And then, my silly boy-friend.

Manami-chan is the cutest girl in school.

And she's my best friend.

And now that's all she ever talks about.

Recently she started dating her big brother's friend, Toshiki, in secret.

She said she wanted to introduce me to him...

so we both came to his house.

I love Manami-chan.

So I hate her boyfriend for stealing her from me.

Hum...

My Friend's Boyfriend

Presented by **Noise**

Yep, I hate him.

... Thanks.

You must be Manami's friend, Noriko-chan.

You look lovely.

Just as advertised, he was good looking and well-dressed.
A nice guy with a good personality.

Huh!?

I'm gonna go wash my hands.

Actually, what is this guy doing dating a grade schooler? He's just a dirty lolicon.

Go ahead.

Mm!

W-Why do you ask?

Noriko-chan, are you taken?

No!!

Mmm...

Ahm!

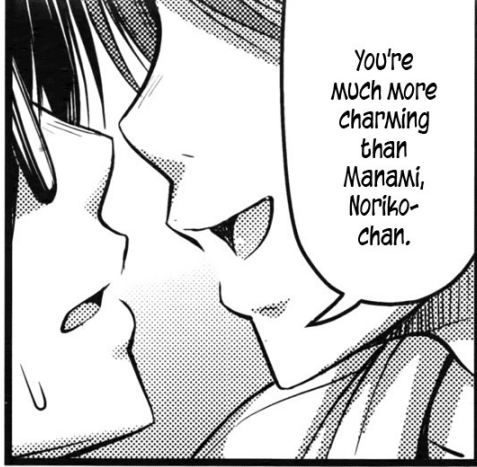

Wanna go out with me?

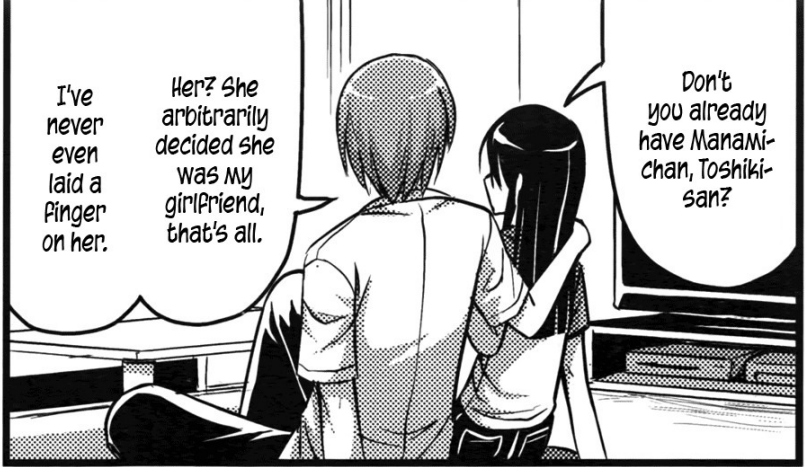

I fell in love with you at first sight.

What are you trying to pull...?

Mmm~!

You're MUCH MORE charming than Manami, Noriko-chan.

I've never even laid a finger on her.

Her? She arbitrarily decided she was my girlfriend, that's all.

Don't you already have Manami-chan, Toshiki-san?

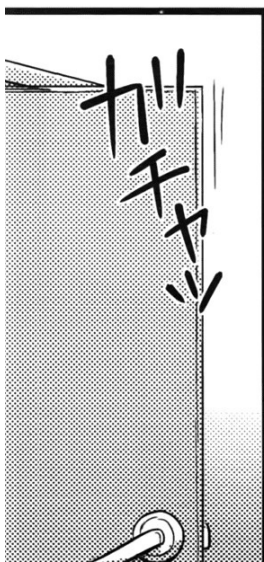

フニフニ

H-Hold on a second..

Don't lean in..

ムニムニ

フニフニ

What's going on..?

ムニムニ

ムニムニ

What..?

フニフニ

ムニムニ

ムニムニ

Aww!

It's a secret.

What were you guys talking about?

.....

Just think about it.

I'm here!

Welcome back.

Which made me hate him even more.

And I hated myself for thinking that and feeling a bit of a sense of superiority.

I felt so sorry for Manami-chan for being tricked by such an awful guy..

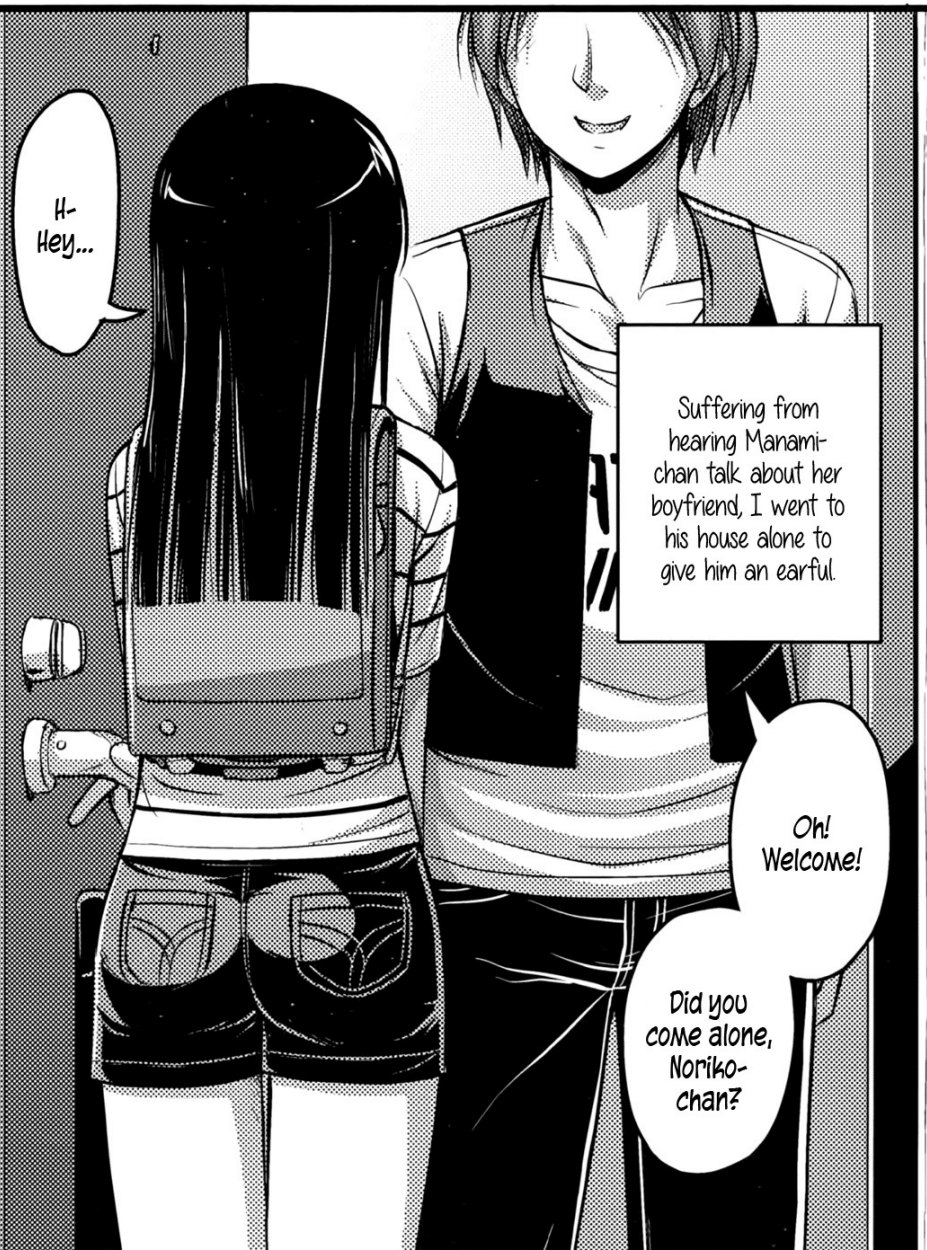

Manami-chan kept telling me random things about her boyfriend.

After that, time passed like nothing ever happened.

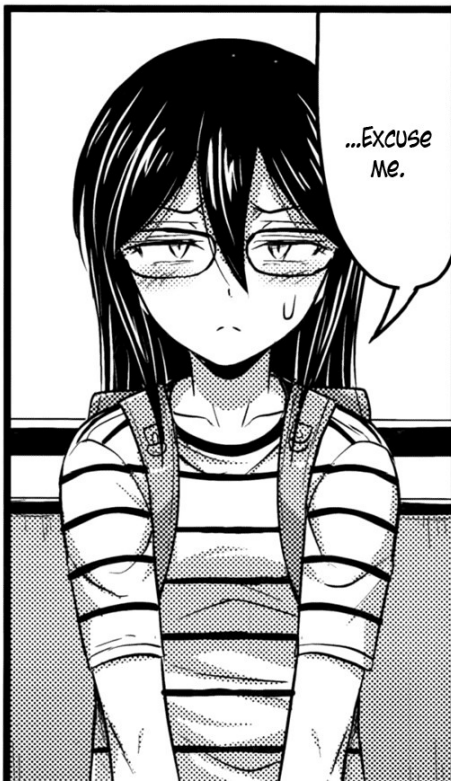

I'm really glad you came.

Come on in.

H- Hey...

Suffering from hearing Manami-chan talk about her boyfriend, I went to his house alone to give him an earful.

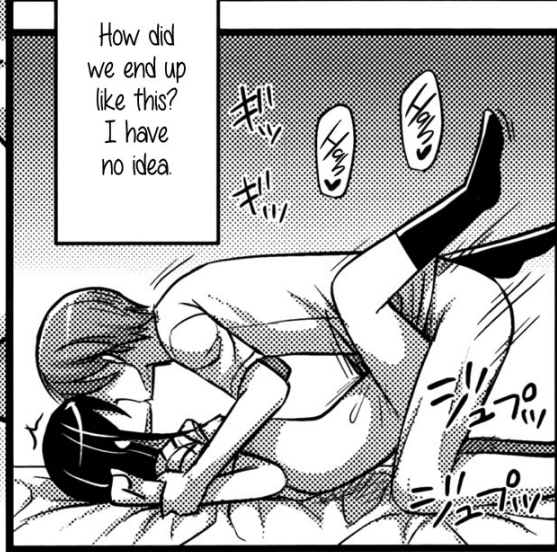

...Excuse me.

Oh! Welcome!

Did you come alone, Noriko-chan?

How did we end up like this? I have no idea.

was stolen by Manami-chan's boyfriend. A guy whose guts I hate.

My precious first time..

Sorry, it felt so good, I came like a hose.

...Sure.

If you like, I'd love it if you came to hang out again.

Noriko-chan, you're so stylish. It's hard to believe you're only in grade school.

You were really good, Noriko-chan.

Hah...

Peck

So don't follow anyone who looks suspicious.

It's been dangerous around the area lately...

I kept seeing Manami-chan's boyfriend for a while.

But he'd always end up pushing me onto the bed and then I'd go home.

How do you like taking it from behind?

It's going in pretty deep.

Every day I'd think to myself "Today I'll definitely tell him to break up with Manami-chan" as I headed to his house.

Manami-chan..

My silly boyfriend..

And then..

None the wiser, Manami-chan kept talking to me about her boyfriend as this went on.

But you didn't know he made me suck his cock right afterwards, did you?

That's really good, Noriko-chan.

You told me you went out yesterday and he treated you to takoyaki..

Your face looks so lewd.

But that's not how Manami-chan sees it...

.....

Besides... Manami-chan is way cuter than me...

HMM... So that's how it is.

Aren't you dating Manami-chan?

...I've been meaning to tell you for a while.

I finally said it.

Let's stop...

...Listen, Toshiki-san.

Huh!?! Why, all of a sudden?

I told you when we first met, didn't I?

What?!

No, we're not dating.

Everything's settled now, yeah?

.....

And that's what's been bothering you all this time, right, Noriko?

But I don't want you to think I'm two-timing you with Manami.

I know you feel sorry for Manami.

But... That's...

Will that make things right?

Then I'll set things straight with Manami.

Alright.

He's right
That settles
everything.

Om...

Manami...

...I'll leave
it to you,
then.

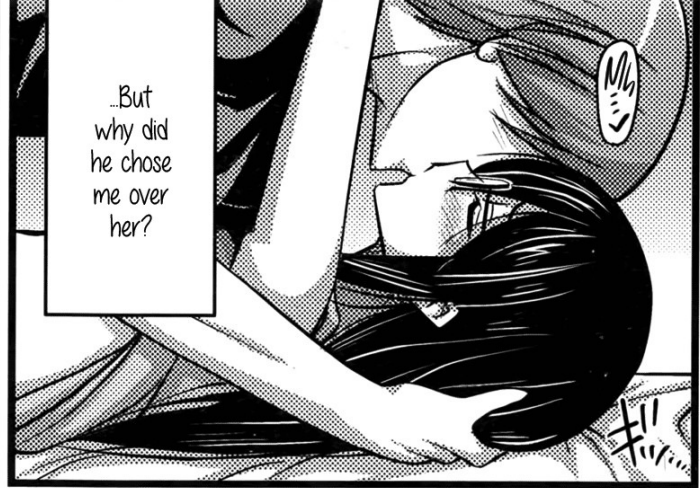

She's much
cuter than
me, after
all.

Knowing
her, I'm sure
she'll be able
to find an
even better
boyfriend in
no time.

Manami-chan
will be released
from her lolicon
boyfriend and
come back to
me.

I'm so ugly compared to Manami-chan.

...But why did he chose me over her?

If you think about it, I rescued Manami-chan from him.

He's a pretty terrible guy.

And where does he get the nerve to do something like this to a grade schooler?

Well... From now on I have you all to myself, so...

You're being very assertive today.

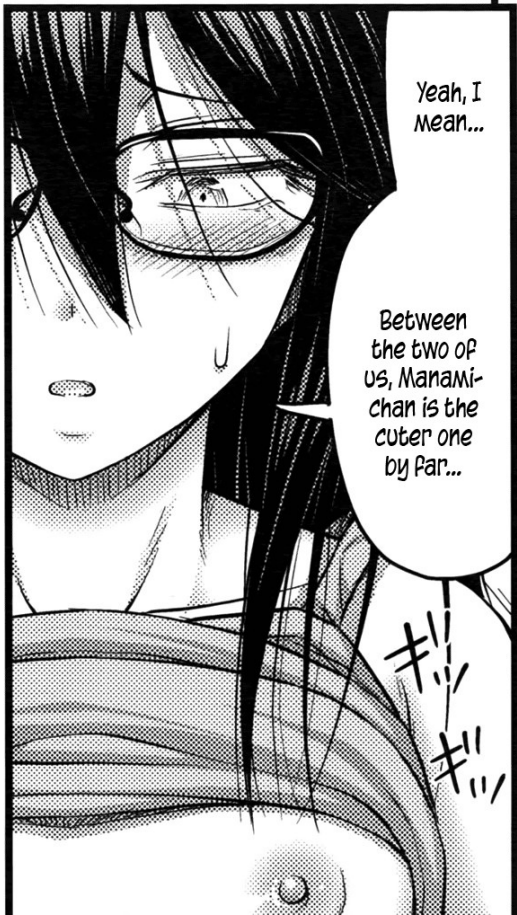

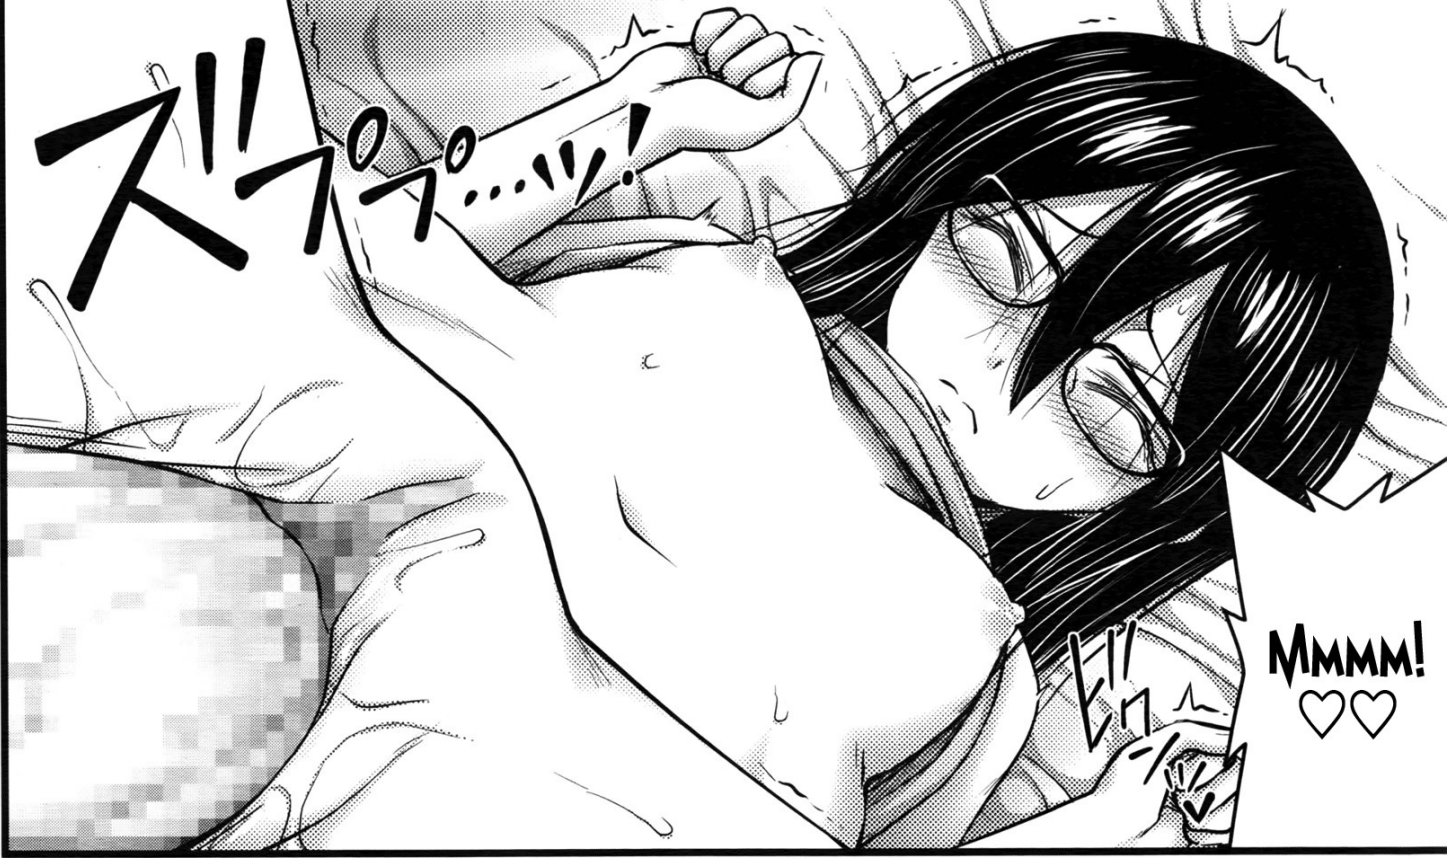

Yeah.

I'm sliding it in, okay?

DUMMY.

Your pussy's a lot wetter than usual too.

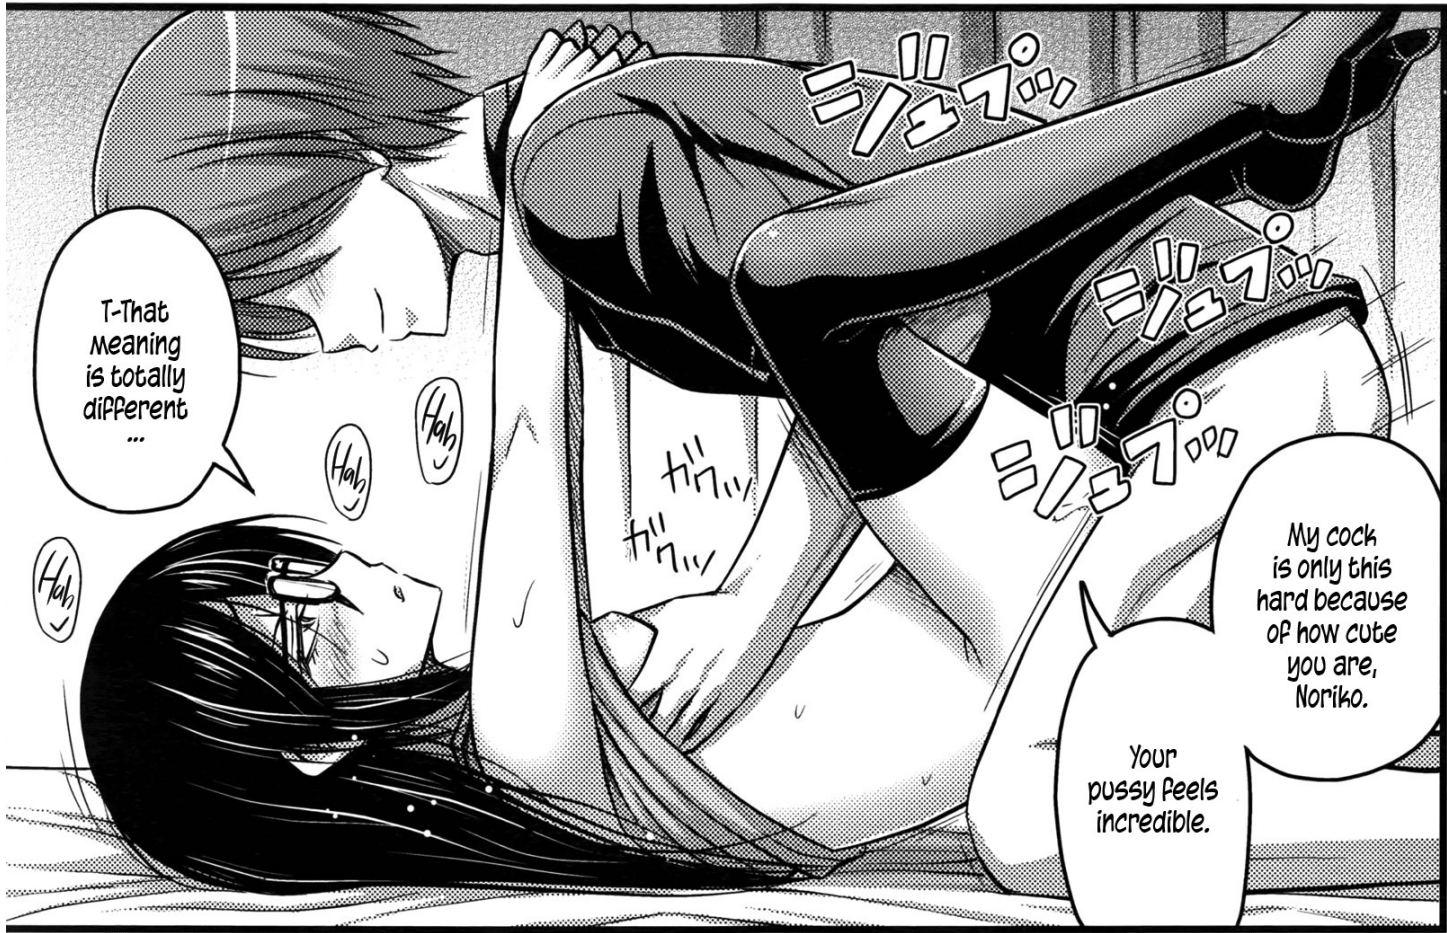

You really don't trust me, huh?

Liar.

I think you're cuter.

T-That meaning is totally different ...

...There's really nothing between you and Manami-chan?

You're the only one for me, Noriko.

You've gotten quite bold.

...Then prove it to me.

Wow...

Huh? Me?

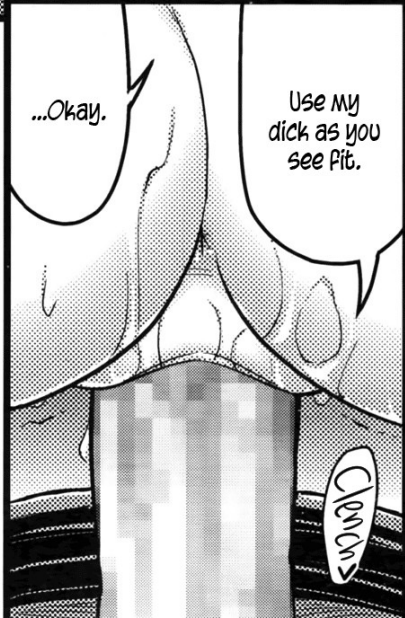

Then move as you like, Noriko.

I dunno...

I don't know if there are many boys out there as wonderful as Toshiki-kun...

You're much cuter than me, so...

Don't be sad, Manami-chan.

Later, Manami-chan told me how she broke up with her boyfriend.

I'm sure you'll find an even more wonderful guy.

Honestly, I was still a little suspicious, but it turns out he really didn't think they were dating.

I'm serious!

You're so sweet, Noriko-chan.

...Thanks.

I know you can do it!

Don't worry!

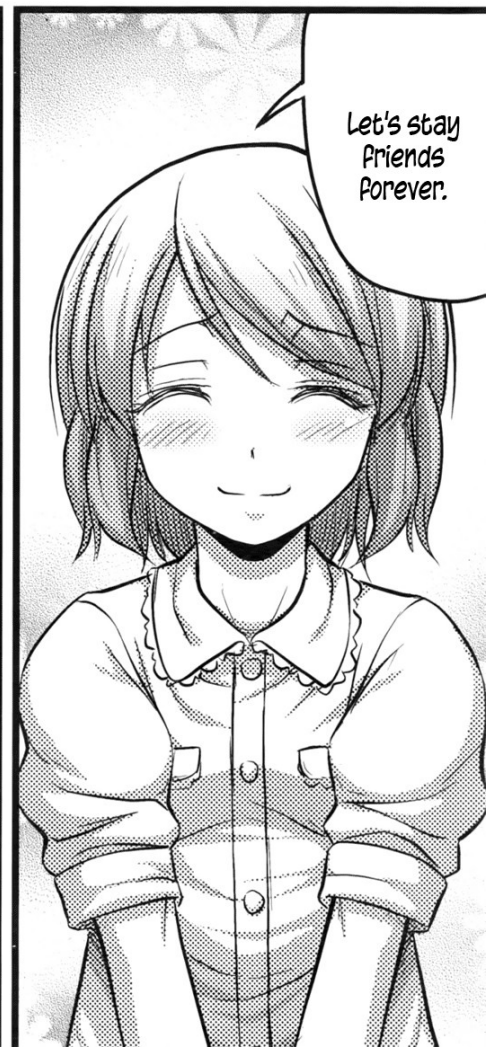

My Manami-chan is back.

You got it!

Welcome back.
