Heart and Feather translations

TL Note

The "Break a neck, dullahan" is actually incorrect. It was named "ロクロックンロール"(rokurokkunrooru), a pun with "rokurokubi", which's the japanese Dullahan, and "rock and roll". There wasn't a way to translate correctly and keep the pun while still making sense, so I just translated in a way that kept the joke.
The subtitle "Fap kids" under it is also a pun of sorts, it's "テコキッズ", it combines "テコキ"(tekoki, masturbation" and "キッズ"(kizzu, kids). It was more of a word blend than a pun, so I just kept it with the original meaning.
