*TADENO

My grand-mother told me long ago that this fruit is good for healing wounds.

It hurts...

I can't believe I'm relying on a folk remedy of this sort...

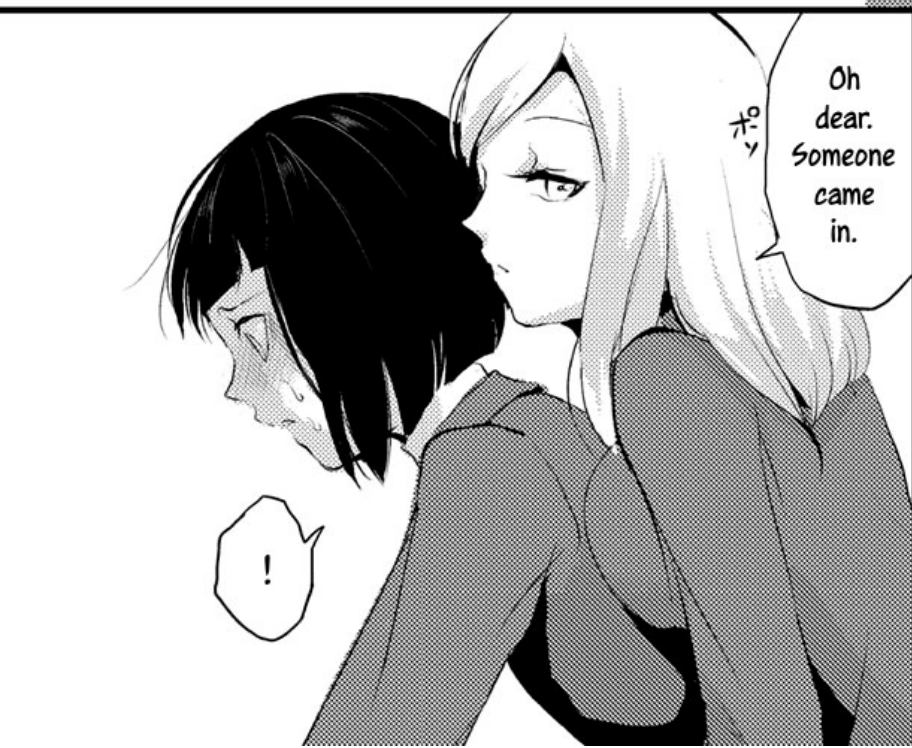

She's started to summon me in the morning and at noon recess too.

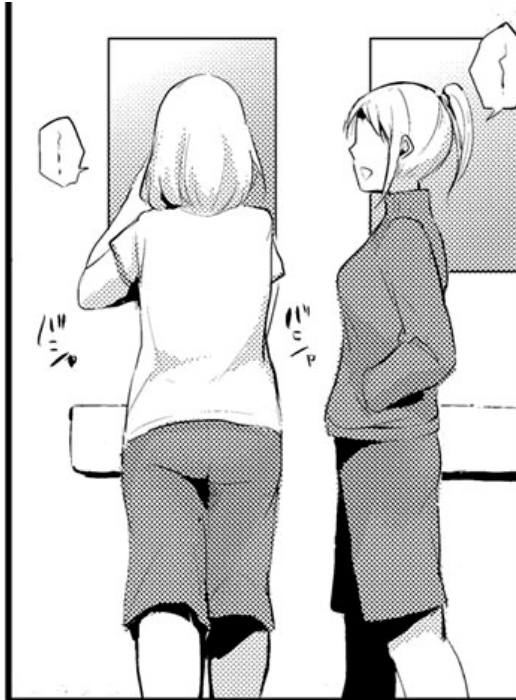

Not many people come here early in the morning.

If someone finds out about this... This...

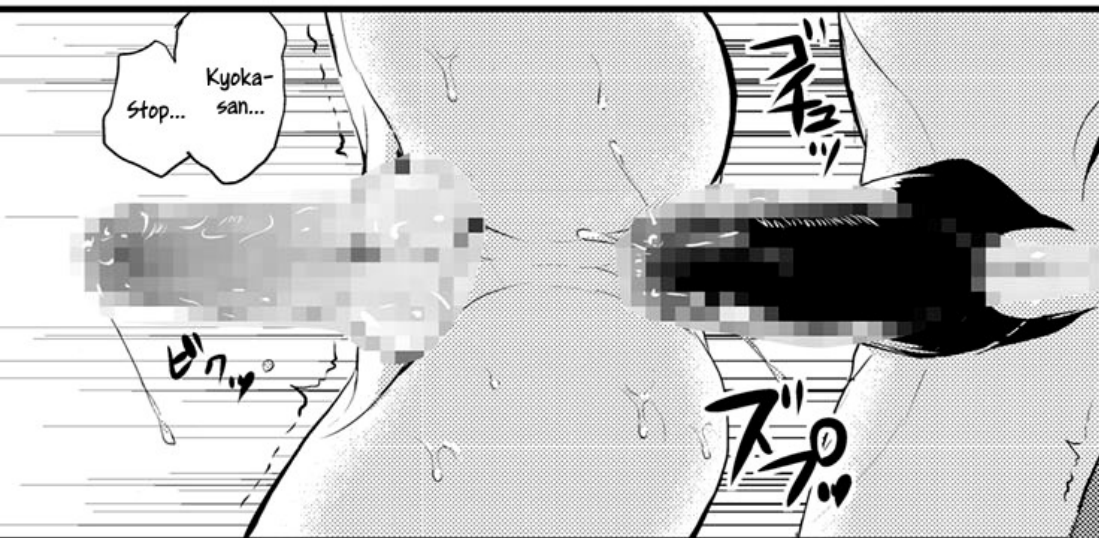

Oh dear. Someone came in.

If I
moan /

Has she done stuff like that with Shirozuka-kun too...?

...

She's done a lot to me too...

After school that day, I didn't go to visit Kyoka.

What could Kyoka-san be thinking?

Come to think of it, in all this time she's never said "I love you" even once...

Maybe she doesn't even care who she does it with.

She did tell me I was cute though.

Kikuma-kun...
