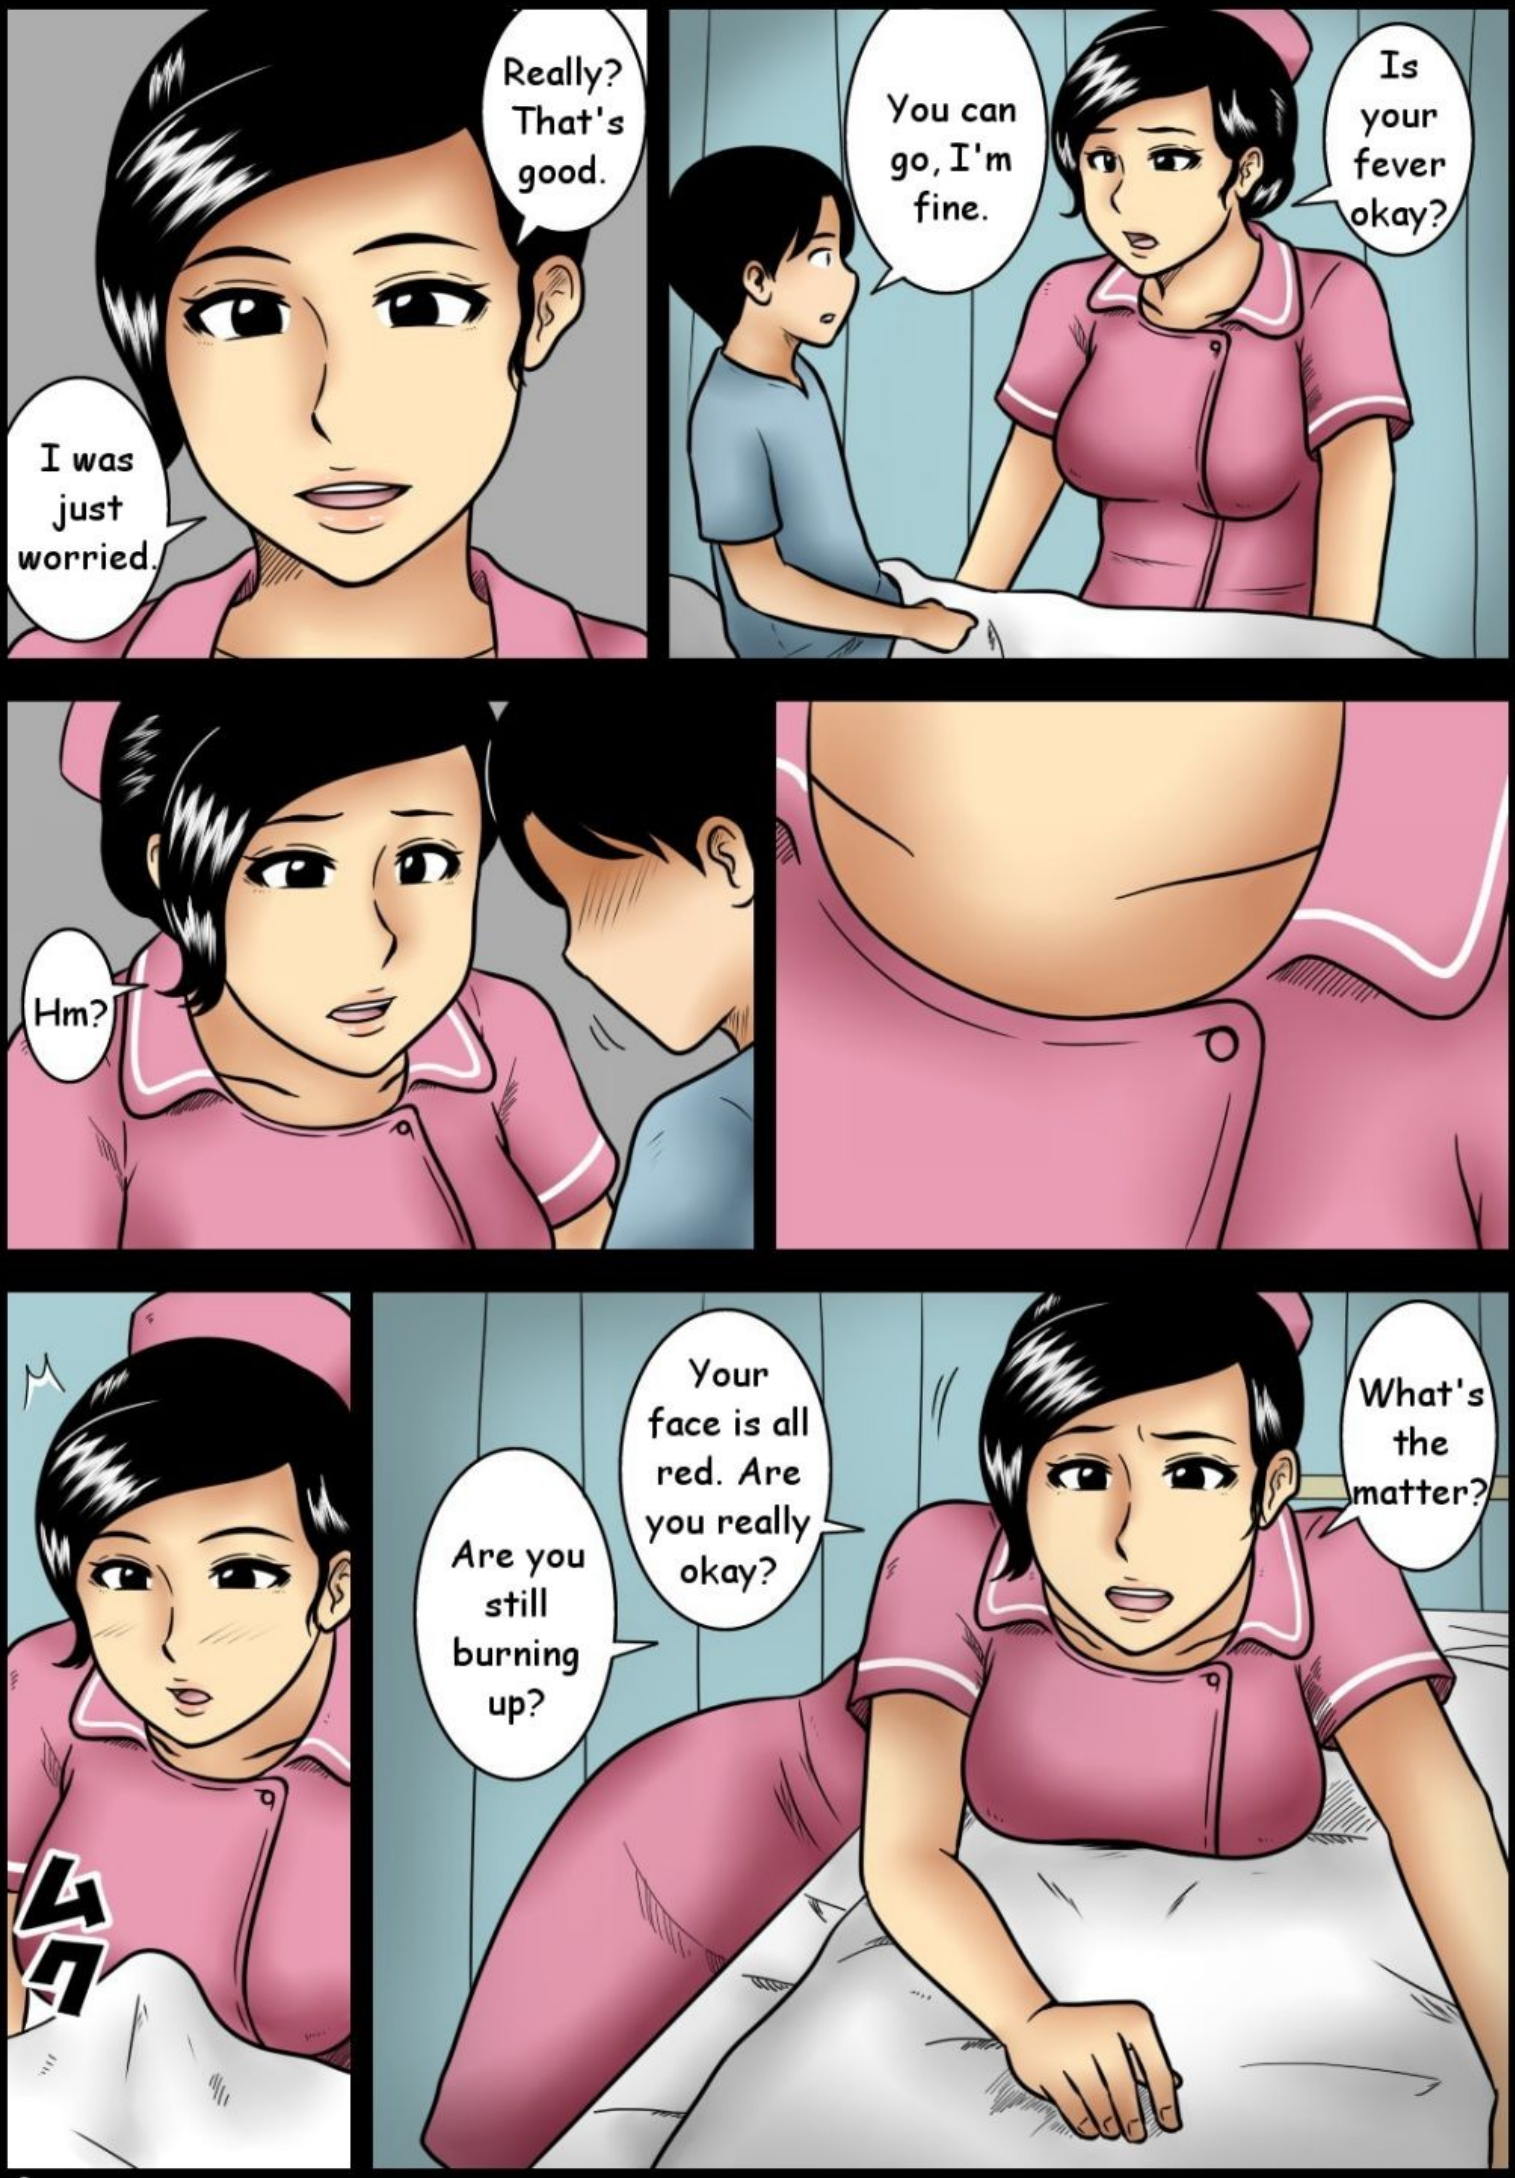
Mom?



Really? That's good.
I was just worried.
You can go, I'm fine.
Is your fever okay?
Hm?
What's the matter?
Your face is all red. Are you really okay?
Are you still burning up?
ムフ

Ah...
Hmm
...
I-It's nothing...
I'll just go back to sleep. You should go back to work.
Let's take this off.
It's okay, I'm used to this.
Wah, What are you doing?
Is that so? Being cooped up in a hospital for a week, will cause you to store a lot up.
This is so embar-rassing...
Hey...
So full of life.
