Thus, my life has been quite busy. To make more income, we moved to Tokyo for work 3 months ago.

When I graduated from high school, I accidentally got my girlfriend pregnant. So I married her as my responsibility.

Ah! Today is very tiring!

ザラザラ

Oh my, thanks.

Drink it and relax.

Huh? What?

I saw you working very hard with a nice attitude. So let us treat you to some drinks.

Hey, this is your reward.

Here, another one.

Tomorrow you will see your wife and son after a long time, right?

Great!

Wow, that's good. But I'm a very lightweight drinker, so I get drunk easily ..

Oh! I just bought an artificial wife from eBay. Do you want to try it? AS a man.. lol..

Wanna go back and give some hugs..

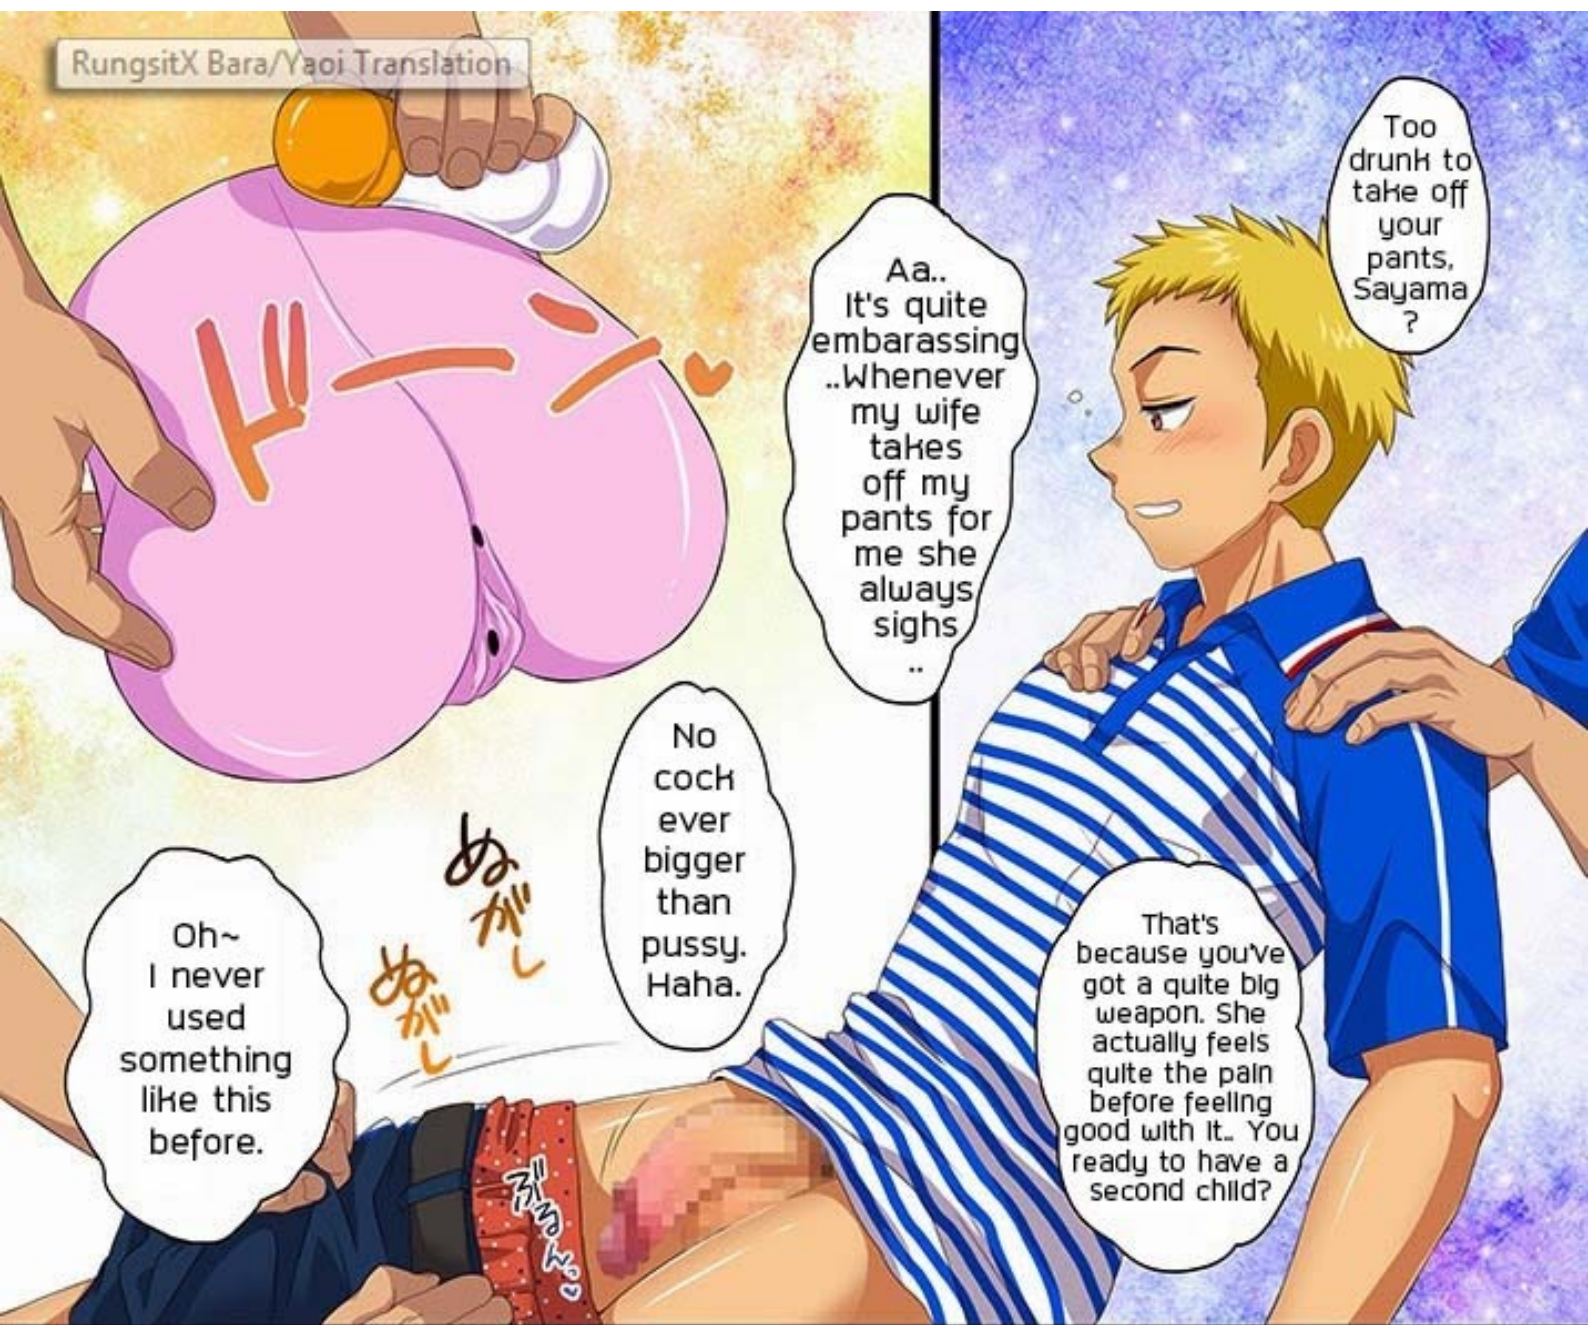

I haven't seen my wife for 3 months. I quite missed her.. ah~

Yeah, drink it all in one shot..

Here I go.

Too drunk to take off your pants, Sayama?

Aa.. It's quite embarrassing..Whenever my wife takes off my pants for me she always sighs ..

No cock ever bigger than pussy. Haha.

That's because you've got a quite big weapon. She actually feels quite the pain before feeling good with it.. You ready to have a second child?

Oh~ I never used something like this before.

めかしめかし

I'll cover it with some lubricant. The rest is up to you.

Ah~ feels very good.

I helped you to get erected, now just relax and fuck it.

Let me test.. Ahh~

The texture and the suction inside make me feel better than fucking a real girl.

Oh.. His hips move very fast.

Oh~ Quite cold inside but it feels very good.

Hah

Hah

It feels very good. I can't bear it any more!

Feel free to cum whenever you like. Just clean it after you're totally finished.

I'm coming.. coming.. Ahhh !!!

But if only it was a real person, it would be... sigh!

My second wife gives me impressive sensations.

Pant Pant Pant

Ah!? Wha ??

Why would you insert your finger there !?

Then we will be your temporary partners for tonight. Don't worry, we have many good lessons to teach you.

Don't joke about something like this--

Can't you see? We'll rape you until you become our wife.. you know?

Aa.. What are you gonna do with me!?

To ease your lesson about how good husbands should be.

Uh !!

How the...it feels quite weird!

Ah !!

Aa! Don't push it in..!!

Relax.. Don't be tense and you'll love it.

Yeah, of course. It's a new experience for you, like unwrapping the fresh meat.

Good shape with a smooth bum and a pink hole. Also the tightness of virgin youth.

Your wife will never know how great her husband's ass is and a nice place to put some dicks in.

Sayama, I'll cum inside and get you pregnant!

はあー♡

はあー♡

How the hell? I'm a man anyway.. having some dicks up my ass doesn't make me lose my manliness, ..right?

But it feels warm.. and quite good indeed when a load of semen from someone's dick fills inside your ass, huh?

Do you love your wife?

?.. of course I do.

I'm also.. cumming.

Seeing creampie oozing out from your asshole like this is really amazing.

Ah.. why do you have to do this? And what's next..?

This will make you really understand your wife's feelings after getting fucked by you! ..See? You're still hard, which means..

Ah.. Aa?

RungsitX Bara/Yaoi Translation

Here, today we demonstrate to you the real experience!

I feel extremely good.. just know that! Normally my wife only moans out loud.

When your wife gets fucked she feels like that and moans like how you've just done!

You've just learnt the after-fuck feeling after being fucked, right? I'll instruct you to another lesson. Your dick shows that you're ready..

Just know ..the sensation of oral sex. The warm and slicky tongue sliding around my tip.

Real experience ..?

Aah.. Senior ..

RungsitX Bara/Yaoi Translation

Never.. She'd say it's somehow dirty.

His tongue felching and smearing the creampie inside my ass makes me feel euphoric.

Ngh! Feels very good..

Your wife's never given you a blowjob ?

This is my first time seeing another's penis this close.. and also tasting it while it's fully erect.

Lick it gently, suck it like a baby and swallow it, deep-throat it.

Things like these can be taught. After becoming our wife today, you can go back home and teach your wife.

Mm.. Ugh!

Ah?

Yeah, Sayama, ..open your mouth wider like that.

Good boy.

Your sperm is thick and smells good, same as the last one. Man, will I get pregnant by this.. Haha!

Senior's oral sex technique is very proficient.. makes me shoot another shot of cum and he consumes every drop of it...

Uh.. It feels too damn nice.. please, stop ..

Ohhh.. it feels really good.. actually the best..

Oh, you like the toy I just bought ?

I just encountered the experience of hardcore sex roused by tongues and lips like this.

Your tongue's kissing and clenching mine brilliantly.

Uh.. It feels really good when you suck and urge my ear..

I'm very drunk and feeling only some dicks moving in and out of my ass and mouth, leaving huge loads inside my mouth and asshole.

That night, my seniors fucked me again and again.. many times.. every way..

It's the first time in my life having such a superb experience. All of this can be done by men only? I almost forgot about each and every sexual experience I've had.

My dick feels really great.. I will cum again!

When you have sex with your wife, do you feel good and moan loudly like this?

No, I just can't ever feel something good like this. It can't be stifled so I moan...

Ahh! I can't hold it! Let me cummm !!

Me too, ah!!

So you forgetting your wife tonight? You're moaning quite loud with us becoming your husbands.

RungsitX Bara/Yaoi Translation

Better call "drunk and asleep".. However, let's clean his body and wipe the creampie from his ass!! We've got to send him home.

Wow.. First time I've seen a guy who enjoys sex and cums out every drop until he loses consciousness!

Yuuta!  
It's quite late now!  
Wake up  
or we'll  
eat all the  
breakfast!

Papa,  
come  
down  
quickly!

Ah...

Yeah..  
It's good  
that your  
seniors  
change your  
clothes and  
drove you  
home last  
night..  
You're lucky  
to have good  
co-workers.  
Don't forget  
to thank  
them  
today.

Huh?  
I'm  
hung-

If you  
know  
you easily  
get drunk,  
don't drink  
too much  
then!

I just  
remember  
only  
some  
cans of  
beer..

Oh..  
Did I  
drink  
that  
much?

Last night  
your friends

you got drunk

Seriously,  
what  
did I  
actually  
do last  
night  
after I  
got out  
of  
control..?

I can't  
recall it..
