

It always
feels
scary
in this
place

The old
school
building...

Whew

Where
did she
go
without
finishing
her
cleaning
duty...

It's
a bit
heavy....

*startled

*clatter

Who...
Who's
there?

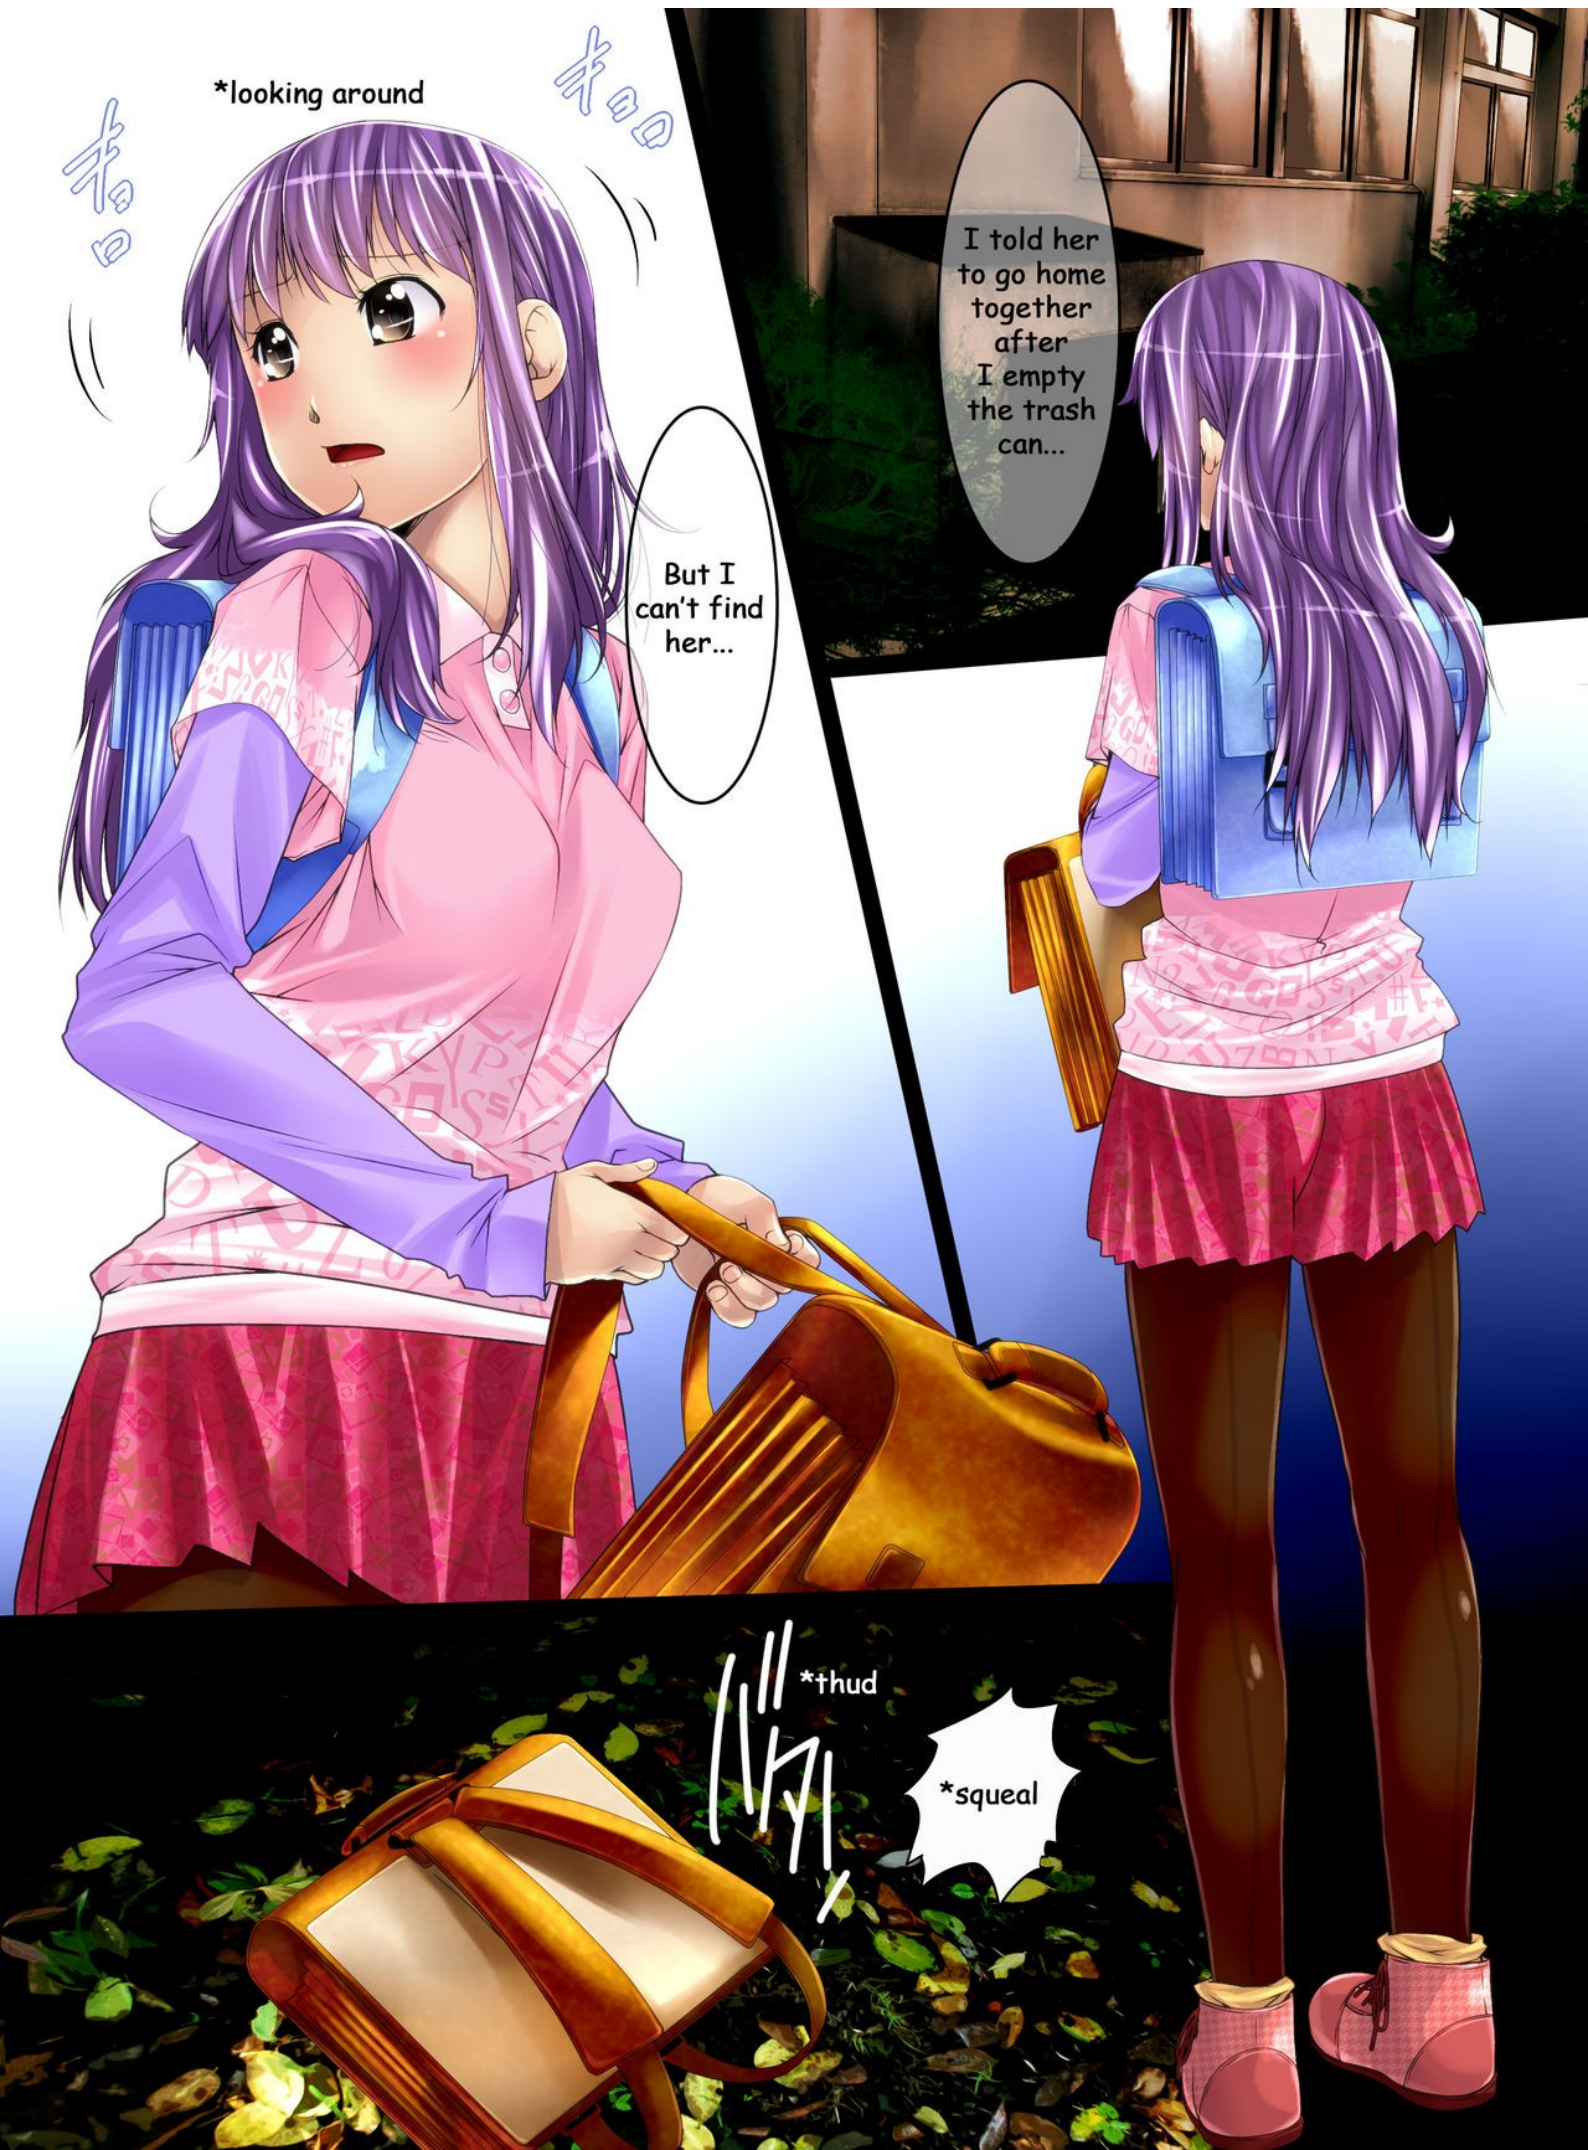

*looking around

But I
can't find
her...

I told her
to go home
together
after
I empty
the trash
can...

*thud

*squeal

A full-page illustration of three anime-style girls standing in a classroom at night. The girl on the left has long blue hair with a yellow bow and wears a light purple dress with a large pink sash. The girl in the middle has short orange hair and wears a light blue dress with a dark blue sash. The girl on the right has long purple hair and wears a red dress with a white sash. They are all looking towards the right. In the background, there is a window with a view of a city at night. Three speech bubbles are present: one from the blue-haired girl asking about the classroom, one from the purple-haired girl wondering about cleaning the rooms, and a text box indicating a time jump.

Was there
anything
in this
classroom?

Not used
for years,
huh?
I wonder
how long it
will take for
us to
clean up
these
rooms.

A few
years
later

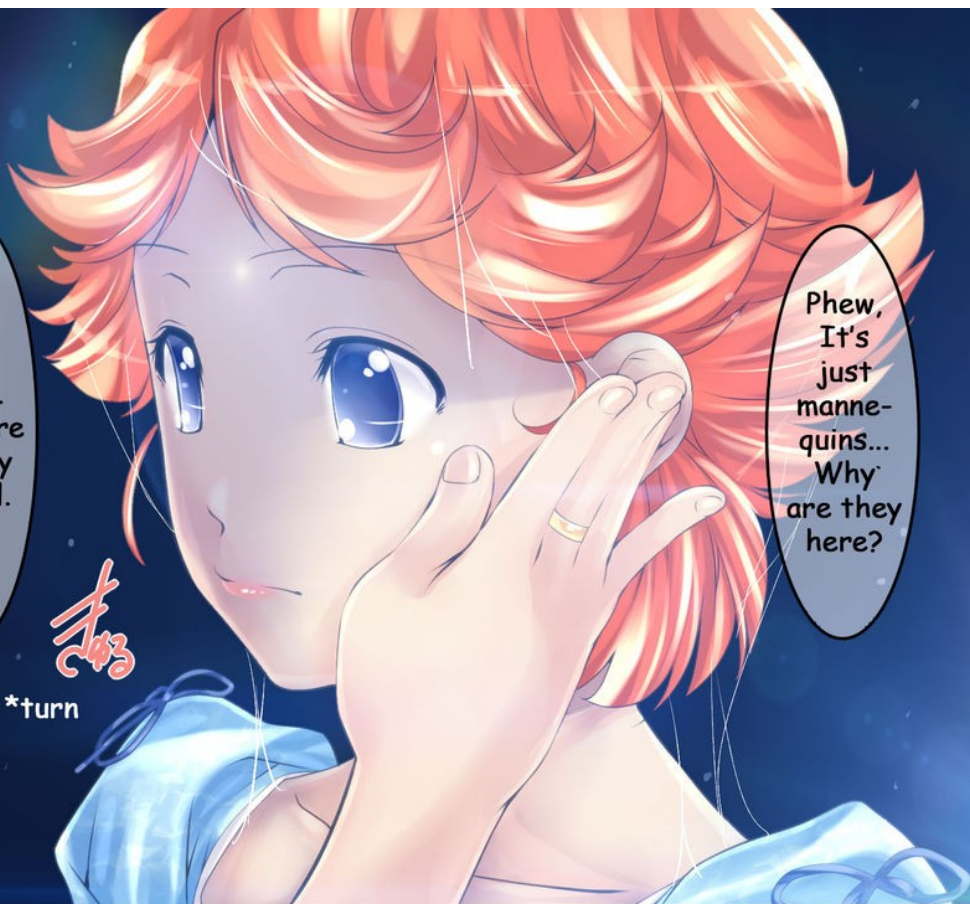

What
the...!?

Oh...
They're
Dusty
at all.

*turn

Phew,
It's
just manne-
quins...
Why
are they
here?

Yeah!
The acting
club members
will be
pleased
when I bring
these
clothes
to them.

*pat

But
as for
her
clothes,
she is
dressed
preety
well,
isn't she?

No.
We have
no place
to put
them.
Let's
throw
them
out.

Should
we
leave
these
mannequins
here?

I used to carry these things as a high school part time job.

Ah, you're right.

Sorry for making you to do all the hard works.

It seems you are skilled at carrying mannequin.

By the way, I can't guess why these mannequins were in the old building...

Well, I've got no idea, either.

*pat
ぽんぽん

Thank you.
You were
really
helpful
today.

Don't
mention
it.

*clonk

Phew

This
is the
last
one.

I'll
deal
with
them
in a
couple
of
days.

Okay.

It'll be
fine
storing
them here
for a
while.

A few
years
after,
again...

...Huh?
It has
no dick?

You're
kidding~

*maul

Gee,
it has
no penis,
too!

Dick
fingering~!

*poke

What
about
this
one?

*paw

I thought
it would have
a big dick
since it has
such a huge
butt!

Let's
undress
it!

It
must have
a huge one!
Take
it a
careful
look!

*slip

I heard of a rumor about those mannequins.

Again, those mannequins are all messed up...

Me, too!
Someone found them from an abandoned school building, right? Creepy....
