召しませ♡ 放課後オトコノコ!

That day, I was standing in front of an empty class-room.

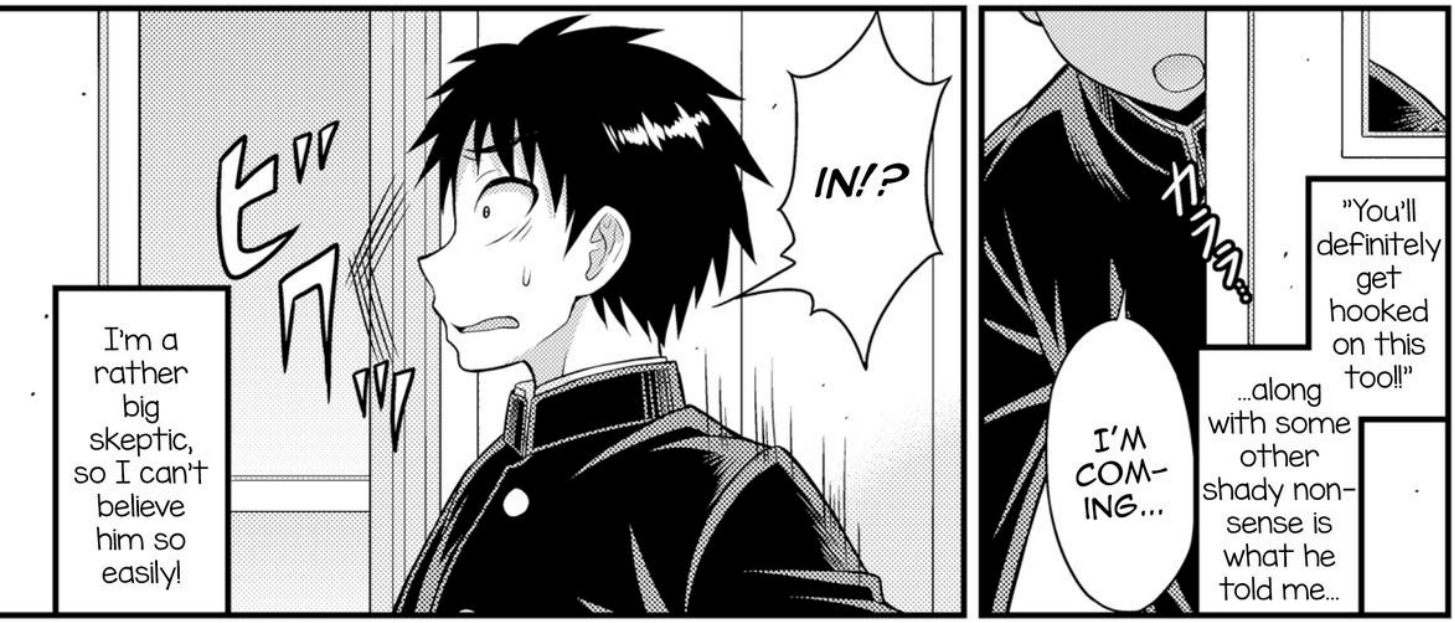
Apparently, there's something my friend's gotten hooked on lately in here.



"You'll definitely get hooked on this too!!"
...along with some other shady non-sense is what he told me...
I'M COM-ING...

I'm a rather big skeptic, so I can't believe him so easily!
