Hello, thanks for reading.

This is my first release and first real translation project. My Japanese is kinda shit, so I hope this wasn't too bad. Thanks to L, M, K, and Y who I could consult when I got stuck on something. Anyway, I always like reading translator's notes so here are a few from me:

-Yuki/Yoshinori

The way the kanji for Yuki's name is written is normally read as "Yoshinori" and is usually a boy's name, hence the confusion by Ria and Rena. It also seems it was his name before becoming a boy.

-Acquired Gender Reversal Syndrome

The Japanese uses "disease" where I have syndrome, to be honest I think mine sounds better and more fits what is actually happening to him (?)

-Prostitution

It's not until the second-to-last page that Rena mentions that they are going to pimp out Yuki's anus. Yuki then isn't sure about this on the last page, but reading ahead, [SPOILERS]yeah they prostitute out that ass.

I attempted to clean up some sound effects but in no way am I a redrawer so the last page I couldn't even handle. If someone wants to clean it, I'll do a v.2 with a new last page. There are also two more chapters in the series, I want to get to them eventually.

WHY DID I TRAIN ONLY TO HAVE MY ASS FUCKED?

WHY AM I ONLY HAVING ANAL SEX?

BUT ...

YOSHINORI-SEMPAI

YOU'RE STILL KEEPING UP AN ACT, WITH THAT SHORT HAIRCUT AND ALL.

COMPL-ETELY A "WOMAN" ?

SO I'M STILL NOT

W-WAIT, RIA! WAIT UP!

Well, this came faster than expected. I guess I just had a lot of free time today. Anyway, part three may take longer, maybe next week but who knows. I did this mostly for myself anyway.

I tried using better fonts and being able to fit everything in better, so hopefully it was an improvement. There also weren't as many sexual slang terms in this chapter.

Anyway, down with the female:"females only" tag I suppose.

-Yoshinori

On the last page, Ria calls Yuki by his original name, if that wasn't obvious. The preceding sentence was harder to translate, but I think I got the meaning. A part of him is still a boy and he's still trying to show that, hence the short haircut. tbhwa, short hair is love, short hair is life so I didn't mind.

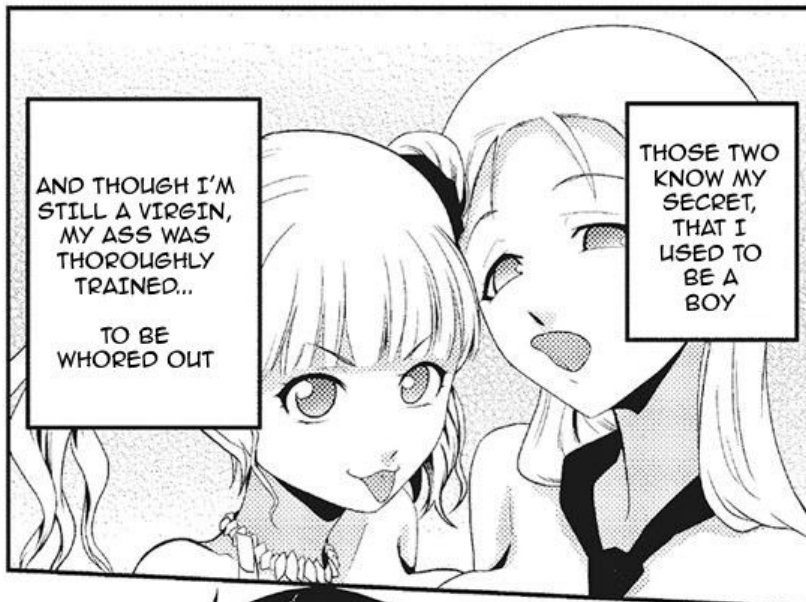

-Ashta

The very first line is the kanji for tomorrow, but given the rest of the dialogue it is used to mean a short time in the future. There's no way he'd be able to have used that dildo like that in 24 hours anyway.

-Prostitution/paid dating

The kanji Rena uses are for "paid dating" but given what happens and Yuki's obvious horror at being forced to do it, I thought a more common and weighted word was better.

So, part three continues with the anal prostitution but also [spoiler]the inevitable loss of actual virginity. Oh well.

It's finally done. No real notes here, just glad I managed to get it done. I'd like to take on another project, but nothing big. It's kinda tough, and I'd really rather take on something that isn't likely to be translated anytime soon. Was thinking something from Kitani Sai or Abe Morioka. If you guys have any one-shots with a heavy anal focus from at least 3 years ago that hasn't been translated, I'm game though. Let me know in the comments below or on twitter I guess. Which is just my name here on ex.

Anyway, hope you all enjoyed this and thank god for Jisho.
