Everyone else around me are normal people.

see you later.

Yeah..

you sent it?

Every night I sneak into her room when she is sleeping.

No, I haven't send it yet.

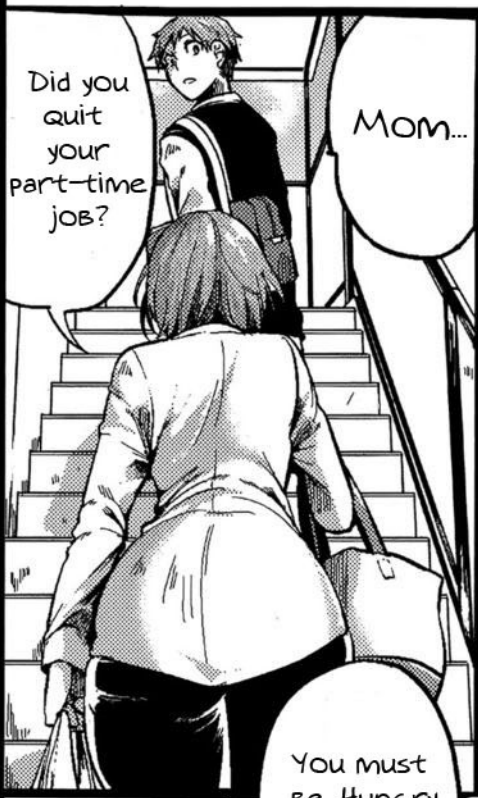

Kouta!

I don't want to go home.

I wonder if I would be a normal guy.

If my father were alive...

Did you quit your part-time job?

Mom...

You came home early!

You must be hungry right?

I brought you some leftovers

I'm sure there is another reason why the shopkeeper gave this to you.

We should return this meal...

It's a neapolitan burger...

Seriously? this is leftovers?

YOU, YOU'RE SO CUTE!!

ARE YOU GETTING JEALOUS???

WAI-! STOP MOM!

Shit... But i want to become the ideal son for my mother.

You are the most Important person in the world for me, Kouta.

So don't worry,

AH!

I began to look at my mother as a woman.

When I heard the gossip on the day of my father's funeral.

MOT-HER

AH AH

HAA

This Asshole!

I would be thrown out of here if I grab this guy right?

She looks like a virgin, although her face shows that she has already given birth before.

Her Body is pretty Lewd.

I can only imagine what's under that mourning dress, I can say that her husband has a good life.

As I could not do anything at that time.

I think my overflowing passion for my mother, woke me that day.

It's a surplus you can just throw it away.

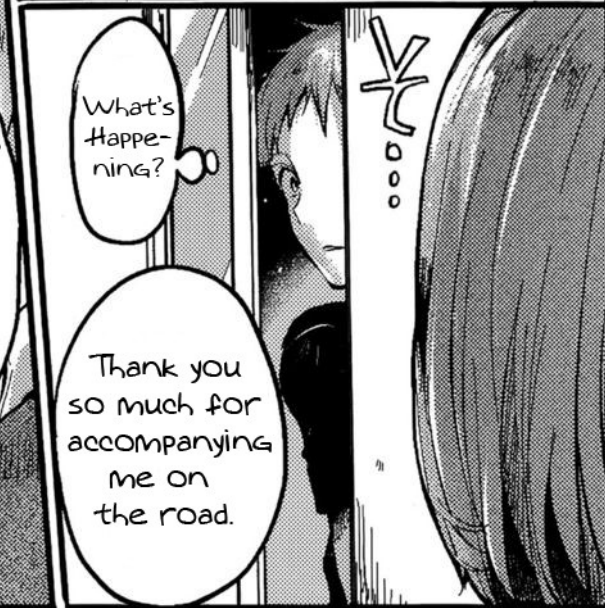

I wonder if I did well in wrapping that.

Dammit... Lately I've been masturbating too often.

Right now, Kouta is in the Bathroom.

What's happening?

Thank you so much for accompanying me on the road.

I can only imagine what's under that mourning dress.
