

Well then, I will let out lots of your grandkids in your lewd old womb, OK?

We... Welcome back to your mother's pussy!!!

To fuck mother's pussy, It's like my cock's returning to it's old home right?

NO!!! Please, not inside .....

Here I go!! Get pregnant with my semen, OK? Mom.

NOOO!!! Please don't cum inside!!!

Here you go Mom!!! Give my sperms a warm welcome to their new home, OK?

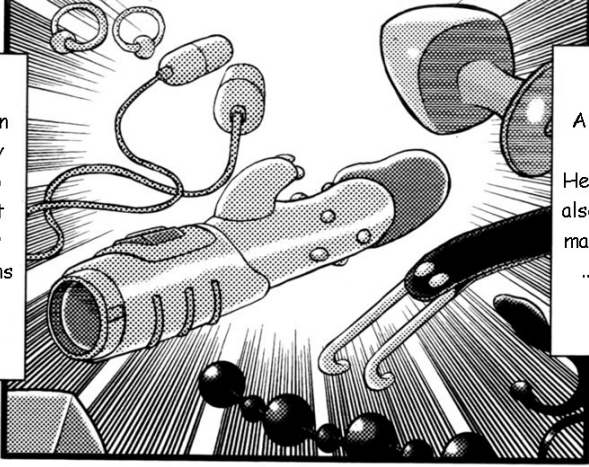

Ahh.. To go back to how this started .....

It's so hot!!!

OOOhhhh!!! I'm gonna be impregnated by my son, on the same day, that I gave birth to him!!

He often used my body to test out his new inventions ....

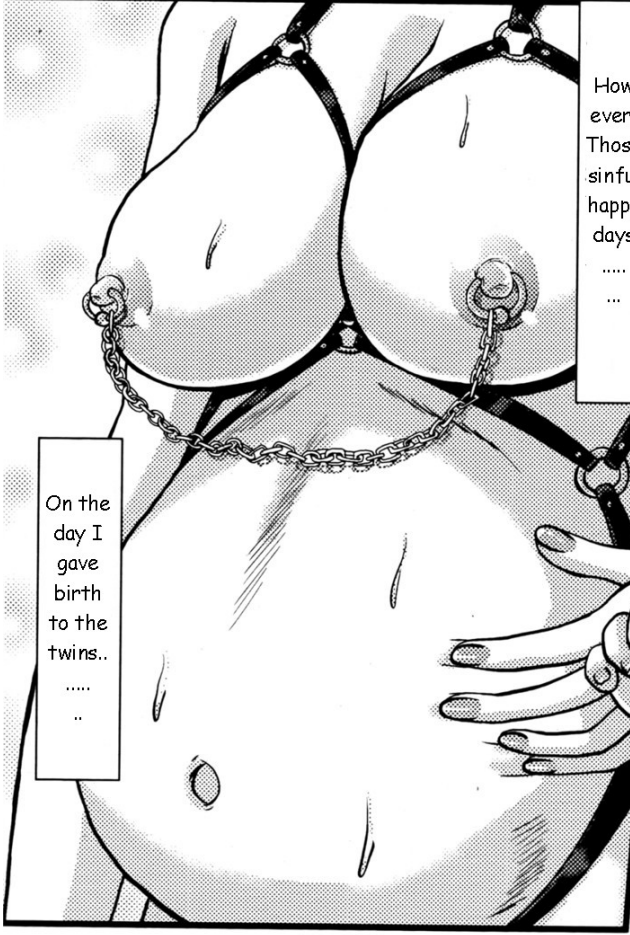

And.. He was also my master .....

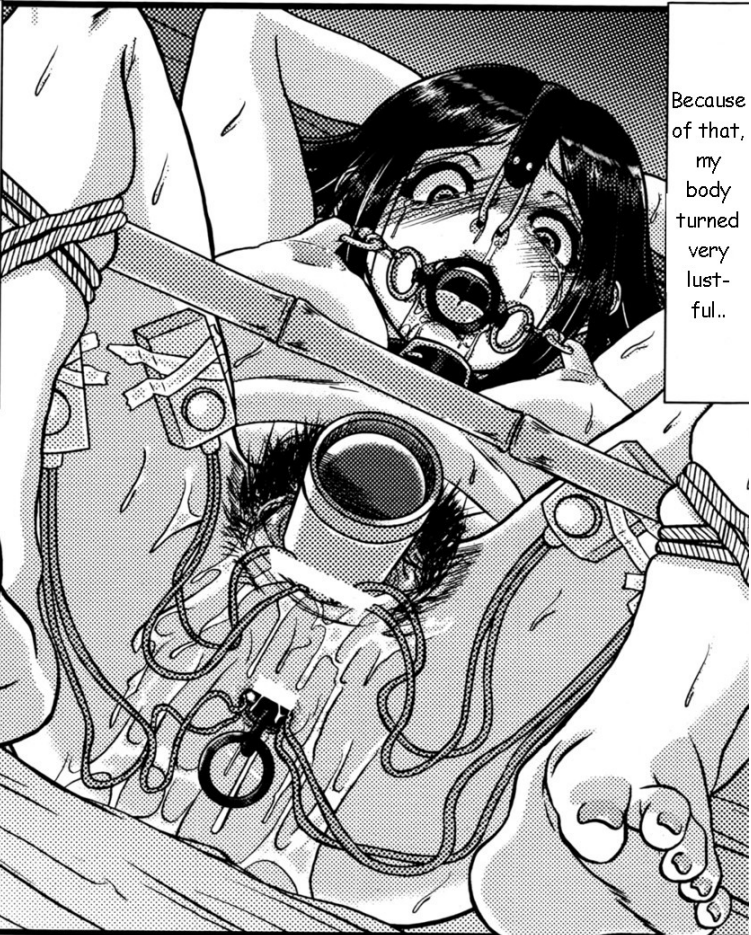

My late husband used to be an inventor. He specialized in vibes and aphrosodiacs..

On the day I gave birth to the twins.. ....

How ever, Those sinful happy days .....

And, not long after, I was pregnart with the twins..

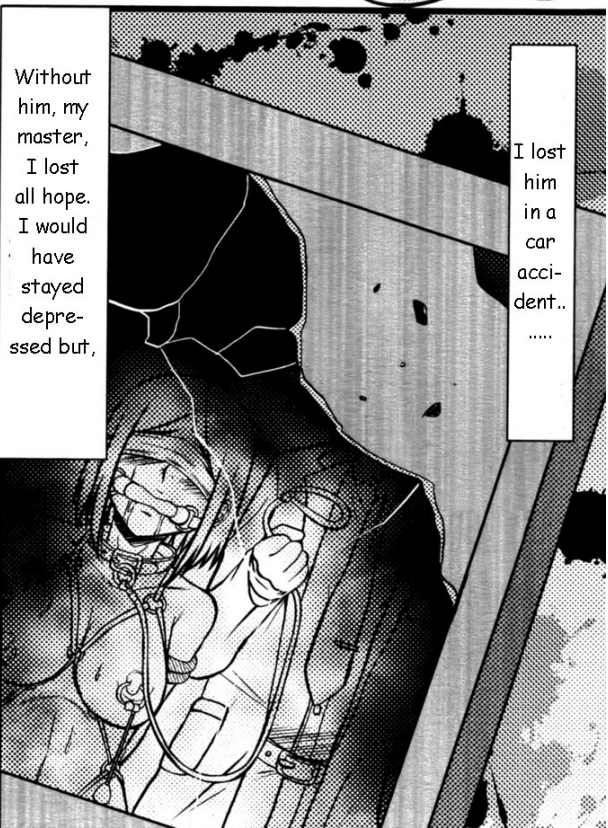

Because of that, my body turned very lustful..

To be the best mother to these 2. To raise them up with all I have..

After looking at my boys, I made up my mind. ....

Without him, my master, I lost all hope. I would have stayed depressed but,

I lost him in a car accident.. .....

That place is starting to heat up..

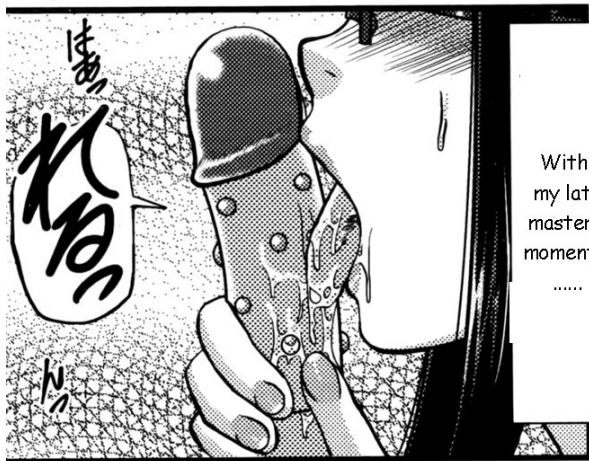

My son's have grown so much .....

Allright, come back soon ok?

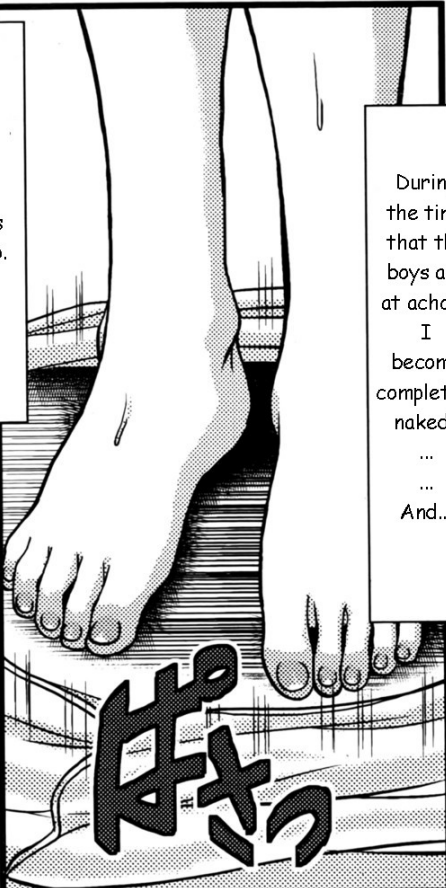

Me too! .....

I'm leaving Morri...

はぁん  
んん

With my late master's momento. ....

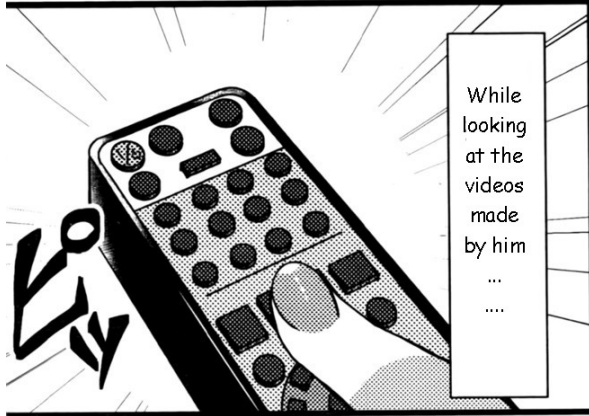

During the time that the boys are at school, I become completely naked..  
...  
...  
And...

It gets a bit lonely when they leave but, .....

Now's my chance!!

While looking at the videos made by him ... ..
