

I'm back.

Onii-chan!

Welcome back, Akari.

!

You told me you weren't going to come this month!

I even cried multiple times you know?

That's why I came back.

There there. You did well.

ナニナニ

Onii-chan, I missed you so much...
♡

Yeah.
♡

甘ブラ!
甘えん坊ブラコン♡

Yaaay!

Sure.

Hey, can we go on a date tomorrow?

Isn't it fine for siblings to get along?

Why won't you say anything, dear!?

His cross-dressing is already a headache.

Goodness... I thought Akari's brother complex would get better after Shun went to college, but it seems to be getting worse.

I still haven't had my, Onii-chan dose for this month!

We can only meet once a month! We're going on a date!

Akari, at least let your brother rest when he's home.

That's right! Onii-chan and I are the closest siblings in the world!

You're a good kid, Akari.

Don't hit the table.

Nooo! Don't wanna!

Akari, eat your green peppers too!

That's right! And I'm cute so wearing girl clothes suits me just fine!

Akari being spoiled like this is probably your fault.

Nooo! Don't wanna!

Don't talk while you're eating.

Jeez...

He's still a kid, let him have fun.

Siblings
huh...

Our
relationship
is already
past that
point
though.

Yeah.

My
Onii-chan

one month...

It feels
good...

Mm!

It's cute.

I bought it because I wanted you to see it, Onii-chan. ♡

Is it lewd?

That's quite a get-up though.

During those times?

And what did you do...

Pervent. ♡

You know...

Onii-chan ♡

Sometimes I went into your room and laid down...

And because it had your smell I started masturbating while thinking about you.

And you did it in my room while thinking about me.

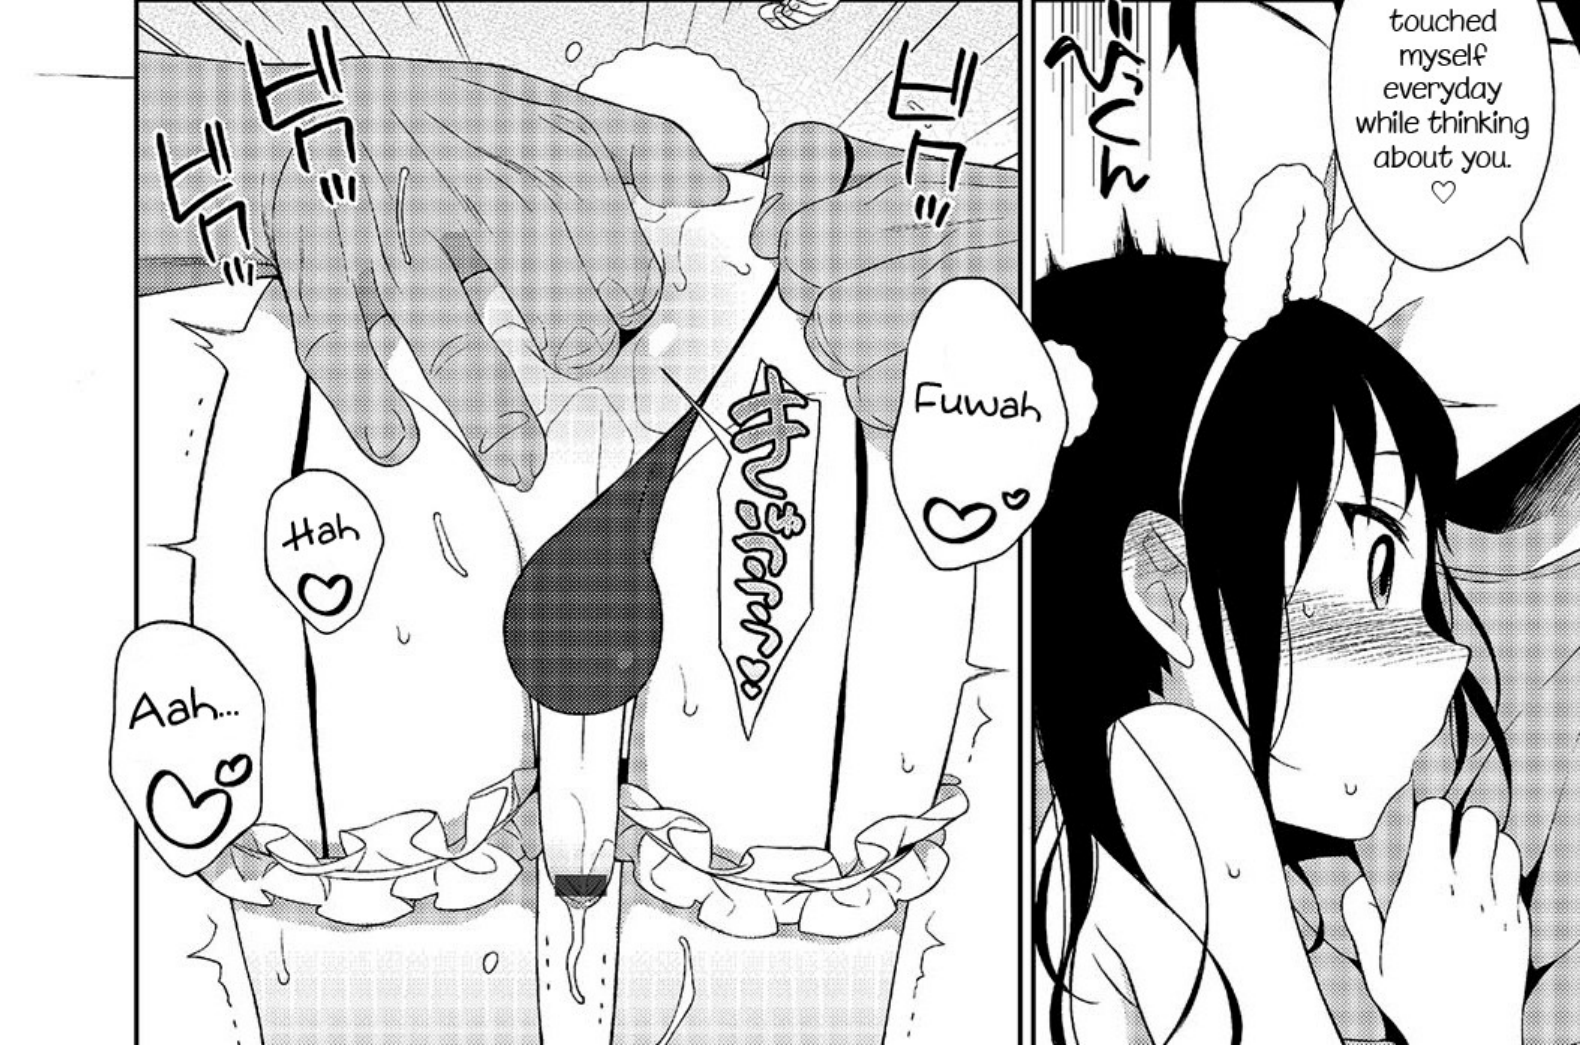

I see.
So you touched yourself everyday.

Onii-chan...

Your fingers
