Miss

we're
ready

now...

Party Time

パーティー
タイム

Oh
no...!
It's worse
than
yester-
day!

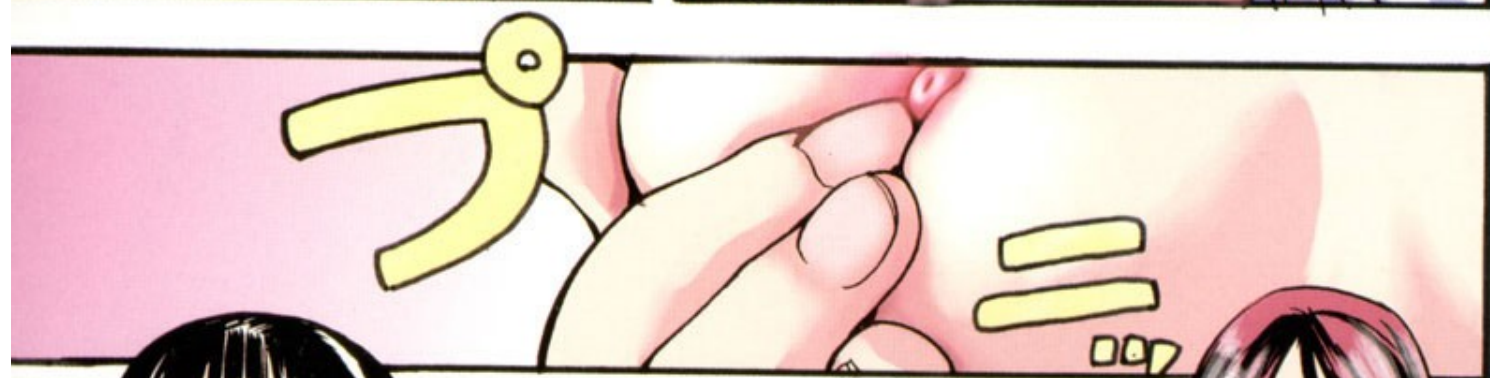

Son
of a
bitch
...!

Day
9

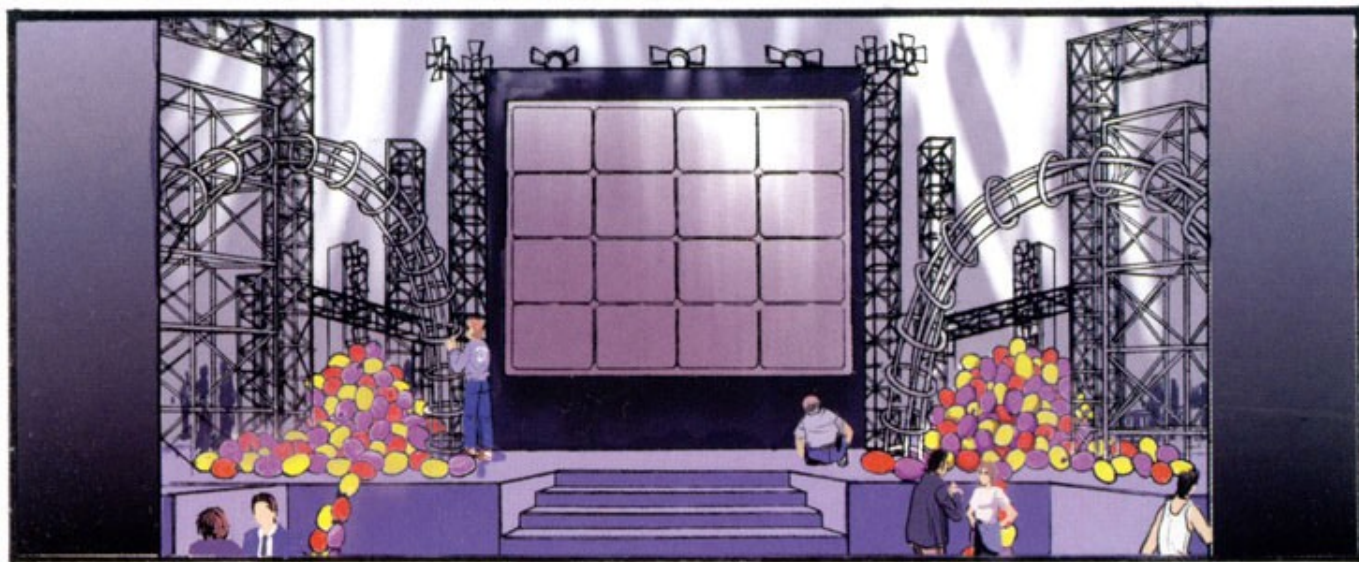

(Morning)

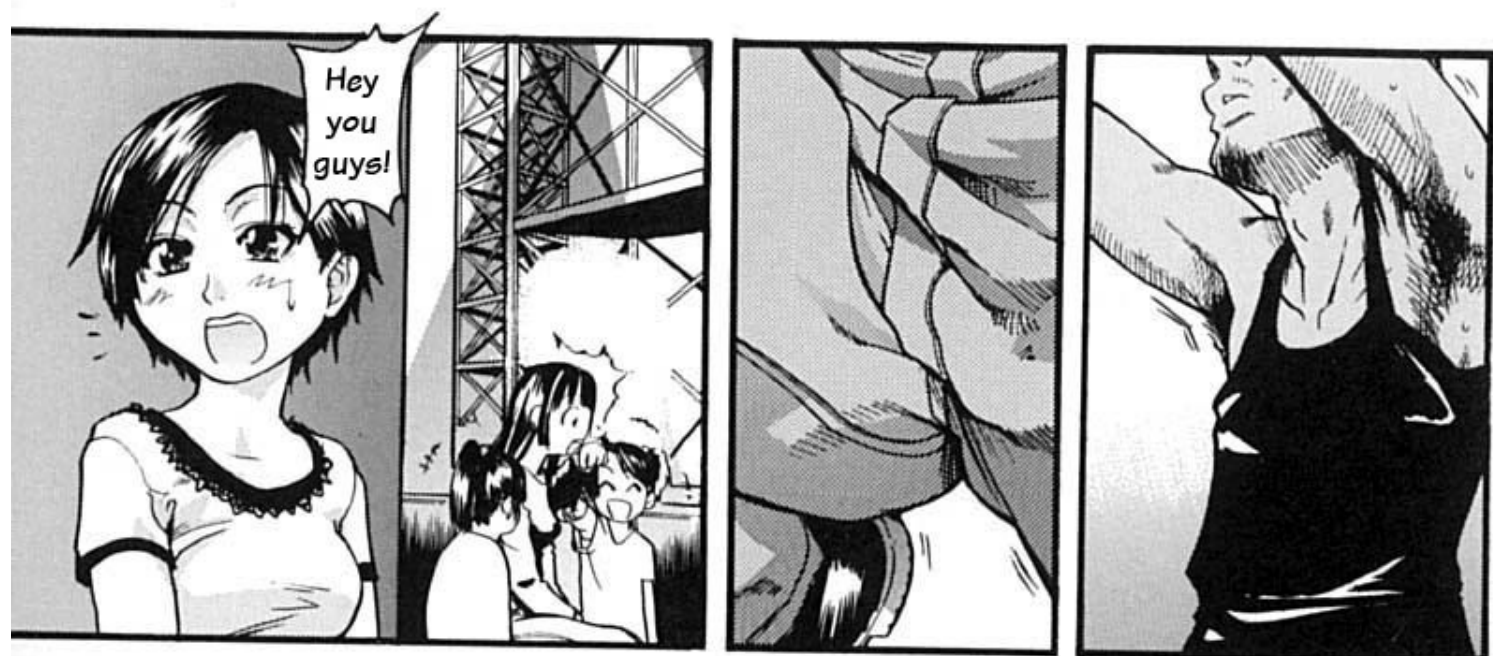

I'm all
tense and
tingly; it
feels
kinda
good!

It's almost paranoid to let the girls wear those blindfolds and headphones all the way over here.

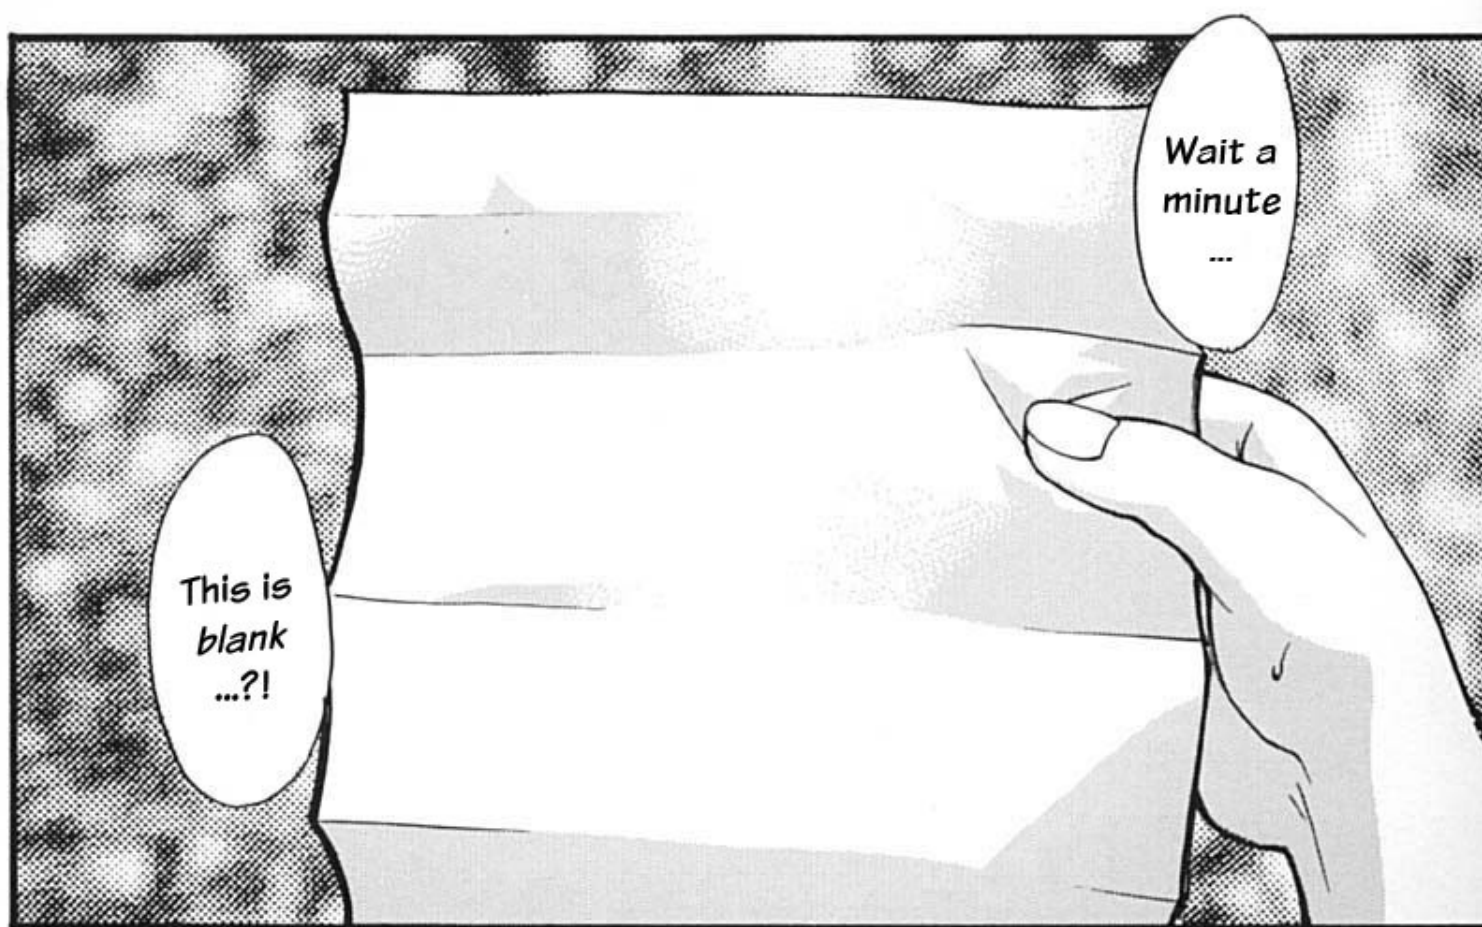

If all you do is lick and suck a little, then Kei and that demon guy go at it like animals aaall the way until morning... Well am I supposed to be safe now or what?!

Overlook note:
They are
mocking
Kei as an
"obachan"
("Auntie",
middle-aged
woman). This
is implied to
have started
in reference
to her serious
(unyouthful)
demeanor.

That's
why
Yauchi
can't
recall
hers.

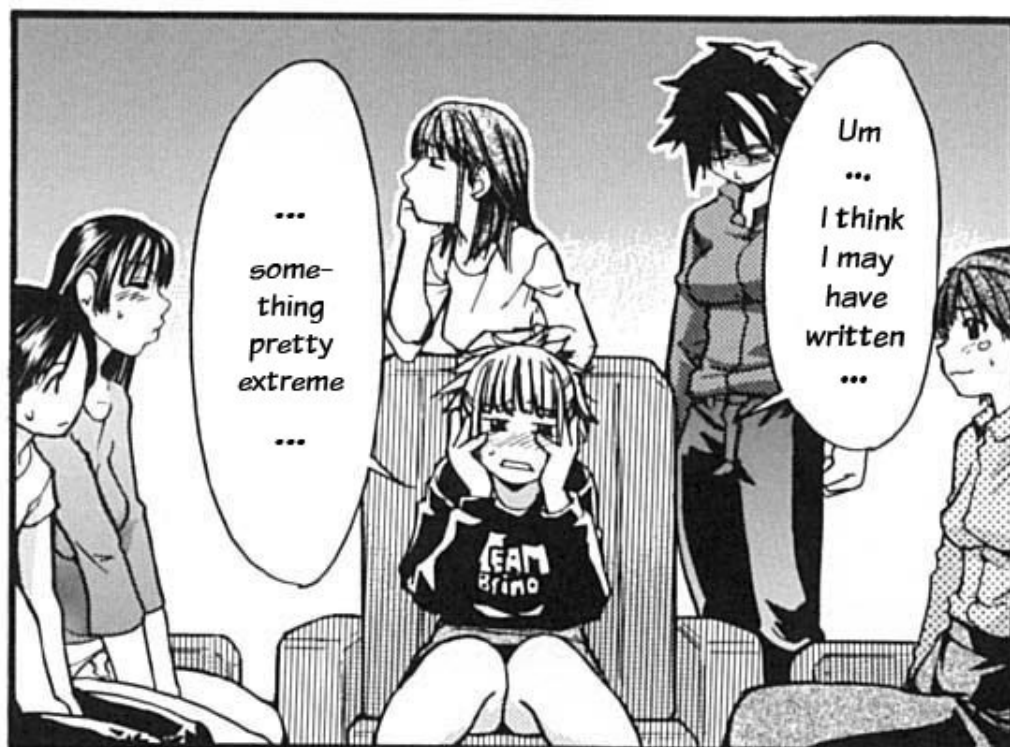

It's OK,
Natsumi. None of
us can remember
the homework we
wrote, until it
actually
happens.

Oh

Me
too,
just a
little
—

But I
can sort
of almost
remember
—

...
some-
thing
pretty
extreme
...

Um
...
I think
I may
have
written
...

It's...
probably got
something
to do with our
performance
tonight
...

Please
sir,
call it
off...

We
have
to
cancel
this
gig!

All
right,
listen
girls!

Demonic
forces are
weak in
this world!
You know
what the
magic may
require
...

If you
keep at
it, you're
just
being
reckless
...

It's
not
safe!

Enough
already!

I
worry
about
you!

**SIR!
YOU
MAY
EVEN
DIE!**

I can't
bear the
thought
of all
my
girls...

being
raped
because
of
some-
thing
I did!!

I'll send
away the
fans who
have
already
gathered.

We can still
cancel if we
act now!

...
I'm so
sorry.
This was
my fault
from the
beginning
...

We
will
sing.

Thank
you
...

We do
appre-
ciate
your
feelings
...
but...

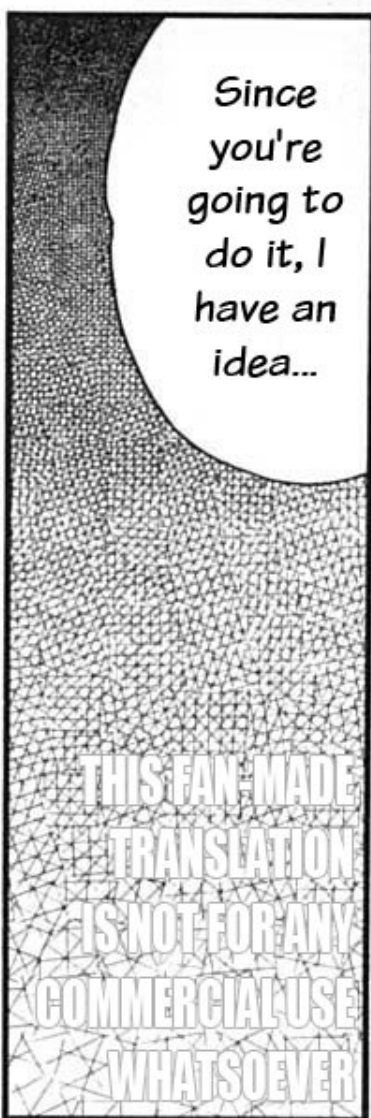

We can't
disappoint
the ones
waiting
for the
broadcast
at home,
either.

Oh
...

All those
fans, who've
come so far,
looking
forward to
our show...

Well no, I have
made the
arrangements,
just don't blame
me if people
get hurt!

え？

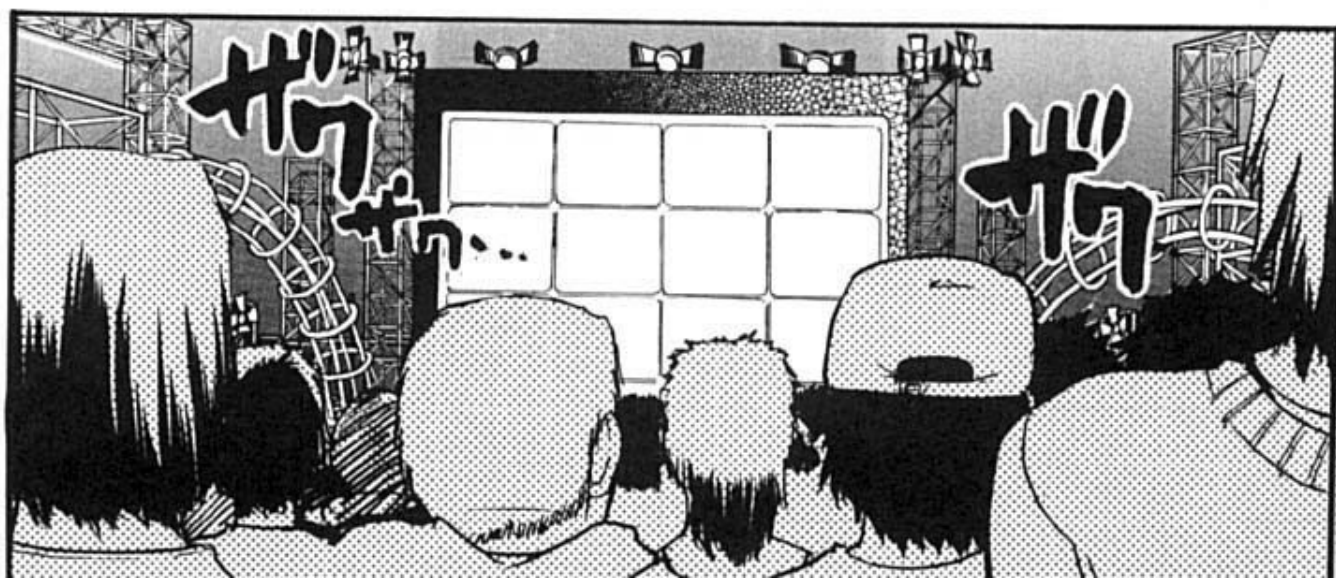

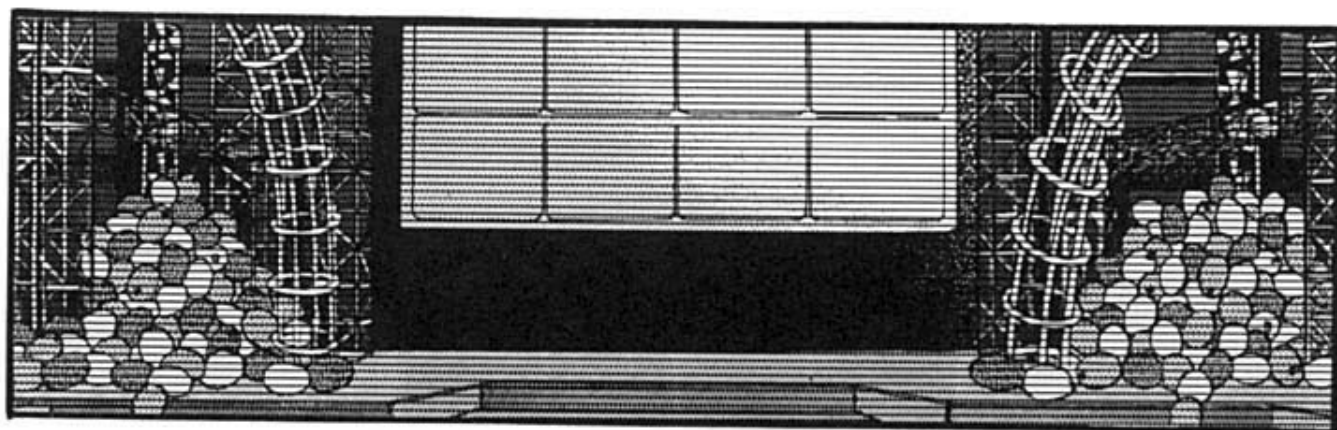

Whoa,
we're
actually
doing
that?!

You
love
them
too
much.

I can't
convince
you...
can I,
sir?

I know
how you
all feel; my
body's the
same
way.

It may
get worse
when we hear
the crowd
out there,
but...

Let's
make
this the
best gig
ever!

I was so
afraid they'd
jump me...
Force me to...

That

Quit

Ah!

Hell no!
Don't
stick your
nose
there!

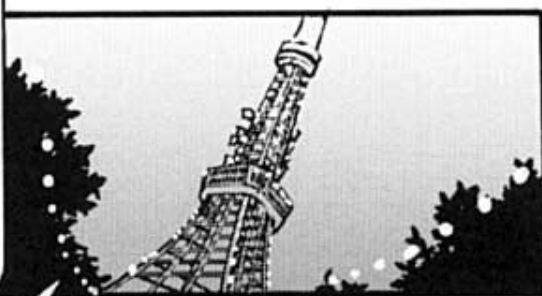

The girls are being gang-raped by the audience at their own show.

Hey!
Are you watching?
Can you believe it?
It's awful!

Still, the nation-wide broadcast continues. Those looks will bring them down...

What, rape is too edgy or something?!

It's a fantasy!
I don't think it matters what people think of when they masturbate!

Look at it Mari

...

Look at your home-work made flesh!

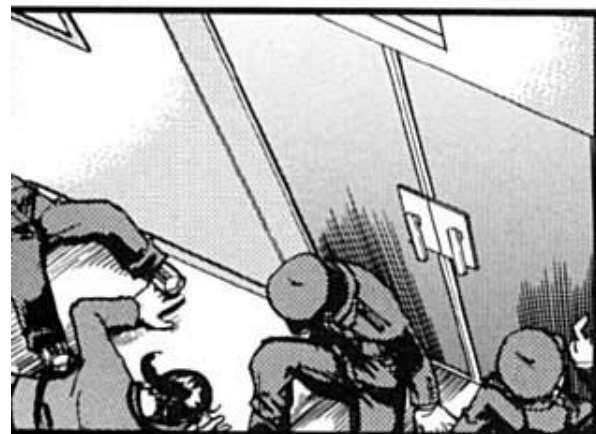

You're getting nowhere, causing all this trouble!

Let's stop already! I told you I would do anything for you!

You're hurting them!
MAKE IT STOP!

They're showing what?!

I can't habesb it!

You can have me any way you want, even my... my ass..! You can!

...

When you were little, you wanted to grow up quickly.

You yearned to be a cool and confident woman.

As a child, you so admired the older girls of the inner-city schools in Yokohama...

... but you felt painfully different from the ideal woman in your mind.

You began to obsess about your stature, your face and bodily proportions.

How ... could you know?

You had come very close to your ideal, but you had not gotten rid of your self-loathing; you were still in a hurry to become an adult.

With great effort and good fortune, you eventually became the foremost addition to Shining Musume, as part of the group's second generation.

The body can refuse.

If the depths of the heart refuse as well, the attempt is doomed ...

You see, you cannot run up those stairs to maturity ...

Little girls who run around unsatisfied will sometimes do a rather stupid thing.

You've kept yourself extremely busy as an idol, never daring to try again.

うー

It hurt. You freaked out.

That
ends
today.

You keep
pretending,
Yauchi.
You are still
overreaching.

Well yeah, it's
true! So sorry!
What do you
want, he was
hurting me! I'm
small OK, and so
is my... private...

Will

volume II of *Shining Musume* by Shiwasu no Okina

Yeah! What about our homework? Isn't it done?

What ... ?

You did the ones Sayaka, Gottou, Hako and Kaori wrote, before today!

this!

LOVE BRIDGE

...she auditioned to join the group, as one of you!

Stop! Don't tell them that!!

Oh, this is interesting! Before becoming the current manager of Shining Musume ...

I can't believe we had no idea!

えええ

Why didn't you tell us?!

I didn't know that!

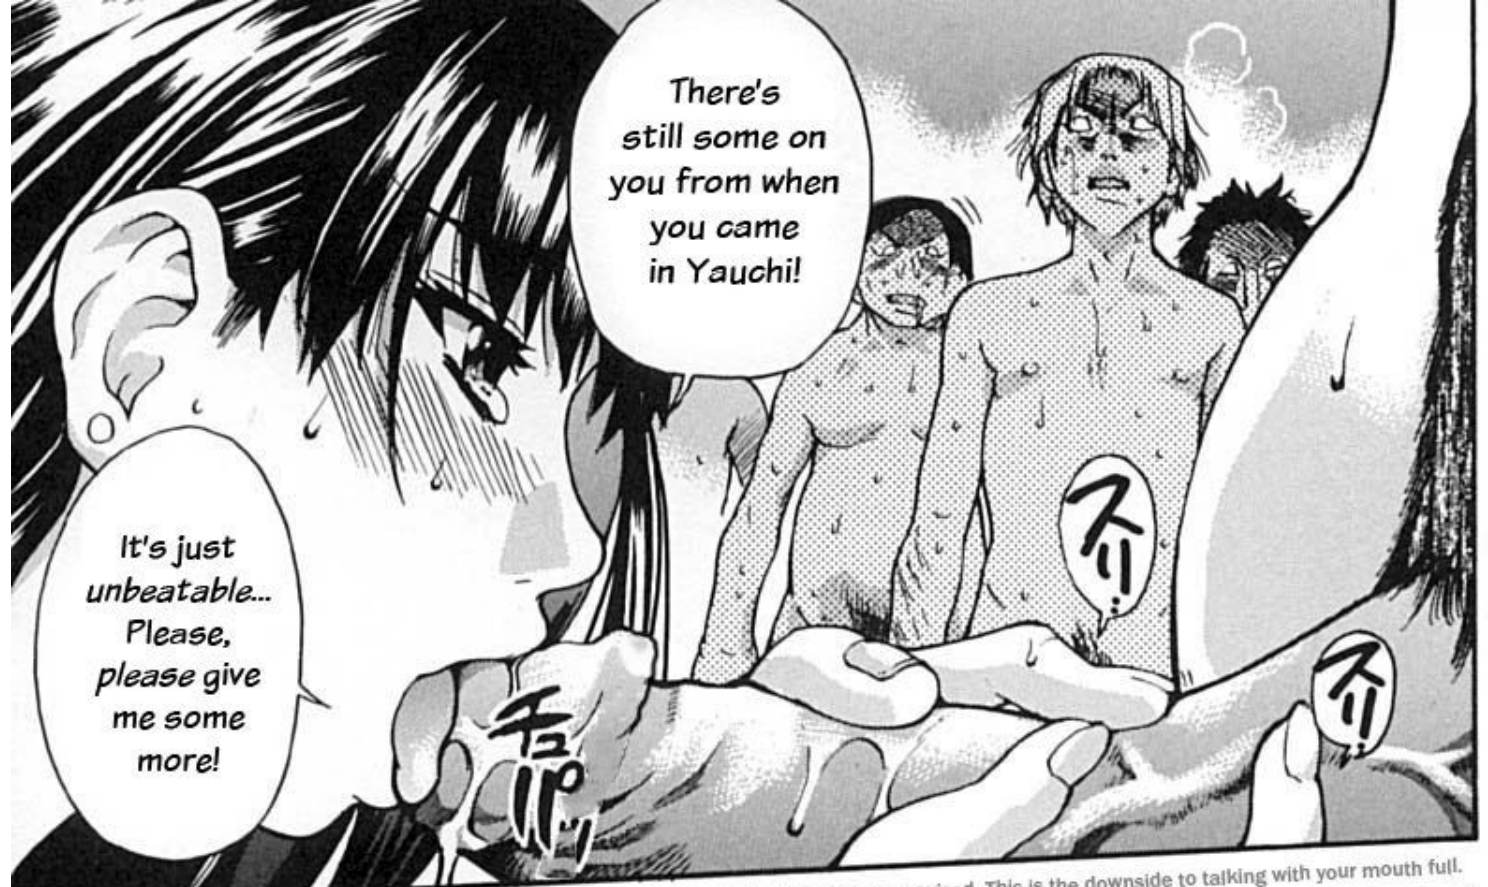

Is that true? Is it?

That's how she started to dream of subjugating you with a penis she didn't have...

She wanted to be a member at any cost, but instead became the victim of an inferiority complex. Since she was originally a lesbian who liked the butch role, as time went on, her admiration for the real members began to mix with a twisted desire.

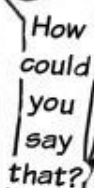

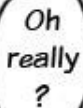

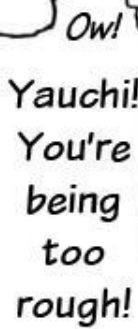

All set, Yauchi!

Overlook note: I can hardly understand a word Shiida says here, so the translation is mostly improvised. This is the downside to talking with your mouth full.

あ
This really is amazing!
So sensitive!

Hee hee!

Don't! Stop !!

No! GOD NO!

Your juice is burning too!

YOU'LL BREAK ME!!

I want to pull harder on your clitoris... can I?
Oh can I? What if I just pinch it more?

That evil fairy said you wanted to corrupt us into a bunch of pets, forcing your dick into our unwilling holes any damn time you felt like it!

That was just a fantasy! I'm sorry!

But
that
means
...

It's a
spiritual
thing
...

In the
words
of our
world
...

...
you
would
call it
**SUBCON-
SCIOUS
STRESS.**

Apparently,
as top idols,
we constantly
accumulate
inner power
from all those
who watch
us...

It's
not just the
admiration
of our fans.
It's a bit of
everything,
even
malice.

This invisible
inner power sent
to us is entirely
real, and we have
no defense
against its
various
effects.

I guess
it's a bit
like a
home
team
fighting
an away
team in
sports...

Some of those wishes
made us strong, but
others hindered us,
disturbing the balance
of our minds and
bodies.

... a lot
of different
wishes had
gathered
in our
bodies.

So
...

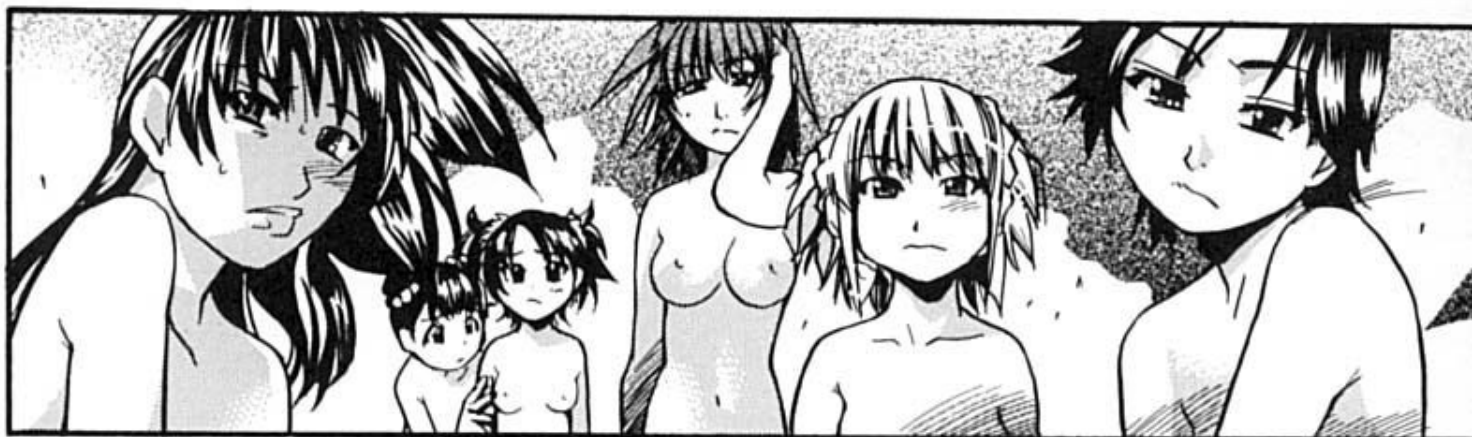

This is
why strange
diseases and
eccentricity
crop up in
show
business.

He
did?

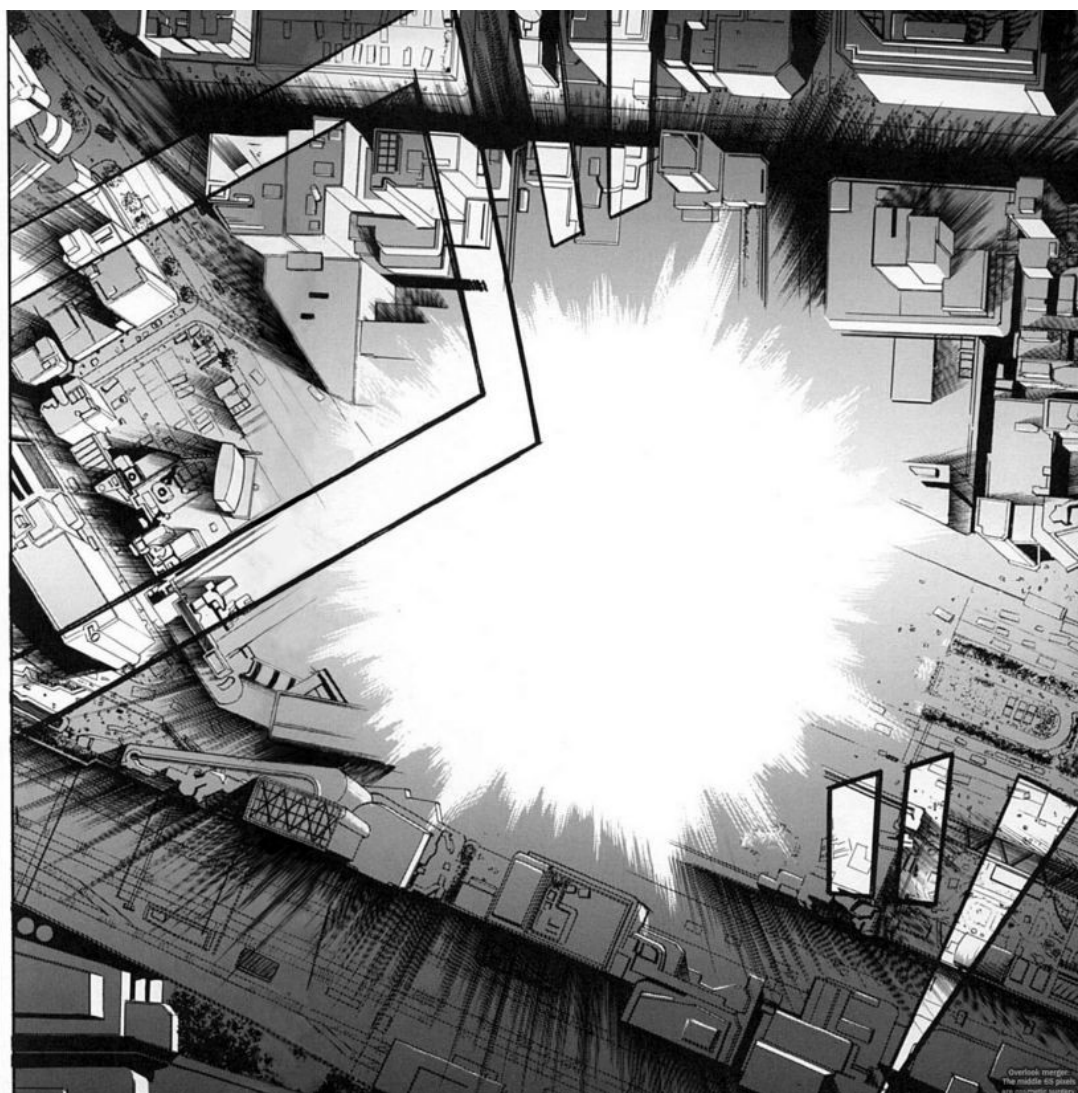

The
demon
helped us,
by purging
the excess
horniness
that had
built up.

He is a
demon. He
did it because
he wanted
to use you
for sex.

Sorry
Kei, but
the truth
isn't quite
so pretty.

<That Musume show today kicked ass.>

I told you!

You over-did it! You almost died! So stupid!

There's almost no magic left in us now!

Really, really stupid, just...

I told you! The forces of evil are thin in this world!

How are we going to live?!

We have to stay here forever! We'll never see home!

We're part of the tribe of evil! Once we lose our magic...

どうするのよ!!

What are we going to do?!

No spells, nothing! We're just people, helpless! We're doomed ...

The what now?

WHY
NOT
HAVE
THEM
BOTH
JOIN
SHINING
MUSUME
?

THANKS,
THAT SURE
EXPLAINED
A LOT!

HEY!
YOU
TWO
LOOK
PRETTY
GOOD!

YOU LOVE
'EM, DON'T
YOU GIRLS!

BUT
IT'LL
WORK!

LITTLE DID I
KNOW WHEN I
SENT YOU TO
"SHINDOU!"

PAH!
HE AIN'T
GONNA
SING
NAKED!

One of
'em's
a guy!
He's
got a
frickin'
penis!

PSSH!
PLAY
IT BY

Sir!
Think
of the
schedule!
You can't
possibly
expect-!

M-
Mister
Kingo♂!
Slow
down!

Go with it!

It's like us isn't it!

うお!!

おお!!

I think it's just ...

... great !!

Oh man, that's our producer!

Rika.

So tell us, what's your name?

I'm Chami-gawa Rika!

I guess it is!

It's the sort of thing Shining Musume would do!

Oh,
me,
I'm-

We'll
make it
work! So,
what's
your
name?

あー！
Oh...
I think
you're
gonna have
some
scars...

It's
pretty easy
to say for
a demon's
name,
huh?

Chamigawa
Rika... OK,
we'll call
you Rika-
chan!*

I
under-
stand
...

Plus
you have
to show
me your
smile!

Me too!
And Yuuko too!

I say ore all
the time!

No, you used the
masculine ore!
You're an idol now
so you have to call
yourself by the
feminine atashi!

I'm
pleased
to meet
you! My
name is
Yoshiwaza
Hitomi!

Go on!
Smile! I
bet you'll
look
cute!

あー！
I
...

*Overlook note: The "chan" honorific implies feminine cuteness and great familiarity, as well as inferiority or at best equality. Yauchi applies it as a matter of commercial formula (effectively a new nickname) and thereby as a sort of welcome into the "sorority". As for the other weeaboo stuff I left in here, using "ore" as a first-person pronoun implies you are a bad motherfucker; "atashi" is self-deprecatingly feminine. Yoshiwaza picks "watashi" in the panel to the right here, a neutral term. He's not a total trap...

Day
9

(Evening, 4 hours
after the show)

Good riddance, and I'll drink to that! Cheers girls!

She's probably in a massive panic attack right now, poor thing.

At the office I guess?

Where is our manager?

Two new members in one day!

Listen ... Before we knew it, so much changed ...

Unless we do something ...

I've just been thinking about that and, ...

No! That's just it!

Hey ...

え

Don't those two make you feel a little scared?

Especially us, as long as we stay idols ...

The demon... Yoshiwaza... said that performers keep receiving all that conflicting inner power stuff ...

!

... they
make us
horny too!
We get to
carry it all
inside!

Huh
?

The
show
must
go on!

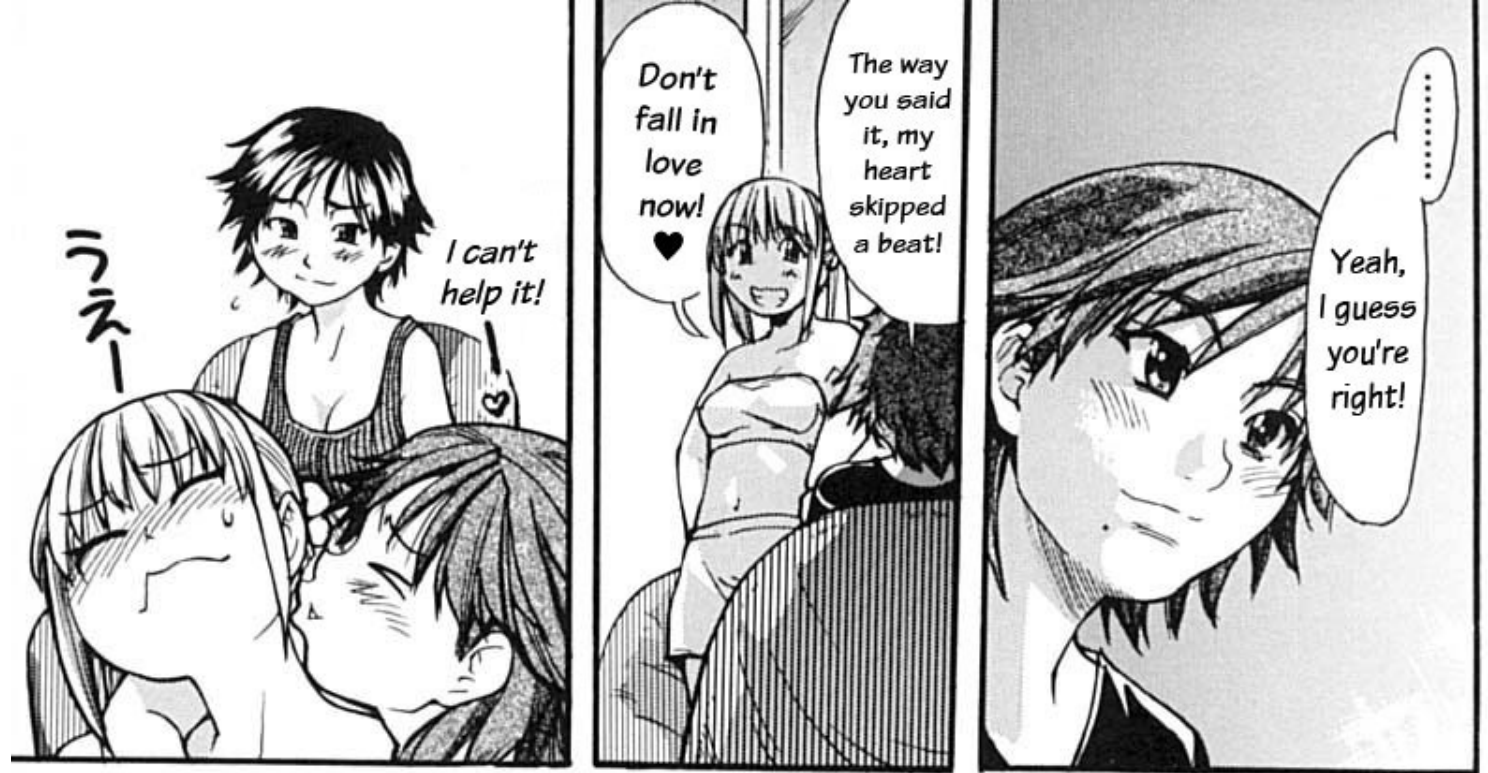

They
make us
strong,
they
make us
mellow
...

The
feelings
of our
fans!

Isn't
it totally
amazing!
Everyone's
hearts are
in our
hands!

We can
take better
care of their
wishes, and
put it all into
song!

Six months later...

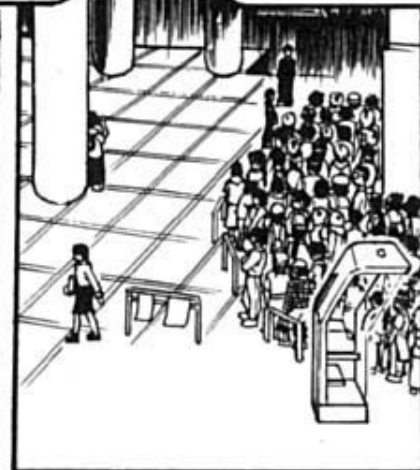

His body has recovered, and he's found a place in the group at his own pace.

You two look so good I could eat you!

When he first joined, Yoshiwaza was reeling from the loss of his magic.

Half a year has passed since those ten days of shock and horror.

They're both growing as true members of Shining Musume.

So... do... you!

Chamigawa was really nervous about entering human society, but now looks toward the future with hope.

The older members are as cute as ever!

Tsuchi and Hako are developing too, and by their side...

Yauchi
changed
her hair-
style.

... she was
going to try
her luck as a
solo singer,
and so she
graduated
from the
group.

One month
after those
ten days,
when the
group sang at
the Nippon
Budoukan in
Tokyo, she
announced

As for

Hey
sweetie,
don't

Why...?

There's
a rumor
going
around
that she
could be

Shining

is a

success
than ever.

Individually
and as a
group, they
are back to

Looks

Let's

They're

STORY

The scene is a ski resort, where the Hermitage of Dreams, a Western-style boardinghouse formerly loved by its guests, is suddenly threatened by a classy new hotel, the Bohemian Dream, at the foot of the mountain! The pension's only daughter, Natsumi, proposes an epoch-making strategy for getting the customers back, to her father. Mari, at the hotel, won't stand for that. The two girls were the best of friends in grade school, but before Natsumi knew what happened, Mari considered her a rival. Though Natsumi didn't know it, the reason was that Mari had fallen madly in love with Maki, the instructor at the Hermitage of Dreams. Maki only had eyes for Natsumi, but Mari's co-operation is essential if Natsumi's epic plan is to work. Can their relationship go back to the way it was? Bizarre phenomena shake the hotel?! An avalanche strikes?! Strange creatures from the snow-clad mountains appear?! What will be the fate of the Hermitage of Dreams, visited by so many weird occurrences?

Hako: OK, we're starting. This is Tsuchihako's ♥ Second Sound Channel!! This segment was supposed to be about getting... stories told, like backstage stuff, all our secrets revealed!

Tsuchi: We're chock full of ideas, straight talk and... uh...? (Yauchi, how is this read?)

Yauchi: "Aun"... geez, look it up ahead of time, you brats!

Tsuchi: Aun? Aun? Aiin.

Hako: Aiin!

Yauchi: ... Since straight talk is on here, I should say we don't recommend this for people who just finished reading for the first time. Those who have been following the serialization in Aun closely may not necessarily enjoy it either, though I don't know. I think you'll like it best if you got into this reading only the books, and you've done that a couple of times.

Tsuchi & Hako: Oooh, whoa, hehehe, you said that so well. It's just like you.

Yauchi: Hey, you're supposed to be chairing this thing! God, would you be serious. Aw man... I feel like I'm Yuuko doing the news in Hello! Shining...

Olive

Hako: Oh, our first broadcast! This was waaay back. There were only five of us on then.

Tsuchi: Yeah, at the time, Abe and Auntie and me were overseas shooting a photo album.

Yauchi: Well, it wasn't an independent project or anything, we just had to divvy up for it in the end and you guys were the last to get your shoots.

Hako: Oh oh, Yauchi, we have to mention, uh, this is getting to the straight talk; the reason why I was such a crybaby the first time was the influence of Tsuchi!

Tsuchi: Whaddayamean?

Hako: When Tsuchi wasn't there, I had to take on her character flaws!

Yauchi: Aah, yeah I can see that. After all, we didn't know when Tsuchi, Kei or Natsumi would appear.

Tsuchi: Hey, I'm not a crybaby! And anyway, how come Yauchi got to be the leader?

Yauchi: Uh, well, in short... I understand it was the spur of the moment. Y'know, now that we know how it ended, suppose if Kaori had been the leader; maybe this whole riot would have gone another way.

Hako: I think the main thing was that Nagasawa on All Night Japan handed it over to her, so they just went for Yauchi and that's how it ended up.

Yauchi: I'll keep doing my best as your leader, too, so I'm counting on your support! Smooch!

Tsuchi & Hako: Eh, uhm...

Tsuchi: Oh right, the main character this time is Shiida. Her hair is still pitch black at this point.

Hako: It was really more of a dirty blond to begin with, but going with that would have meant almost everyone's hair was toned, so that's why I hear it ended up black.

Tsuchi: Oooh, look at what he's doing to her!

Hako: Whoa, hers are real bouncy! That's what I call boobs.

Yauchi: (red) Yeah... Kaori... she'll keep getting it hard, making those erotic faces... aah, no I can't take it, go to the next one!

Tsuchi & Hako: Huuh?

Celery

Hako: Episode two! The main character this time is Iki.

Tsuchi: There was one thing here that a lot of people didn't understand, and me neither. What was up with that line about Coke?

Yauchi: Huh, you didn't get it, it didn't...? As usual, maybe I'm the only one who's heard that washing with Coke is supposed to be a contraceptive. Don't people at least say that the

softness of a girl's upper arms equals the softness of her boobs or something? And sticking your hand out of a car moving at 50mph is like the feel of a D-cup, they don't say that?

Hako: Don't talk about that while you're kneading my upper arms, Yauchi!

Tsuchi: Heey, mine are softer Yauchi! Feel this...

Yauchi: ... Ah, no! Can't get caught in imagining things! Tsu-, Tsuchi, get back to where we were.

Tsuchi: Oh well... It's about Iki's hair. Seems like it wasn't very popular. The author wanted to revive a kind of "mommy" hairstyle with Iki, but everything points to a failure there.

Hako: And perms keeping crashing hard too, huh.

Yauchi: Sorry, Sayaka...

Caper

Hako: OK, the Gottou-centered Caper series is on!

Tsuchi: Whoa, wait a second! More importantly than Gottou being the main, this is when I return!

Hako: But weren't you with Yasuda and Abe when you were gone?

Tsuchi: Uh... that's not really...

Yauchi: Oh that... Kyahaha, the truth is little Tsuchi had gotten homesick!

Tsuchi: ... Yeah.

Yauchi: So cute! So that's why we got her back alone, ahead of the others.

Hako: Anyway, the scene of her first appearance is...

Yauchi, Tsuchi & Hako: Short!!

Tsuchi: Recovering... it's on to that Hello! Shining recording session.

Hako: It's an old set for the show, isn't it. I wonder why.

Yauchi: Well apparently, the very week after the assistants got whipped into doing those back-grounds, Hello! Shining got a totally new set.

Tsuchi: So when this episode came out, the real set was already different. ... Aah.

Yauchi: "Aah"? ... What's that supposed to be mean?

Tsuchi: Aah! Bloomers, I never wore those before!

Hako: Me neither, *me neither!*

Yauchi: No way, that was your first time? It's a different era nowadays, huh. The truth is though, I really hate bloomers. They are just... *incredibly embarrassing*, aren't they! I felt so ashamed that time.

Tsuchi: I guess you could say that embarrassment got to be sort of a habit for you, Yauchi...?

Yauchi: Oh yeah, every day after that, I privately- HEY!

Hako: It's *noritsukkomill*

Yauchi: (bashful) Well uh, recovering again, here we see the stuffed animal squad from オ○ム— Land taking the stage.

Tsuchi: Y'know, I went there later and it was really a shock for me to see the real ones, like totally the opposite because I had been through this story.

Hako: Even though Gottou's the main, she was grumpy until the end of those ten days, huh.

Tsuchi: Yeah, you rarely saw her doing her usual thing.

Yauchi: Well that must have been because of the attacks. I didn't smile much either; in fact, the only ones who kept up their usual pace through all this were you two!

Tsuchi & Hako: Oh, we got praised! Yay!

Yauchi: Sigh...

Hako: Oddly enough, Gottou's hair kept getting longer and longer huh. Even though no more than ten days passed.

Yauchi: Shhhh! The author had to take desperate measures for secret reasons.

Tsuchi: Her whole face changes too. In ten days.

Yauchi: (loud silence)

San Marzano

Hako: This is what we waited for, the Lovey-Dovey Devils-!

Tsuchi: Yes, the Health Delivery episode! ... Speaking of which, I still don't understand just what the whole health delivery service thing is. Yauchi, please explain it.

Yauchi: Wha, why do you turn to *me!* ... It's that thing, right... the one where a man calls a *number* to get a woman... for sex. (red)

Hako: Ooh, so that's how it is! Yauchi, you're so grown up!

Yauchi: Geez, you're pissing me off! You're the ones who actually *did it!* While I went to the demon's place.

Tsuchi: I hear Yoshiwaza's room in that scene was originally inspired by Date's room from *The Beast to Die*.

Hako: But in the middle of using that inspiration, the author apparently gave up on it.

Yauchi: Oh, right. I've got to explain about this song. The one I sing as I'm negotiating with Yoshiwaza, the demon, is called "Desert Sports". That's the one I did for the series of solo singles we released only to Shining Musume fan-club members. It's a verse from the middle of it, but he knew that's not the way it really goes, so that's how I found out for sure he was a hardcore fan.

Tsuchi & Hako: Way to explain that now!

Yauchi: Shut up!

Hako: All righty, we're getting to our part now... Oh, please don't film that!

Yauchi: Tsuchi, why're you still eating, even in a total stranger's house?

Tsuchi: Oh uh, I got hungry fast. And there was a banana like, right there. Plus, back when Nagasawa was still with the group, we never got to have bananas in our dressing room and stuff, right?

Yauchi: That's just because Yuuko hates them.

Tsuchi: But still, even now, there's like never any bananas around in our green rooms or anywhere. So I thought "Haven't had one of these in...", and yeah.

Yauchi: "Yeah"? That's all you have to say for yourself?!

Hako: Same here...

Yauchi: You! Goddamn brats... oh, the sex scene's started. Jesus... doing those things at your age... Makes me worried about where you're headed.

Tsuchi & Hako: Teeheehee, Yauchi. When it comes to this stuff, we're more adult than you.

Yauchi: Shaddap!

San Marzano 2

Hako: There we are, the manager's solo sex scene.

Tsuchi: That's a doubled-headed dildo she's using right, but apparently there are still people out there thinking she's really got a dick.

Yauchi: Either way... that thing is huge...

Tsuchi: She's one lonely lesbian there, our manager.

Hako: And then, it's our busiest period. Hey, Yauchi. We went to lots of other places, aside from the ones that made the cut here.

Yauchi: Were you really all right? I was so worried.

Tsuchi: Oh, but they were all so nice to us you know? After every little thing they'd apologize, like "I'm sorry, I'm sorry" and stuff.

Yauchi: ...

Hako: About the two guys in the last scene here, I've obtained secret information that says the little brother who got to be my partner was originally supposed to have been a classmate of mine from when I lived in Nara!

Tsuchi: And so that's why he's got a Kansai dialect, right? How come it didn't turn out that way though?

Hako: Well, something about the pages, and it would have jumbled up the story. Also, Tsuchi could have felt lonely if she was the only one who got a stranger.

Yauchi: At first, there was also a plan to get those boys even more riled up, and they would have stolen your virginity, girls!

Tsuchi & Hako: !!!! ... So we barely got away, huh.

Yauchi: Hold on, I wonder if that means it happened to me in your place or something...? Unacceptable! My partner was Yoshiwaza for cryin' out loud... It doesn't count! I remain a clean, unspoiled maiden! That's settled!

Tsuchi: ... You can't get it back once you lose it, Yauchi. Tee-hee.

Yauchi: !! ... Fine. According to the information I have, Tsuchi, ideas for stealing your virginity are being thrown around even as we speak.

Tsuchi: !!!!!

The Kei

Yauchi: Little Tsuchi's in a state of shock, so I shall proceed. Here we see the return of Kei and Natsumi at last! Don't we, little Hako?

Hako: Uh, that's right. They're back. Aren't they, Tsuchi?

Tsuchi: ... Fine. It's not like I know when it'll happen! I'll just not worry about it, so there. I see Auntie is up to some strong character establishment after breaking into the middle of the story like that.

Hako: She's always rich, but here the seasoning's really flowing, I suppose.

Yauchi: Look, she even breaks out the Shining Con-chair-to... but Sayaka...

Let's Meet Again

Yauchi: Because you two kept yapping, we don't have time to explain the second half. Geez.

Tsuchi: No, it's because you gave us that shocking news. I don't care though. I'm like "Whatever!" 'cos I don't know when it'll be.

Hako: I wonder if I'll be OK...

Yauchi: Anyway, for the rest of Tsuchihako's ♥ Second Sound Channel!!!, I believe you'll be able to meet us for "Tsuchihako's ♥ Second Sound Channel!! on the Web"! That also goes for future Shining Musume information, so find us at
