I first met Tomo in the art classes I had been attending.
We started talking
and she took a liking to me.

I stopped showing up in the art classroom shortly after our first time.
And when she says "playing" now, she's actually refering to "becoming more intimate".
Ah!
Ah!

The only good thing I got from them was getting to know Tomo-chan.
those traditional art classes aren't too much help.
If I want to become a manga artist,

THE EDITOR OF THE MAGAZINE JUST CALLED ME.
MY DRAFT WAS REJECTED...
EH!?
THAT MANGA I READ THE OTHER DAY!?
BUT IT WAS SO INTERES-TING!
