We keep running into each other today!

While we were in different classes and clubs...

I forgot my text-book...

I managed to close the distance between us little by little.

I instantly fell in love with her after catching a brief glimpse of her modest smile.

I first met Nozomi-chan at the entrance ceremony.

close enough to spend time at each other's houses!

tremble

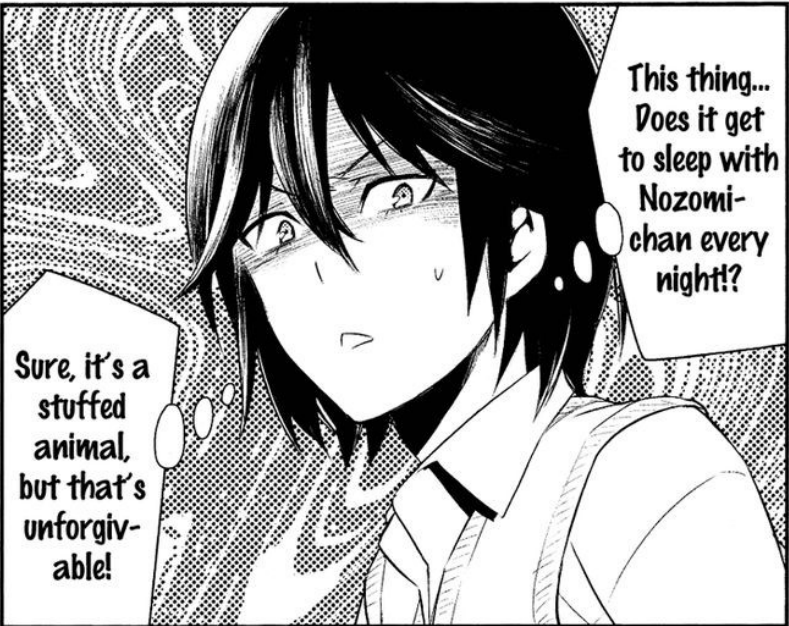

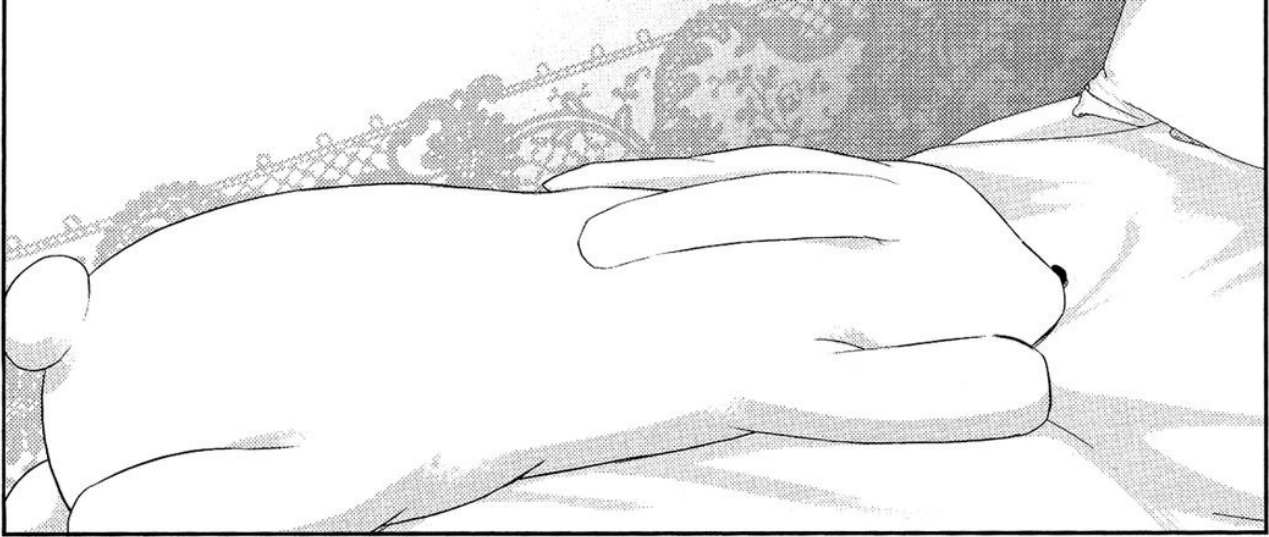

And now, the two of us are finally...

Is Nozomi-chan's sweat and whatnot on the sheets!?

Her bed...

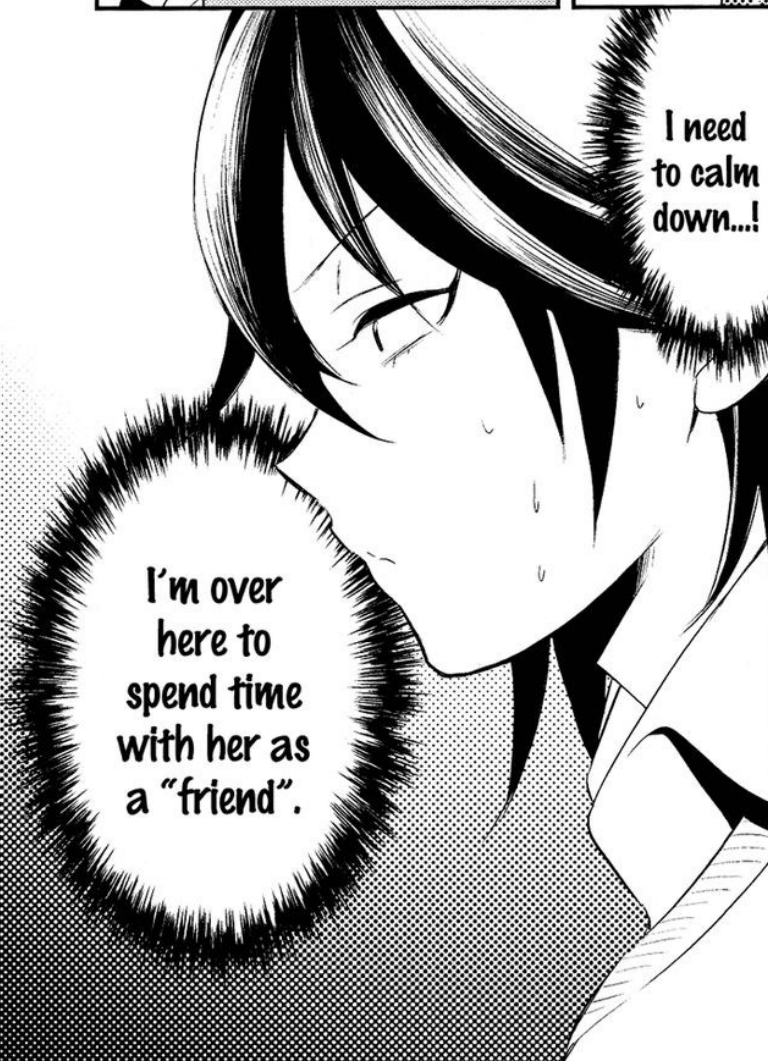

Are Nozomi-chan's panties in there somewhere!?

Her closet...

This thing...
Does it get
to sleep with
Nozomi-
chan every
night!?

Sure, it's a
stuffed
animal,
but that's
unforgiv-
able!

I'm over
here to
spend time
with her as
a "friend".

I need
to calm
down...!

.....

Thank
good-
ness!

You okay
with
herbal
tea?

Y-Yeah,
totally
fine!

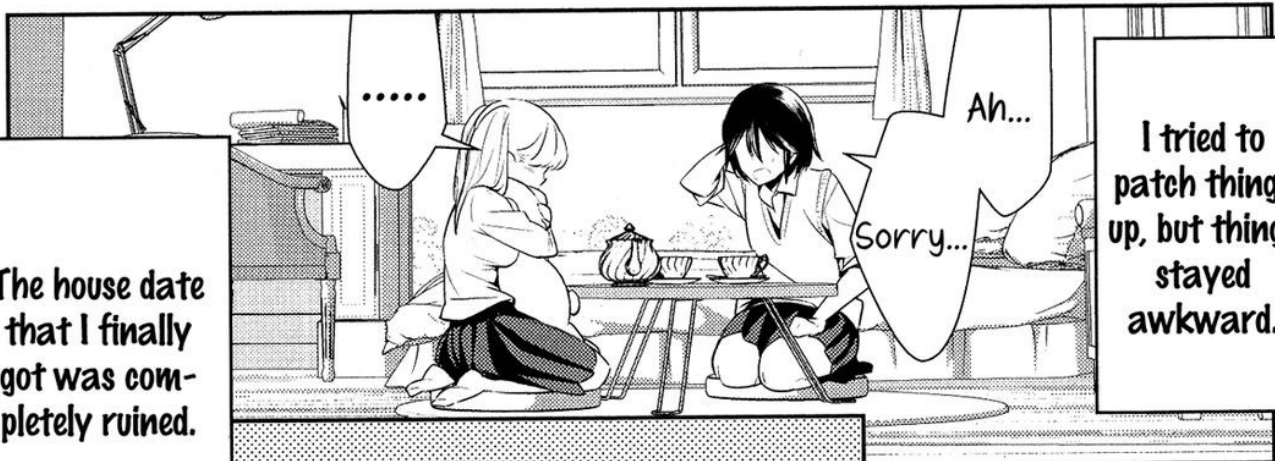

to touch
her,
okay...!?

You aren't
allowed

just
screw
up!?

Did I

The house date
that I finally
got was com-
pletely ruined.

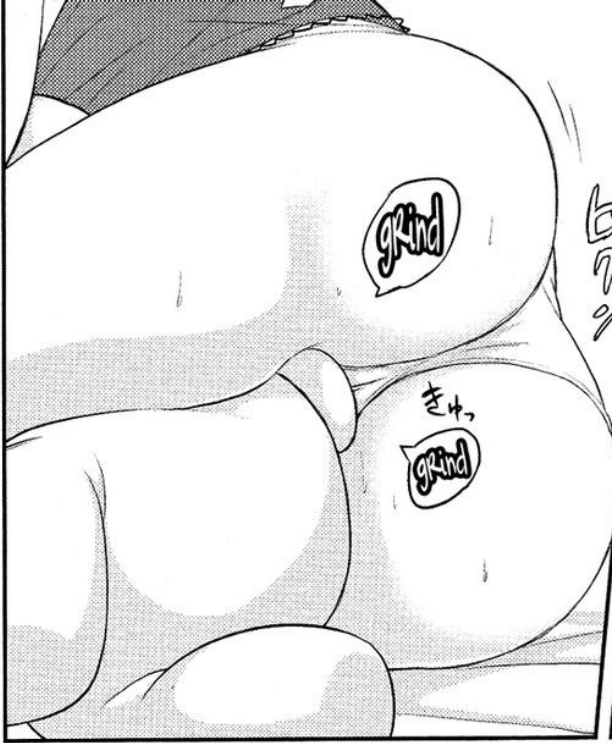

.....

Ah...

Sorry...

I tried to
patch things
up, but things
stayed
awkward.

I-I can?

Yeah, I'll go! I'll go!

Eh...?

I want to make it up to you.

If you're up for it... this Saturday ...

Would you like to come over to my house again?

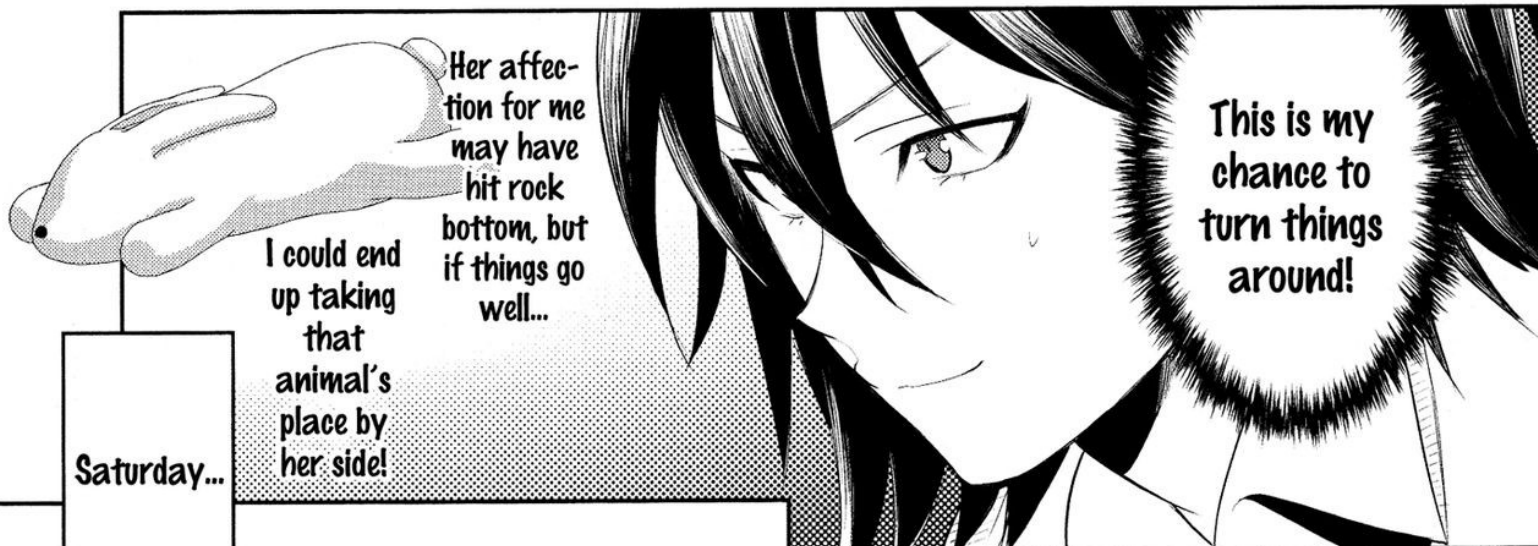

Really?

That's great!

hate me!!

She doesn't

This is my chance to turn things around!

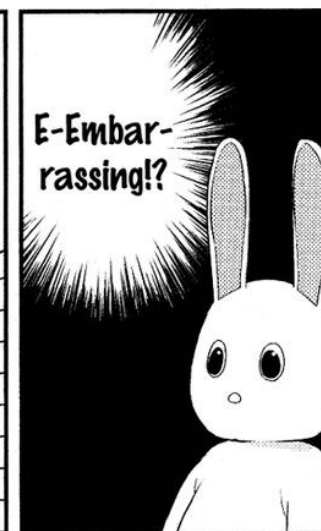

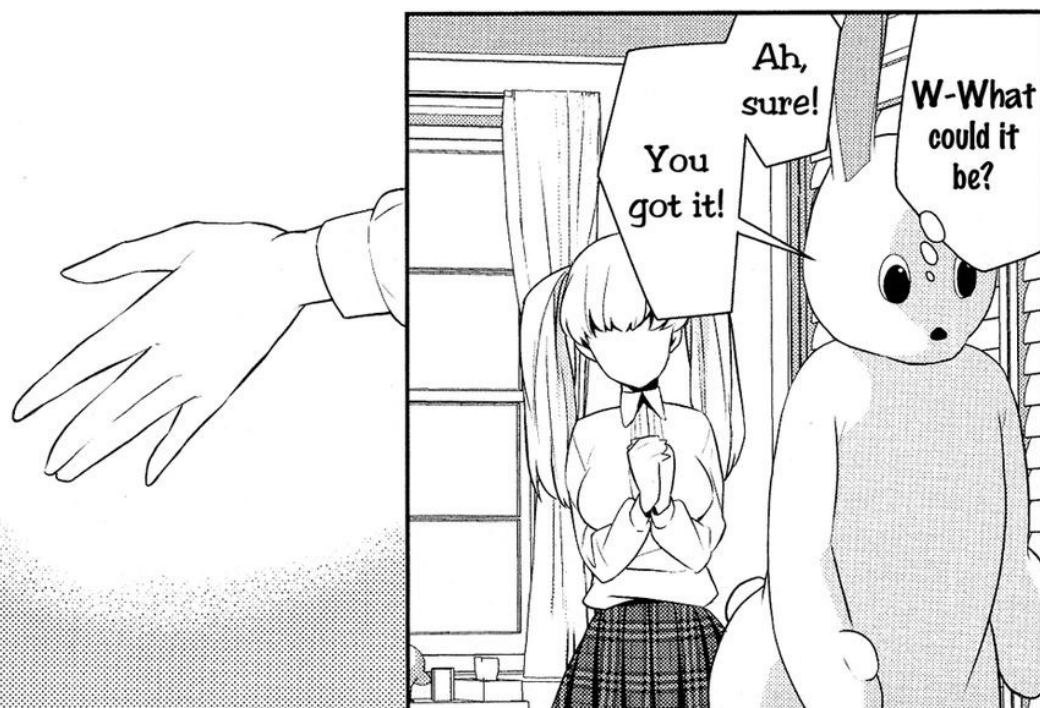

Her affection for me may have hit rock bottom, but if things go well...

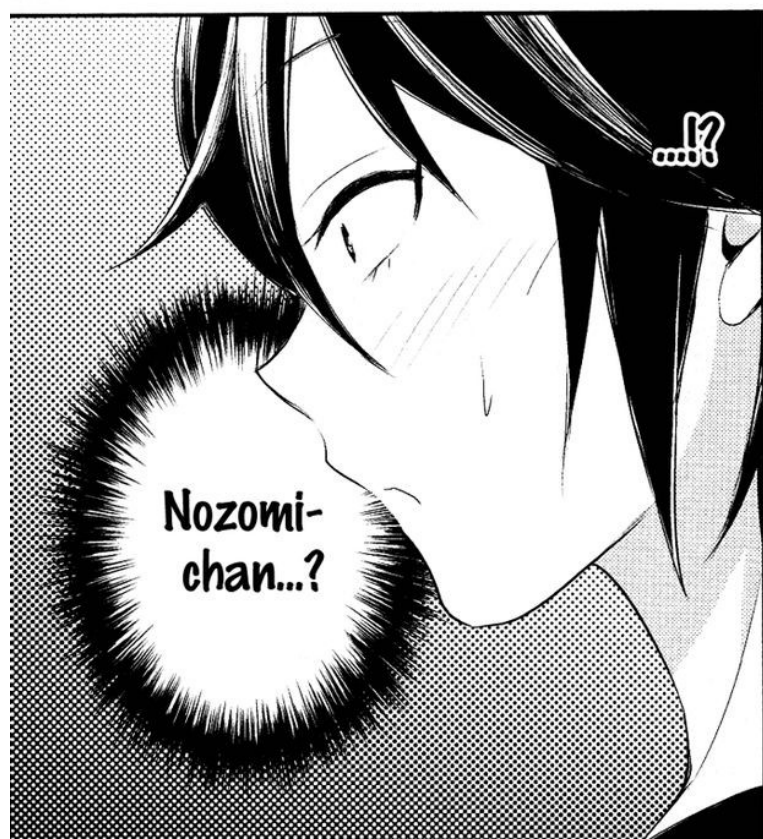

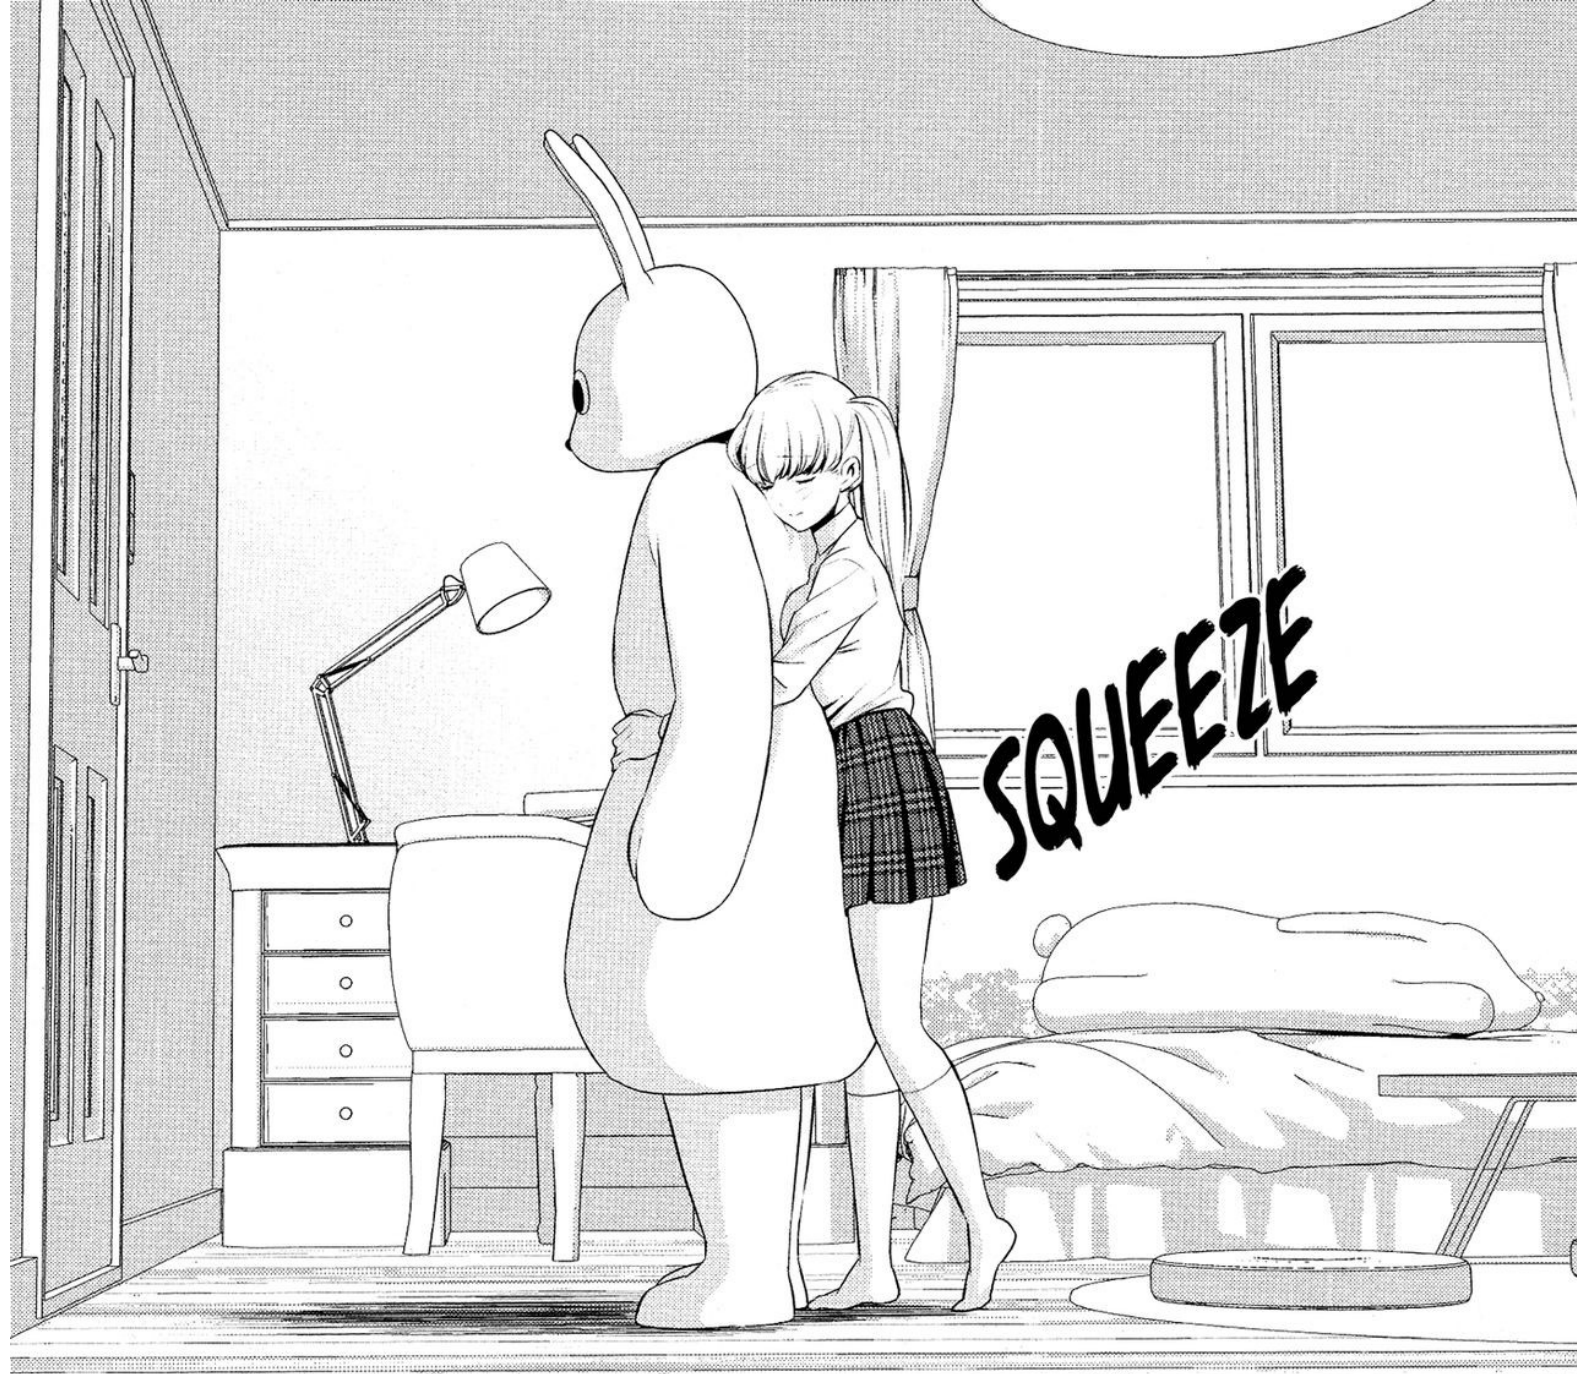

I could end up taking that animal's place by her side!

Saturday...

She has the same name as the girl I'm in love with.

...She's talking about that one.

Grrrr

You know what?

I always sleep with her.

You see...

I have a stuffed animal that's very important to me.

I call her "Maya-chan."

...Huh?

H-Hold on
a minute
here.

I was
scared to
have the
person in
question
find out...

So
that's...
why I
reacted
the way I
did.

Is Nozo-
mi-chan
saying...

Whaaat
!?

that
she's in
love with
me!?

HUG

I apologize.

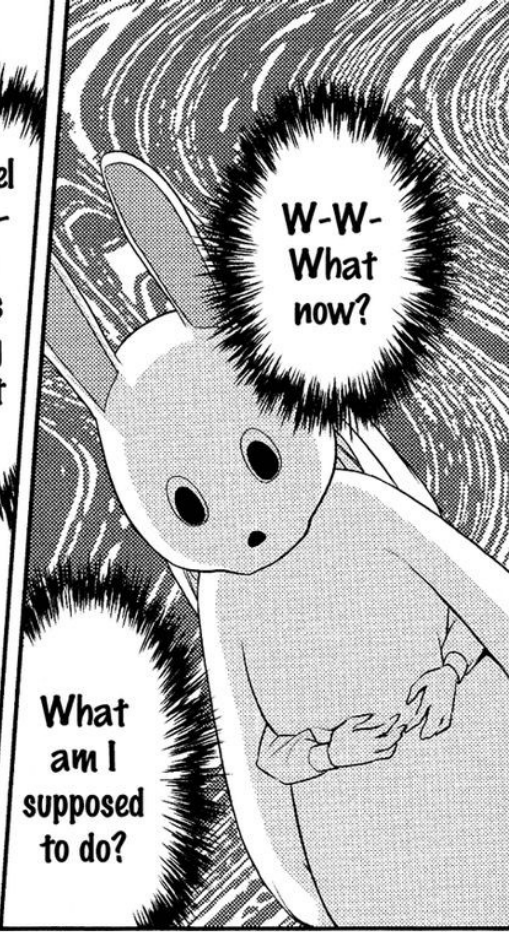

Plus it's
so hot
inside
this suit.

I can't
tell if I'm
sweating
or getting
wet.

I can feel
Nozomi-
chan's
breasts
pushing
against
me.

W-W-
What
now?

What
am I
supposed
to do?

I better
give her
an
answer!

I-I know.
Nozomi-
chan opened
up to me just
now.
