Aunt! Grand-ma!

I'm here!

Miyako-chan...!

Mi...

...Oh!

My childhood friend and cousin, Miyako-chan...

She moved to the capital and lives there alone. I don't see her much at all.

So good to see you~!

Umi!

S-So in the end, what is it?

OHWA!!

And why are we acting normal

I'm so nervous, at this rate...

I might die!

Still I'm happy

Recently, I confessed my feelings to her by e-mail.

Her reply:

"We'll talk when we meet." And so, now...

BA-THUMP

W...

Welcome back, Miyako-chan.

The whole gang went to prepare stuff at the place of my brother's ceremony. Uhm...

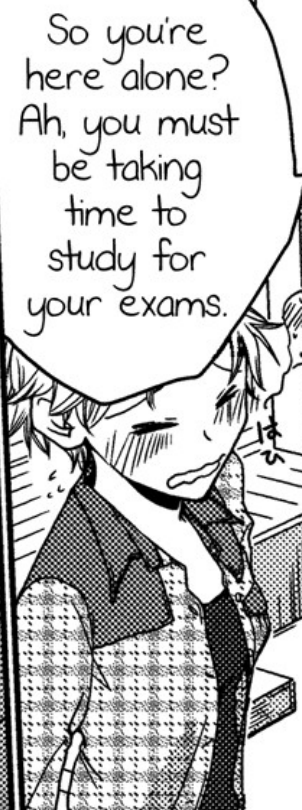

By the way, I went by your house, but no one was there. Are they all here?

Huh?

Or were you... waiting for... me...?

So you're here alone? Ah, you must be taking time to study for your exams.

TAKKUN, THAT VASE IS YOUR GRANDFATHER'S! STOP THAT AT ONCE!!

I...

Mi-yako-chan is cheerful and strong.

Ever since I was little, she was my role model.

Wah!

Me next!

Mi-yako-hoo!

あわっ!  
Lets do this!

So, Umi...

Ah, uh, good job.

It's Momotetsu, they'll be busy for at least an hour!

I always had my eyes on Miyako-chan.

Come here.

I see, that's right.

Right? When family was over, we got extra futons from here.

Uwa... This brings back memories.

There's not much room with the futons inside.

That's right. You normally don't go in here, so it doesn't stand out.

And would hide in here.

Or when there was a wedding or funeral, we played hide and seek...

So, about that e-mail you sent me...

So close to Miyako-chan!!

What I'm saying is...

Does it mean that... You're okay with us kissing?

Can I kiss your neck too?  
Hyaa!

So cute!

You're squishy, Umi.

But Miyako-chan will leave again soon...

...Okay.

Ng!

I've  
always  
loved you,  
Mi-

Are you sure? You're finally here.

Sorry, I took up all her time.

But I'll help her tonight or tomorrow night.

EH?

That sounds nice! But isn't your university pretty good? Will Umi be able to enter?

If we can live together, the rent will be really low!

After all, Umi will be going to my university.

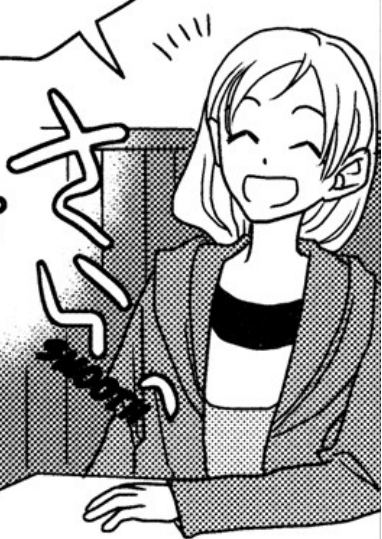

I... I'll do my best!

There's a lot of people here, so...

Then it's all right.

Oh, really?
