Go to your local adult toystore and get Amiri-chan's pure Daruma Ridge, July 1st onward-poyo 

The price is 3500 yen but I think the shops would probably sell less than 2500 yen-poyo~ (◡◡)♡♡

It was announced to be released at June 17th but I was a little late on the preparations so it was delayed to July 1st (◡◡)

Udon-chan is so sorry to all her fans eagerly waiting for this~ (◡◡)

Participating shops will notify these updates via Twitter (◡◡)♡♡♡
