Afterword

Hello, how are you doing?

It's Been a long time, Tsuttsu here.

I slipped a Bit from the schedule, But I was able to put out my tenth original Book without any problems. Even I was a Bit surprised, since I wasn't thinking I would continue like this.

Thank you very much for picking this Book up.

This time I did a fellatio-Based Book taking place in a portable toilet that I've Been wanting to try drawing for a while now. (Lately I've Been feeling that mouth-scenes are hot.)

Well, it's a Book in which I express my desire to have my dick licked By a middle schooler.

The is character is Aya-chan from my first Book "Pee Fundraiser", and since she was a character I wanted to draw again, I'm glad that my wish came true. There weren't many peeing-parts (especially with Aya-chan's pee) this time, But I plan to draw lots of pissing in the next Comitia!

A Book about peeing while wearing clothes, or should I say, wetting yourself. Something that encapsulates those feelings.

Look forward to it!

With that, if you don't mind, let's meet again in the next Book.

Tsuttsu

By the way, about the title of this time's Book (Portable Toilet on Third Street). If I happen to make a new circle in the future, would that be a good name for it? That is something that crossed my mind. I like the ominous sound it has.
