When she masturbates, she fantasizes about being naked and embarrassed in front of people, and being tormented by a large group of men.

My parents once brought me to an art museum when I was young. There was a painting there that not many people stopped to look at.

I think that painting was where it all started for me.

And at the same time, I felt unthinkable excitement...

I was scared of it...

When we met, I was ordered to take my clothes off on the spot, and I'm letting everyone see my embarrassing body!

NOW NOW, ISN'T THAT TERRIBLE. NOZOMI-CHAN, TRY LOOKING AT THE CAMERA AND TELLING US WHAT'S HAPPENING.

WOW... SUCH STICKY PUSSY JUICE... A SMALL CHILD SHOULDN'T BE LETTING OUT THIS KIND OF STUFF. YOUR PUSSY WAS TWISTING AROUND MY FINGER SCREAMING "MORE! MORE!"

I'M SO HAPPY TO TOUCH A LITTLE GIRL'S BODY~

YOU'RE HOGGING HER TO YOURSELF! WE WANT TO DO IT TOO...

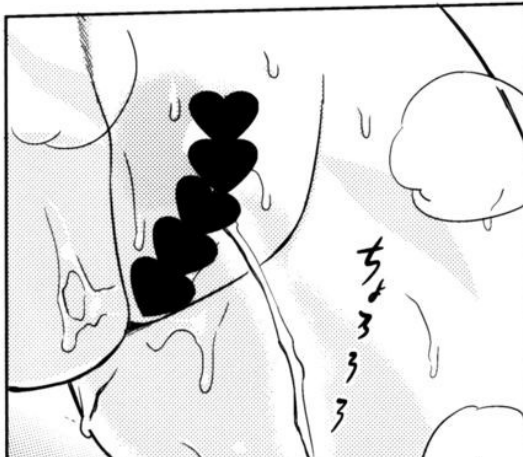

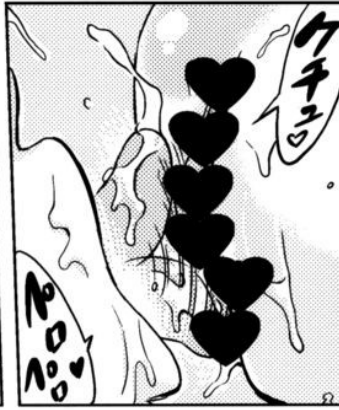

My first kiss... An adult's kiss... It's like my mouth and tongue are being raped... We're bound together... Saliva... A man's... Stinky saliva... I want more of it in my mouth!

The rugged hands of grown men... And their sticky saliva... Is crawling all around my body... I hate this feeling... No way... I'm scared... But even so... I'm slowly starting to feel it... This is the first time I've felt this bad... And this good...

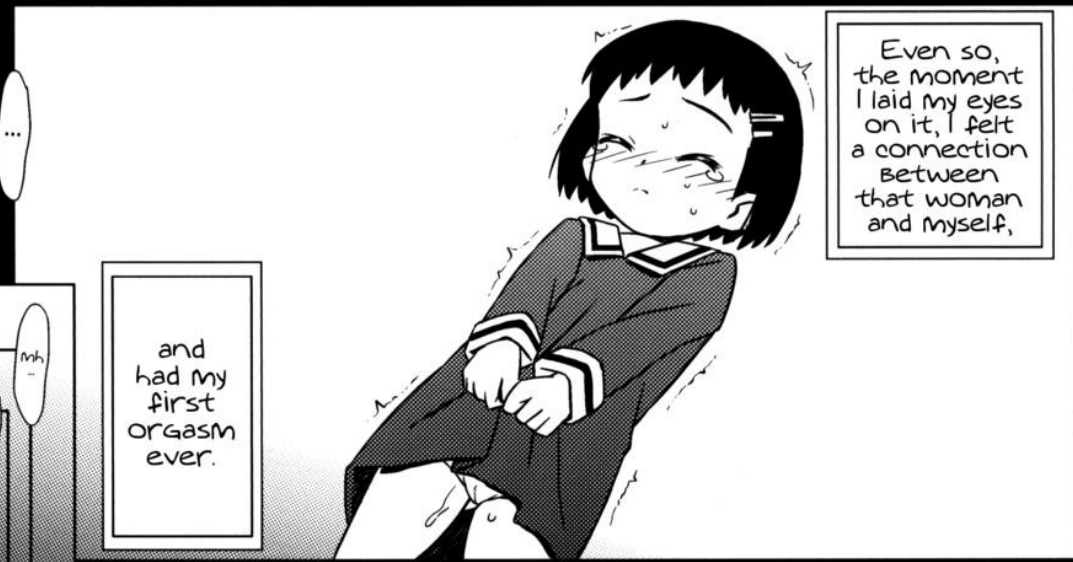

There's no way I could have known it back then, but that painting was themed after a religious ceremony from ancient times, and depicts a male priest using a branch to hit a woman who wishes to join his religion.

The woman who got her back beaten with the branch until it was completely covered in bruises is enduring her suffering, and is drawn with an expression of agony. However, the rest of her body looks to be expressing her "happiness" of being able to join the religion.

Even so, the moment I laid my eyes on it, I felt a connection between that woman and myself,

To the young me it seemed like a very scary painting...

...  
SHE ISN'T WAK-  
ING UP.  
...

I THINK THIS WILL GET HER EYES OPEN.

I THOUGHT YOU HATED THAT PLACE SINCE THERE'S THAT SCARY PAINTING IN THERE.

Hey, dad, we haven't gone to that art museum for a while, huh? I want to go there again.

I want to see it again!

## Afterword

I made an original ero-BOOK this time. How was it?  
It's a story about the growth of a little girl who loves dirty things, but in reality I only wanted to draw a masochistic little girl with a masochism desire.  
If the time and pages had permitted me to, I would have loved to do more stuff. However, if I'm allowed to do all kinds of things, I probably should be able to put them out as something like an illustration collection. Which one would people prefer from me, manga or illustrations with dirty talk?

I think I'll still draw a bunch more stuff, so keep looking forward to it. Please send me suggestions and impressions on my site and twitter, and it would be great if you followed me on pixiv. I hope to see you again!
