

Laugh Attack Tickling File 06

SENJU:

*The Thousand
Handed Demon*

This is the third night in a row.

Again, Princess Tiara?

If the King found out he would be furious.

It had been a good year, but the princess had started bedwetting.

? ...

Eeee eek!

...hey.

Why am I having these strange dreams?

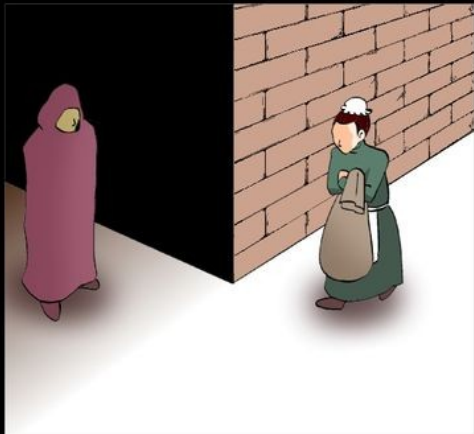

tickle

Can we keep this a secret, just between us?

Okay, but Annie...

Please could you get out of bed so I can change the sheets?

I'm so sorry...

Okay, I'll take the sheets away from the palace and dispose of them in secret.

Here's your gold.

Oh, thank you.

Tomorrow will be the final time.

How much longer do I have to do this? Until I'm beheaded!?

Ah, the item.

...What is this doing to the Princess?

I've noticed something slimy in the blanket stain, I think that some other bodily fluids are mixing with her urine.

And all I have to do is put that weird tag under Princess Tiara's pillow?

It's an easy job, but...

Will you do it for me again tonight? You will be rewarded double tomorrow if you do.

This...
this was

From
Princess
Tiara!!!

Sniff
Sniff

.....

No more of
your
needless
snooping!

You may
ask again
tomorrow.

Oh man, I should
hurry or the boss
will kill me!

Adrenalaugh

It is believed that if a young woman is exposed to extreme tickling for a long period of time, the excessive stress will cause her to secrete a special fluid from her vagina.

The fluid is known as "Adrenalaugh".

✖
This
is not
true.

I hope he
doesn't
come out
tonight.

Goodnight
Princess.

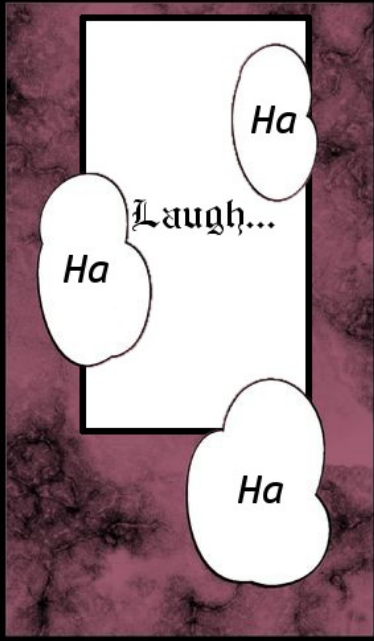

Good
night
Annie.

Do you really want to know?

So, what kind of dream is the princess having every night?

When I woke up in the morning my bed was soaked with various fluids.

I wish I'd never asked...

I too have experienced it before, and it was hell...

An ancient God, with a thousand hands, is tickling her all over her body, trying to extract her bodily fluids.
