When I was looking at areas closer to my job, I found that there was a place offering no rent as long as I lived together with a person there.

One month earlier:

I originally thought he was a girl, but it turns out he's a boy.

Whenever I got home from work, we always ate dinner together like it was the most natural thing in the entire world.

On weekends, we'd go out and shop together.

The more time we spent together, the closer we got...
