

Onizuka-styled Crashed Life

鬼束的墜落生活

This is sudden, but until the last time, I was so fat that I would fall to my knees after running only 500m.

Hello again. I was going to buy a long sleeved Heattech shirt, but they only had short sleeved ones. Onizuka here.

You might think that I'll just get fatter if I do that, and you would be correct, but as a result of living like that for three months, running has become a habit for me.

Since it was hard to keep going like that, I decided to try something different.

To start of with, in order to make running a habit, I decided I could drink a beer everyday I ran, regardless of the distance.

For the time being, I'll do my best everyday until I can wear my 42cm pants.

I've gotten just a bit thinner than before.

Because I got used to running, my drinking frequency has returned to normal.

I think I'll drive there while listening to something like Infected Mushrooms, The Field, MtSonic and The Kilimanjaro Darkjazz Ensemble as well as songs from Love Live and Cinderella Girls.

Well, but if I finish drawing this thing today, I'll go out drinking alone.

Now then, I hope we meet again somewhere!

MAYBE
WE
SHOULD...
YOU
KNOW...
MOVE
OUR
BODIES...

BUT,
I DON'T
THINK
I'M
HUNGRY
QUITE
YET.

AND
IT'S
LUNCH
TIME
SOON.

OR
SOME-
THING...

HEH

I...
I DIDN'T
MEAN
ANYTHING
OF THAT
SORT...!

...
YUZU
IS SO
LEWD

WELL THEN,
LET'S DO
LEWD THINGS
LIKE "MOVING
OUR BODIES"
WHILE YOU'RE
STILL NEITHER
IN PRIMARY
OR MIDDLE
SCHOOL FOR
ONE MORE
WEEK!

WAAH!

YOU'RE
ALREADY
IN MIDDLE
SCHOOL.

SENSEI
REALLY IS
FINISHED.

SO
THAT'S
HOW YOU
INTERPRET,
A PRIMARY
SCHOOL
GIRL
SAYING
"MOVE
OUR
BODIES"?

THAT'S
TRUE, I
GUESS...

AND
EVEN
THEN,
IT'S
STILL
THE
SAME!

THAT'S
NOT
THE
POINT!
