その三

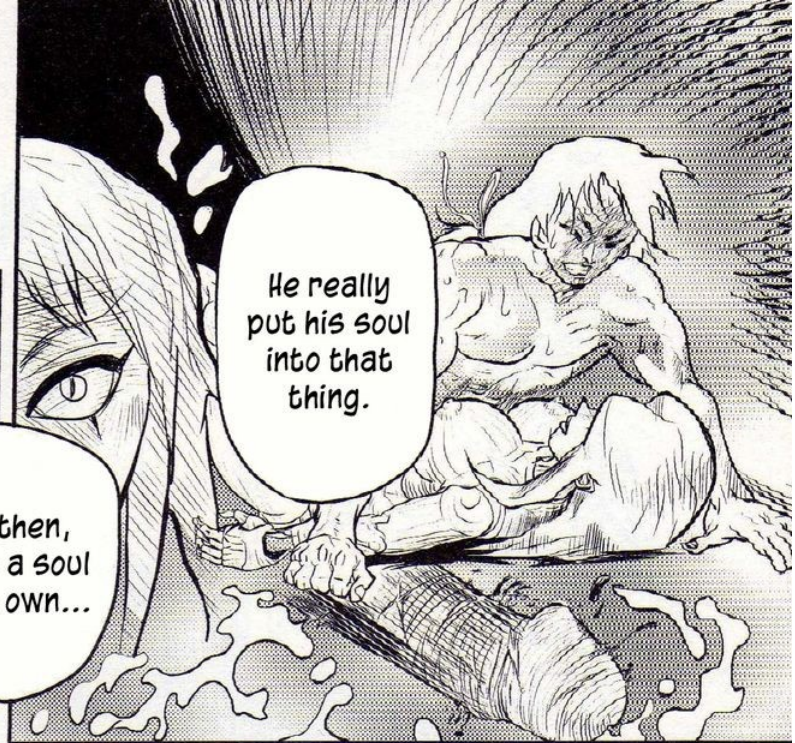

Plot: Nakano Takao

What do you mean?

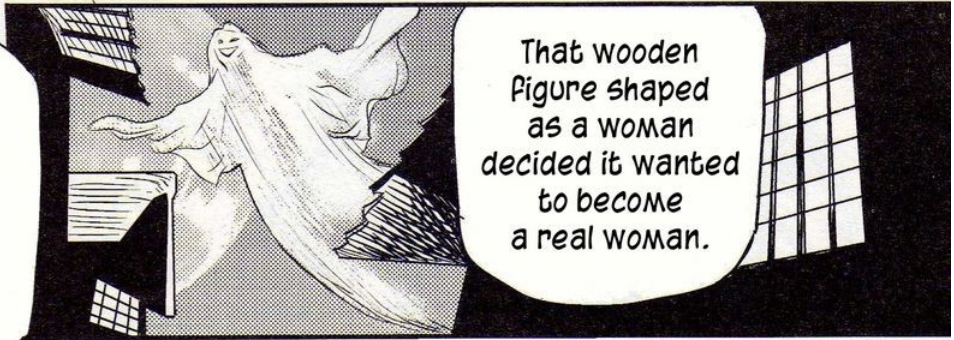

And then, it got a soul of its own...

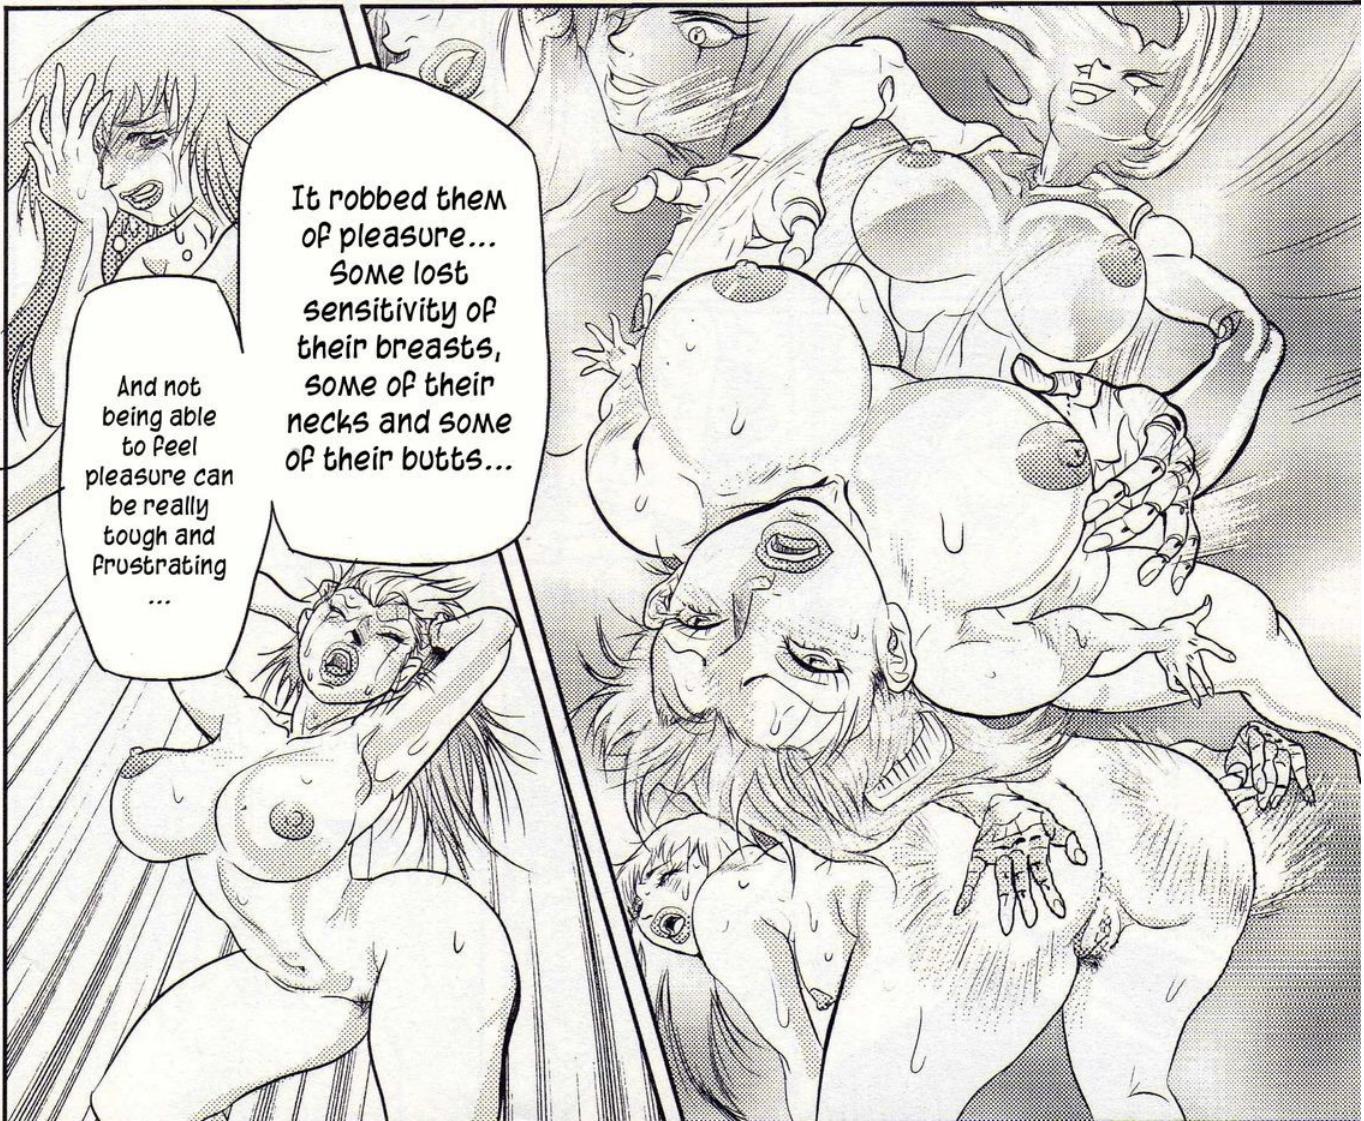

He really put his soul into that thing.

Then, it started appearing in the city every night and attacking women...

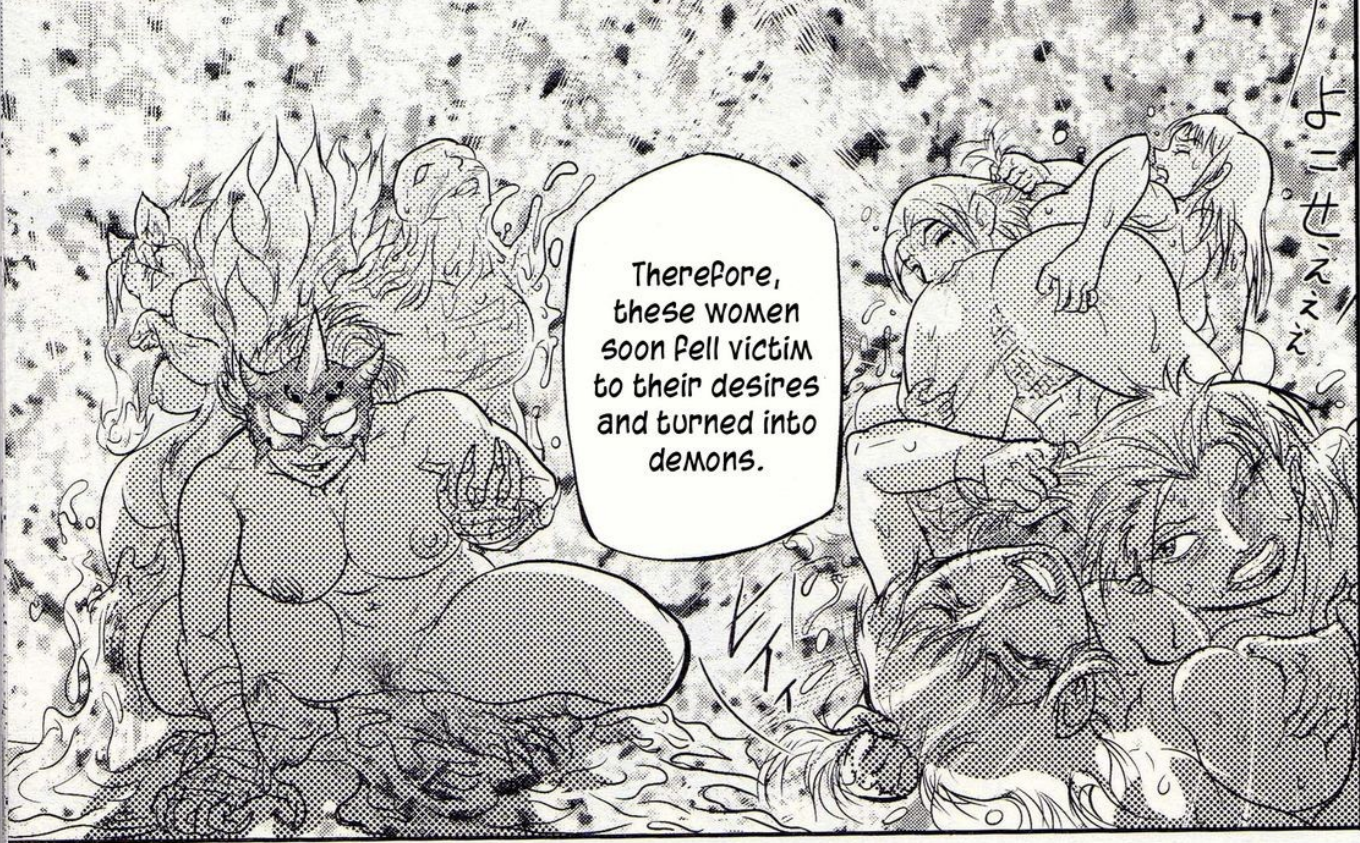

That wooden figure shaped as a woman decided it wanted to become a real woman.

And not being able to feel pleasure can be really tough and frustrating ...

It robbed them of pleasure... Some lost sensitivity of their breasts, some of their necks and some of their butts...

Therefore,
these women
soon fell victim
to their desires
and turned into
demons.

I know this
story might
be hard to
believe, but
it's still
true.

Thanks for
treating my
wounds. I hope
you two have
a happy life...

You
should
rest
a bit
longer
...

What exactly
did she take
from you? The
joy of having
your breasts
touched?

Did she
take
your
pleasure
too,
Omon-
san?

Yes.

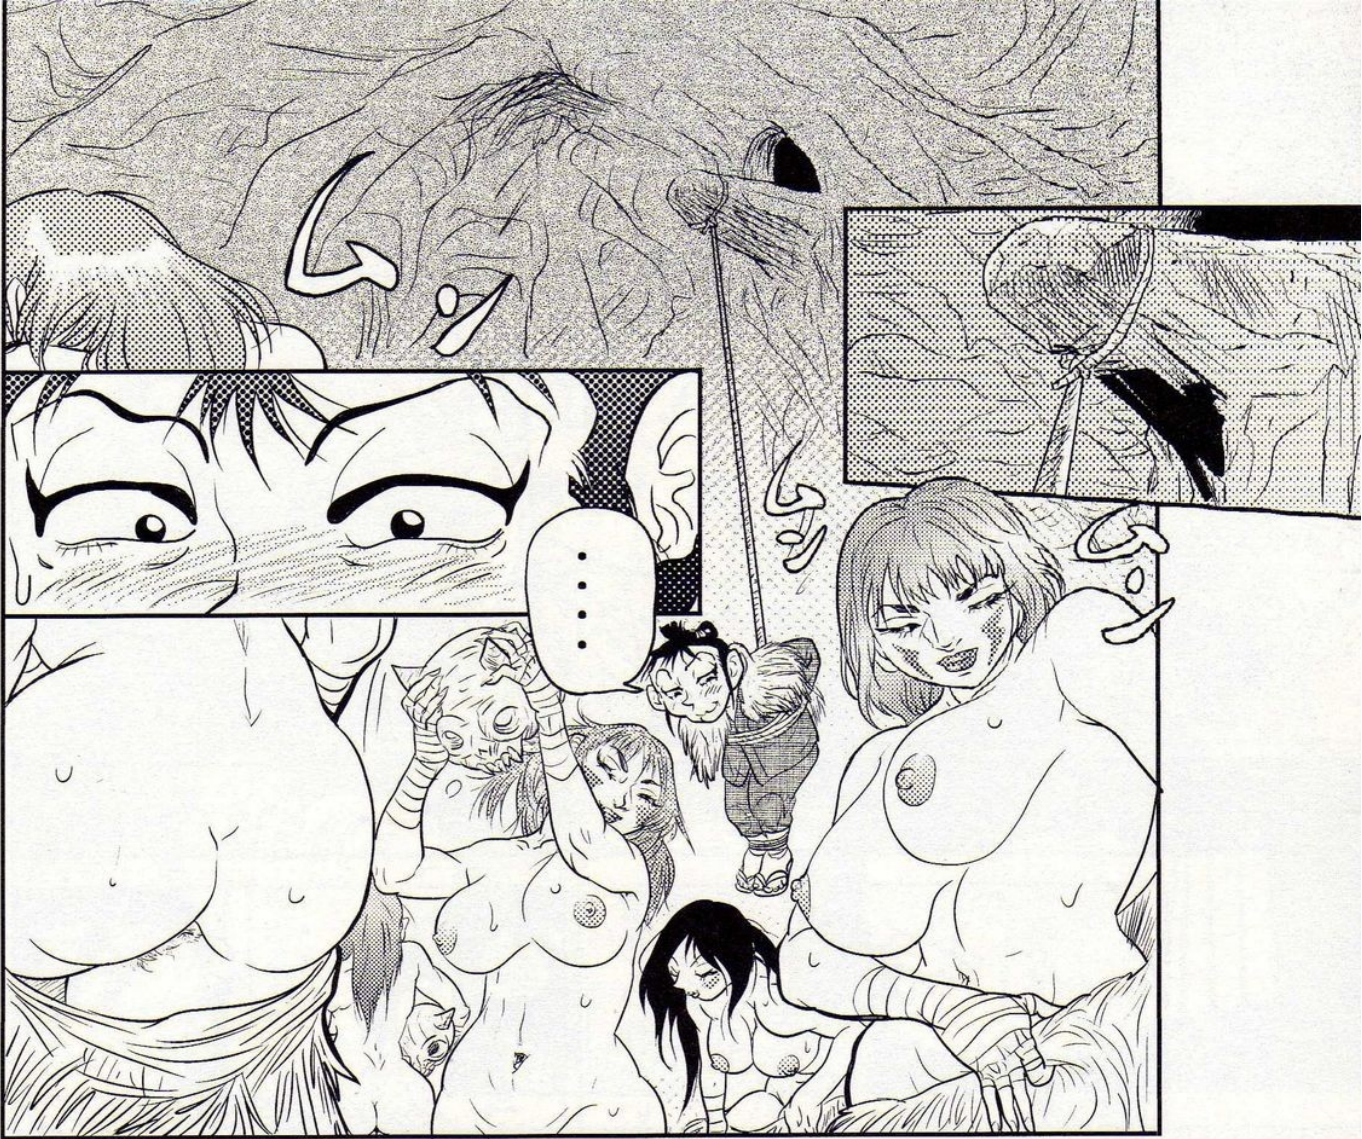

The shadow stole
my dreams!
And I set out
on this journey
in order to take
them back.

Dreams?

My
dreams.

Wait right there! Like hell I'll let you have him for yourself!

Well, you're a little short, but you still look delicious.

Wow! This is hot! I think I got to the whore island!

He-he-he!

If you don't like something, you'll have to force me to do it your way!

What, you think you can tell me what to do?

Uahh...

This is interesting! And I was really bored just now...

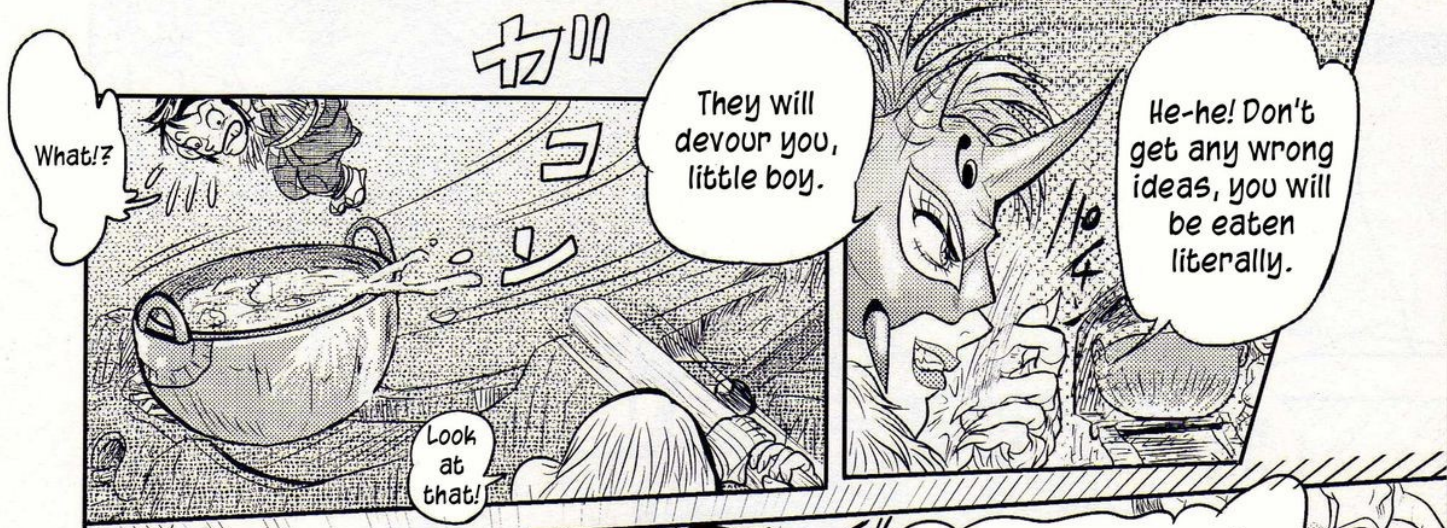

Yeah! Being popular sure is tough!

Alright then, the winner gets to eat that guy over there! Is everyone cool with that?

Well, it's fine with me!

They will devour you, little boy.

He-he! Don't get any wrong ideas, you will be eaten literally.

What!?

Look at that!

Hey, wait a minute! People always said I would make a lousy meal, no matter boiled or fried!

Why don't you just die?

You bitch!

Alright, let's enjoy the show then!

Uagh!

Take that!

Ughh!

Now
you've
done
it!

Agh!

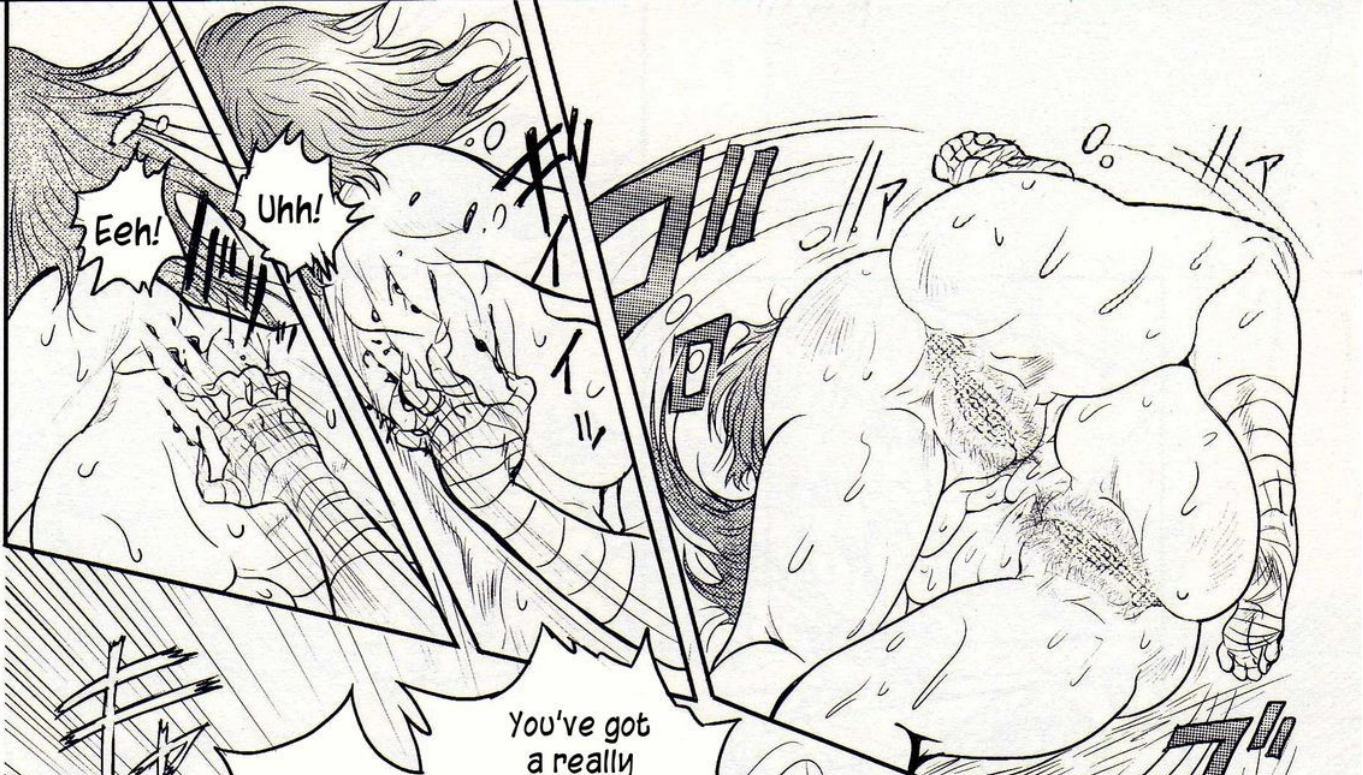

Oh,
shut up,
you
SCUM!

You
Fucking
bitch!

Uh!

Uahh!

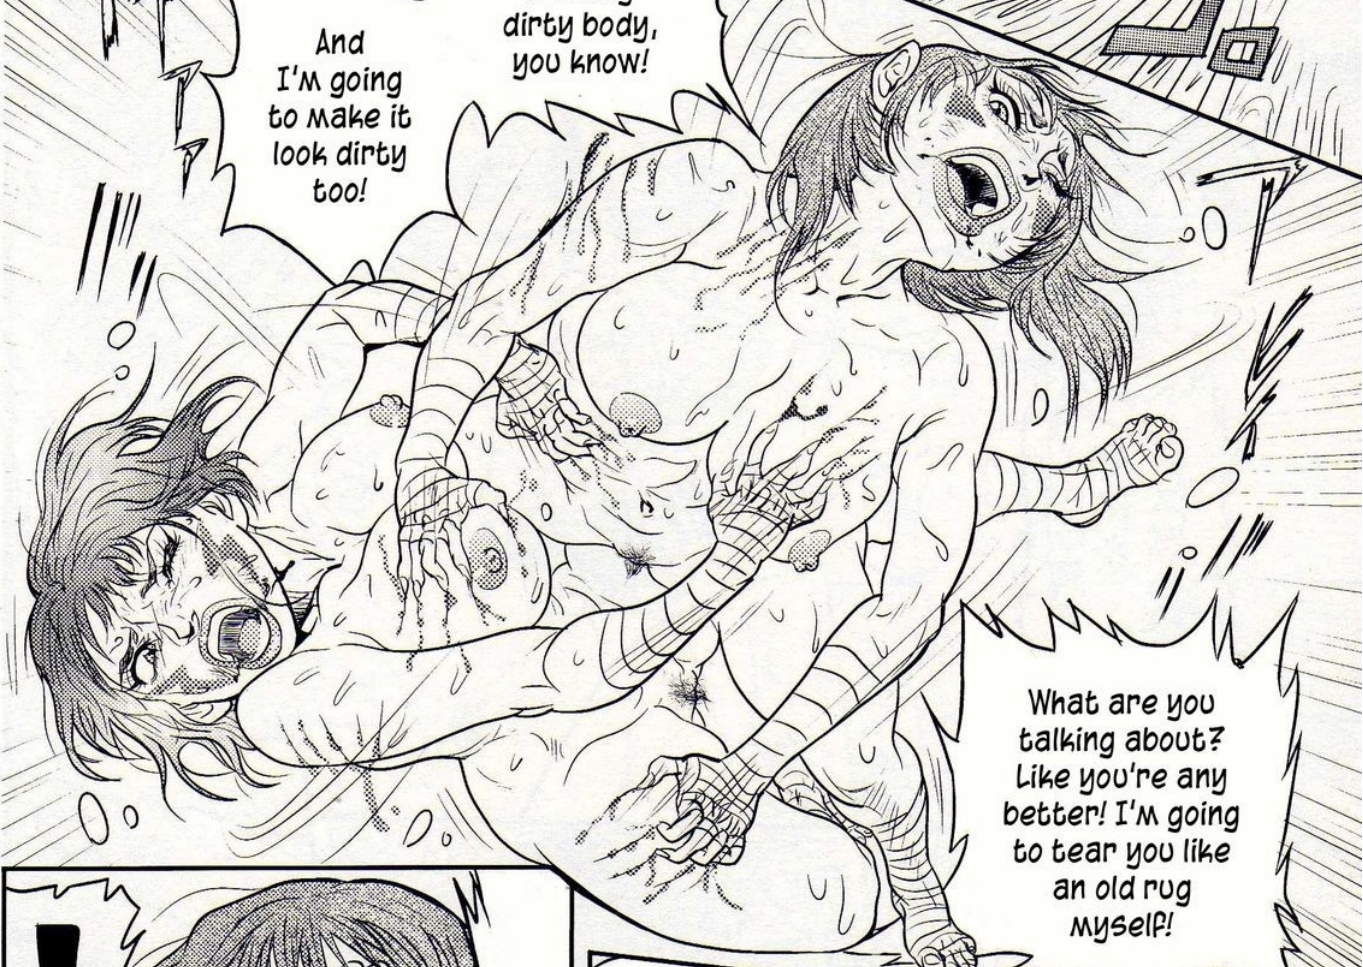

Eeh!

Uhh!

You've got a really dirty body, you know!

And I'm going to make it look dirty too!

What are you talking about? Like you're any better! I'm going to tear you like an old rug myself!

Damn it!

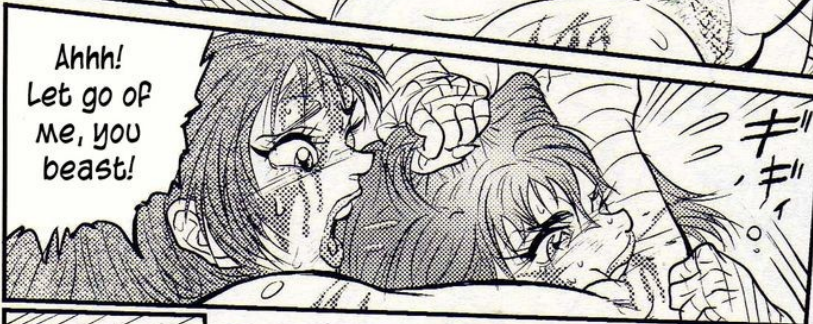

You can chop one another to pieces as much as you want, just let me go!

I'm going to break your fucking neck now!

Uahhn!

Ahhh!
Let go of me, you beast!

Eehh!

Eeahh!

I guess it would really suck for you, if you were to die by suffocating under my boobs, huh?

Ughhh!

Eahh!

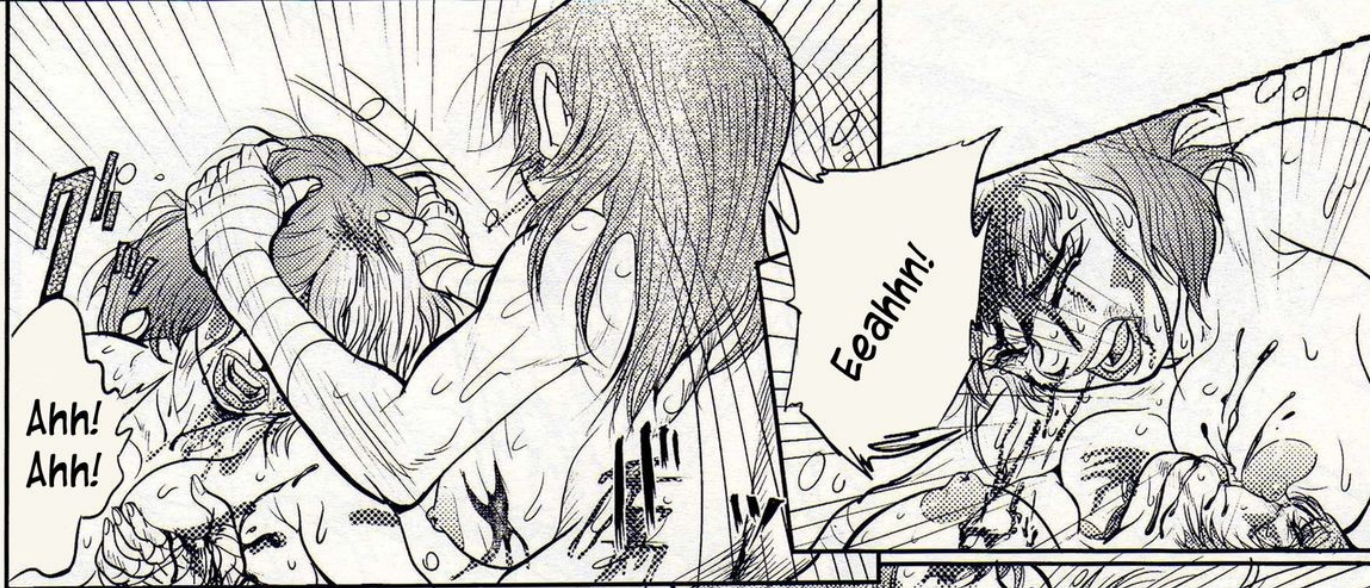

Uh!

Eek!
You bitch
...

Eeahhn!

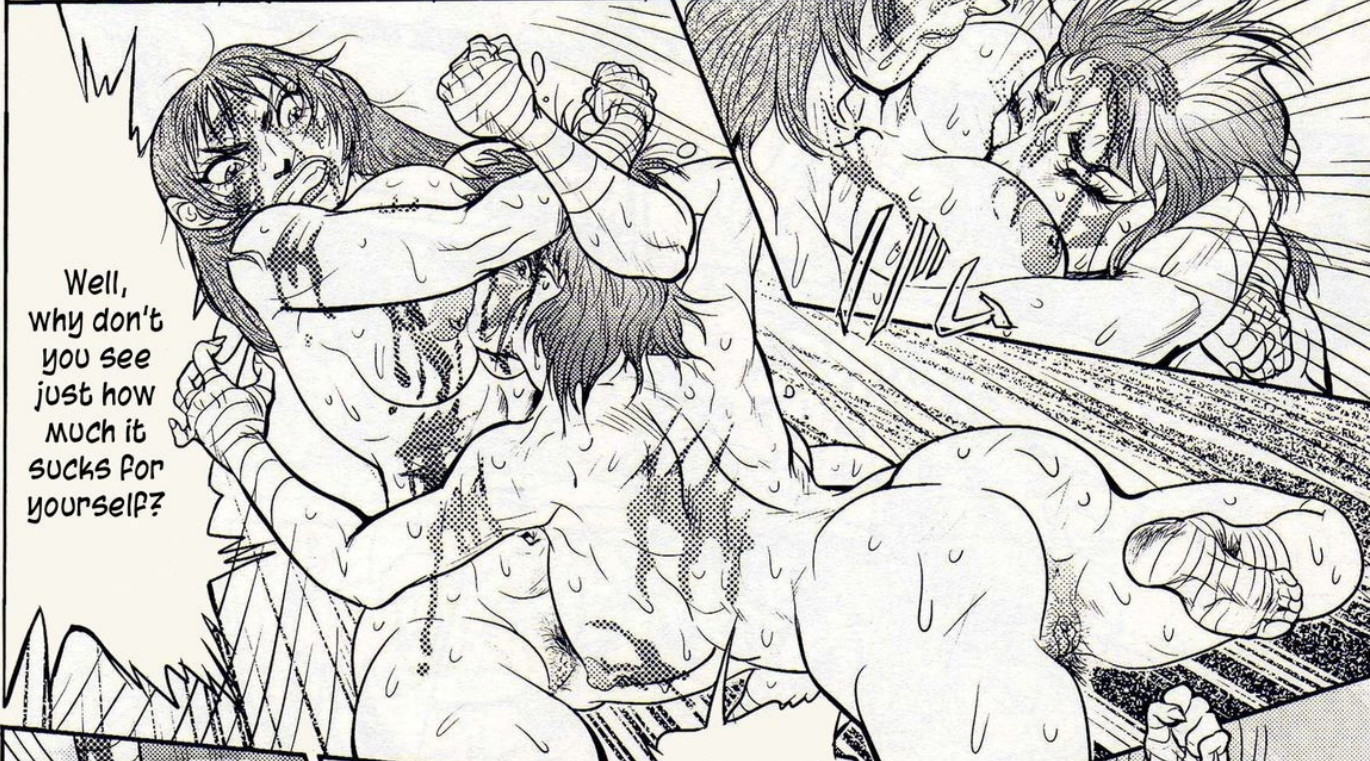

Ahhh!

Eeahhn!

Ahh!
Ahh!

Eeahhn!

Well,
why don't
you see
just how
much it
sucks for
yourself?

Agh...

Ughhh!

She
really
killed
her...

Uahh!

Uaghh!

Uhh!

Eek!

Ughh!

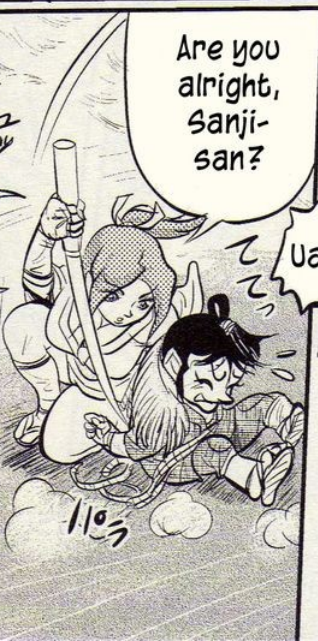

Ahh!

Well, they almost made a stew out of me!

Uhhh...

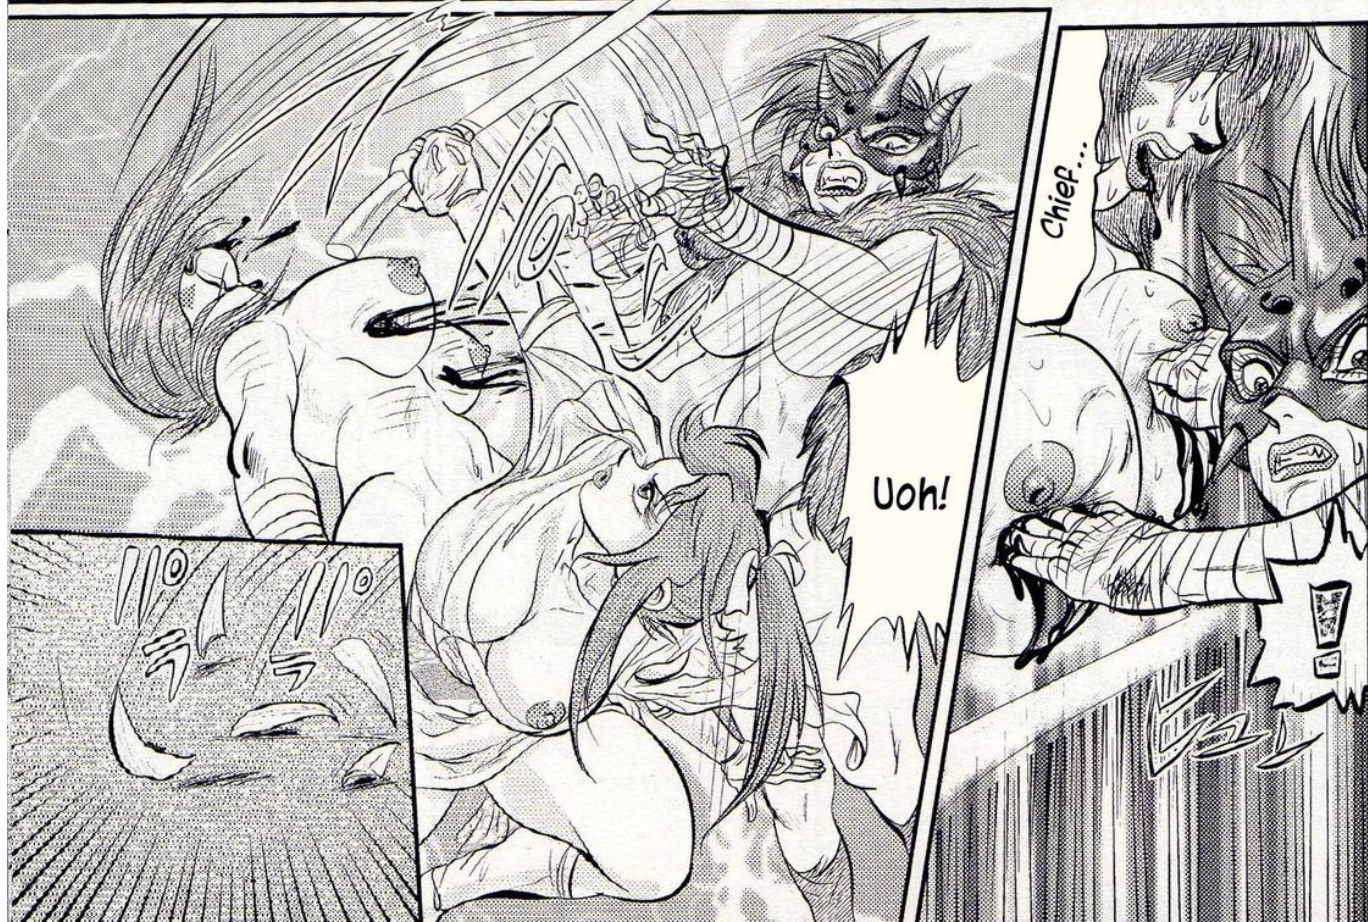

Are you alright, Sanji-san?

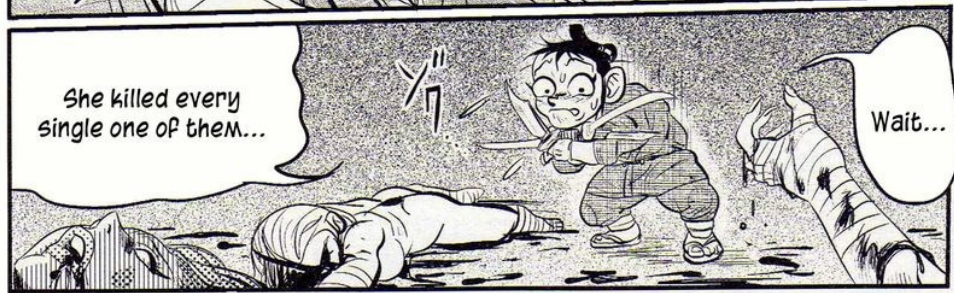

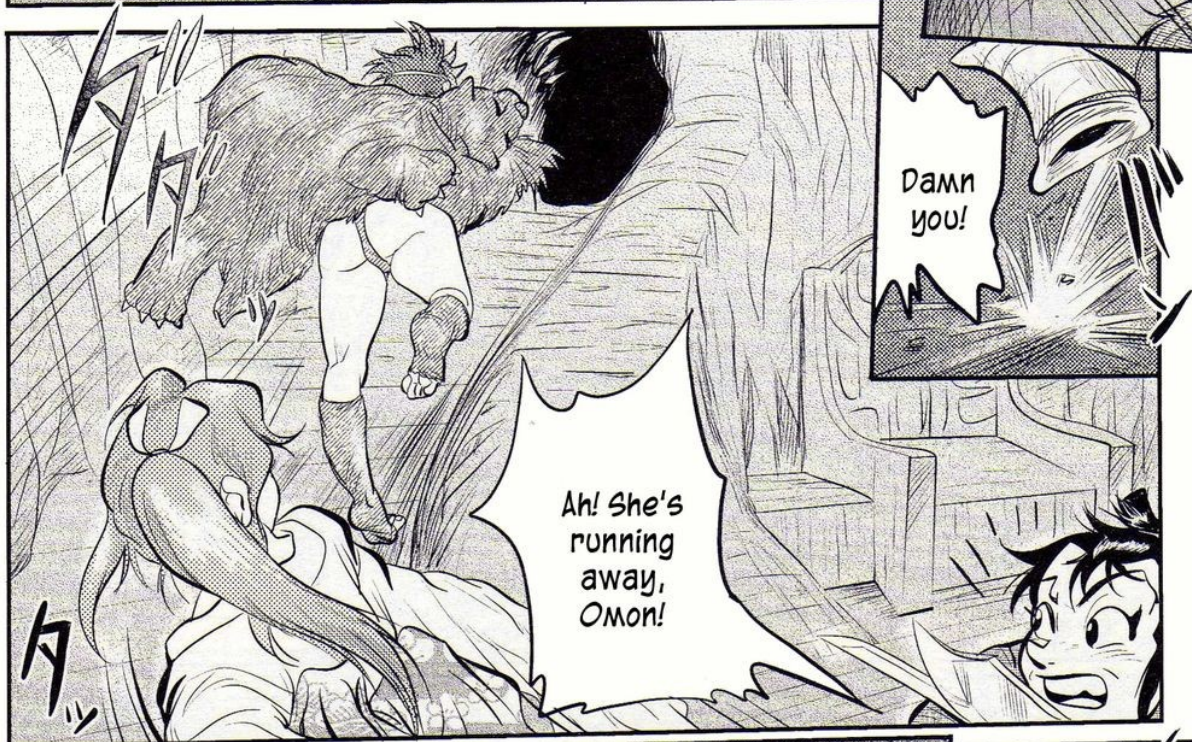

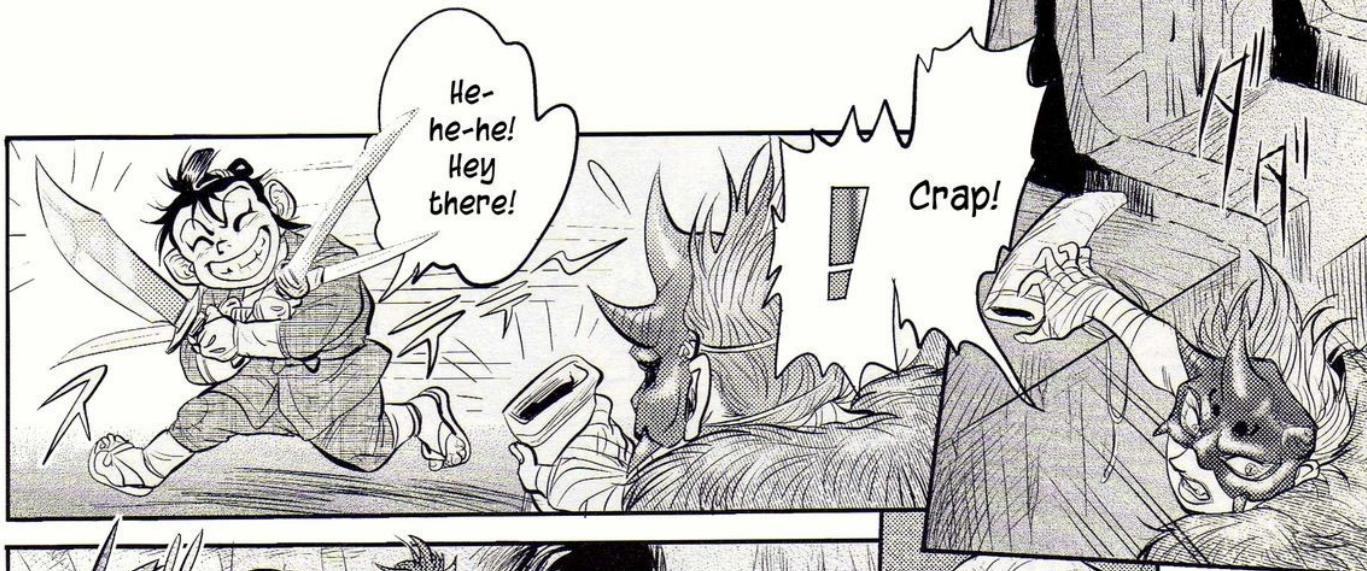

Uah!

Now, die!

I see you were only going for the pretty ones while trying to regain your sensitivity, huh? You're so cruel...

I shall punish you instead of all these women!

Well then ...

Well, it's still men who turned these women into their sex toys...

Interesting. But I agree that this matter should be settled between two women!

He-he! Do you like me squeezing your breasts? Because my breasts don't feel a thing! So, I really hate you for this...

Ahh! Ahh!

Ah!

And I'm going to show you that pleasure could become your Poe!

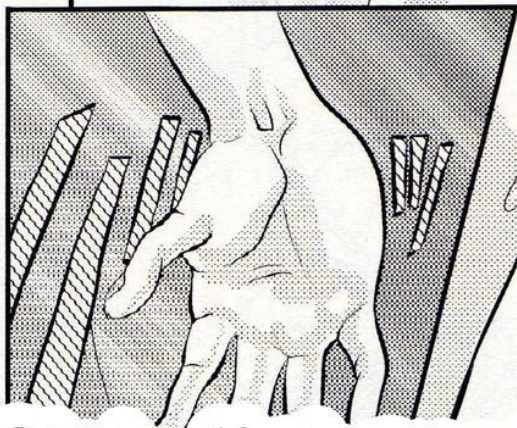

OMON, the HUMAN BULLET

Chapter 3: Chibaragi Ayako, Part 5 -その五-

It sure sucks to be
unable to feel pleasure,
but I will show you on
your own body that
pleasure can harm
just as well!

Ahhh!

Plot: Nakano Takao — Art: Chiyoki —

I know that hurt! You should always get rid of unwanted hair!

Ughh!

You bitch!

Well, I'm going to break your Fangs way before that happens!

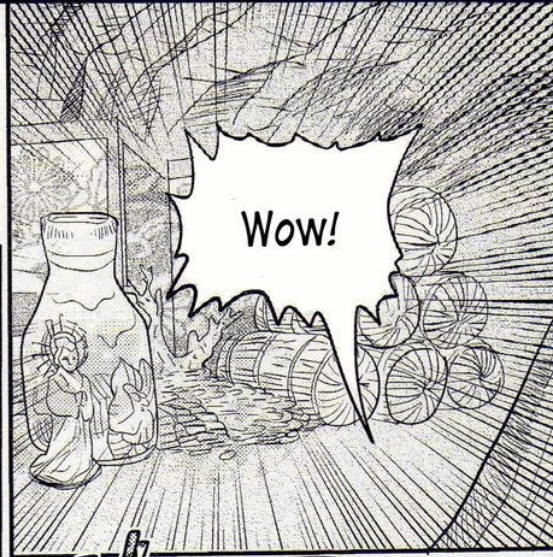

You'll pay for that! I'll render you unable to utter another word out of that mouth again!

Wow! They're really at it!

Huh?

Just look at all these treasures! These bitches must have robbed each and every village in this area, huh?

Wow!

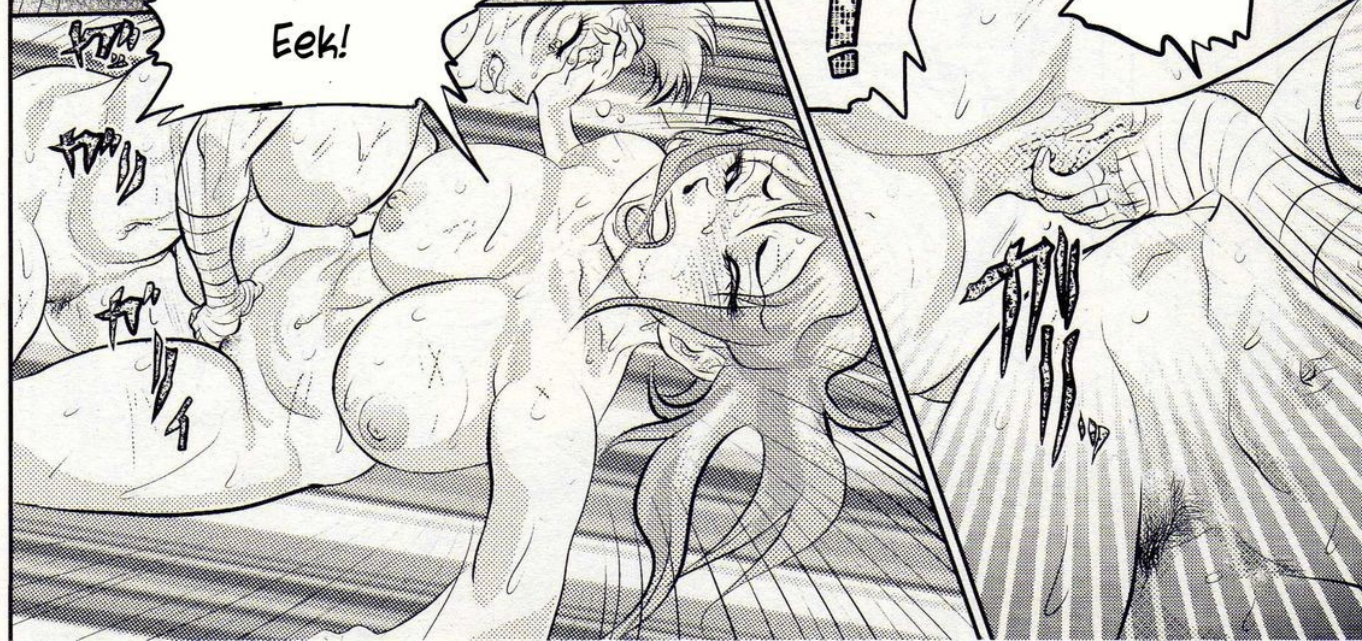

Aghhh!

And it's such a waste to just let them sit here! But don't worry, I'll put them to good use for the world and for the people!

Uahh!

Eek!

Crap!

I'll mess up your pussy so bad, nobody will ever want to look at it again!

Eeah!

You bitch!

Well, pussies are all gross anyway!

Although, I have to admit that sure is one rare view too! He-he!

Alright, I should concentrate on the treasures!

Crap! Ugh... Uhhn!

Hey, I found your erogenous zone...

Uhn! Uhhn!

Chibaragi Ayako! It's behind your ear!

Ah!

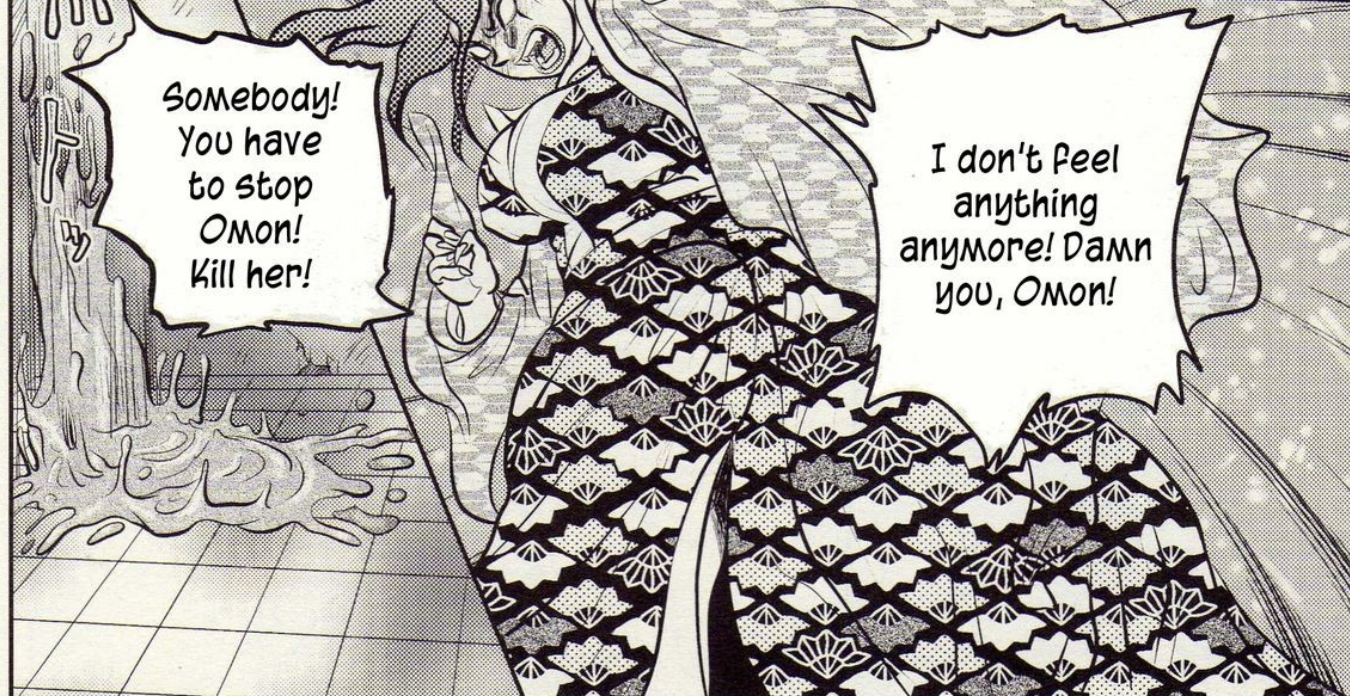

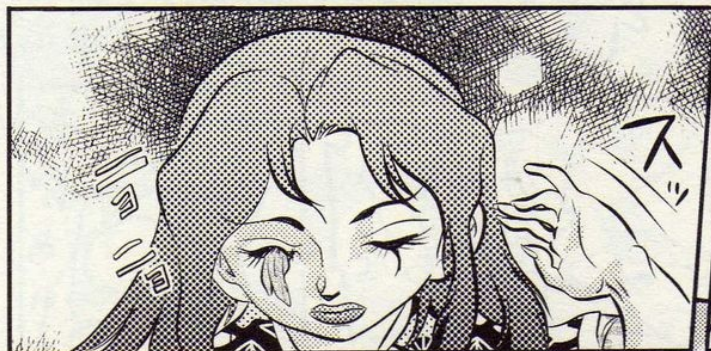

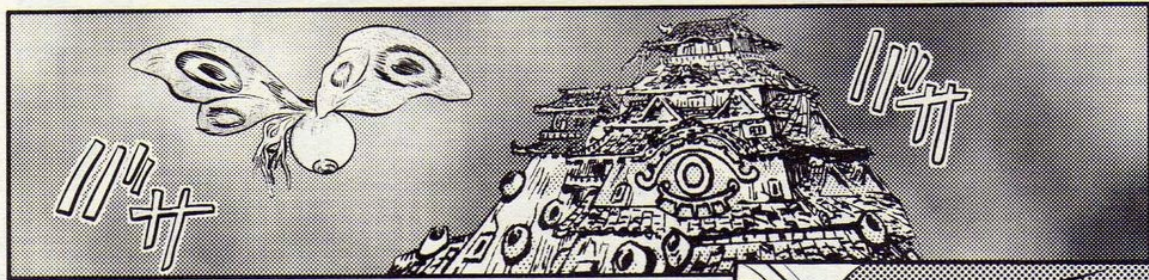

Oh, no!
It feels
so good!

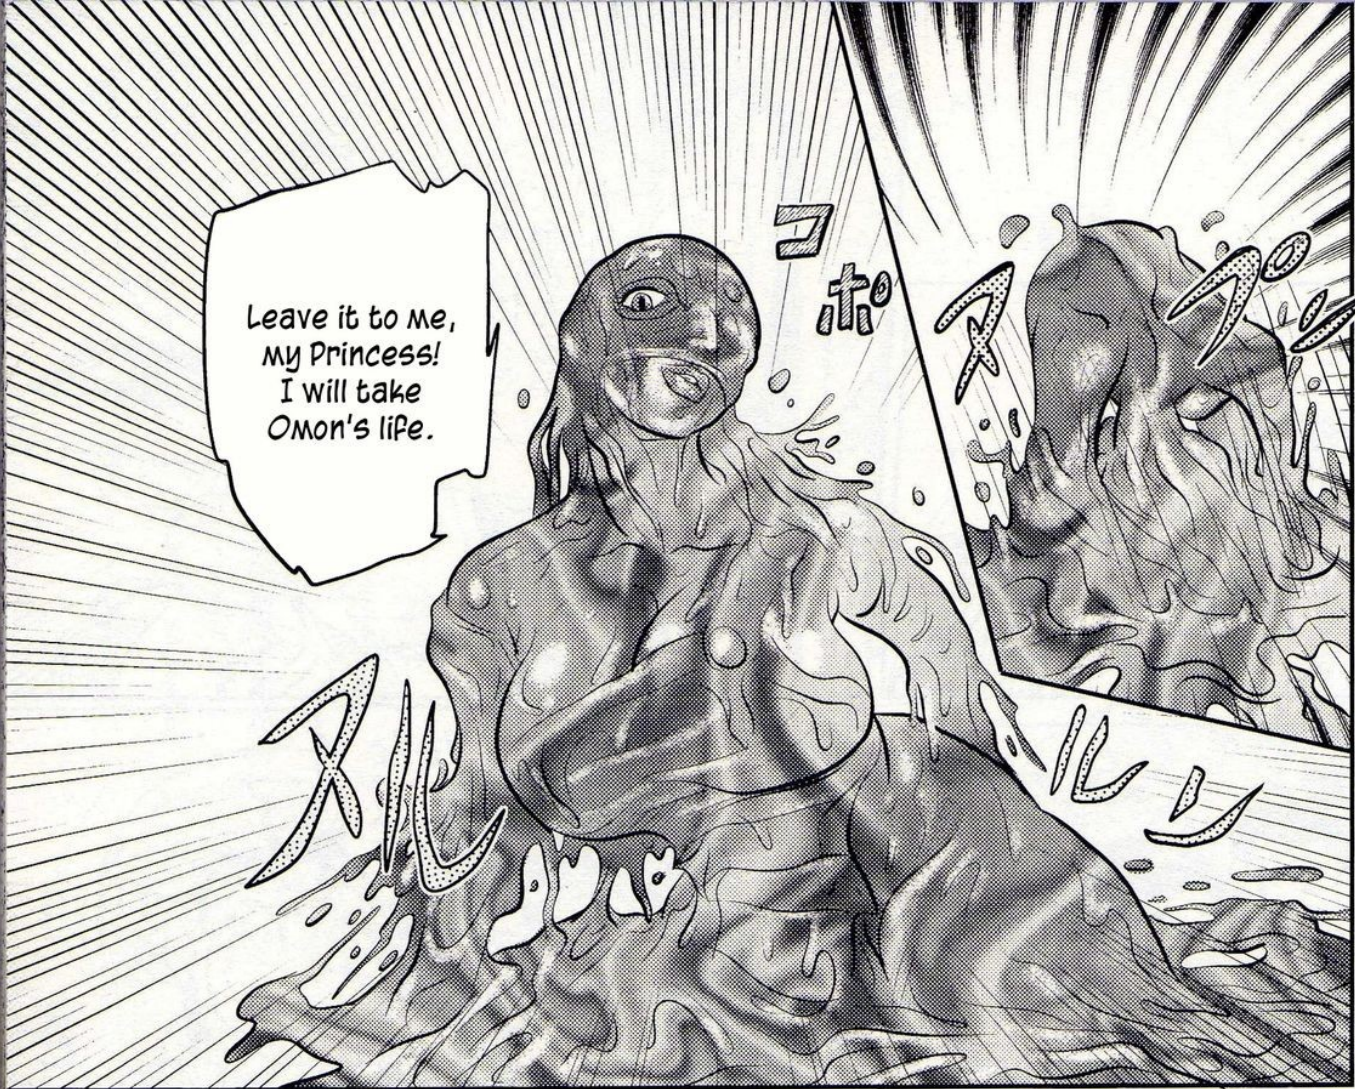

Wow!
What is
that?

Uah! My
treas-
ures!

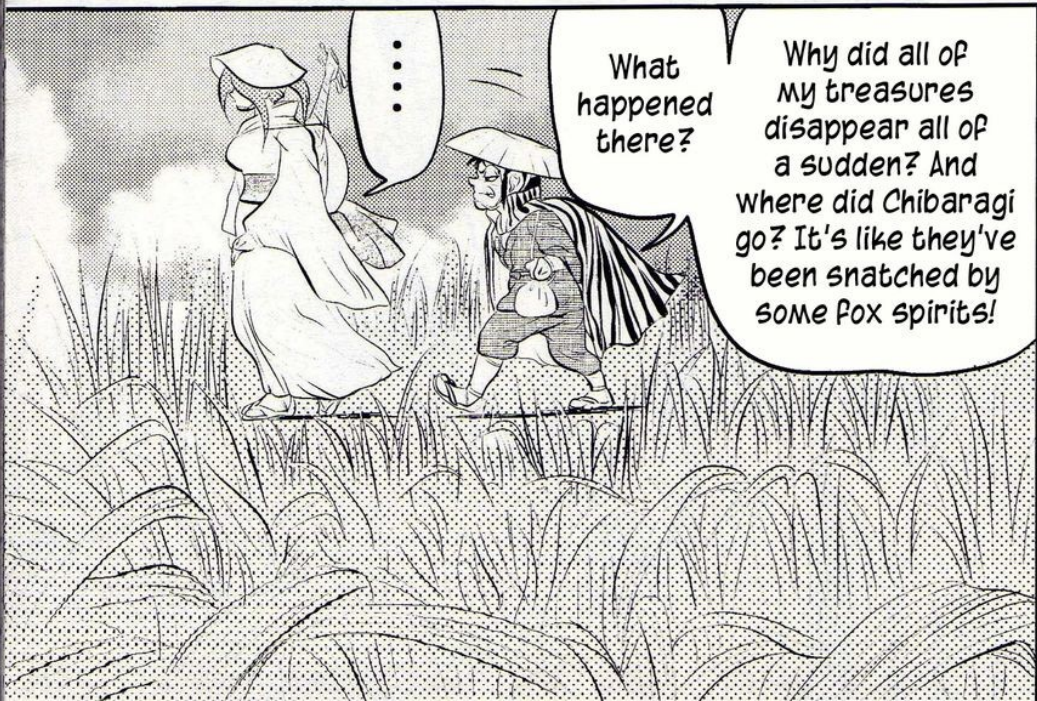

Leave it to me,
My Princess!
I will take
Omon's life.

Very well
then, set out
at once!

...

What
happened
there?

Why did all of
my treasures
disappear all of
a sudden? And
where did Chibaragi
go? It's like they've
been snatched by
some fox spirits!

Crap!

Oh, yeah!
There are
no money
left at all.

But well, we
still have
that money
we got for
her head, so
I guess we're
fine...

Shit really
sucked this
time, you
know!

Hey!

You
know that
runaway
couple...

Oharu-chan
and Senkichi-
san? Well,
I gave it all
to them.

Wha... What
did you
just say?

They're
starting
a family, so
they will
need a lot
of things!

Why would you
do something
like that?

Couldn't
you
tell me
sooner?
*Gulp...
*Gulp...

Oh, there
a hole right
there!

Uah!

You
know, even
craziness
has limits,
Omon...
