

魔法少女と百合の檻

漫画 相川りょう

Eeeek!

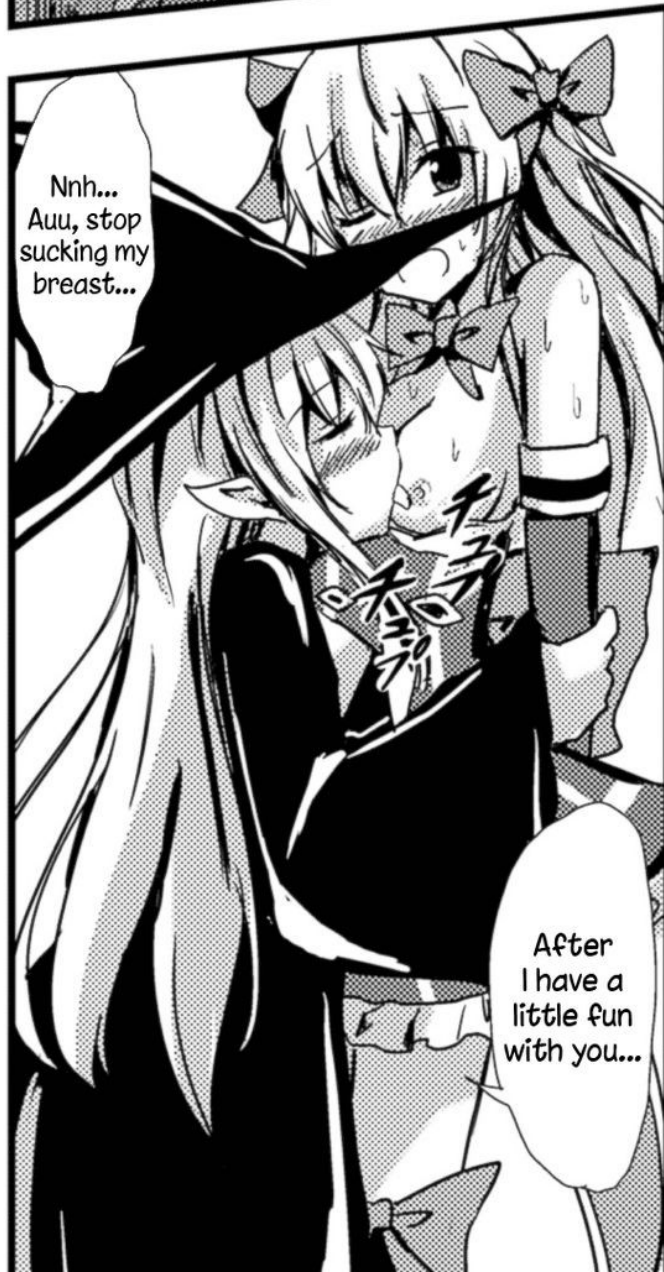

Is that all
you've got?
There's no
way a puny
magical girl
could ever
beat a witch.

Grrrrr!

Guh!

Nnh...
Auu, stop
sucking my
breast...

After
I have a
little fun
with you...

Nooo!

What
a delicious
looking chest.
Heheheh, I'll
impregnate
you with my
child too!

I was just the bait, buying time for Mayu to chant her spell.

Wha-!? Magic bindings?

Th-There's no way a mere magical girl could trap me with her magic...

Ahhh!

You fell for it.

W-Wait, s-stop...

Now then... You may be a witch, but what would happen if I hit you with this at point blank range?

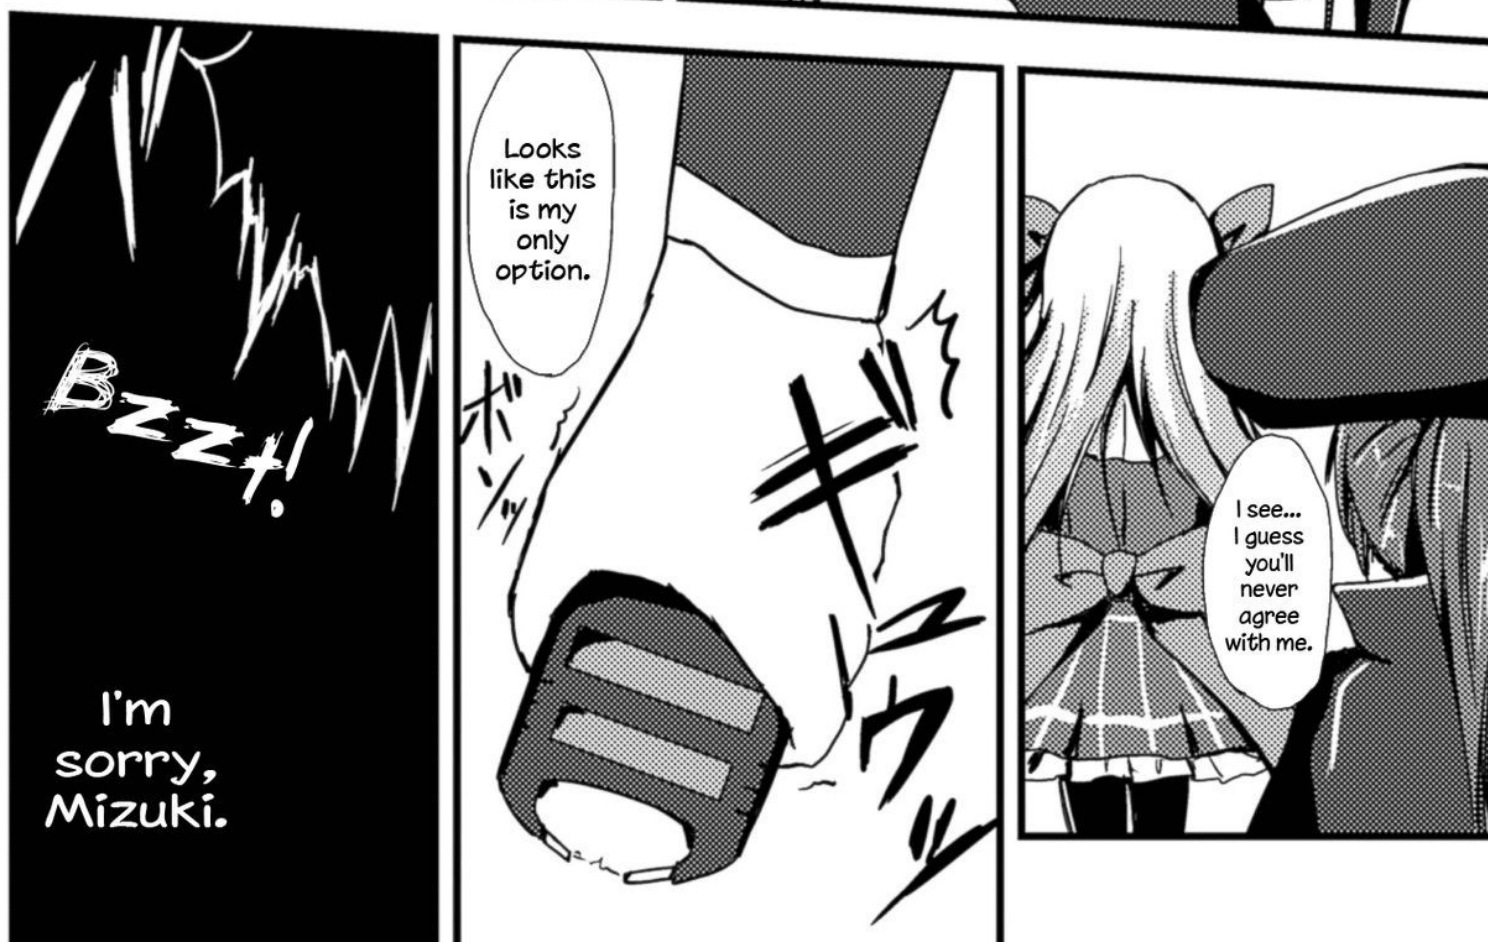

Did you really have to say all that...?

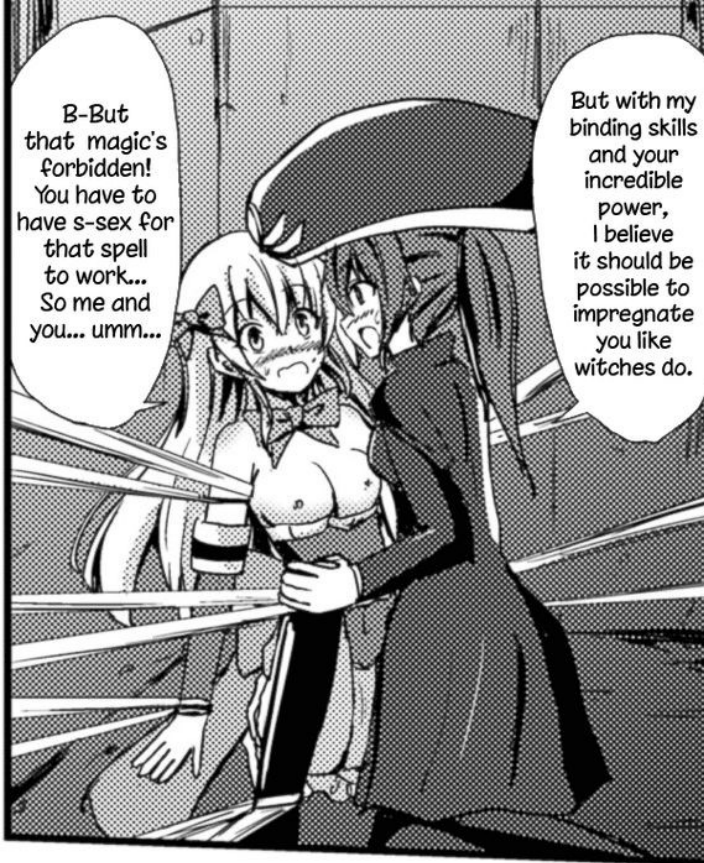

You can't escape! Mayu's binding magic is the best in the world! It has no range and it takes forever to chant and she can't use any offensive magic, though.

Heheh, too bad! ♡

B-But that magic's forbidden! You have to have s-sex for that spell to work... So me and you... umm...

But with my binding skills and your incredible power, I believe it should be possible to impregnate you like witches do.

Yes, for ordinary magical girls.

I-Impreg... That's impossible!

Ahh!

Mm... Mizuki!

I've always wanted to touch your breasts, Mizuki.

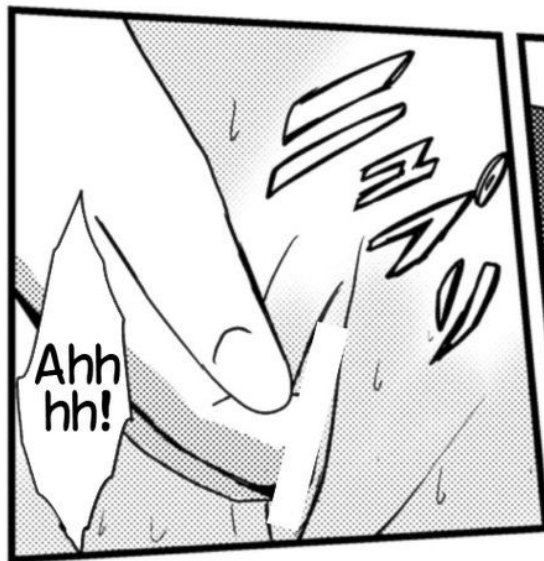

Fuahhh, Mayu...

M-Mayu!?

I've always, always loved you, ever since we were kids... So please, use your power together with me.

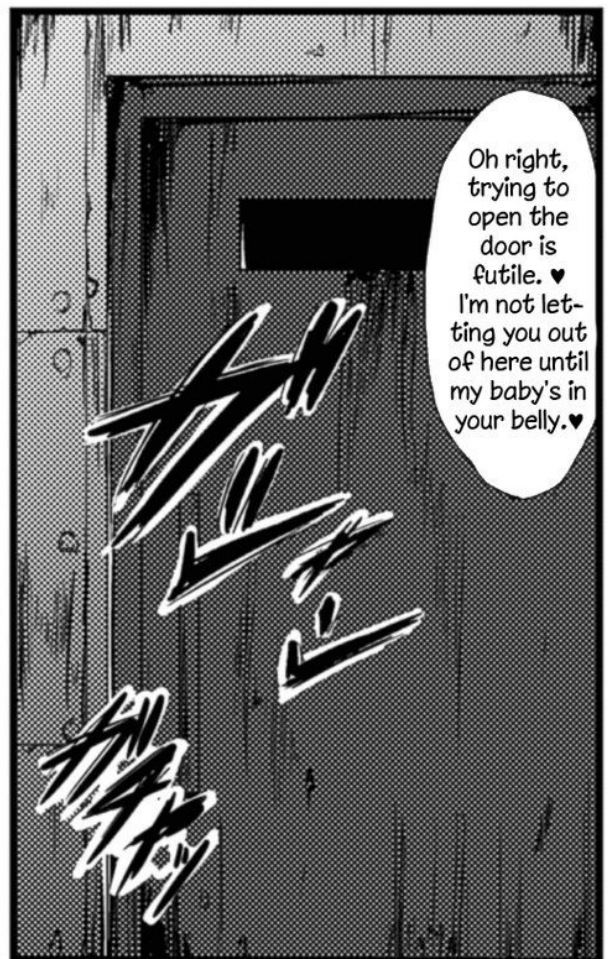

Mayu told me she loved me, even though we're both girls...

Actually, I really like it... Haa~

I kind of liked it when she kissed me, and even when she locked me in here.

Oh right, trying to open the door is futile. ♥ I'm not letting you out of here until my baby's in your belly. ♥

I c-can't just decide to have a baby all of a sudden!

What do I think about Mayu, anyway?

I... had sex. And it felt really good.

She had the magic circle ready, but if I lent her my magic, we would've had a baby...

Ah
hh
hh!

Heheheh,
looks like your
body's already
accepted me.
You're leaking so
many naughty
juices.

mm!
You really
like it
when I
jam my
tongue
deep
inside.

Ahn!

Fu
aa
ah!

We've been
doing nothing
but having
sex for the
last week, so
I know where
you like it
best.

I'm just
getting started.
It's time to do
something really
shameful.

W-Wha-!?

Please
don't say
stuff like that...
It makes me so
embarrassed
I wanna die!

Dear me, it looks like you went and wet yourself. Oh, wait, that's all just love juice.

It's already been three days since we had sex. Sorry, But I'm busy again today.

Auu... Ahhh, Mayu!

How's it going, Mizuki~?

I brought lunch~!

Jeez, we can do it a little. Once you're finished eating.

O-Okay...

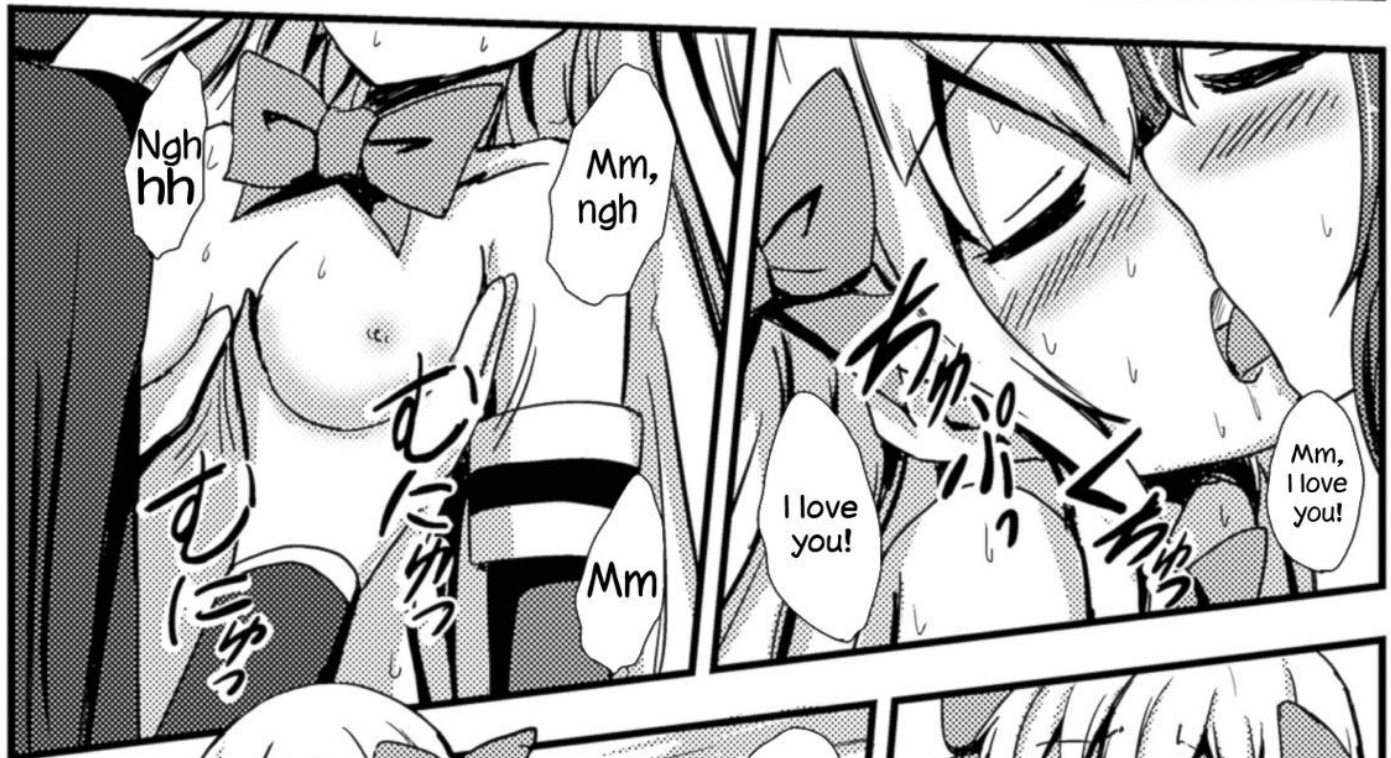

Open wiide.

Mayu... I can't take anymore...

going to
be inside
of me-!

Your
baby's...

You're
knocking
me up!

Ahh,
it's hap-
pening!

Ahhh
hhhh~!

Get
pregnant
with my
baby,
Mizuki!

Ahhh!

Hey, I'm the mommy! You're the one who impregnated me.

Our baby's really inside of here... Hey, it's your mommy~

Jeez...

Come on, there's nothing wrong with having two mommies.

Haa...

Ahn!

It won't be too long before it's born.

Yeah... Please put another of your babies in my belly, Mayu.

Once you give birth, I'll impregnate you again right away. ♡

End

But you know, the witches might try to rape you again if you're not pregnant anymore.
