All I can do is follow your gaze.

I have a love that won't be returned.

Time to go.

And lying behind what she lacks

The things you like, the things you hate, I know them all.

Food, comics, sports, your favorite type of girl,

your girlfriend.

Thanks for waiting, Haruto!

Hehe.

Damnit!

Show-off!!

is the ideal
girlfriend
of your
dreams.

I know
you have

a huge
fetish for
ponytails.

mn...

ah!

haa
haa

It feels good! ♡

Haruto! ♡

Right now, I'm a girl.

Haruto's ideal girlfriend.

I love you...

Haruto! ♡

I love you...

I heard he got dumped yesterday.

About Haruto,

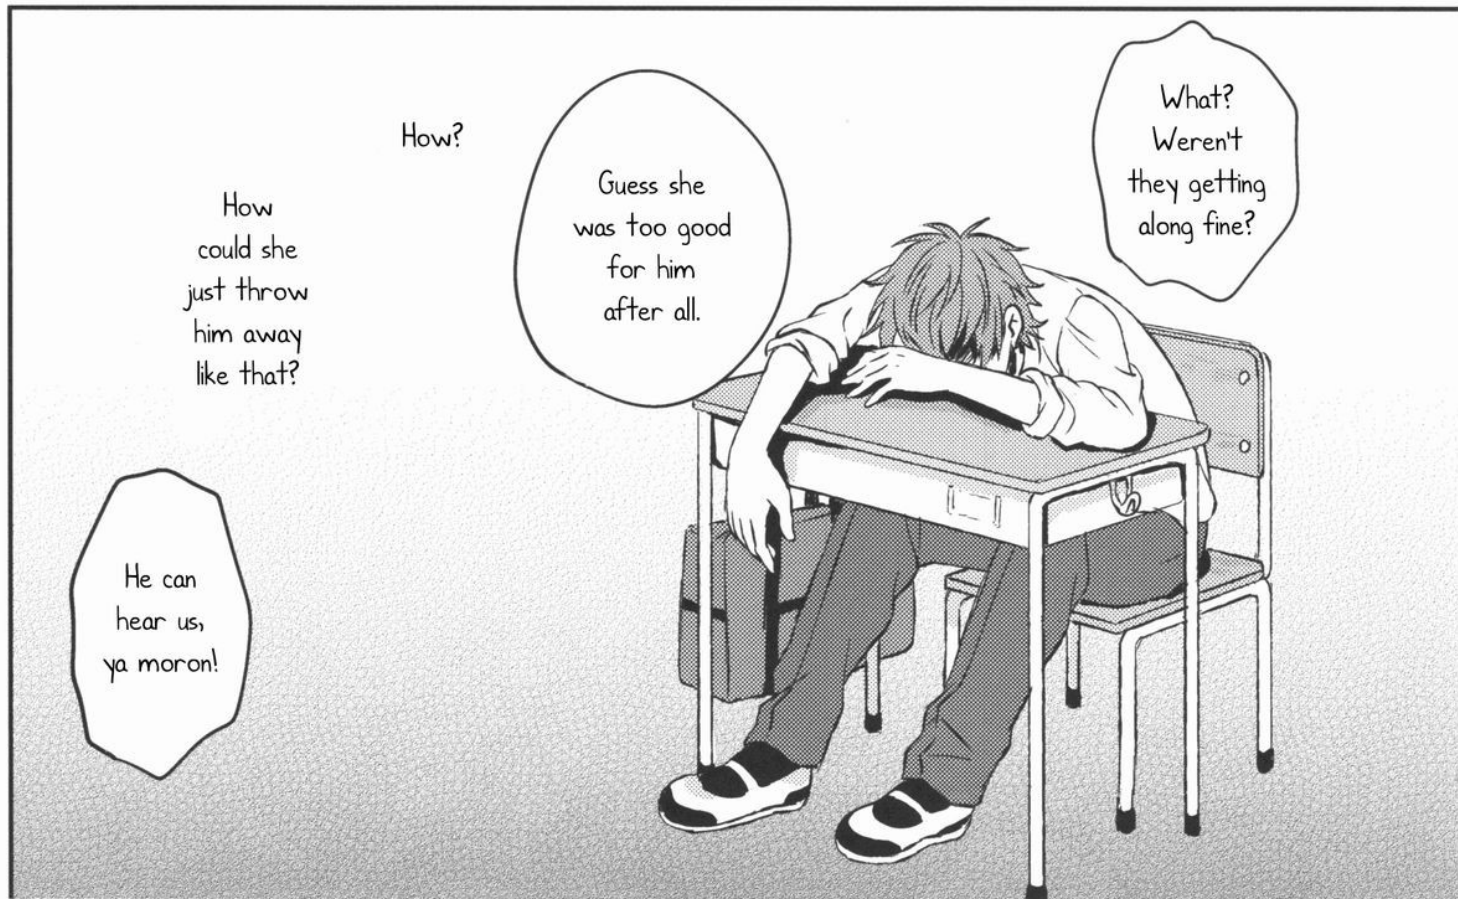

How many times have I repeated that fantasy now?

Huh?

Suzu!

How?

How could she just throw him away like that?

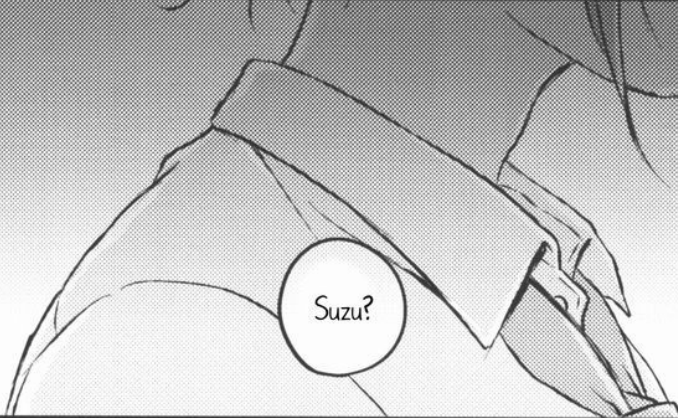

Guess she was too good for him after all.

What? Weren't they getting along fine?

He can hear us, ya moron!

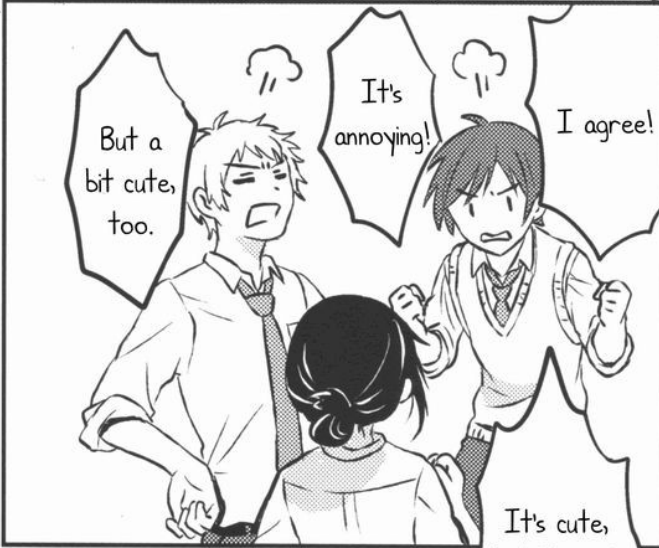

"There's plenty of other boys out there", you say?

Suzu?

Some of us can't even get our feelings across, you know?

But a bit cute, too.

It's annoying!

I agree!

You're looking pretty scary.

It's cute, but I can't forgive her!

I wanted to be with Haruto...

How many times did you mention cute?

But it is!

Oh. No,

it's pissing me off how Haruto's this depressed, that's all.

Before I knew it I was in front of Haruto's home.

What was I thinking?

Did I think this was a chance?

Huh?
What will I do when I meet Haruto?
Comfort him? Cheer him up?

While I'm wearing this?

You can't get in?

Um, is there something wrong?

even have gender for?

What do we

Even if I grew up, I wouldn't be able to get married. Alone, without anyone.

Unable to do that, I've been stuck as a virgin.

I'd just find some old man at a gay spot to do me.

!?

Boys and girls, you're always getting together, splitting up, and looking for another partner again.

That's why she could leave you so easily.

Are you coming out as gay?

Pomf

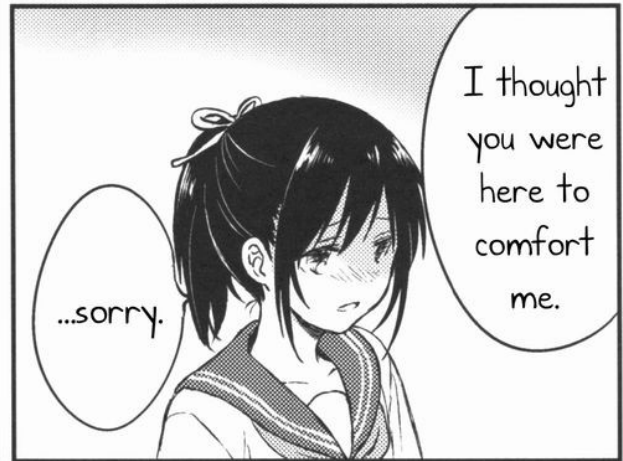

Um...

take a seat.

That was way too speculative for me.

Wait a minute.

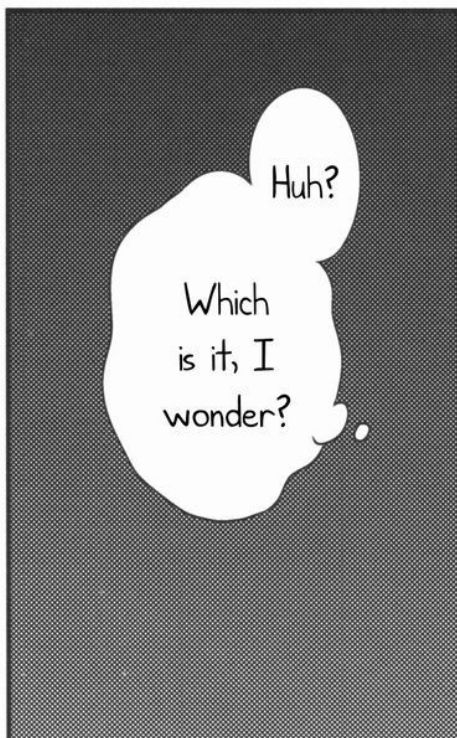

...sorry.

I thought you were here to comfort me.

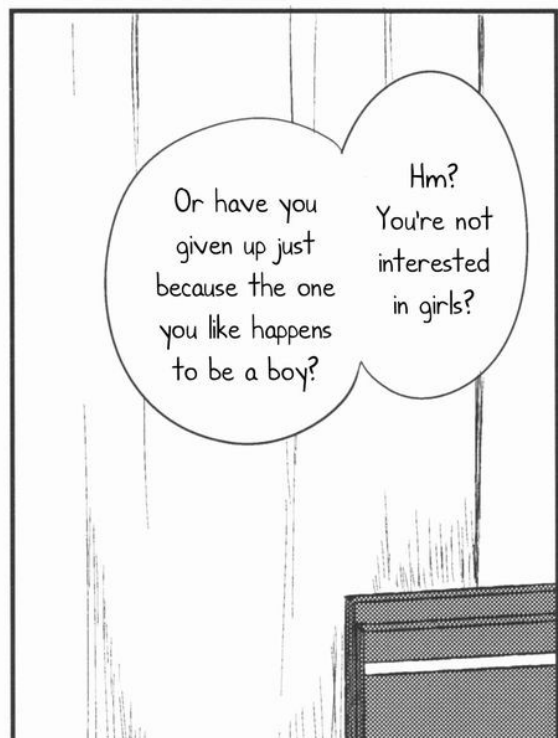

I guess.

I,

Huh?

Which is it, I wonder?

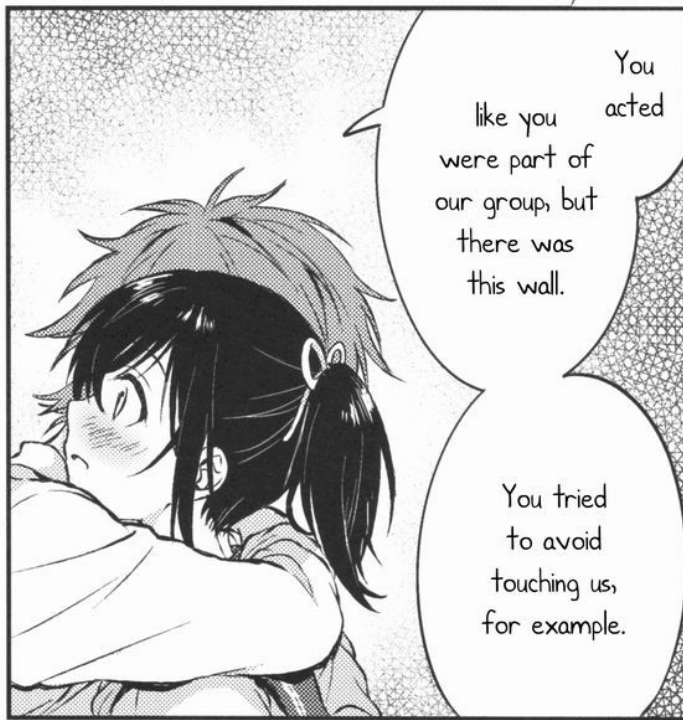

Or have you given up just because the one you like happens to be a boy?

Hm? You're not interested in girls?

Huh?

You acted like you were part of our group, but there was this wall.

You tried to avoid touching us, for example.

But you take it a different way, don't you?

I think of you as a friend, so hugs are normal.

I'm scared.

We can't go back to being friends anymore.

I'm scared...

Sorry
for making
you suffer
like that.

Understanding
the feelings
of others
is hard.

I don't
even know
what I
did wrong.

I didn't
know how
she was
feeling and
I hurt her.

It was
hard for
me too.

You love me
so much you
dressed up
as a girl,
right?

You're
trying to
match yourself
to me.

I get it
and it makes
me happy.

for me.

But I
kinda get
why you
dressed up

I really like that ponytail.

But before that, you're my friend.

And look at you!

That might be true.

...but I'm a boy...

Might be your clothes, too.

Oh.

They're really getting to me.

My friend Suzu's gone this far for me, you know?

Um, you know...

that way...

I could cheer you up

Only if you don't mind, but-

かああ あああ

しししししし

!!

W-Would you let me...
do it?

.....

Y-
It's gross, right?
You wouldn't.
That was out of line!
Hey, Wai-
Hold on a minute!

Whoa!?

R- Really?

I didn't think I'd get the chance to do it with someone I like...

Sorry...

You're just so adorable!!

Suzu!!

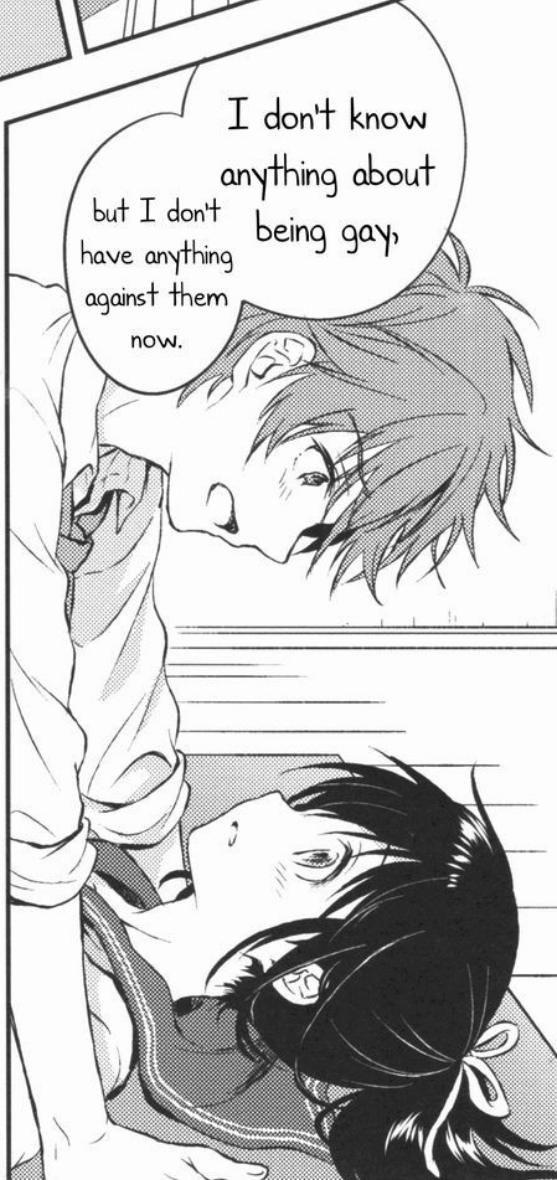

So this is why I fell in love with him.

you're wonderful.

Being that considerate of me,

Oh.

I don't know anything about being gay, but I don't have anything against them now.

ah...
ahh...

Am I
dreaming?!

Tell me
if you want
to stop,
okay?

but as
a boy he
knows all
the good
spots...

I can
only see
her as
a girl

I got
it hard.

Phew.

It feels
so good!!

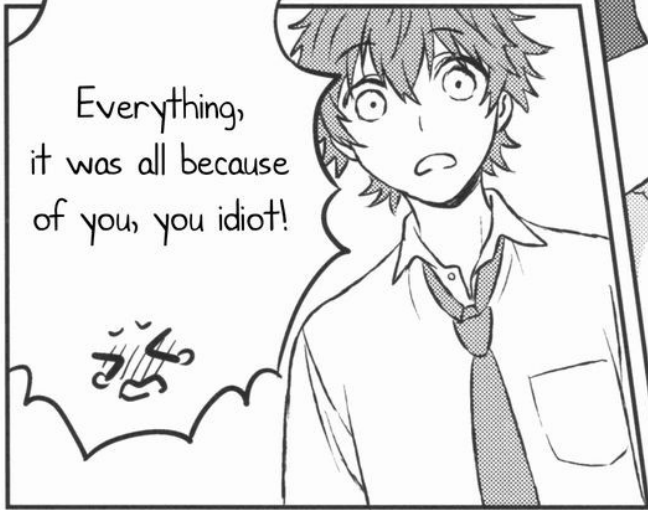

That's-

That's-

Everything,
it was all because
of you, you idiot!

おは

It's my
hobby!

nnngh

Dressing
up as a
girl, too?

Jeez!

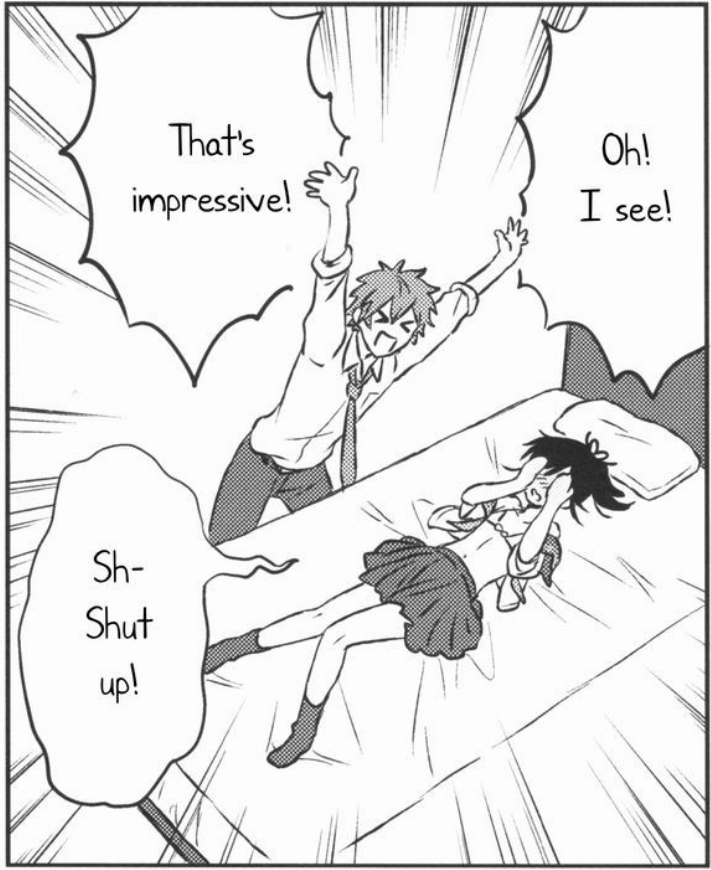

Suzu,

you're
cute.

I want
to touch
you.

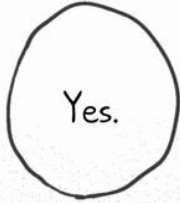

That's
impressive!

Oh!
I see!

Sh-
Shut
up!

As long as I can have this,

Th-

That's-

ah!

ah!

ah!

ah!

Near your stomach?

that spot's good!

Like here?

Again...

ah

ah

If you keep thrusting it there...

no...

more

I'll go crazy!

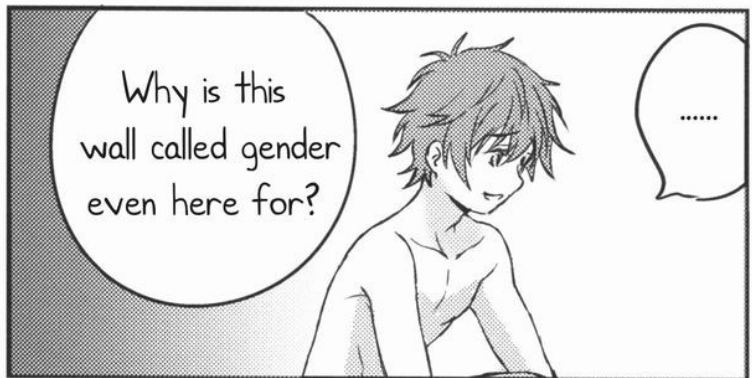

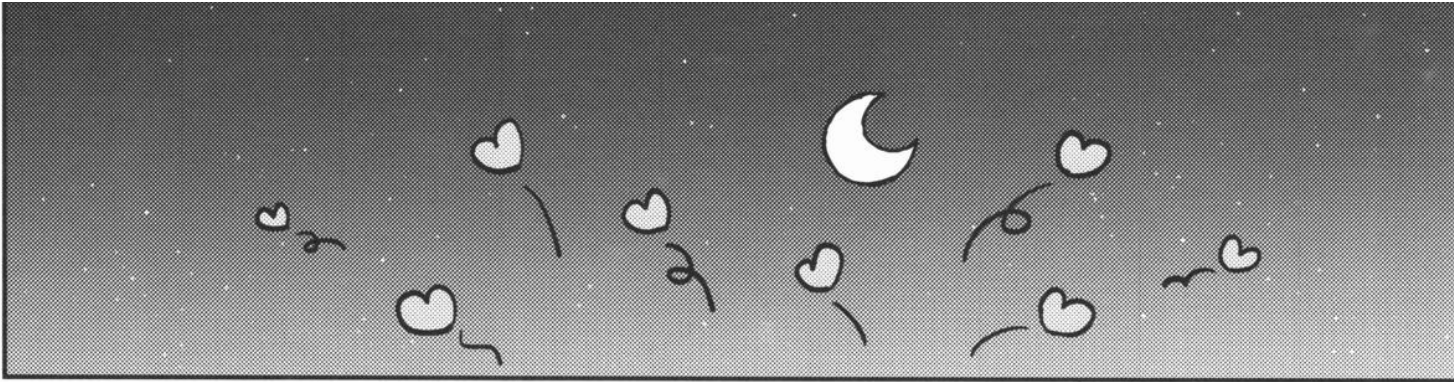

I'll
cum as a
girl!

in front
of Haruto...

I became
a girl...

You
don't have to
respond right
now.

Suzu,
I-

I love you
as a friend,
I'm sure
of that.

But,

...

I love
you.

Me
too.

Yeah.

Hello there, this is Konayama Kata.
This is my first book under this name.
It's also my first time drawing manga outside of work, and my first time drawing girlyboys,
so this is a book filled with 'firsts'.
I hope you enjoyed it!

I want to try a continuation or a short story as well,
so take a look at my pixiv or twitter if you're interested.

By the way, Suzu's full name is Suzumi Sou.
Suzu's just his nickname.
Haruta's is Yoshikawa Haruta.
I wanted to put in character introduction pages too,
but couldn't because of time and pagecount limits.
I'd like to draw them again.

Thank you very much!
