Hello.

I'm Yuki Con from MeltdoWNCOMET.

Thanks for reading until the end.

It's been a long time since I drew my last original work... Now that I think about it I actually just made another one for this May's Comic LO.

But It's surely been awhile since I made a book for the comiket, about 3 years?
At the time, I drew what felt right, this time I went with the sidetail and swimsuit-hoodie.
I hope I can keep drawing what I like from now on.
I hope we meet again, thank you for everything.
