increase the
intensity of
the arousal

further!

I can't!
I'm already
on the verge
of wetting
myself just
by standing
up

That's it! I can

What do you do when your rival is getting on your nerves? Well, you fuck her brains out and become her lover, of course (laughs).

Another Comic Unreal goodie, this chapter was really fun to translate as well. I hope I'll get to translate more of these :3

Alright, I hope you enjoyed reading this too!
