Me?!

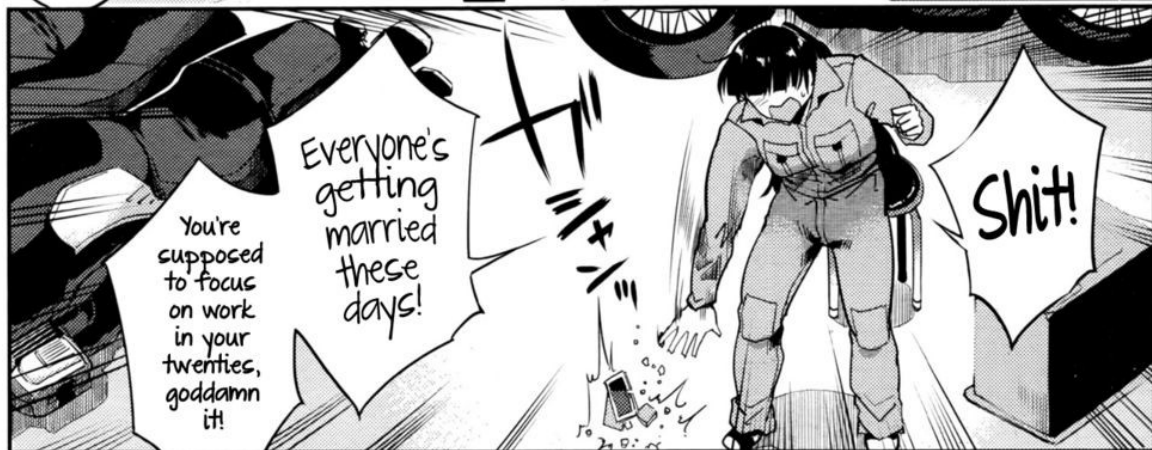

The wedding ceremony?  
Yeah, I'll come if I have time!

You see, I'm veeery busy with my job...  
I don't have time to fool around with men.

Congrats~

Eh- You got married?!

Aahh, Asami!  
We haven't seen since the last day of high school, huh?  
You still working in that cake shop?

Everyone's getting married these days!

You're supposed to focus on work in your twenties, goddamn it!

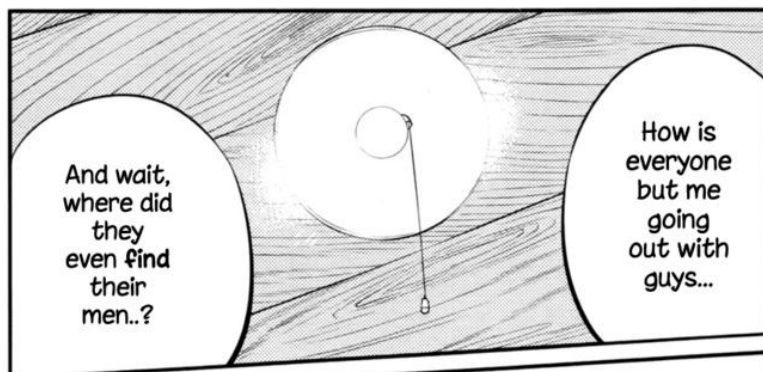

Shit!

Aye, aye.

Be sure to make lots of kids, you hear~

Later~

And wait, where did they even find their men..?

How is everyone but me going out with guys...

Having a job isn't really a good excuse for not having a boyfriend, is it...

I'd at least like to have sex...  
I mean, being a virgin at age 25..?

HAA!

Oh crap... My phone...

Though instead of an Aston Martini, I'm riding a Nissan!

I tried going for the 007 look~! What do you think? Pretty snappy, right?

Among the people I know, you're the oldest one still single!

Everyone just starts pumping out children when they're in their twenties, you know~

Wha...

She's the same age as you, by the way!

Anyway, I'm off to a friend's daughter's wedding.

What are you muttering about here by yourself~?

Dad?! What's with that getup..?

Suzuki... Wow, it's been a while!

Screw you!

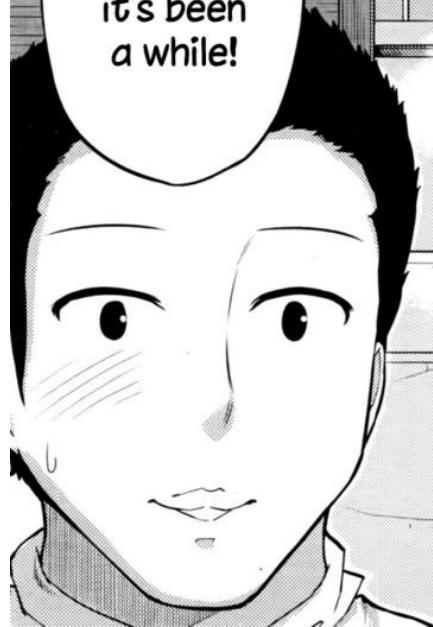

But well, staying a bachelorette is merely one of the big choices you make in life! Bye bye~

Excuse me... I'd like to request maintenance on my car...

Honma-kun..?

From high school...

Aye~! Wait...

Right. So I got to drive a really long distance for the first time in a while. About 400km.

You've been in Tokyo ever since graduation, right?

Oh, yeah, Tokyo seems like the kinda place where you don't drive cars much.

ガキガキガキ

ガキガキガキ

What a shame, though. You've got a nice EK9 here and all.

Man, you're the only one, Suzuki! You're the only one who understands how good the EK9 is...

I'm starting to wonder if you don't understand it yourself, Honma-kun. This is in terrible shape!

Hey, I do that myself. I don't need no inspectors!

You haven't done a thing!

So Suzuki, what kind of car do you have?

A DC2, what about it..?

I see, you're a Honda fan, too.

A FINAL CHANCE GOD HAS GIVEN ME..?!

HAH..! COULD THIS BE...

What, got a problem with that? The FF layout is the best isn't it?

THE MEETING I THOUGHT WAS IMPOSSIBLE EARLIER TURNED OUT TO HAPPEN HERE...

HUH? WHAT'S THIS? AREN'T WE HITTING IT OFF PRETTY WELL?

I assume it's because you have to start and stop your engine a lot in Tokyo, but your engine oil is black as goddamn tar! When did you last change it?! Do it properly! That's why your car's having problems! And your car inspection record is nearly empty! What's up with that?!

THE FACT THAT HONMA-KUN CAME RIGHT AS DAD LEFT MUST ALSO BE FATE...

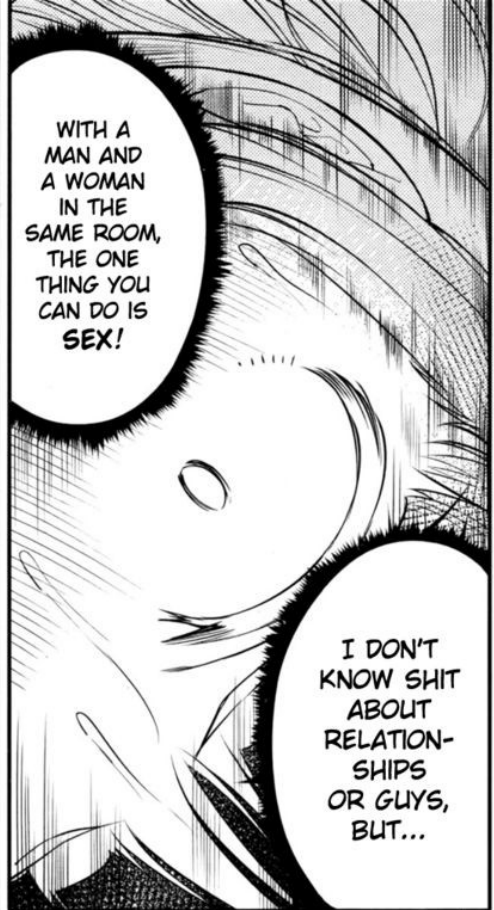

THE HEAVENS ARE TELLING ME TO LOSE MY VIRGINITY RIGHT HERE AND NOW!

What is she doing?

IS OUT OF QUESTION!

TO DIE WITHOUT EVER USING THE GENITALIA GOD GIFTED ONLY TO US WOMEN...

WITH A MAN AND A WOMAN IN THE SAME ROOM, THE ONE THING YOU CAN DO IS SEX!

I DON'T KNOW SHIT ABOUT RELATIONSHIPS OR GUYS, BUT...

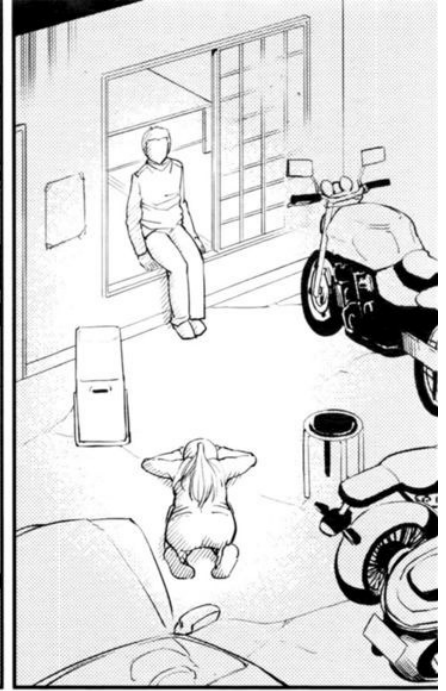

Ple...

**PLEASE TEACH ME**

**HOW TO HAVE SEX!!!**

Se...

Seri-ously?

I'm not exactly experienced myself, but... sure?

Ah... Ahya-hyahya..!

Well then, excuse me...

...I'm not gonna sue you.

...You're not going to sue me for this later, right?

Okay! I'm unzipping your pants! I'm doing it! I'm seriously doing it! No joke! For real!

Are you for real..?!

Whoa, it's warm...

I've seen girls take these in their mouths in porn, but... man...

Holy...

So what...

You really are a virgin, huh.

Thinking about your partner is all foreplay's about... There are no rules in sex.

Should I do it too?

Yeah... You're good, Suzuki...

So, does this feel good?

It's twitching.

IT'S BITTER AND HOT... SO THIS IS WHAT DICKS TASTE LIKE.

And your underwear is... how do I say it... really "you".

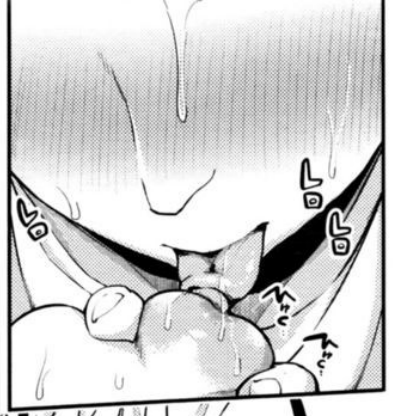

You... Sto... Not my... nipples!!

So this is what another person touching it feels like...

It tickles a bit... and it feels kinda good...

Really? Then... how about this?

HYA

Hold on, Honma-kun... If you do that again now, I...

Let's get these off.

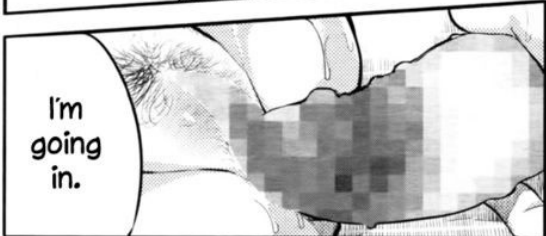

Ah... What now..?

What?!  
Even though  
I basically  
forced you  
to do this?!

I don't  
know if  
you can  
even call  
that  
forcing...

I'm  
going  
in.

I didn't  
see this coming,  
so I don't have  
a rubber on me...  
so if that  
happens,  
I'll take  
responsi-  
bility.

Yeah,  
I guess  
that's  
enough.

No way...  
I can't

Yeah, sorry, Dad!

I'll use my few years' salary now, if you don't mind!

Yeah, since we're going all the way to Tokyo today, I'm all fired up!

Oh, you gave the EK a wash?

The face of a man who can't let go of his daughter

So you're making me run the shop alone again today?

I'll go enjoy my youth, though a bit late!

Pardon me I'll come properly introduce myself to you on a later date...

On my knees!

Keep it simple, idiot!

Get your hands off me!

Who gave you the permission to call me "father"?!

Now, if you ever need a hand here, I'd be more than glad to...

I'm terribly sorry about this, father. I'll be borrowing Arumi-san once again.
