Part-1  
English version

Merry Christmas!!

Kensuke

The present for you is...

Me!!

Wait...!!  
What are you doing here?

That's what I should ask you.

I and Kensuke have already made a promise to celebrate the Christmas together. Don't you know?

But I and he also made a promise since last week.

Don't come closer!

What a low-class lingerie you're wearing.

What?

I know you're trying hard to bend his eyes to you.

Your perfume is terrible.

What?

This is Ryoko. We've known each other since we were small children. She's been loving me for more than 10 years.

Do you know that this simple kind of lingerie is Kensuke's favorite style?

ha---

I see. You're just not confident about your shape.

And this is Riko, the girl with giant breast. We did part-time job together last summer.

I see. So what? Do you wanna pick a quarrell with me?

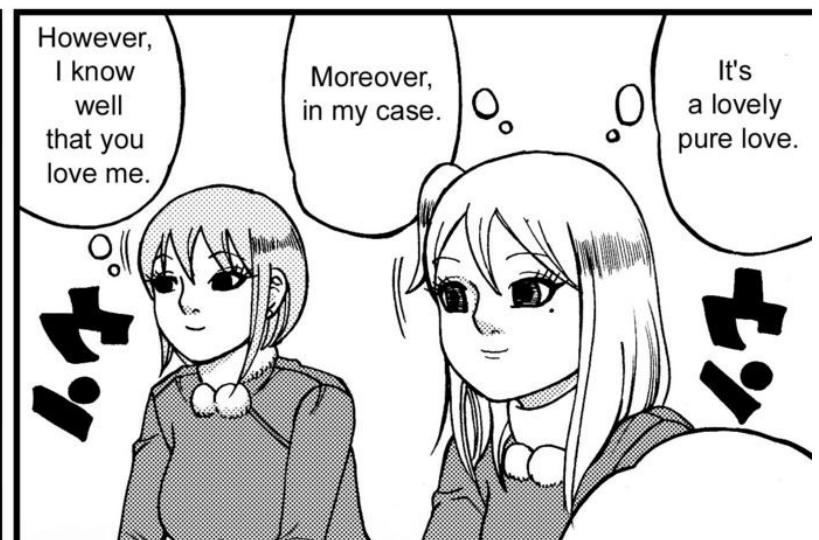

or wanna continue the fighting from last summer?

What are you talking about?

I don't understand why you have to talk about the violence everytime you are in trouble.

I see. You're in full swing just because you've got bigger boob.

oh...that's uneasy for me because the wound from last time has just healed.

I understand how you are feeling. However, I believe that the real man must make a choice clearly.

You are both gentle and pretty, so it's really hard to decide whom to love.

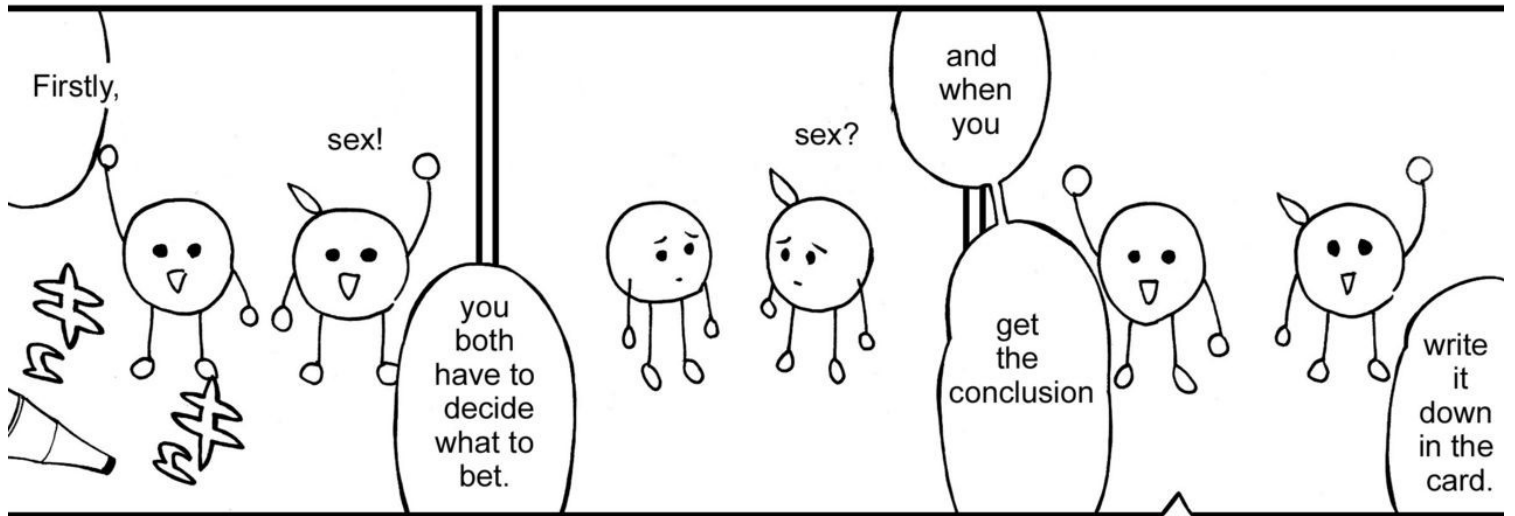

I don't wanna waste your time while I'm hesitating about who to hang out with.

SO...

I'm Kensuke Tamura.  
I promise that I will  
[redacted]  
with you.

I created this one.

Firstly,

sex!

sex?

and when you

you both have to decide what to bet.

get the conclusion

write it down in the card.

Fight in the way I create. The winner will have the right to pick up the card.

Why what I requested is only sex and sex and sex...

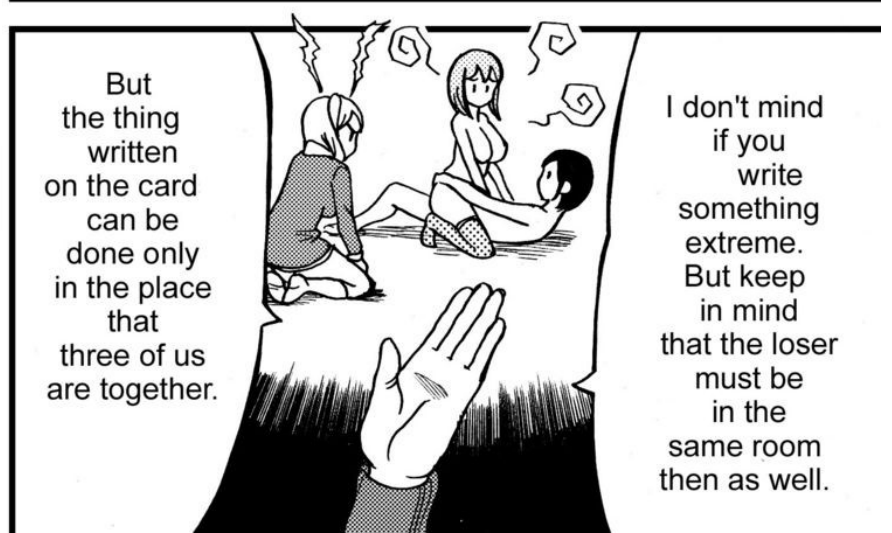

What a fool I am.

um..for example. But don't you really wanna have sex with me?

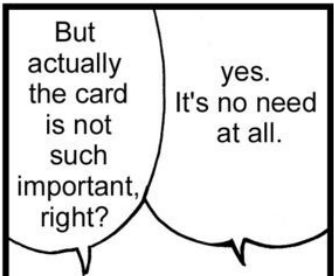

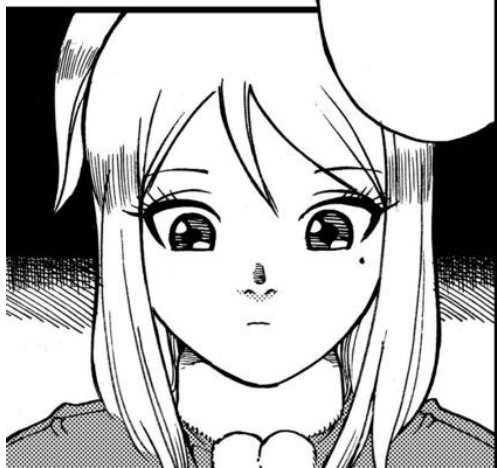

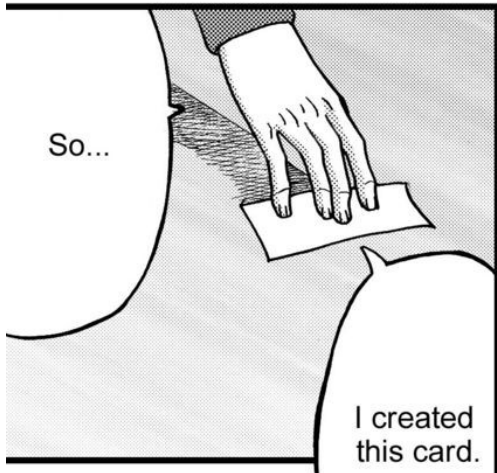

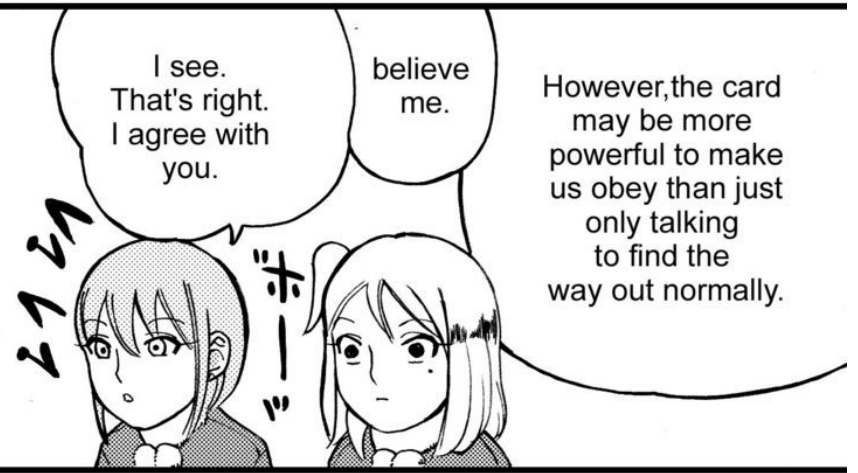

WOW!

just like a baby.

But the thing written on the card can be done only in the place that three of us are together.

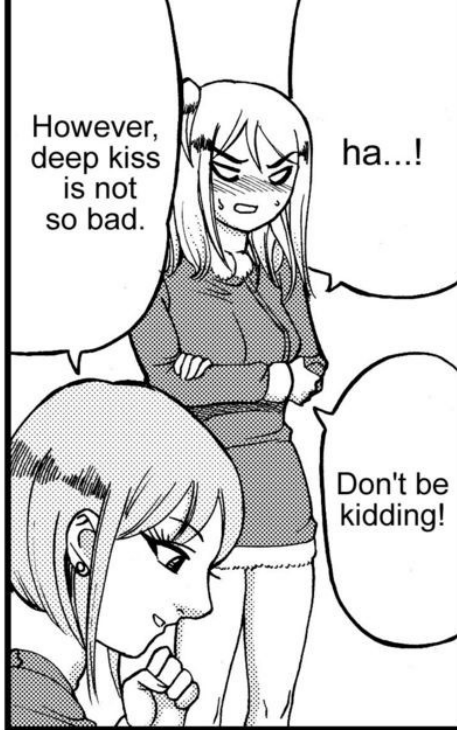

I don't mind if you write something extreme. But keep in mind that the loser must be in the same room then as well.

um...  
About what the winner will get..

actually, I've ever kissed with Kensuke once...

However, deep kiss is not so bad.

ha...!

Don't be kidding!

That's because you are virgin.

I don't wanna show that to you.

Ok. How about kissing under the arms?

That's nice idea!

well, we've decided what the winner should get.

So explain the rule now. A person who can strip all of another one's clothes down first will be the winner.

You can use only hands and mouth to do that.

Strip the rival's clothes down?

yes, if the other one jabs the finger into your eyes, you can't punch or kick her.

And you can't bite the body of the other strongly. But it's okay in case that you bite her clothes.

Don't break the rule.

Kensuke, what you said is really hard to follow.

Okey. We're going to start now.

But that's also charming.

Oh my god!

I'm still sitting..!

Start!

I won't let you stand up anyway!

アッ

fuck...

ooh!

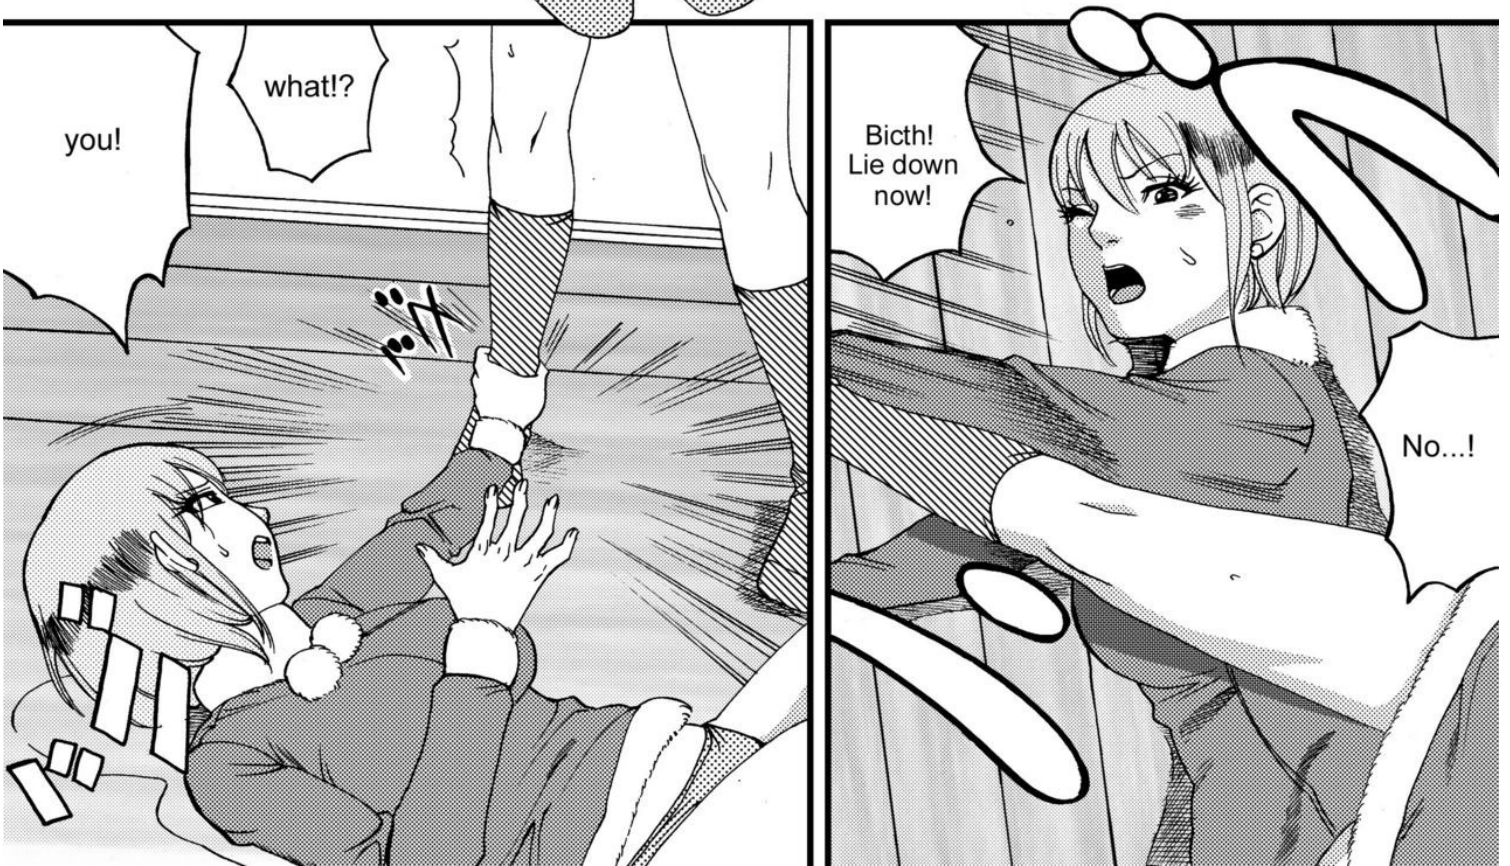

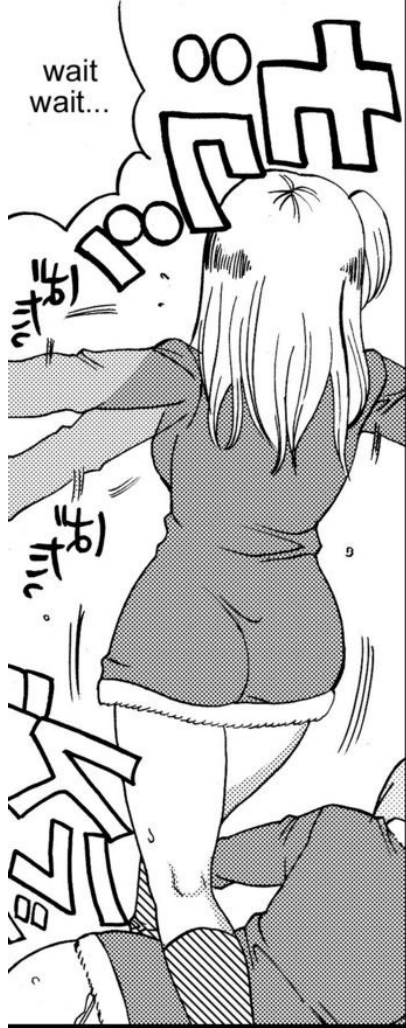

what!?

you!

Bitch! Lie down now!

No...!

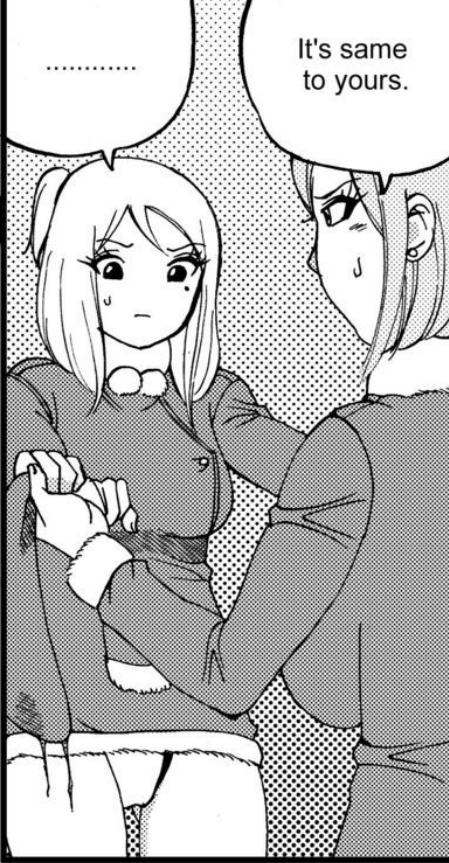

haha!

I also got the first piece, too.

This one may be too cheap for this fighting.

It's same to yours.

Shut up! You're just a fucking cow!!

Oh!!

umm....!

umm....!!

Shut up!

Bitch!!  
Become  
naked now!

hey!

Keep your  
hands out!

Don't touch  
me!  
Bitch!!

Who are  
you talking to?

Fuck you!

This  
one is no need  
for a bitch  
like you!

s... stop!

It hurts!

Did you hear what I said! stop!

oh... shit...!

stop...!

I'm gonna win you by keeping locking your neck like this.

ah...!

ah...!

Keep your arms out!

Keep your hands... out...!

um!!

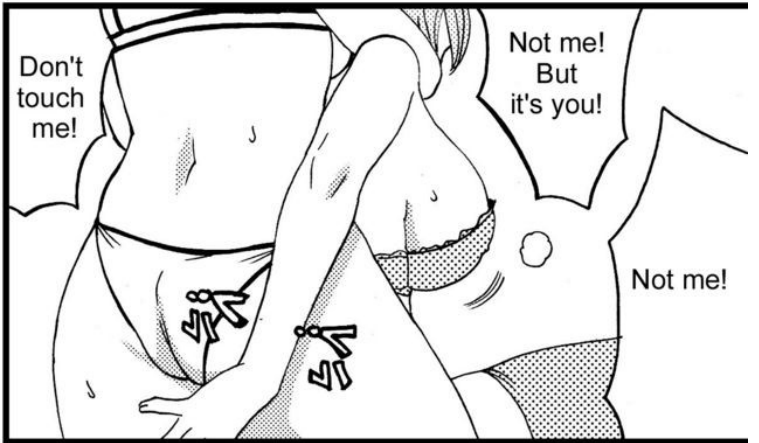

shit!

keep your arms out...!

Now...!

um...!!

Don't touch me!

Not me! But it's you!

Not me!

Oh my god!

wait wait!

It's so exciting that I'm about to forget that I can win just only by taking off your clothes.

um...

hur... hur...

fuck!!

oh!

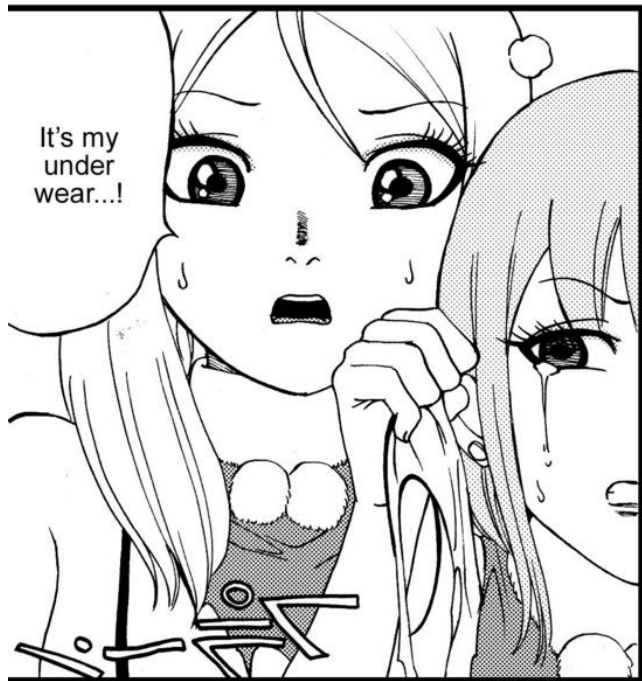

Wow!  
I got it!

Hey!  
Hey you!

Wait!  
Give it back  
to me now!

Then,  
count it  
as  
one point  
for  
you!

It's my  
under  
wear...!

Referee!

Well,  
indeed  
it's  
one piece.

Don't  
look!  
Kensuke!

Sorry.  
That's  
hard to  
follow.

Shit!

Oh!!

um!!

one more piece!

Referee.

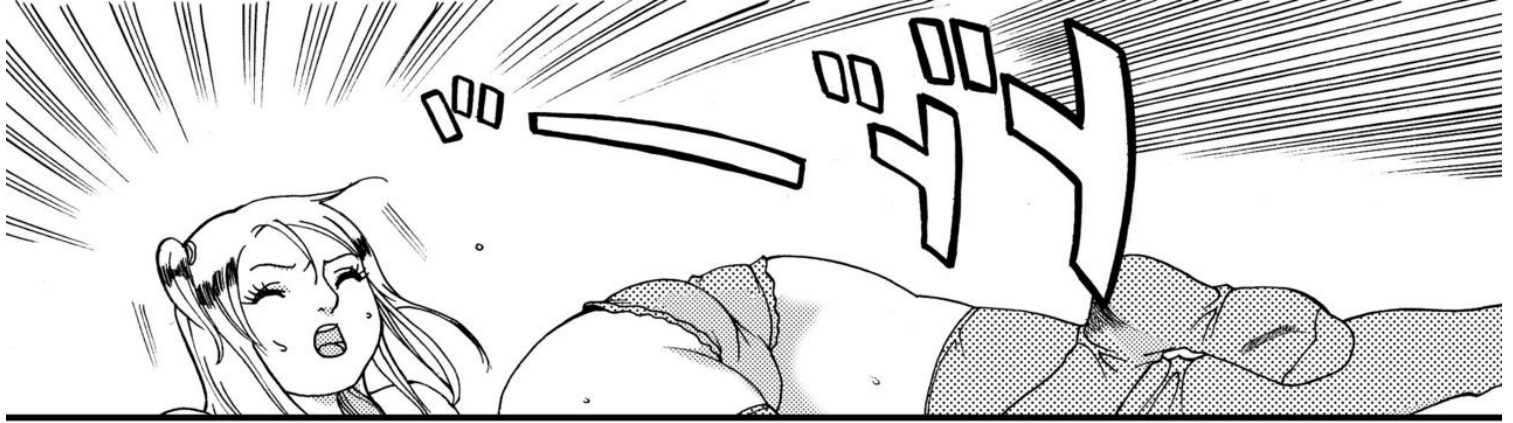

Fuck...

Fuck you...!

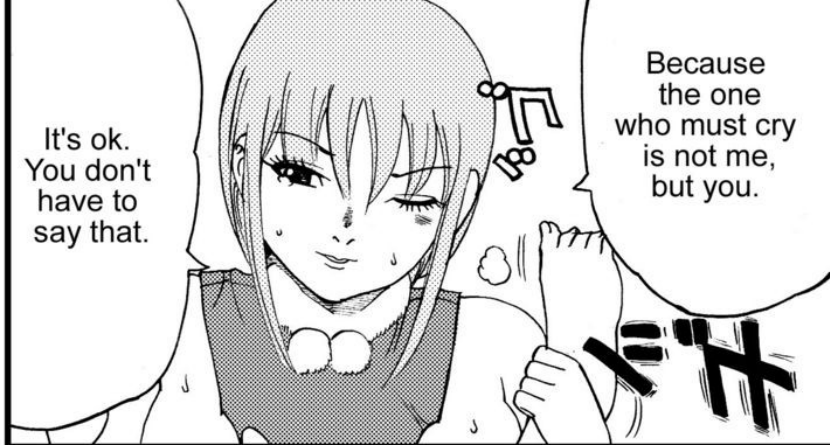

oops!

Go to hell now!

Who said that!  
Bitch!

It's ok.  
You don't have to say that.

Because the one who must cry is not me, but you.

Ok. Let's see this!

Let's show Kensuke the most important point!

Stop! bitch!!

Oh my god!!

Stop! I promise to kill you, bitch!

Ryoko, will you give up?

sorry I can't...

No! Don't look at me!

It's too fast to finish this fighting.

Let me free now..!

That's ashamed!

Fuck!!

No!!

It's too early to act like the winner!

Don't be on top for too long!

Oh! shit!

Now, it's my turn to be on top.

It's no turn for you!

Because the winner of tonight must be me!

There's no future for you.

カキカキ

What did you say?

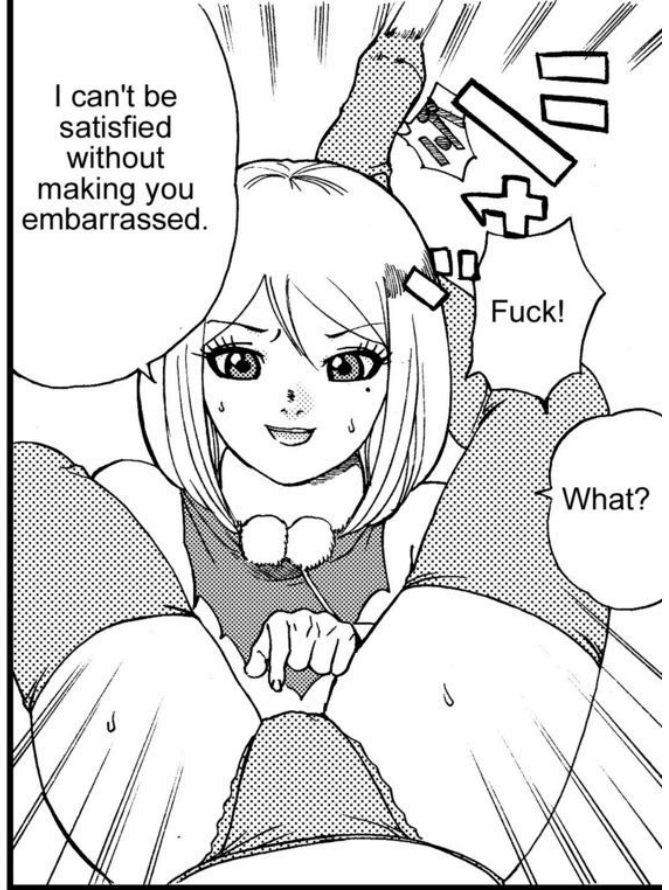

Next...

Next, I'm gonna show you.

How about this?

No!  
It's no need to do anything!  
And no need to touch me too!

I can't be satisfied without making you embarrassed.

Fuck!

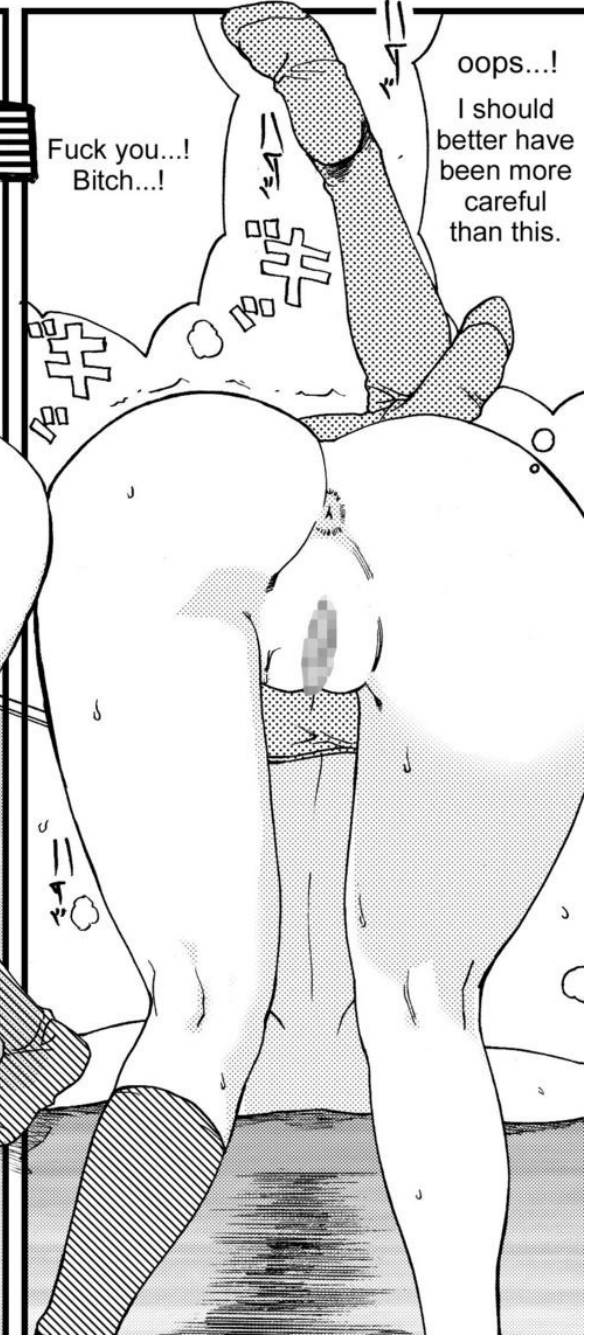

What?

It's not such easy to win me!

Oh!

I'm not your doll!

Fuck you...!  
Bitch...!

oops...!  
I should better have been more careful than this.

Oh! I see. Riko is trying to...

push down and hit Ryoko's face.

Go away...!

Oh!!

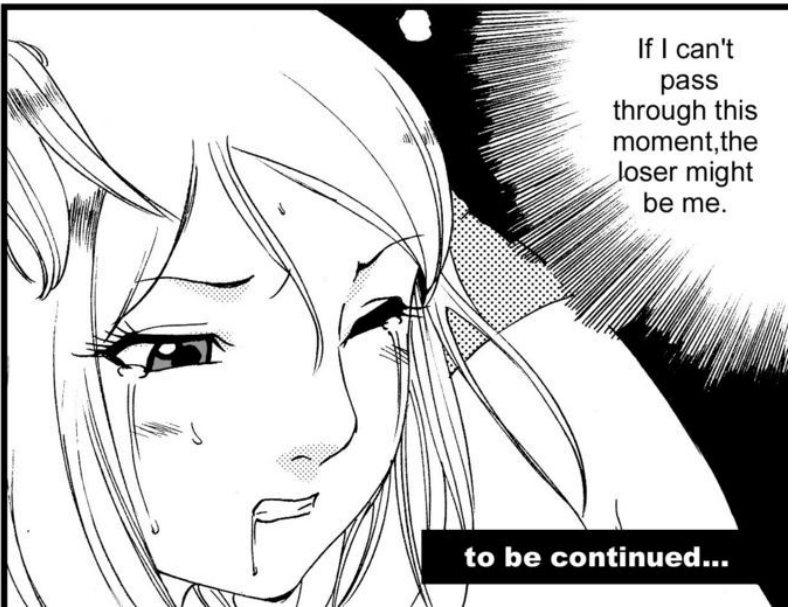

I've been waiting for this chance!

I must win you!!

I will finish this fighting now!

Let's see who is gonna be a loser!

If I can't pass through this moment, the loser might be me.

to be continued...
