AKAI MATO presents
I just can't, can't, can't win!

- Go into the club/locker room
- Put on your masochist dog clothes
- Keep your dick alert and waiting
- And ask the first person that enters "Could you please milk my penis? Woof Woof!"

...can you do that for me?

Huhuhu!
If you wanna ejaculate that badly, then...

urgh!

ONE WEEK LATER...

You're going back in the chastity belt, of course.

Let's find out how many months until you change your mind then!

We don't know who could enter and see me!!

Are you crazy?! I can't do that!!

Ejaculation Control

I thought
they had no
time for the
club due to
the tests.

Ah, it's the
guys in the
third year!

Ah...

Masochist dogs are the worst kind of dogs, don't you think?

N-no, please!

Don't kick me out!

I'd like to f-finish... Please!

Woof!

OH MY!
A dog found its way in here!

I'll kick it out before it makes a fool of itself

by drooling all over the place...

There's no need to be in such a hurry.

WAI-

EH?

AH!

I thought
you were
scared of
people
coming in!
...Ah!

You
d-don't
have to go
that far...!

GRAB!

Which means
you only think
with *these*
now, right?

Controlling
your ejaculations
really turned
you into a dog
after all.

WHEW

Poor
little
puppy.

Are you
happy to be
kicked in your
privates?

Huhuhu!
Well, if you
like feet
so much...

Sakura,
are you
here?

You're
gonna love
what I'll
do ne-

Eh?!
What
noise?
I heard
nothing!!

What
was that
noise?

Let's
talk over
there!

That
was so
close!!
He's
the club
president,
right...?

HA
HA...

Long time
no see!
You've basically
left the club
'cuz of your
tests!

I wanted to
have a word
with you,
Sakura.

Eh?

...then let
me get
straight
to the
point...!

What do
you think
about me?
Because I...
I wanted to
ask you
out...!

Are
you still
going out
with that
freshman?

I'm not
going out
with
anyone
!!

UUUH...

I mean, we
don't even
talk that
much, so...

Wh...
Hey...
Hey
hey
hey!!!

Eh?

Eh?

Eh?

Ah, uhm...

Eeh?!

Well, like-

Um...

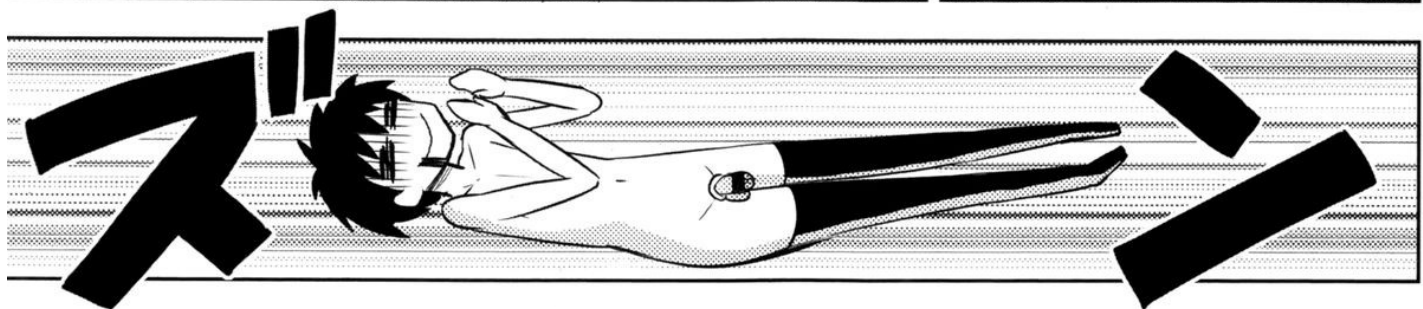

Yeah...
I do...

I only heard about it recently... You look up to me, don't you? That's why you joined the club!

it had to be *that* guy!
I know what she thinks of him!

Outta nowhere this happens, and to make matters worse

It's over...

All the girls think he's hot...
A man whose reputation precedes him if I ever saw one...
He's smart, has a brilliant future ahead of him, and has an immaculate record...
He's the one she looks up to... The ace of the track-and-field club...

Could those feelings, maybe... blossom into something more?!

This may be sudden, but...

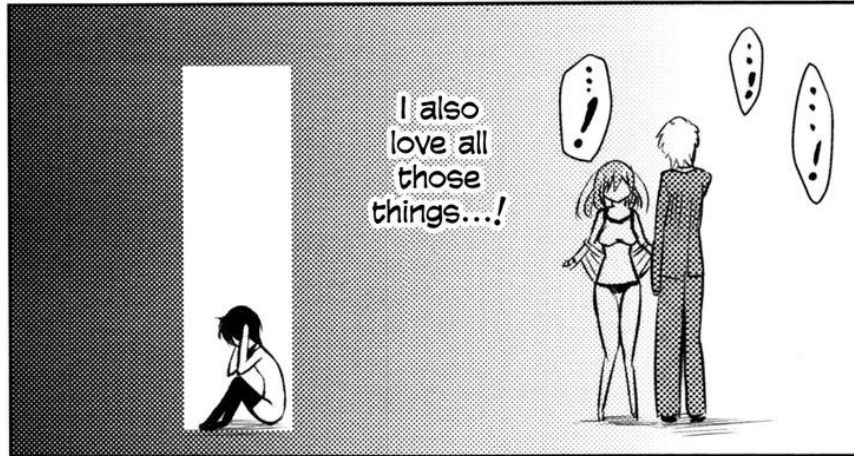

I've been in love with you for more than a year!

Your victory at that competition made me fall even more for you!

You have a short fuse, but I find that really cute!!

Sakura! You're pretty, energetic, and so very kind...

I also love all those things...!

I look nothing like a man, and I have to beg if I want to ejaculate... I'm just a dog, aren't I?

What am I compared to him!...?

Ahn!

ah!

CLACK!

Ah... Hm!

Ahn!!

Ahn!

Ah!!

I don't wanna hear this anymore... I've wanted to tell her these things for months, but he's doing it first...

He's taking her away... The man who already has it all will take her away from me in one go.

Starting with
my tits so
suddenly?!
You're a beast!

No, please!
Be more
gentle!

No way...
Are you
doing it...
with him
...?!

Sakura
...!

No one's
ever s-

no one's
seen me
down there!

No, prez!
Not there!

I wanna
go out
and stop
them...
But I'm
just a
masochist
dog...

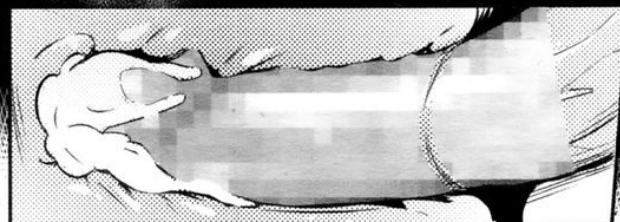

You're
taking
me by
force but
it feels
so good!

It
feels
so
good!

Ahn!
You're
cumming
already?
What a
quick
shot!

N-no,
don't!
Please
do it
outside...!
Don't
cum ins...
Ahaahn!!

Oh god
you're
so big!
It's
reaching
all the
way in!

You're
way too
big...!
You're
turning
me inside
out!!

My
first
time
and you
didn't
use a
condom!

Even
though
it's my
first
time
....!!

Ah!
Ah...
So...
deep...

Ah!
It's
so
much!

I've
never given
it much
thought,
but I know
I'm also...

Haa...
I feel
the same,
prez...

Were you in there for too long?

Rooll...

ROLL...

ROLL...

COME ON!!

Just come out already!! I sound stupid making all this noise by myself!!

CLANG!!

What?

So...! You're with the president now, huh...?

I want you to crush my balls...

otherwise I'll be reminded of you with every throb for the rest of my life...

Sakura... I have one last favor to ask.

Ah, yeah! Totally! Boyfriend and all!

So this is our last day. Let's make the best of it!

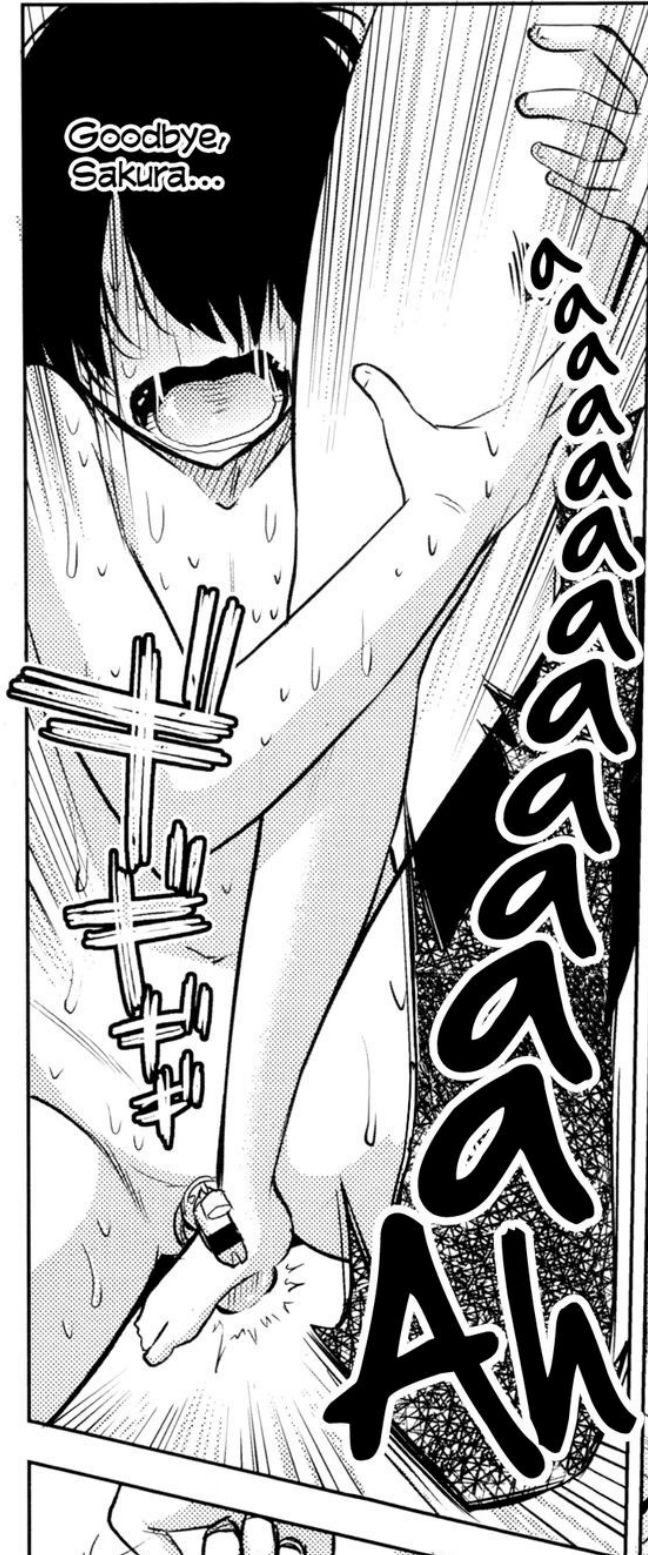

I didn't want to ruin your life, right?

You know... I've bullied you for all this time, but I've always held back from crushing your balls.

So I don't need them. Please do it...

I know I'll never meet anyone better than you...

Goodbye, Sakura...

Ah

I'm gonna do it! Ok? Huh?!

But... If you ask me to...

...I can't say no, right? I hafta do it! You want me to, right?!

D-do
you mean
it...?

Eh...?
R-really...?

Too bad, huh?
It means
I'm still gonna
tease you!
♡

Yup!
That's the
truth!
♡

Thank
god...
Thank

Oh,

Thank
