

Blue Fragrance

Following the last two stories, I planned to publish this début, in G Men, which seems to be a comedy, yet actually took place in reality. It is about the relationship between a and a disciple, while the latter has strong feeling for the former, although they behave in a contrary way... This story was blamed to be lack of passion and the limitation of page number, well anyway a happy ending was created for sweet lovers. Well, now I seldom do such an arrangement.

The rough edition department gave me a FAX and a 5 minutes call said "What a gal's manga!" which I am not very sure if it was a praise. Anyway, I've forgotten the way I felt at that moment.

Shyunsuke,
that's all
for today!

Now
is
eleven
o'clock
at
night

Bye

Only master
Shinji and
I are still
left in the
training place

Okay, use a
little bit
more force

And , master
Shinji sweats his back
wet after everyday's
class

I feel so very
overwhelmed
to serve his
back

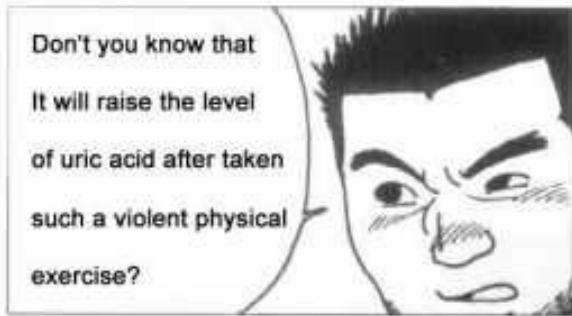

You have to take
take more practice

Got it!

Yeah, right
there!

I feel so very
pleased to
face it every
day

Don't you know that
It will raise the level
of uric acid after taken
such a violent physical
exercise?

Shyunsuke

Excuse me
I am leaving

It makes
no sense

Would you
stay for a little
while to take a
glass with me?

Please

You've done
great work!

I can do
the same

C'mon master, I
can drink however
much I want!

But how
can I
expect
more?

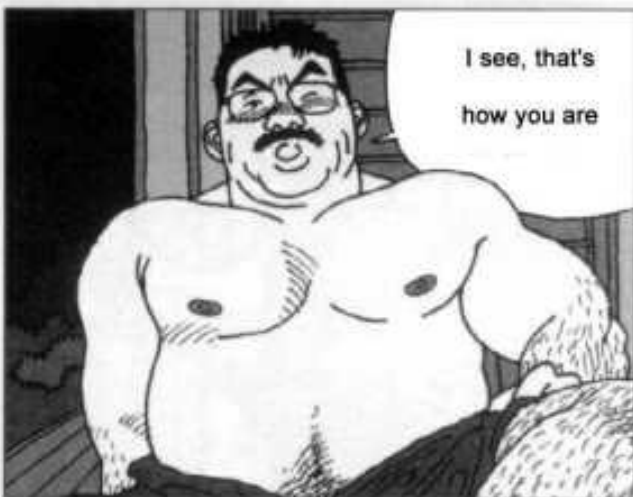

How I
want to
have a
taste
of you

Yummy!
!!

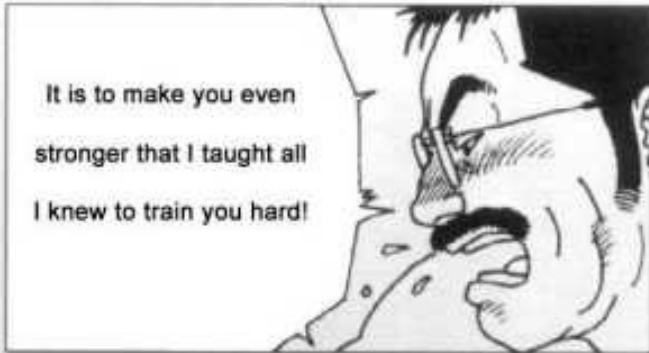

Sure

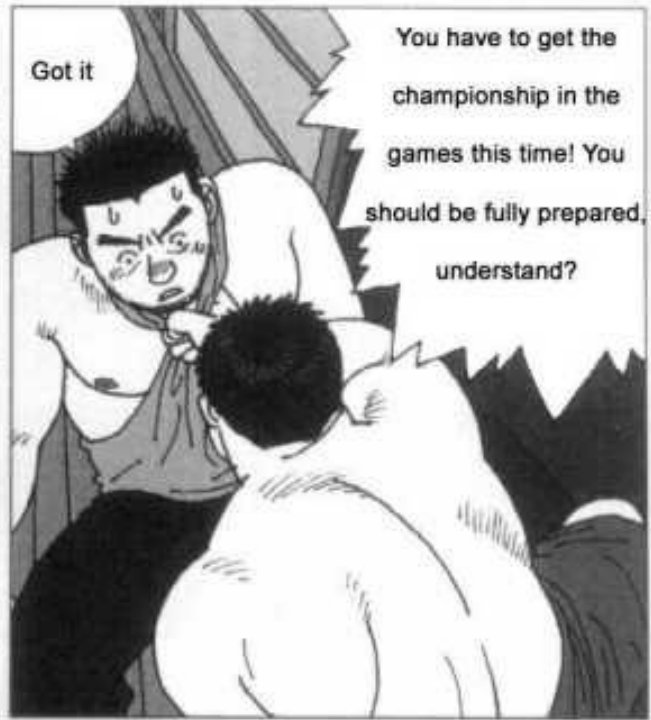

My love
for dear
you ---

It is to make you even stronger that I taught all I knew to train you hard!

Got it

You have to get the championship in the games this time! You should be fully prepared, understand?

Thank you very much!

Not satisfied at all!

But I am not satisfied!

Never leave what you are doing in the middle way!

You are so naïve!

Master, it was my fault
.....

More training! But I am a human too! Isn't it too easy for you to talk like that?

Then you have to concentrate more in the training, okay?

Uhm? Shyunsuke

I will
certainly
win it!

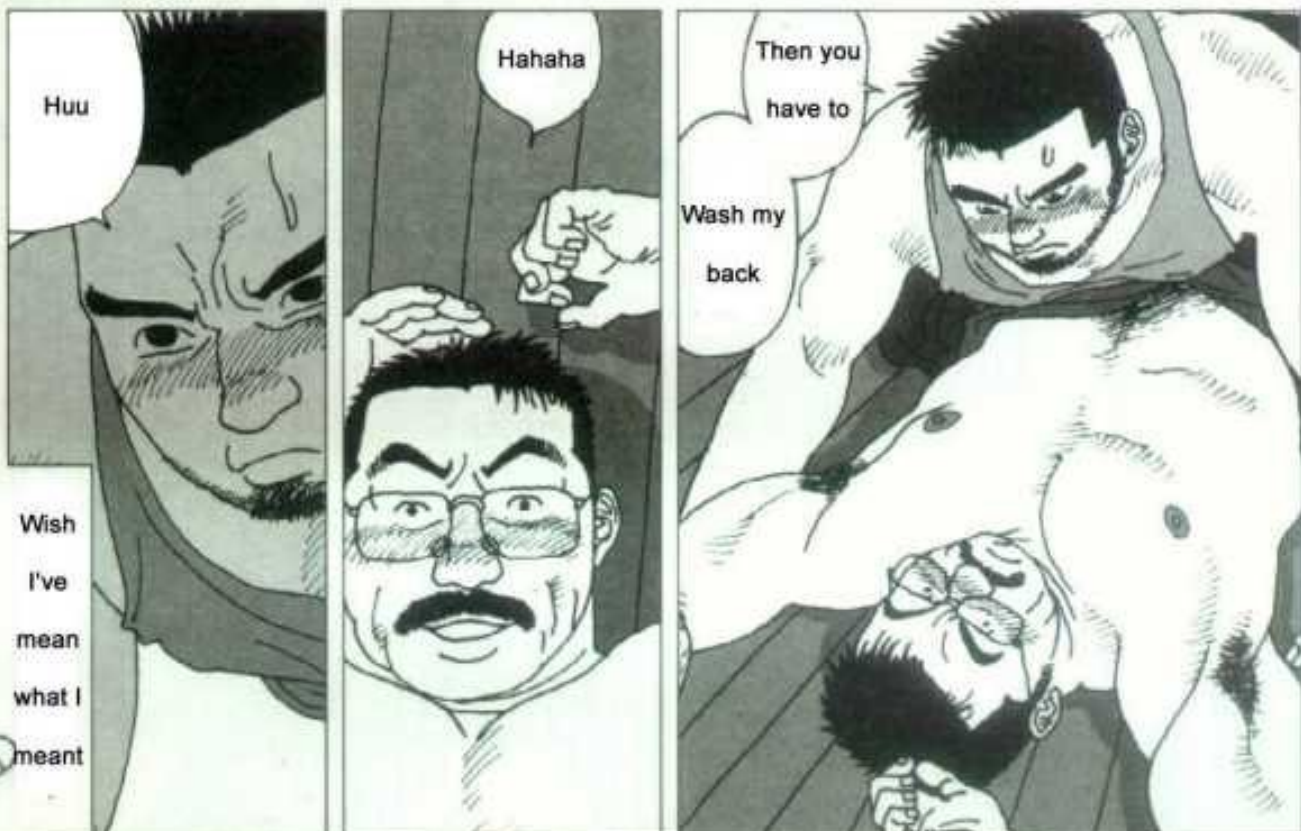

If you let down your
guards, then you'd lose

Damn...
I'd get
drunk...

I am to win!
To win!

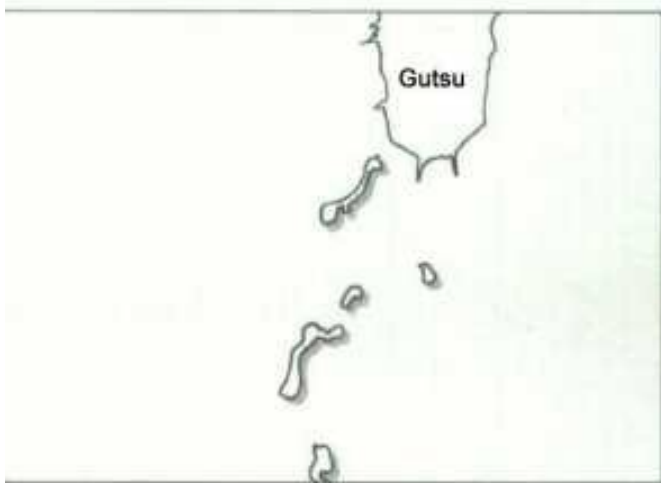

Ha

Uhm

Moo
Uhm

Gutsu

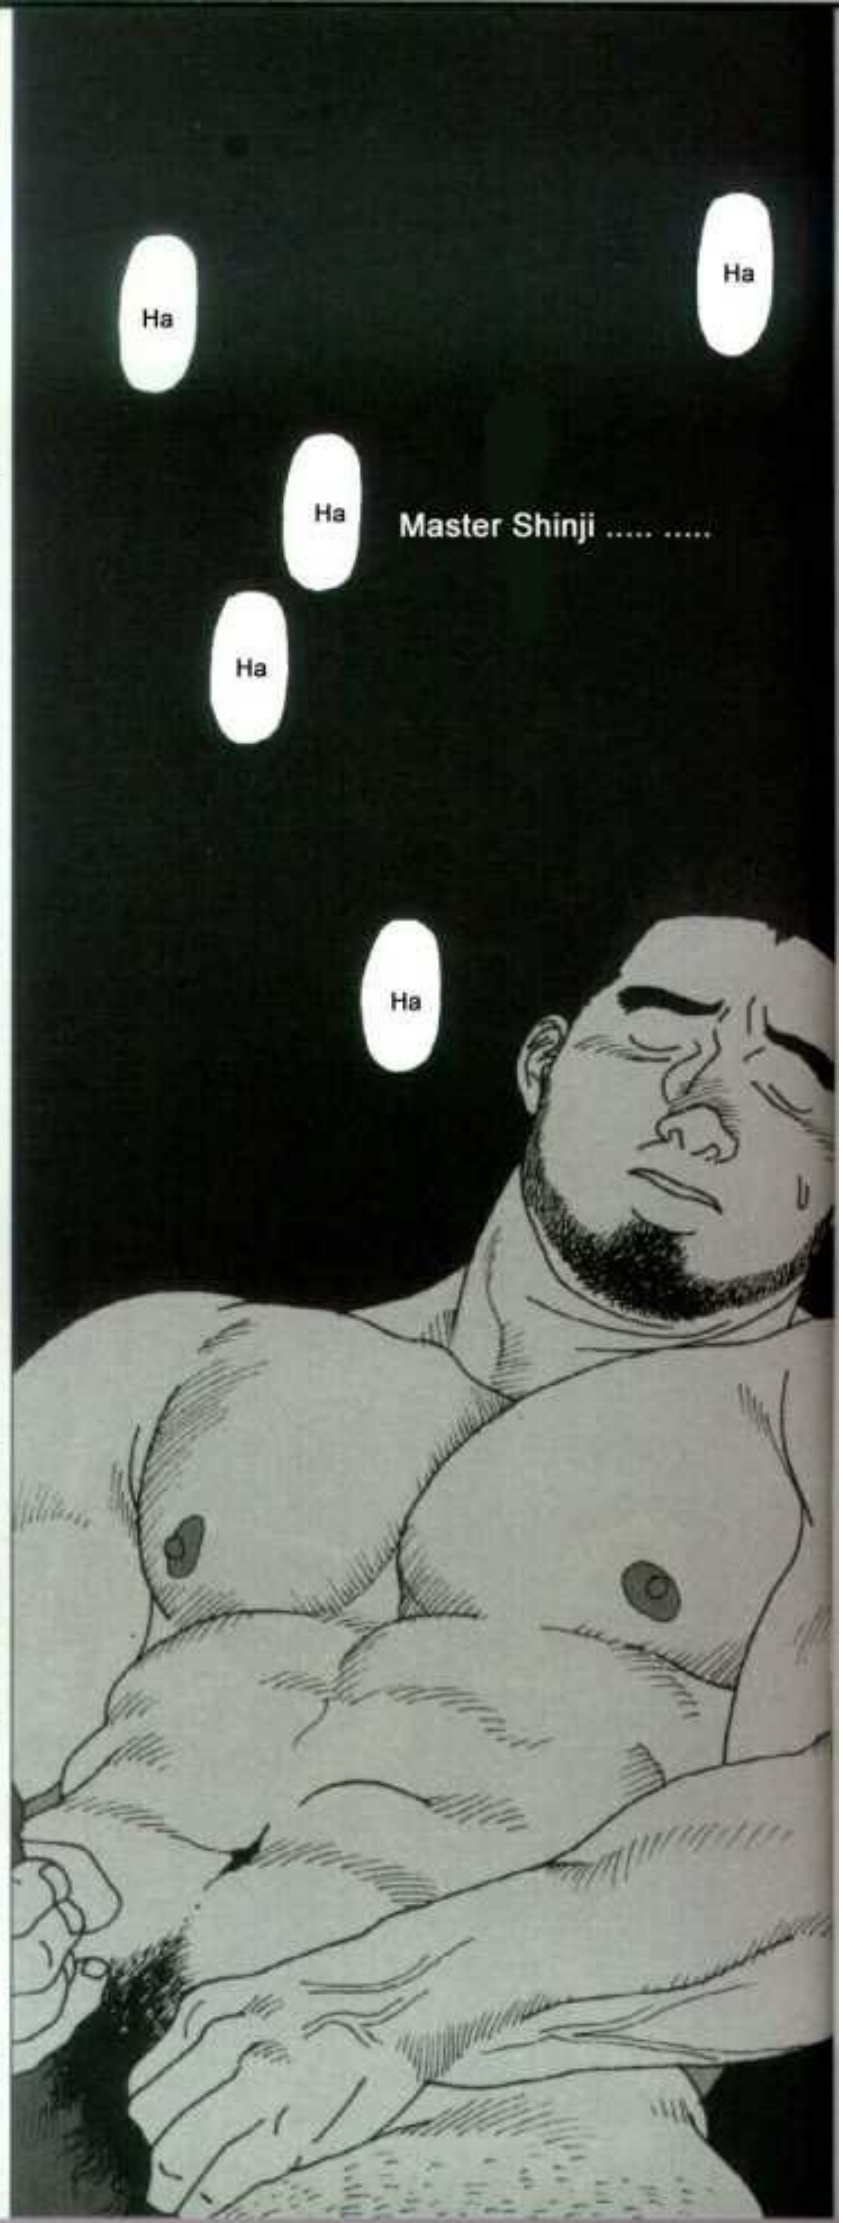

Ha

I have
to win

on me

Let
what's
to be
occured
takes
place

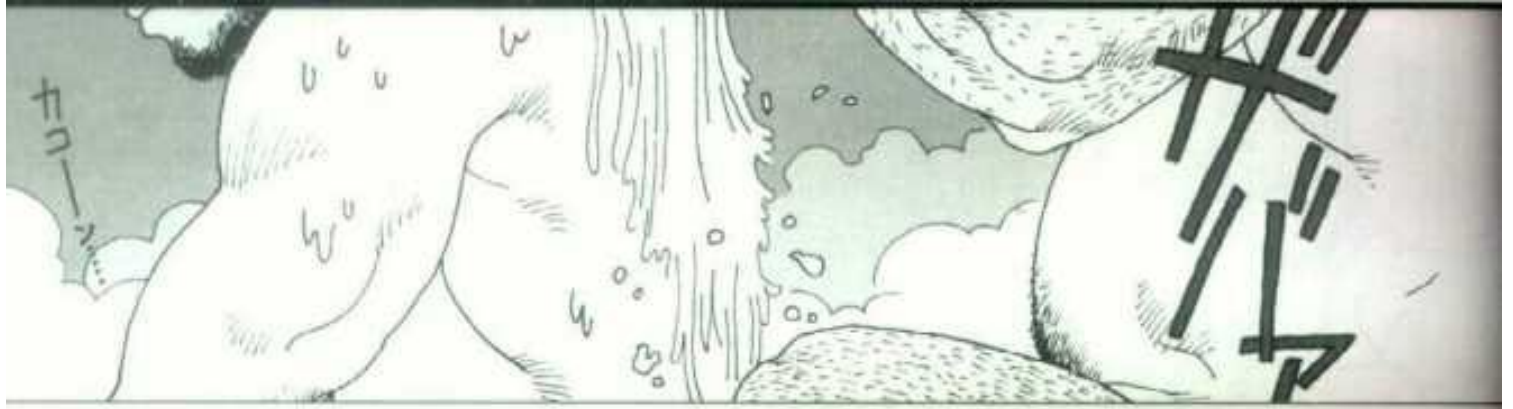

I am
sure
to win!

Using such words
to inspire me!

This freaky
old man!

I am to win!
I am to!

Damn! I won't
be aroused!

Uhm
Yeah

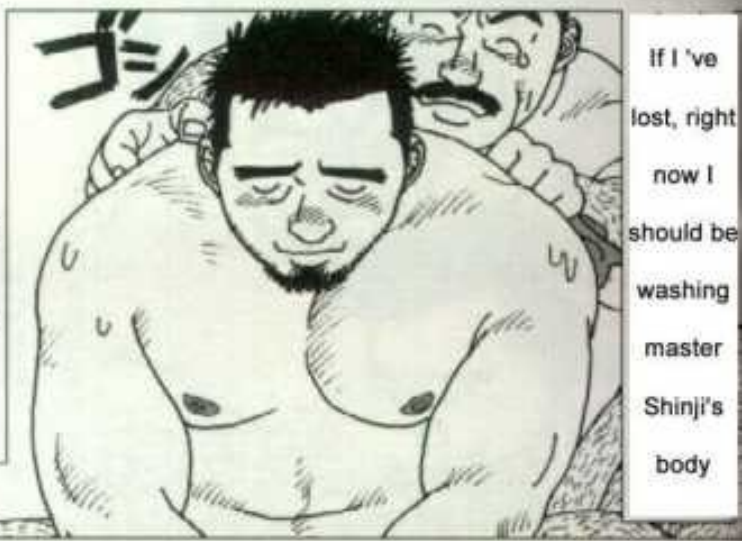

You did it
You did it
Shyunsuke

I am so
very proud
of you

But...
Shyunsuke

Anyway,
I think
it's good
for both
of us

If I've
lost, right
now I
should be
washing
master
Shinji's
body

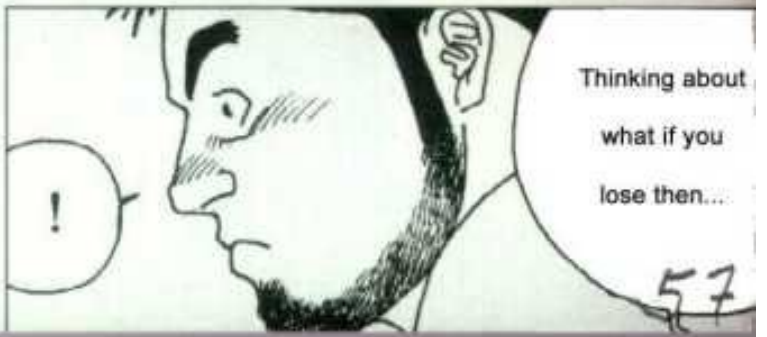

Don't
turn
your
head!!

Master
What the
heck...

I am thinking ...
little bit about...
about you...

Thinking about
what if you
lose then...

Master
this is

Master
what is
it?

Don't
look
in
this
way!

Rock
hard

Hehe

Hey
Shyun-
suke

Mugyu

Satisfied?

It is...

You fool!

It
hurts

What
a good
ending
for the
two
of us

After Shyunsuke won the
championship, he visits
Master Shinji's training
place every Sunday, helps
to give classes to kids
