That's so bold, Miku~

Eeh?

And then

I did it yesterday too, on my way back home~

These days

Aah! Oka-zaki!

"FEELS GOOD"? WHAT DOES?

Oka-zaki-sen-sei...

And pay attention to me!

AFTER-NOON HOME-ROOM IS STARTING! TAKE YOUR SEATS!

"Peeing outside" seems to be popular amongst the girls in my class.

It feels too good, and I can't stop doing it!

The last time I used the Bathroom was during the lunch Brake, right...?

...

Does peeing outside really feel GOOD...?

See you later!

I guess I'll do it here...

Pee-ing...

The school-yard is scary, But...

Your face is red, too!

WHAT'S WRONG!? DOES YOUR STOMACH HURT!?

After word:

Hello everyone, how's it going?

I'm always very grateful. Tsuttsu here.

This is my second original book. How was it?

To tell you the truth, I had plans of putting out this and two other volumes before the "Pee Fundraiser", but the order got reversed for various reasons...

However, since they are chronologically in the right order, it's fine, right?

This book was about Okazaki-sensei again (I finally gave him a name...! heh). It was established that

Pee Fundraiser's little girl - Aya-chan is on his class.

In addition, since it's a school filled with girls who love pee, I think I'll draw something about her classmates soon...

Autumn Comitia is the next upcoming event, and I'll hopefully be able to release a book in there...

(distant stare)

Now then, it was short, but this is the end.

Be it in a book or at an event, let's meet again.

-Tsuttsu
