

ハレノチアメ presents
「Country girl」

What's with your tone? You're so mean~

What the hell... It was just you, Asuka.

I just wanted to have something other than a pencil in my hand for a change, that's all.

So, what are you doing here? There's no practice today.

Wait, didn't you already retire from the club, Senpai?

Oh, that's why...

Senpai, would you happen to have an umbrella with you?

Senpai~! Whatcha doing?

かわいさ、まるだし。

Yes, yes,
you're
cute,
you sure
are.

Hear me,
gods...
Don't let
Senpai
pass his
entrance
exam!

Don't
even joke
about
that...

I mean,
I'm pretty
cute,
don't you
think?

If-
If push
comes to
shove,
I'll just get
married and
enjoy the
easy life of
a house-
wife!

All
alone? You're
exaggerating
things.

You
have a
ton of
friends,
don't you.

Well,
sure,
I have
friends,
but...

If you
leave,
I'll be all
alone
next
year.

But...

I...
I guess.
I think
I'm fine
now.

I can go
further,
right?

No-
Senpai!

This is
too much
after
all!

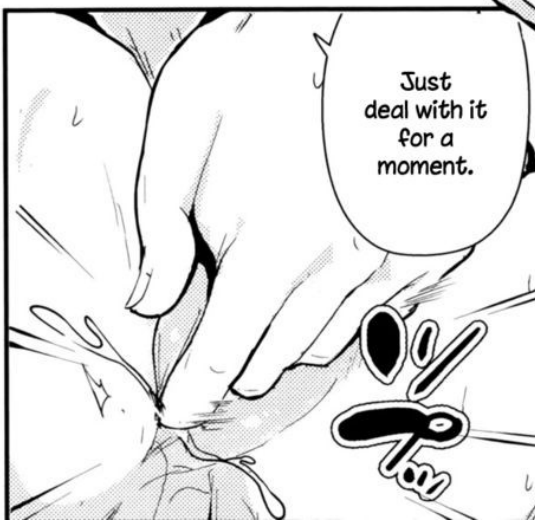

But
you just
said you
were
fine.

Ah-

Wait,
time
out!

Ah-!

Just
deal
with it
for a
moment.

Yeah,
but I don't
want to
have every-
thing in full
view like
this...

Senpai...
Does
that
mean...

So I
thought
you were
wordlessly
telling me
not to get
the wrong
idea.

You
acted
the same
way
towards
every-
one...

I always
thought
you didn't
see me
as a guy,
Asuka.

What?
There's no way
I could get you
out of my head
after that.

Hey...
Senpai...

Could
we go
all the
way?

Ehehe...

Hearing
that made
me even
happier~

Aaaa-

You should mind...

I wouldn't mind having your baby, though~

You're not even considering the fact that you might get pregnant, are you?

for as long
as you're
still here,
right..?

Senpai...

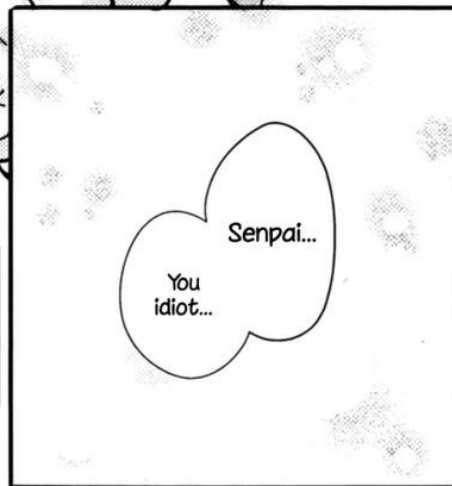

So,
please...

Stay
in love
with me
for a
little
longer.

Man...
You really
