● Character Introduction ●

The Immoral Series

Because of his parents' circumstances, Tonegawa Masato was forced to move to a new area, and after transferring to a new school, had an encounter with fate. That encounter was with the scion of an adult shop, and future AV director Tsuda Yoshimasa.

"You've got the makings of an M slave."

From his first day at his new school his virgity was mercilessly snatched away, and Masato was caught up in numerous dirty acts. Just as Yoshimasa said, bondage, enemas, AV shooting, secret play in the middle of class, and being on the receiving end of rape many times waited for him. The feast of obscenities expanded to the entire class, the entire school, even to the entire region; the circle of male bonding spread everywhere.

All the men's penises in the world relished this flowery theater, and now the curtain will rise on this rape drama once again...

Which is to say this is a gag manga.

とらうキヤク漫画です。

インモラルシリーズとは

Tsuda Yoshimasa
 One of the story's main characters, though his acts mark him as a villain. His strike zone ranges from little boys to young men to old people. In time will become the manager of his parents' in-home adult shop, and his specialties are sex toy use and bondage.

Tonegawa Masato
 One of the story's main characters and vital sexual assault participant. Has a reputation for having the highest level of adaptability, having lost all sense of wonder about unfettered play. "Ah yeah, I'm used to their irresponsibility"

Kitano Daigorou
 Though he has a human form, in reality he is a mysterious life form. Lived on an uninhabited island, but left for human lands in order to pursue his courtship of Yamashita Ikumi. A relatively normal person.

Yamashita Ikumi
 An existence born for the purpose of being violated. Is not at all accustomed to these deeds, which only invites more rape. He himself is a pussy, who thinks he wants to find love, and has received a marriage proposal from a (male) creature outside the human species.

Pierre Takada Sergeivich
 Mixed race child with a good command of mysterious dialects. Is aroused by wearing embarrassing clothes. Loves perversion very much!

Kitano Francois
 Daigorou's little brother. A mysterious life form raised as a pet in Pierre's house. Endlessly pursues the asses of young men. Dreams of the future where he deflowers every last man. Secretly respects Yoshimasa.

Kobayashi Ryou
 The boys' homeroom teacher. The absolute lowest member of the hierarchy, with Headmaster-sensei on the top, his ass being targeted by the house of sodomy and receiving sexual harassment on a daily basis. Can't take his eyes off his students without them coupling up, leading to endless stomach aches. Wracks his brain over what the worth of all the dildos he's confiscated is. As a bride, is generally... very appealing.

Tsuda Hirofumi
 Yoshimasa's older brother. Job: AV actor. Lives with no regards to gender. Becomes erect for all targets. Kobayashi-sensei's childhood friend. They got to this point when he stole Kobayashi's virginity as a child, and even now constantly watches for opportunities to prey on Kobayashi's ass.

However, since Masato doesn't wear a uniform in the last panel they seem to be in elementary, so this takes place well before the final chapter in Immoral Kids. Immoral ● Beast Kingdom

Yeah, yeah, to "draw," sure!

I've just been throbbing with anticipation to "draw" today ♡

Today is an all-day field trip

To the zoo, to do some nature drawing

T/N: If written with different kanji the word used repeatedly in this chapter for sketching/drawing, "shasei", can also mean ejaculation. Just one more untranslatable homophone gag.

Now then, where are we going to do this...

Sign: Yoman Zoo

T/N: The name on the sign contains a kanji that doesn't seem to exist, so I substituted a different kanji that was fairly close, 'cuz who gives a fuck what the zoo is called, amirite?

Ikumi-han!

Effect
-Everything becomes gay
-Converts things into
beautiful men
-Even works on
inorganic objects

Guess
there's no
helping it,
we'll just
have to use
this...

Aah!! The bear became a wild-looking guy!!

With these we can observe them like this!!

That's an optional feature!

この度は、当コミックスをお買い上げ下さいまして、ありがとうございます。
前作をお読み頂いた事のある方には、ご無沙汰いたしております。
はじめましての方には、これちゃんと抜けるのかなと不安になる漫画満載ですみません。
皆様の男根が、ネタの一つや二つなんともないぜ！といった
百戦錬磨の男根である事を願って止みません。

今回掲載の一番古い原稿は5年前、前身のインモラルキッズに至っては
初掲載が10年前(!)というずいぶんスパンの長い漫画になりました。
初期は全年齢女性向ショタ誌に載っていたので、性描写は控え目でしたが、
やってること自体はあんまり変わりませんでした。GIRIGIRI!
掲載誌を移りつつも、こんなに長い間描く機会を頂けて、有り難い限りです。

本書を手にとって下さった皆様、激しくお世話になった担当氏、
手伝ってくれた友人達に、ありがとうございました！
感謝の気持ちは勃起角度で表現したい所存であります。

そして、この後スペシャルゲストをお迎え致しております。
奇械田零士朗先生、鷹勢優先生、お忙しい中エロい原稿をありがとうございました！
この気持ちは、勃(略)

それでは皆様、次はまた5年後ぐらいに！

きりがくれ先生の男の子はみんな
。可愛い上にエロいので大好きなのですが
。個人的にはクリオネ兄弟が好きなのです
褐色で半裸学ランなんて反則過ぎですよ 11717

これからも可愛くエロく
そして破壊的な(笑)作品を
ファンとして期待しております

育美がおいしいよ育美〇
かおりとゆっては何んですが
前回自重した小林先生も
描きました。
これでプラマイゼロです。

次は2016年あたりメドで
