HOLD ON, LEMME SORT MY ITEMS FIRST.

In this vacant field located in the school zone...

NAGAOKA, WHICH QUEST NEXT?

I'm Nagaoka Kiyokazu, 8th grader in middle school.

That's how I usually spend my time after school.

HEY... SHE'S HERE.

But there's another reason why we come here.

I WANNA JUMP ON HER...

LOOK AT THOSE SWELLING BREASTS ...

Readers of old loli manga might get surprised by this debut.
