

Demonic Exam 2:

Death's Terrible Proposal

Are you afraid of death?

Let me give you the
most beautiful paradise!

BY: CG17

YEAH!
Good job,
Zhi!

Does it...
Suit
me?

We were
really lucky that
my sister left her
school uniforms at
home while she's
abroad. She'll never
know! It's very
fortunate that
you're just about
the same size.

The 2nd Trial: A terrifying question from DEATH

SHRINK!

Errrm...

That look on
your face...
What are you
thinking about?

Are you
teasing
me...?

No...
Of
course
not...

How does it look on me?
Is it... ugly?
Tell me...
And you better tell the truth, I'll only give you one chance!

If you even **THINK** of lying to me, I'll abuse you in this uniform for the **whole day!**

Thank goodness my sister and I go to the same school...

C'mon, a tsundere demoneess? Talk about lovely...

So beautiful that I couldn't even keep my eyes open, it was just too much!

Otherwise I wouldn't be able to imagine how she'd look in our sports uniforms.

But what should I say? A lie seems like the best choice, but if that means that I have to say it looks ugly... Then...

Really, I mean it. It's the truth. The uniform suits you very well. It's **beautiful!**

Hmmm....

Did I say something wrong?

Hmmm...
It looks like
you're telling
the truth...
How disap-
pointing!

You're
lucky!

Jeez...
How could
you tell?

It
seems
I'm safe
now...

...So why
do I feel so
disappointed?

Hmph.
Anyway, these
clothes are all
worn and
ugly, but they'll
suffice for
now...

I look
beautiful
no matter
what I
wear!

Alright,
since you
gave me
some clothes,
I'll revert
you...

But
because
I'm a demon,
don't **ever**
expect me to
thank you!

Otherwise
I'll abuse you
in this uniform
all day long!

Oh!
Th-
thanks!

Keep
away from
me and
put some
clothes on!
I'm **warning**
you!

Don't you
dare try
to seduce me
with your...
Y-your
nudity!

That's what
you're doing,
right?
Trying to
seduce me!

Where are you going?

To the library. I have to get there before it closes. You stay inside and don't go wandering off anywhere.

Nonono, I'm going with you!

No, you're staying here!

SHUT THE FUCK UP AND LET ME GO OUT WITH YOU! WHAT, DO YOU WANT A PIECE OF ME?!

I swear, I'll shrink you and abuse you in this uniform for the whole day!

If you shrink me out in the open, it'll cause a lot of trouble!

Okay, okay! You can come with me... **BUT!** Don't do anything reckless!

Well of course I know that! Miss Alice told me before I came to earth!

The most **important** rule of the exam is keeping my presence a secret!

How much would you like that, huh?!

Stay away from me you devil woman!

Hehe... What did you call me? **Say it again!**

There are a lot more people here than I expected... I guess it's because the exams are next week.

Wooooow!
Your school is so **BIG!**

Let me go?
Please?
It's really **embarrassing** with all these people watching!

She's so cute!

Who is that gorgeous girl?

That hurts!
Why are you so damn **strong?!**

Shush!
Stop trying to escape!

What's her name?
What class is she from?

I don't know, I've never seen her before...

Huh! We seem to be surrounded!

Everyone is so **scary!**

Well that's all because of you!

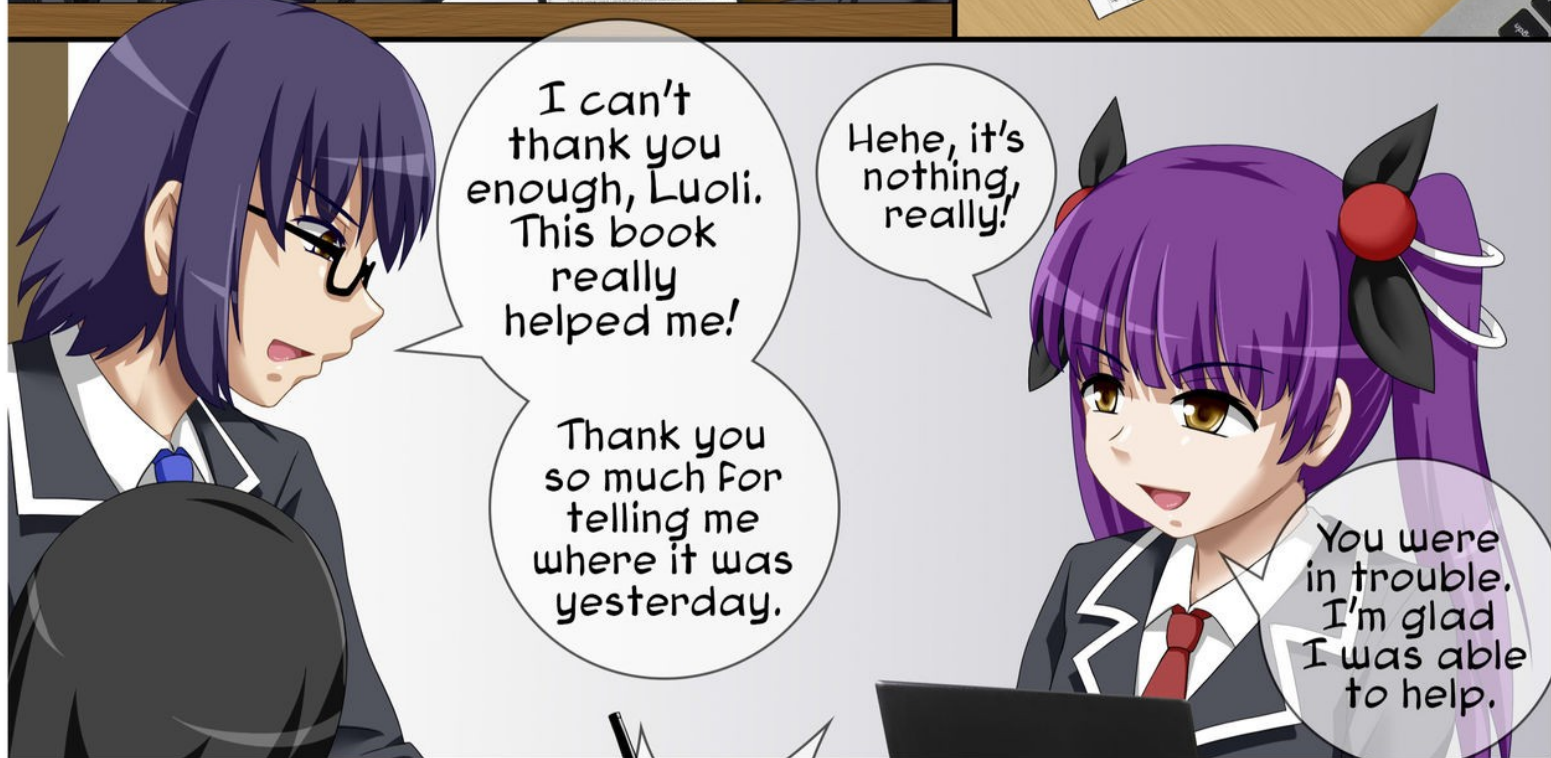

Is she new?
Or is she just a visiting student?

Aaand we're here. **Finally.**

I can't run anywhere.
Can you let me go now?

Nooope!
Hehe!

What are you ...

You're not human, are you? Don't lie to me!

I can feel the terrible magic **emanating** from that book, and all I did was **look** at it!

What are you *talking* about...?

You lent him a book that's been magically manipulated on **purpose**, didn't you?!

Crushing his spirit through magic, messing around with his memory and his intelligence...

I...

All these days...

It's just a plain old reference book! Why lie to him and say it was special unless you knew it was cursed?!

Run... RUN!

图书馆内请保持

.....

Hurry up, let's get **out** of here!

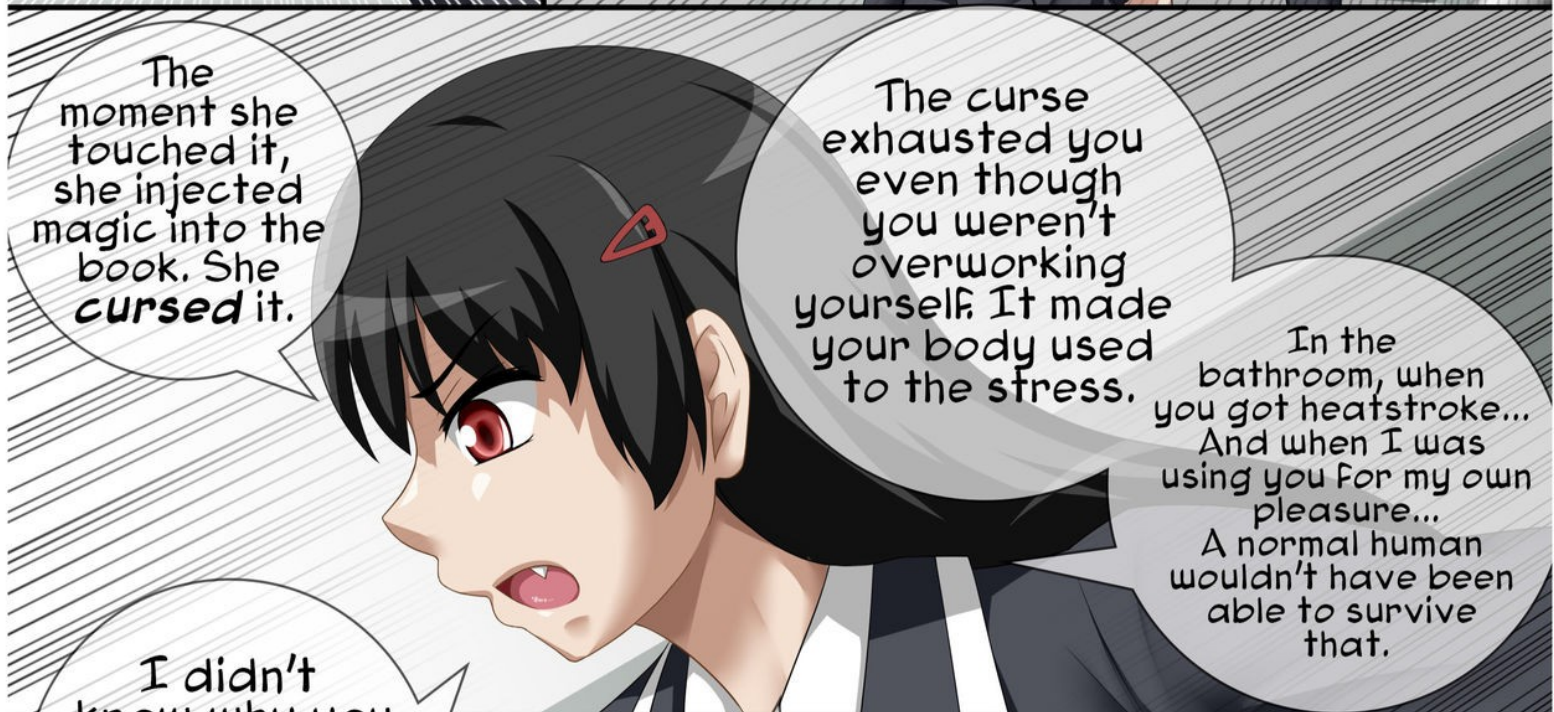

Sorry,
I didn't
have time
to explain.

But I
took that
book from
the shelves
myself!

Yeah, but
she *touch*
ed it before you
took it home,
didn't she?

Wait...
How
did you
know...

The
moment she
touched it,
she injected
magic into the
book. She
cur
sed it.

The curse
exhausted you
even though
you weren't
overworking
yourself. It made
your body used
to the stress.

In the
bathroom, when
you got heatstroke...
And when I was
using you for my own
pleasure...
A normal human
wouldn't have been
able to survive
that.

I didn't
know why you
were still alive.
Not until I saw
you handling
that book...

Finally, the exit.
C'mon, we
have to *hur*
ry!

Huh?

Wait a second!
Did I just hear
you right?!
You mean if it
hadn't been for
that magic,
I'd have been
cr
ushed by
your *fe*
et...

Jeez, you're
the most
dangerous
of them all...
You could have
killed me...

W...
Where
are we?

This is
the school's
sports
storage
room...

Were
we going
down just
now...?

The
library is on
the second
floor..
Just how far
did we run?

Heh!
Confused?
I'm not
surprised.

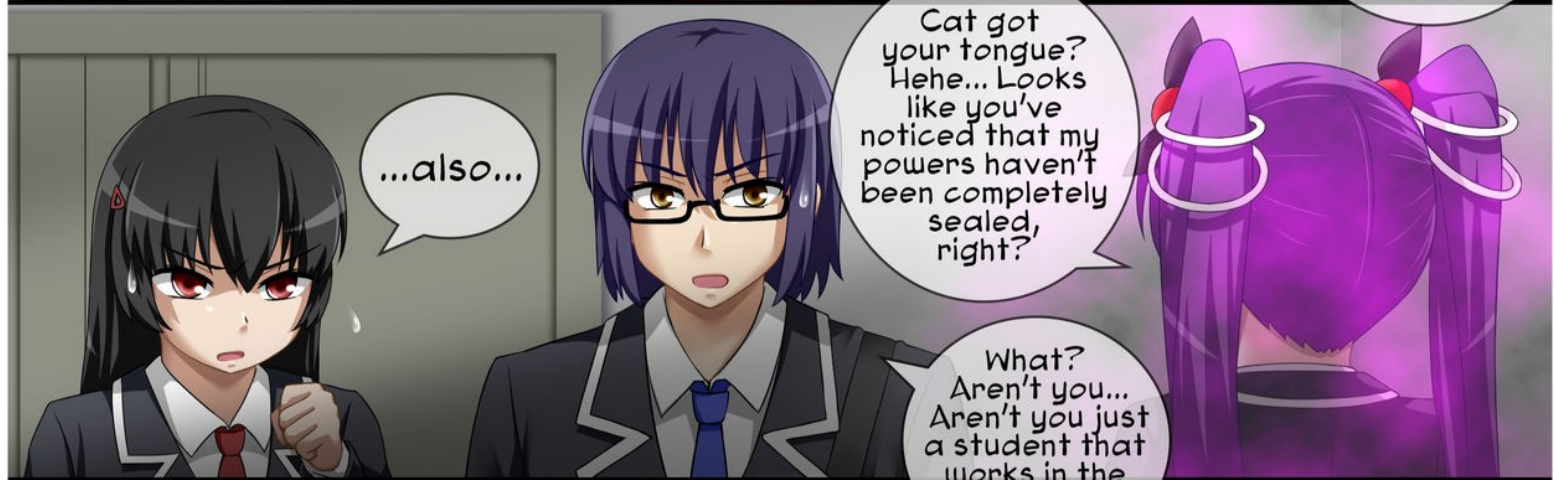

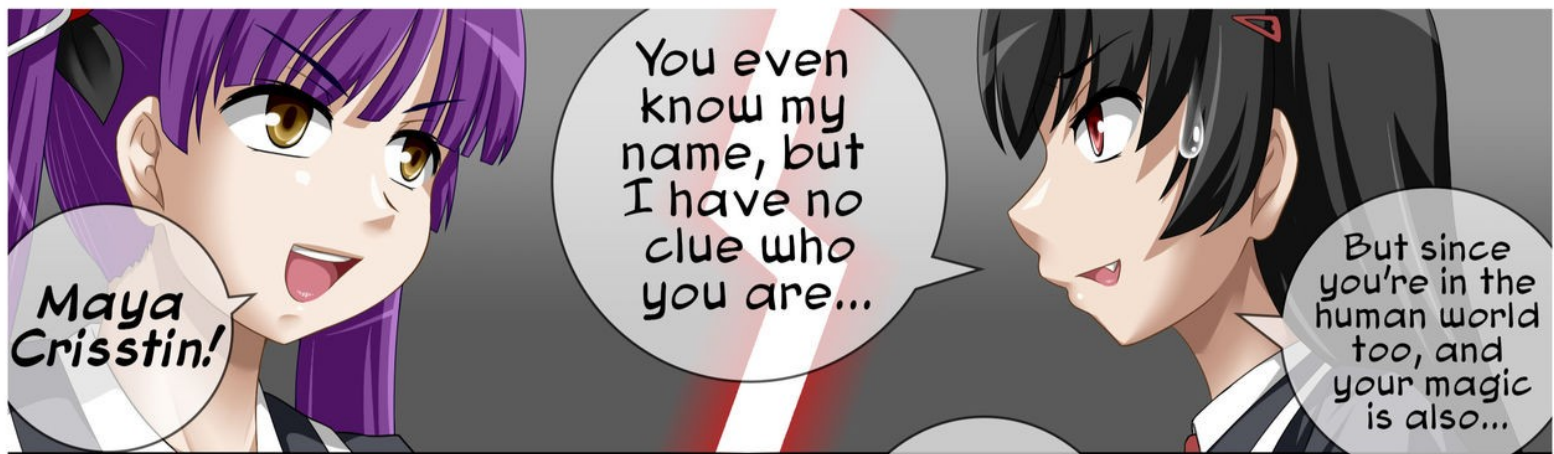

So sorry
to scare you.
It's just
mirage magic!
A little
illusion...

It's much
quieter
here. More
private. No
prying eyes.

Even with
your magic
locked, your
eyes are
still so **sharp**!
I really didn't
expect that...

So you're
the best
student in
Demon
School...

Huh?
What are
you...

How do you do!

Lela...? You mean...

The best demon student to ever attend? You're her...?

Maya, she...

Hmm, I wonder... Are the stories from back then still circulating today?

Damn... I always thought of you as my idol, even now... You're a **legend!**

I didn't expect you to be this kind of person...

Hehe, just what kind of person do you think I am?

Don't play coy, you want to **kill him!** But why? Why have you done all of this?! Why did you lend him that book?

You're the **official Death!** You work in the **Divine** now! The laws of human rights are basic and common knowledge, aren't they?! Even I know them!

Eh?
I think you
misunderstood
my
intentions...

I have no
intention to
strip him of his
human rights,
I never said
that I did.

However,
since you've
exposed my
secret...

I
suppose
I have to
tell you why
I'm doing
this.

As an
agent of Death,
I came to
earth in order to
participate
in my own
exam.

My
objective
was to find
a high school
student by the
name of Zhi.
And you...

The goal of my
examination is
to **KILL** you...

...Or rather, to
urge you to kill
yourself! To
give up your life
voluntarily!

Hah...
Haha...
You must be joking...

Nobody **WANTS** to be killed...
Not unless they're an idiot...

My plan was going **perfectly!**
Then Maya suddenly appeared at your side.

My plan was **completely destroyed** in an instant, all of my effort!

I'm sorry for burning your demon uniform, Maya. I just can't let it go! All that time wasted...

I lent you the book so you would be too drained to perform well on your exams, so you'd fail.

And when you fell into depression from your failure...

My intention was to be close to you, disguised as the librarian girl who loves you...

And in a wave of **passion, desperation and despair**, you'd jump from the roof while holding me.

So it was you that burned my clothes this morning...

What a **terrible, evil girl...**

Devil...

Evil devil woman...

I'M DEATH, OKAY! JEEZ!

Zhi, won't you just let me **kill you**? Please...? It'll only take a moment...

I'll make **sure** that you die very, very comfortably... It won't hurt a **bit**...

Such a cute face... Asking so cheerfully to kill me...

Mmm, she smells so good... No... I'm feeling...

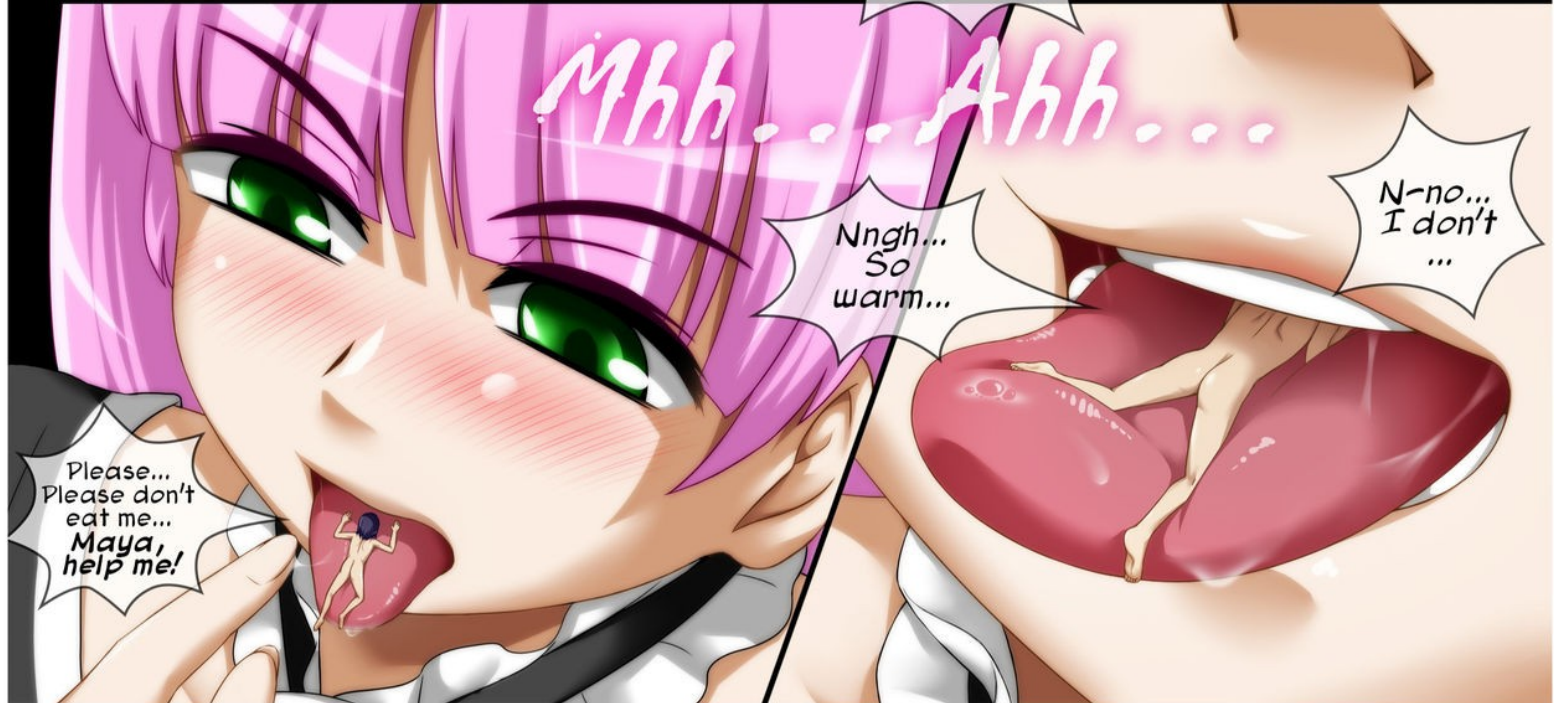

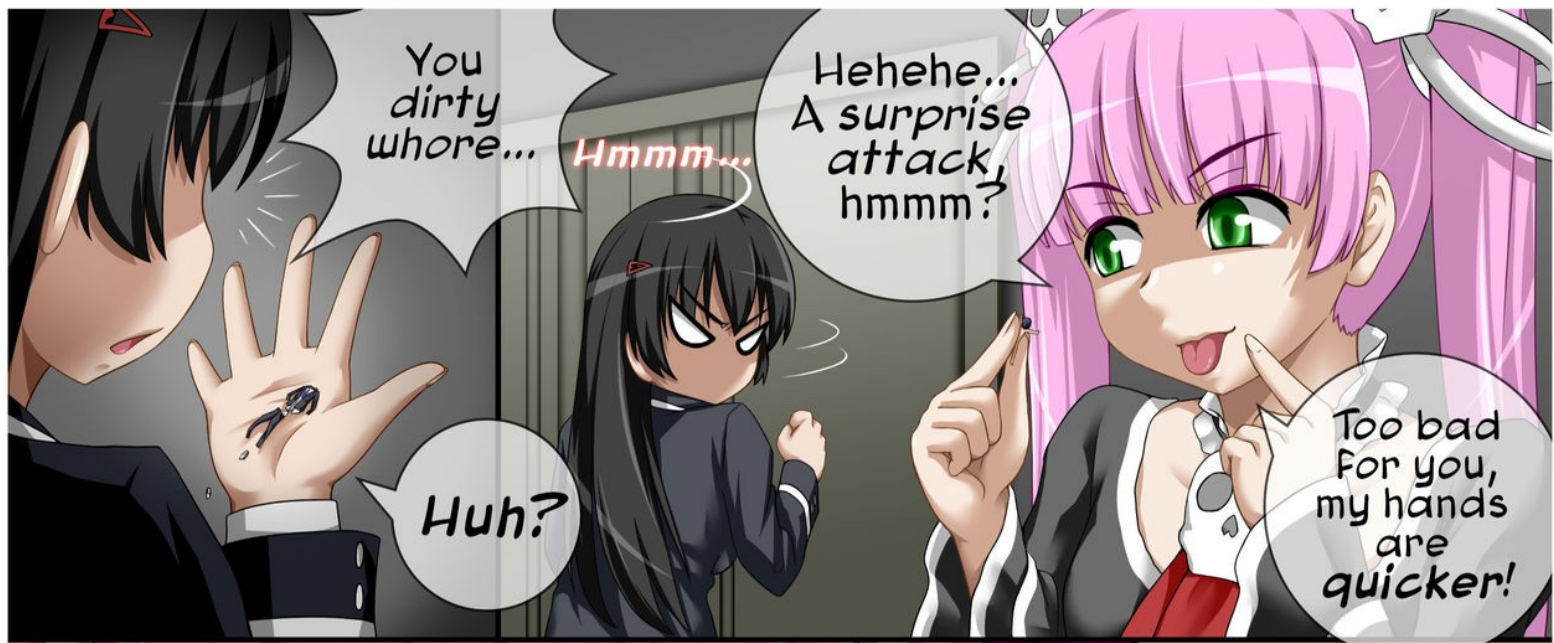

SHRINK!

oooooooooooo

Hehe, you really are quite lovely, Zhi!

You didn't resist at **all**! Does that mean you like it? Do you enjoy being my **toy**?

WHAAT
THE
HELL!!!

Ahahaha!
I see!
So that's
what your
exam is,
eh?

To
provide
sexual
services
for him?

So sorry
for making
him **climax**
and causing
you to lose
a point.

Ahh~
Mmm~

Hehehehehehe!

**GIVE
HIM TO ME!**
GIMME GIMME
GIMME GIMME
GIMME GIMME
GIMME GIMME
GIMME GIMME
GIMME GIMME
GIMME GIMME
GIMME GIMME
GIMME!

Pahf!

Aah...

Hah...

Are you
trying
to kill
me?!

Hmph,
says the
person that
was just
trying to *eat*
someone!

You
see now,
Zhi?!
This... This
**HUMAN-
EATER?!**

**Commit
it to
memory!**

Otherwise
you'll just
end up back
in her mouth
again...

Pounce!

Quite
the
pounce
...

SHINK~

No!
I won't let
you touch him
anymore!

Never!

Huh. Wow.
Look at that
scared
expression
on your
face...

Have you
Fallen in
love
with him or
something?

Don't
talk such
nonsense!
How could I
Fall in love
with him?!

If he dies,
I **Fail** my
exam!
Don't you
know that?

But
my task
goes directly
against that.
What am I
supposed to do?

I
have
to kill
him...

Well
that's
simple.

Let me
carry out
my task and
Fulfill his
sexual
desires...

And then,
once I've
accumulated
enough points,
you can kill
him. How's
that?

Mmm,
that won't
work. It's
impossible.

As far as I know, you've never even **kissed** someone, right?

You're not the only demon in school whose IQ is very high while your EQ* suffers...

If a demon like you wants to pass a sexual examination, they have to overcome their emotional problems first.

*Evil Quotient

That means you'll likely fall in love with him first.

And as soon as you pass the exam, you'll likely marry him. Or maybe even before you do. Probably even have babies.

By then, he'll no longer be willing to be killed. That means I'd fail my exam.

Love... Marriage... Babies...

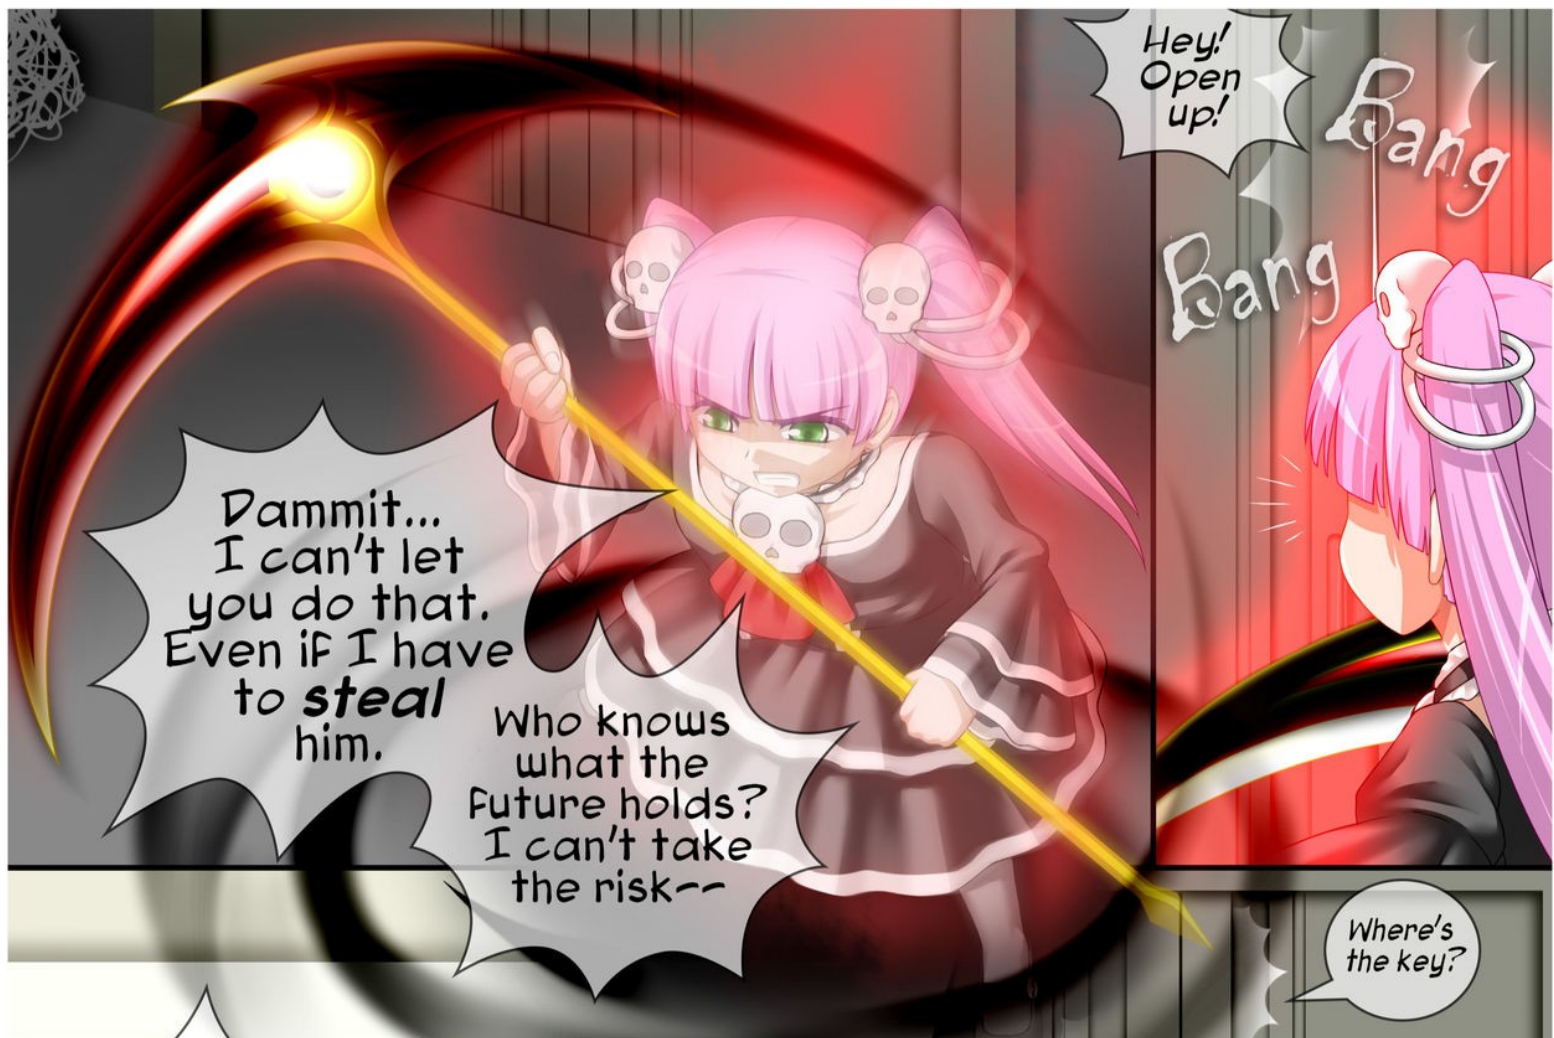

Hey, are you even **listening** to me?!

Well... I can shrink him and play with him like this! It'll be **Fine!**

I can do it! I can make him climax like this! So I should go first!

She really is a demon...

Crck!

Here she is!

Are you alright?

What're you doing in here?

Uhm... How did you know I was in here...?

We've found her, go tell the Goddess...

Wow... The Goddess is so much different from the other teachers... Maybe because she's Foreign?

G... Goddess? No... It can't be. Impossible.

Goddesses aren't part of the exam...

Here comes the Goddess!

Goddess!

Goddess!

Ohh, how many times do I have to say this... I am **NOT** a **GODDESS!**

Err...

Were you two not paying **attention**?

Miss Alice?
What are you doing here...?

An error occurred in the examination system, it scheduled two conflicting tests.

This sort of accident has never happened before. The Ministry of Education has an important message that must be delivered to the parties involved.

You and Lela are to come with me to my office this **instant!**
