Afterword

Thank you for reading.

These books are made possible by everyone who has bought them and everyone who contributed to making them. Once again, thank you very much. I can't say how will the situation with my health and vision issues develop, but I plan to keep drawing comics at a pace I can manage while continuing my recovery. I also expect to continue drawing commercial comics as long as the work keep coming, so keep an eye out for me. Here's hoping we can meet again soon.

Mieow presents an original naughty
little lolita book just for you.

Little Girl 4

Late night in Shibuya
there's a girl who's far
too young to be here.
With a tired expression
on her face, fed up with
this world, living and
dying are both just
another chore to her.

Once again today,
sent by the will of her
junkie parents, she sells
her body and lives
a wasteful life...
