Hayumi and I are neighbors.

We're like brother and sister in a way...

And we're also life-long rivals.

Hayumi was the one who suggested in the first place that

That hit the spot!!

This is pretty

little onsen
street like
this.

Don't you think so, Gakuto?

Like hell I do!!

If feels like we stepped back into the Showa era, doesn't it! It gets you pumped for some romance, right?

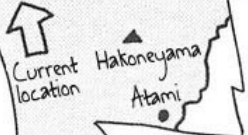

The smell of sulfur drifts out on to the streets...

Your spirit just wells up with these old roads...

You just have to go to an onsen if you're Japanese, don't you agree?

But... the beach is super crowded...

Why did you even bring us to an inland one!

Even if you didn't want to, it's fucking summer! We should've gone to Izu-Itou area!

Why the hell did you take us to an onsen!? Do I look like I'd want to come here!!

Huh? You didn't want to come?

I didn't say I'd accept your stupid challenge...

Besides, it won't be much of a duel...

I told you yesterday, I was going to come get you!

We're having a duel today, Awaya!!

You know...

I'm still in my freaking pajamas!!

Help me, Mom!!

Have fun today!

W-wait, what!?!...
What the heck are you doing!?

I'll fucking remember this, Daichi!

SUN ☀️ SUN

That... little... shit...

Smile

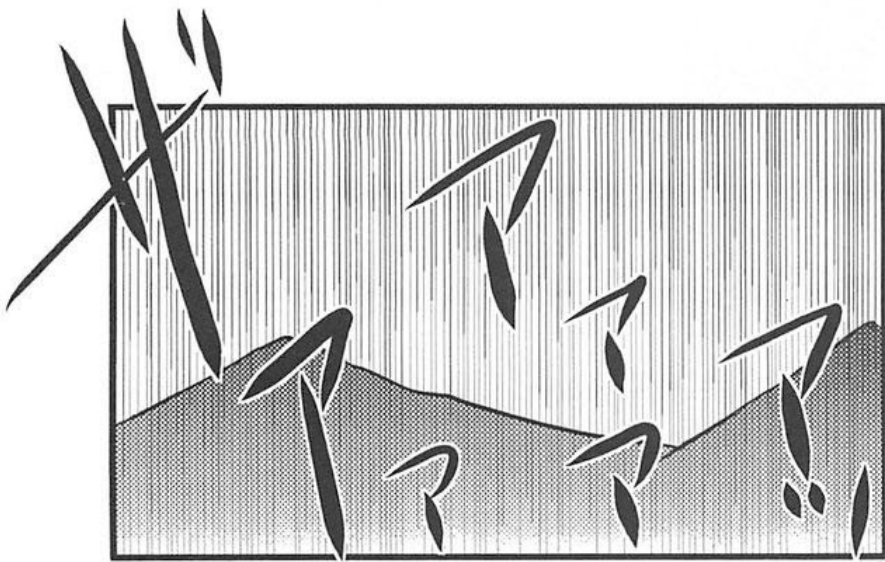

Why did this have to happen to me...

This isn't funny...

Ah!

Don't blame me if anything happens!!

Well, looks like I win...

.....

...Didn't I tell you?

I knew it'd turn out like this...

Yet, why the hell am I here...

If wouldn't have rained if he didn't drag me out here...

...Not yet.

It's not over yet!!

If wouldn't be much of a duel...

Anyway, how about we just wait here for the teachers to catch up, huh?

To make matters worse, you charged on ahead, and everyone else took a different path...

Huh?

Wha!?

Wait!....

I'm gonna keep walking until it's time to go home!!
The trip's not over yet!!

...Huh?

If you're a rainy girl what good would it do if you took the day off!!

That's fucking weird!!
It makes no sense!!

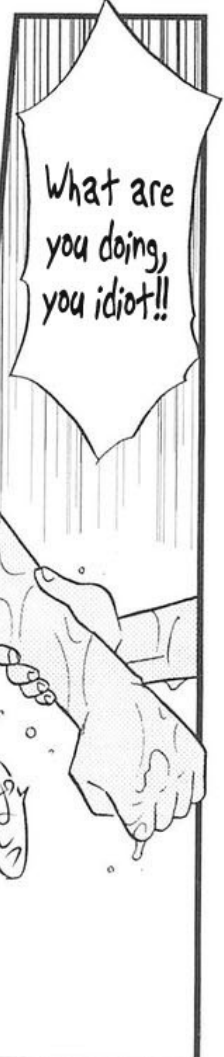

You're the idiot!!

What!?

How bad did you want to come on this trip!!

It doesn't matter that it's summer, if you go out while it's pouring down rain like this, you're going to catch a cold!

What are you doing, you idiot!!

Uh...

Why do you have to be the only one to put up with this shit!....

I feel bad for her...

But she's still here...

Everyone in our class is fucking weird!!
They say stuff like "I feel bad for her," or, "It can't be helped."

But...

Yeah...

Wh-
You-

You shouldn't compare how much the students and I have to put up with, and if that were the case, shouldn't I be the one to compare?

Could it be...

Are you a moron?

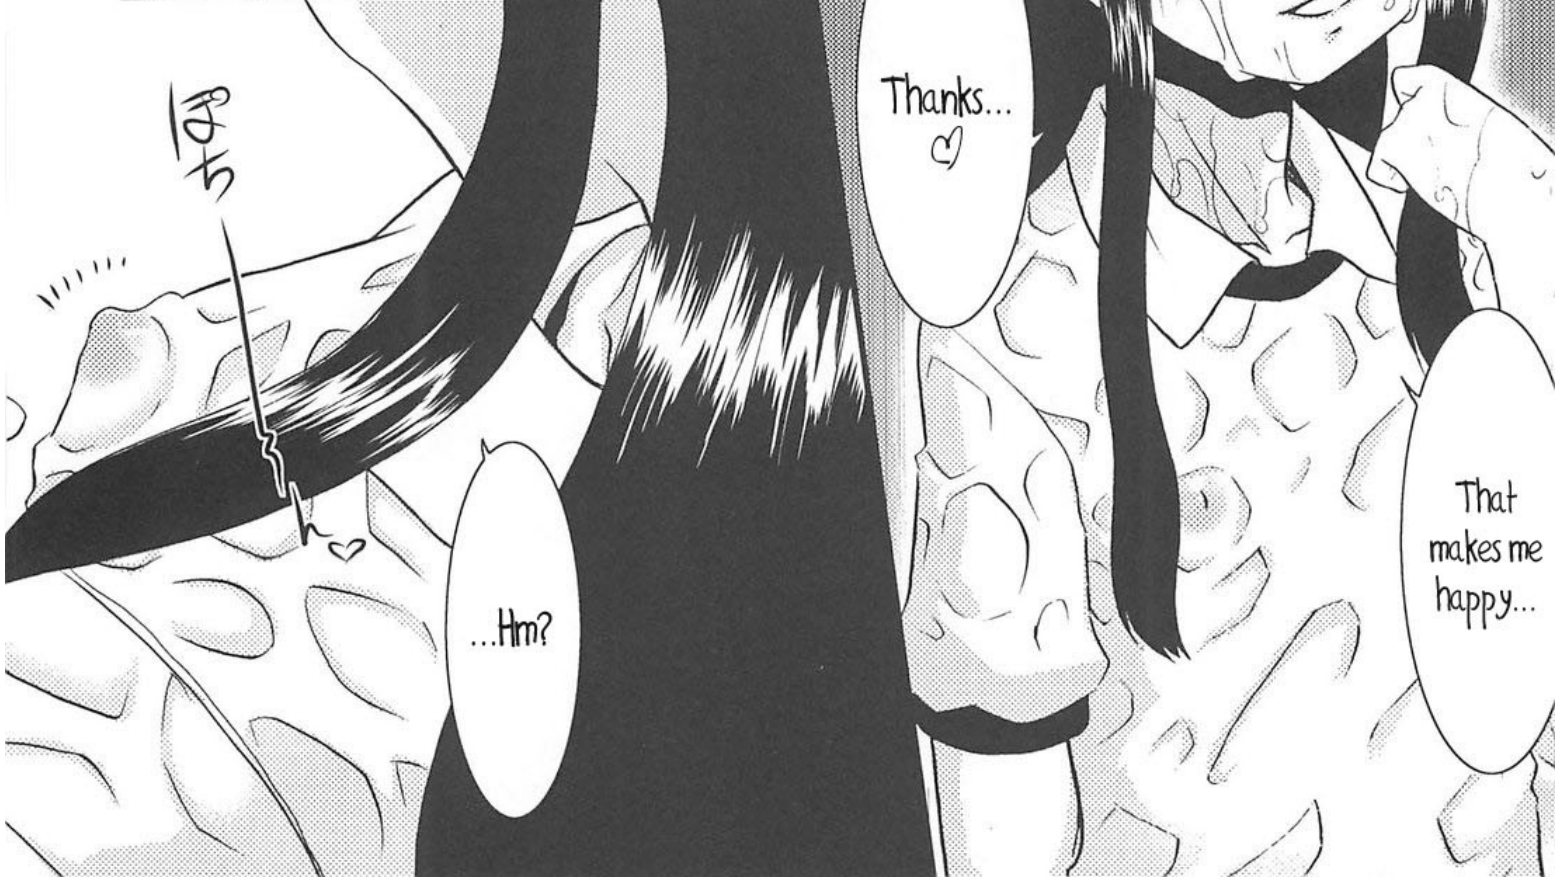

He did this for me...

!!!

I-I'm not like I was doing it for you or anything...

Hm? What're you looking at?...

Thanks...
♡

That makes me happy...

...Hm?

It was an accident!!

I-It's not like that!

Damn pervert!!

Daichi, you're a bastard!

You idiot!

W-What are you doing, get off!

Y-You first!

You're the one on top of me!!

Uh...

Huh...

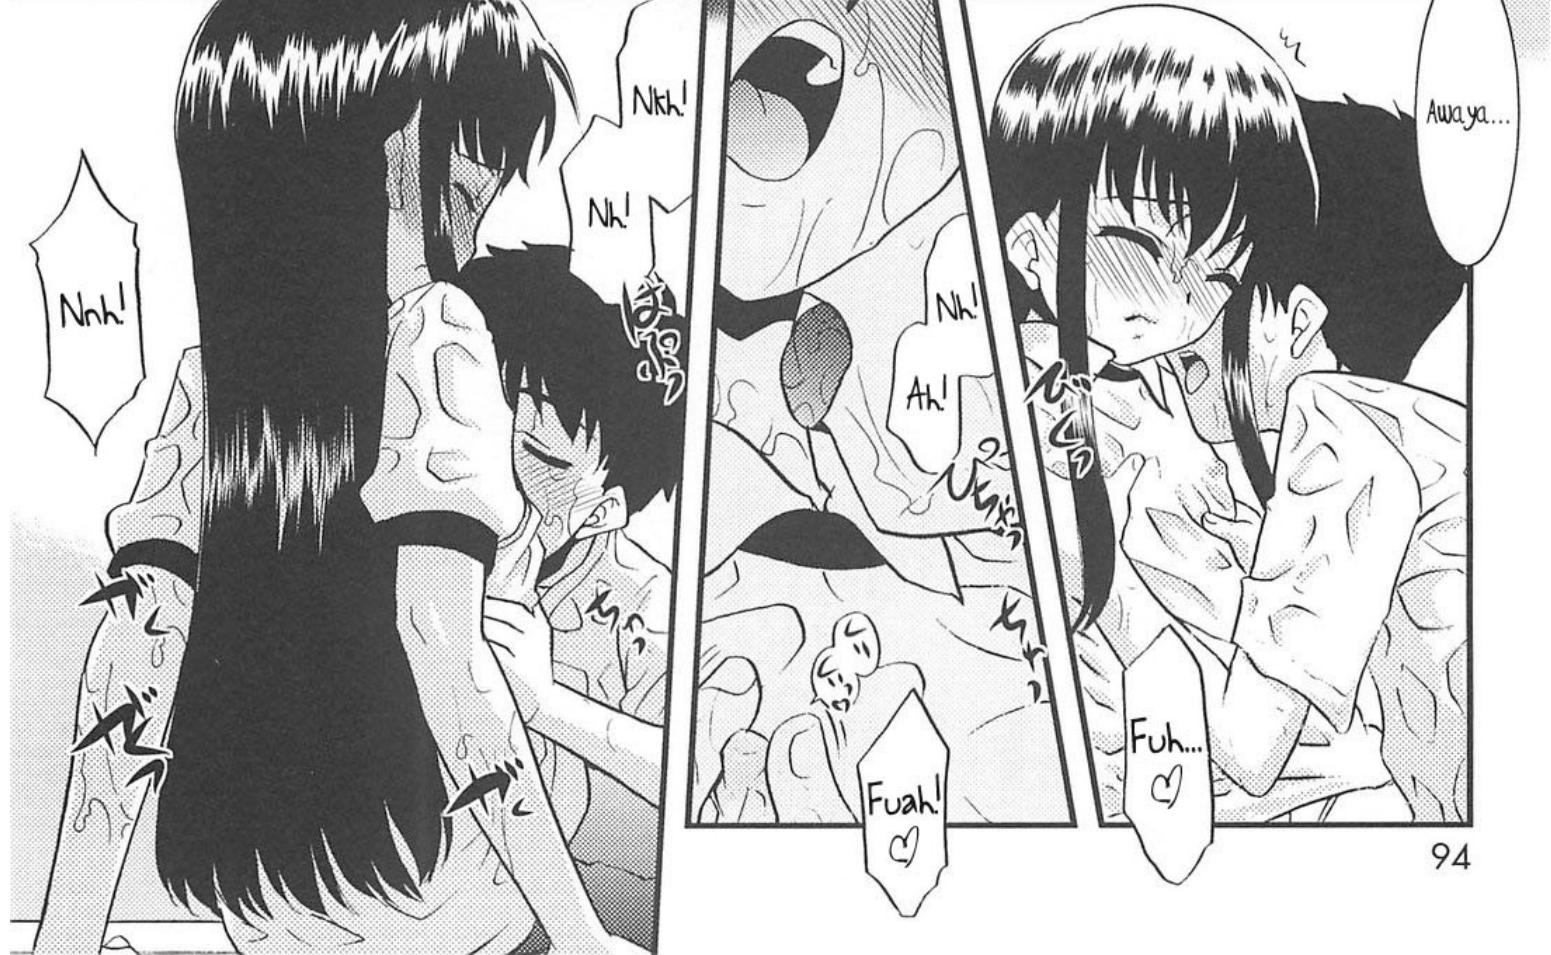

Ah... Kya!!

Wah!?

No... That's not really... it...

Whoa... It's wet, Awaya...

Ah! Not there!

It's dirty...

Nnh!

Fuank!

Whoa... No way... is that really what a dick looks like?

This is Daichi's dick...

When a guy get's horny, this stuff starts coming out.

I hear this is kind of like when a girl gets wet.

Don't worry about it, take a look at me...

See, something's coming out of the tip, right?

Ah...

Huh!
What?!

Awaya, can you touch it...

I'm actually touching his dick!...

Ah!
Kha!

Uagh

No way...
I'm touching his dick!...

What?!

Ah...Shit, this feels kinda good!

Eh!
Eh!

Awaya, squeeze it tighter!...

Ah...

I love
you!

finally stoped...

The rain...

After that...

Yeah, but...

They say that rain can be a blessing in disguise.

The hell, I thought it would be alright today...

Mysteriously, when I went on trips with the school, it no longer rained.

Why, what do you mean by that?

But, you know, I think we'll be having a lot more rain from here on out.

What?

Ahaha, yeah...

Why did she pick a day that had 100% chance for rain for our date?

Damn, it's starting to rain.

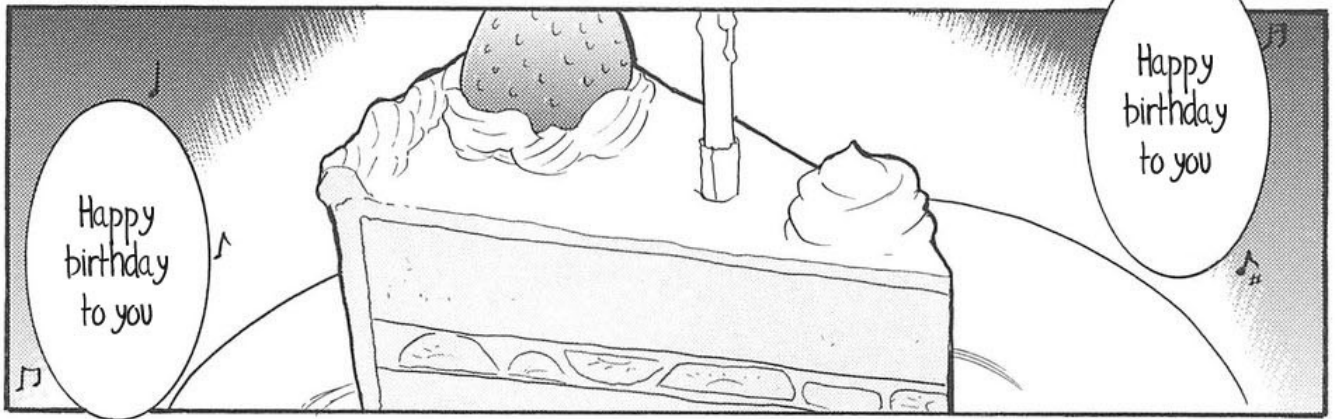

On a special day, it's definitely going to rain when I'm around.

I'm a rainy girl. ♡

That's because

I'm a rainy girl.

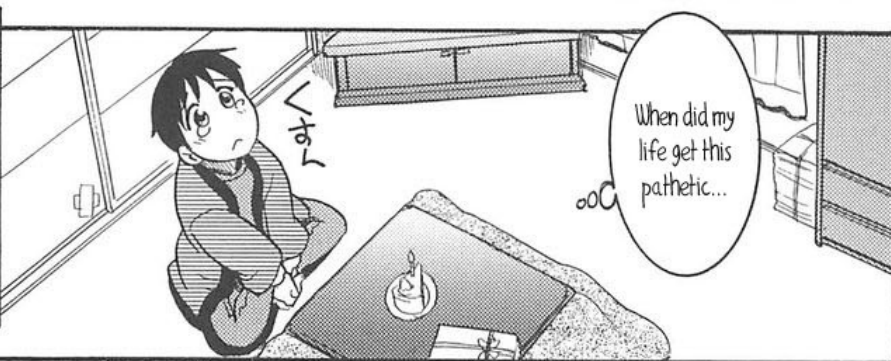

Happy birthday to you

Happy birthday to you

Happy birthday dear...

I'm not a proudful man, but I've never gotten a single birthday present before in my life...

When did my life get this pathetic...

This is just sad...

Who could that be at this hour?

Yes?

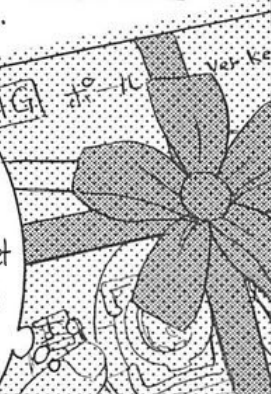

But for whatever strange reason, I've never gotten one...

It's not that I don't have friends, or parents for that matter...

This year's present to myself...

Just once... I would like to get a present from someone...

.....

What the-
Hey, it
closed on

I'm here to
give you your
birthday
present!

Precious Stash
Little Loli Wife
Hidden in
Broad Daylight
Fragrant

Who in the hell could have seen my precious stash to pull off this as a prank?...

Did I really want one so bad that I imagined her?

She said present, right?...

No, I'm not imaginary or a part of a prank at all!

Huh? Mister?
Mister customer?

Why can't I get through?

She's coming through my wall!?!...

Th-Through...

Hm... What's this?

Uh?...

I'm a present sent here from the honest to God Japan Present Organization!

To think that I, who has never gotten a single birthday present in my life, would have you bring one to me today...

Japan Present Organization
NO. 417

You're a messenger from Japan Present Organization...

So, Ummm... basically you're talking about this thing?

But...

And that's what we're all about...

Um... Were you listening to me?

Seriously, who the hell's heard of something as shady as the Japan Present Organization!?

Yes, let me explain!

This is awfully convenient ...

There's no way this thing's for real...

Basically we at the Japan Present Organization go around to help those who are less fortunate...

We go to those unhappy individual's houses where once we have their consent, I can...

She walked right through the wall...

Yup, that's right!

Wah!?

Then again!...

Mister customer?

This could be my first and perhaps my last birthday present!...

W-uh...

If this is for real...

She's going to take everything up to my ass hair!!

She's luring me in with those sweet words but as soon as I stick out my hand...

You are?

Yup.

Shit... This is so wrong!!...

Umm... Sir?

I refuse...

This is where I draw the line!!

You're my present?

This is it... This is one of those last request things before you die!!...

That's right!

And besides, you don't have to worry.

Ahh!

That's some soft tit!

Uh!

You know you're doing the exact opposite of what you're thinking, right?

And as proof, I'm a perfect match to your particular interests, right?

Her tit... is so damn soft!!

We at the Japan Present Organization aren't in the business of stealing souls.

Uh!!...

I'm not evil. After all, I'm your present.

Well, what do you say? You can enjoy me to your hearts content.

Fuhuhu! You don't have to hide it from me...

We're very thorough in our research.

はむ♡

Muah!!

I'm already yours, Mr. Customer...

Fuoh!?

Ah! Hey!

This is what a girl's mouth is like!!...

Uh! Ah! Amazing!...

Nk!
Nk!
Nk!

Fuah!
Ah!
Kuah!
Ah!
Fuah!

Uh! Yeah! Of course!

Uhhh!

Is this your first time doing something like this?

Aha! Mr. Customer.

Kahh!

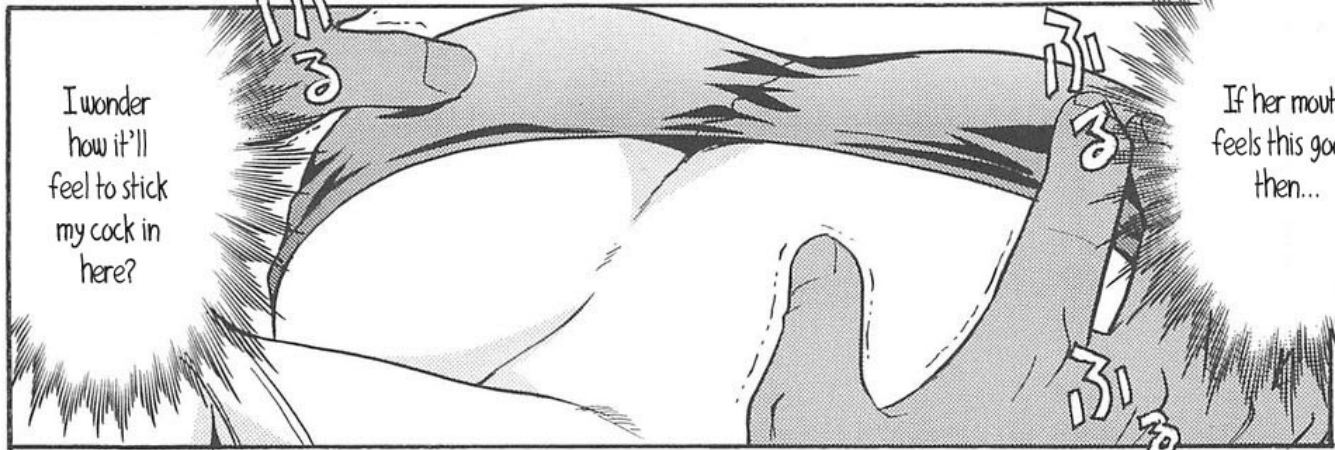

Ah... Ah... What the hell is this sensation...

Ah!
Kuh!

Ahh!!

Then I should be more attentive.

If feels like I'm showing my dick in hot mochi!!...

I wonder how it'll feel to stick my cock in here?

If her mouth feels this good, then...

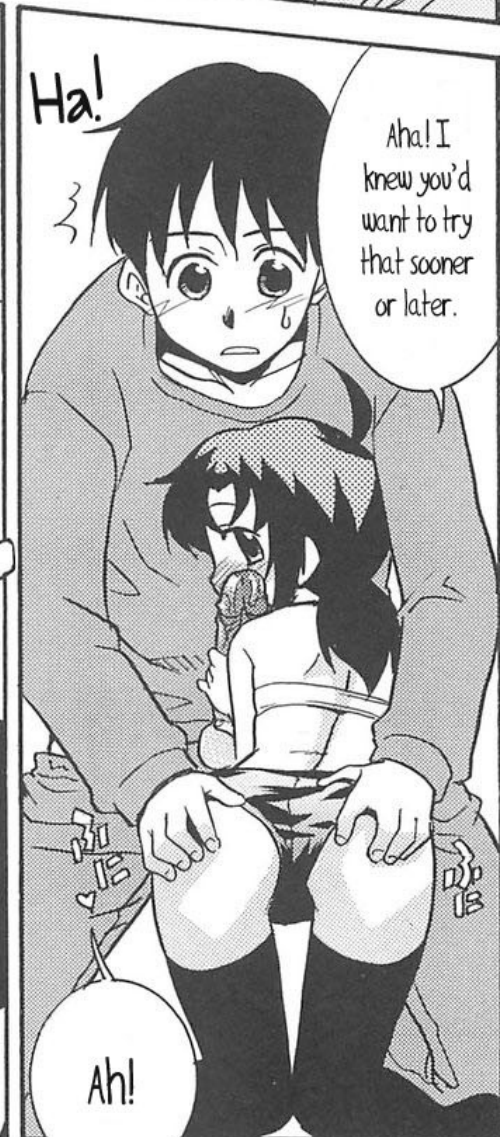

Hm?

It makes me happy that you're interested.

Nfuhi! It's okay to.

Uh! No! I'm not-

Ha!

Aha! I knew you'd want to try that sooner or later.

Ah!

Now, please take a look right here...

Uwah!!

This is your own personal pint-sized pussy!

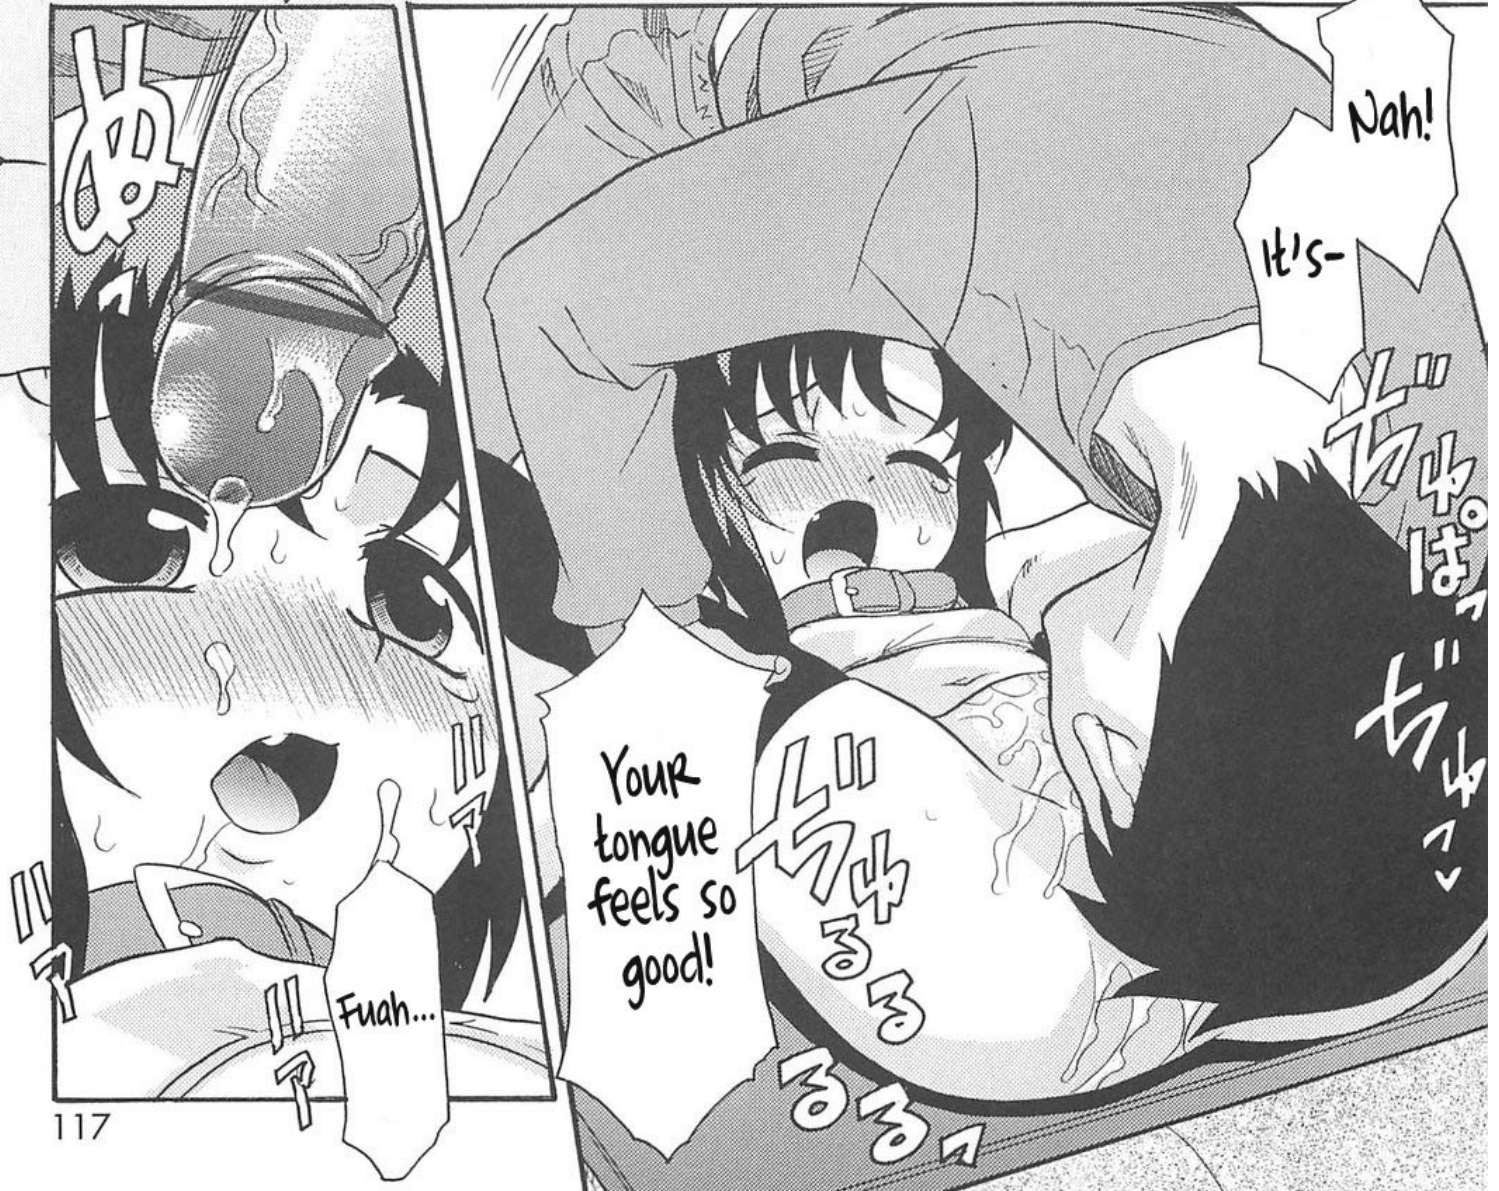

Hyan!

Ah! You don't have to be such a piggy about it!

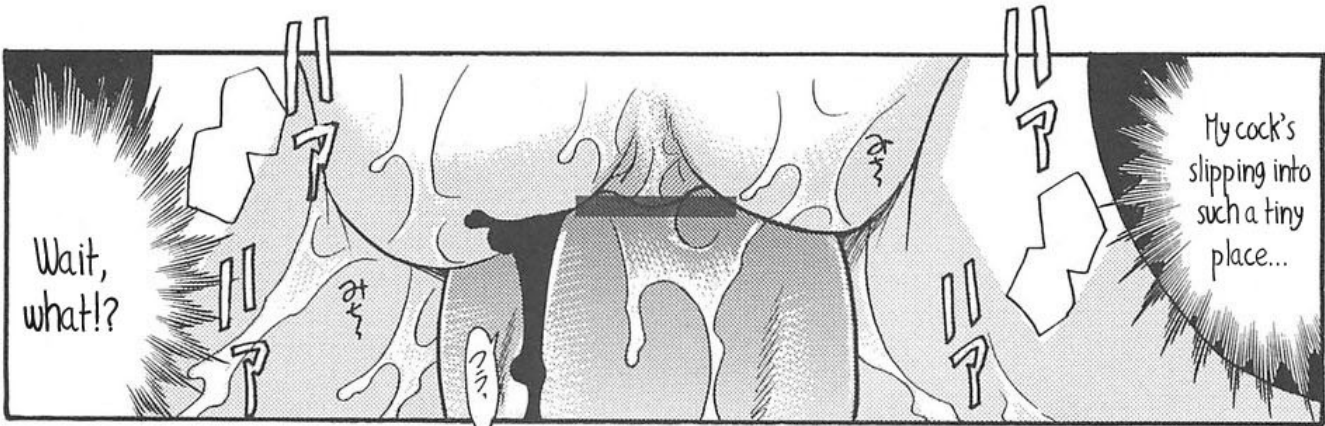

Ah, not so deep!... Don't lick that deep inside me!

Nh!

Wait, what!?

My cock's slipping into such a tiny place...

Of course...

Say... This wasn't your first time, was it?

I wanted to give it to you as a present...

I'm your present after all.

Huh?

Hey... What's your name?

But please don't misunderstand. I'm not giving you my first time because it's my job.

So it's only natural that you'd be my first...

Well, I don't really have one...
The organization just called me number 417.

I guess we'll just go with Shiina then.

I'll make you feel really good!!...

Though it's my first time too...

Ah...

Fua...
Ah!

You're so cute, Shiina.

Ah!
Ah!
Mister Customer!

Nuhh!

Your cock is hitting so deep inside me!

Ahh!
So good!

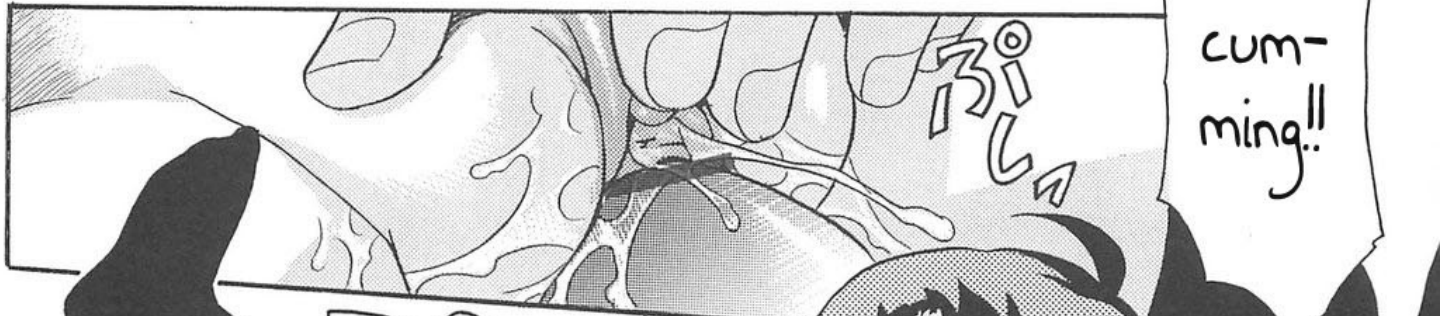

Mister Customer!

Cock's hitting me where it feels good!

Ah!
Ah! It's amazing!

Nh!
Nh!

Nh!
Nh!

I'm gonna cum!

You're gonna make me cum again!

That's not fair, now is it? I haven't got to cum yet.

No! Don't!

I'm cumming!

No!

I'm going to blow my load inside you, Shiina!

No! Don't!

That's fine. Cum as much as you want, Shiina.

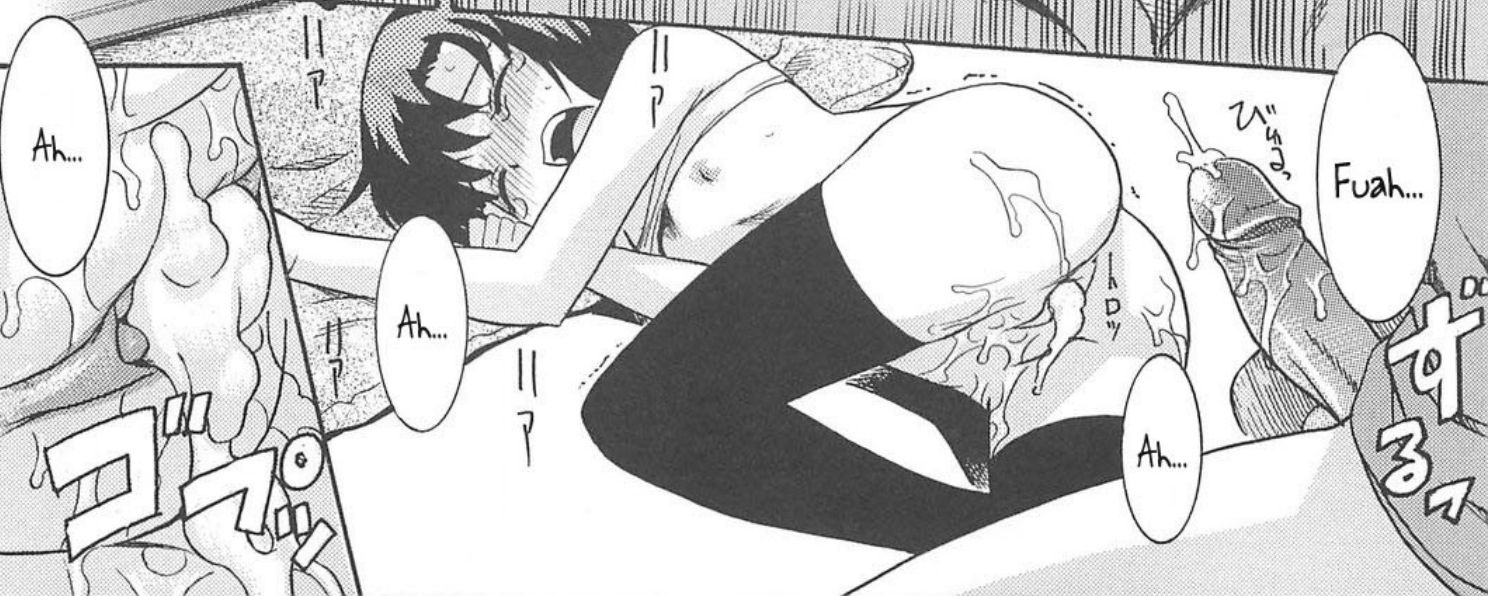

Fuah!

Ahhh!!

No! I'm gonna cum!

I'm gonna cum!

I'm gonna cum!!

I finally got my long-awaited birthday present of a bit of a questionable sort...

And so...

After that, Shiina left without saying a word...

As she's still living in my house to this day...
